

# Greek Grammar Beyond The Basics An Exegetical Syntax Of New Testament Daniel B Wallace

Thank you for downloading **Greek Grammar Beyond The Basics An Exegetical Syntax Of New Testament Daniel B Wallace** . As you may know, people have look numerous times for their favorite books like this Greek Grammar Beyond The Basics An Exegetical Syntax Of New Testament Daniel B Wallace , but end up in malicious downloads. Rather than reading a good book with a cup of tea in the afternoon, instead they cope with some infectious virus inside their laptop.

Greek Grammar Beyond The Basics An Exegetical Syntax Of New Testament Daniel B Wallace is available in our digital library an online access to it is set as public so you can download it instantly. Our book servers hosts in multiple countries, allowing you to get the most less latency time to download any of our books like this one. Merely said, the Greek Grammar Beyond The Basics An Exegetical Syntax Of New Testament Daniel B Wallace is universally compatible with any devices to read

An Interpretive Lexicon of New Testament Greek - Gregory K. Beale 2014-10-28

Save considerable time in translating and exegesis of the Greek New Testament text. This Lexicon has a very specific and important purpose: to make the process of New Testament interpretation easier and more accurate by providing a comprehensive yet concise interpretation of Greek words that determine logical relationships between statements or clauses. These words (prepositions, adverbs, particles, relative pronouns, conjunctions and other connectors) are essential to revealing and supporting the main ideas in the text and are especially useful for interpreting logical arguments, such as those found in the epistles. While not exhaustive, this Interpretive Lexicon lists the vast majority of Greek connecting words, especially those that are notorious for being some of the most difficult words to translate. Features include: Concise definitions for quick analysis. Examples of where the word is found in Scripture. Page references to several major lexical resources for further translation options and nuances. Interpretation of the broader categories of each word (for example: locative (in, among, on), means-end (with, by), grounds (because, on account of), temporal (while, at), and so on. The interpretive feature of the book--evaluating the word's function in discourse--is tremendously helpful for the exegetical process, allowing the translator to closely follow the logical flow of the text with greater efficiency. This Interpretive Lexicon is a valuable handbook for student, pastor, and scholar alike.

**Learn to Read New Testament Greek** - David Alan Black 2009

Now in its third edition, Learn to Read New Testament Greek is revised for the first time in fifteen years to include updated scholarship and additional reference notes.

**Basics of Verbal Aspect in Biblical Greek** - Constantine R. Campbell 2009-10-06

Verbal aspect in the Greek language has been a topic of significant debate in recent scholarship. The majority of scholars now believe that an understanding of verbal aspect is even more important than verb tense (past, present, etc.). Until now, however, there have been no accessible textbooks, both in terms of level and price (most titles on the topic retail for more than \$100). In this book, Constantine Campbell investigates the function of verbal aspect within the New Testament Greek narrative. He has done a marvelous job in this book of simplifying the concept without getting caught up using terms of linguistics that no one except those schooled in that field can understand. The book includes exercises, an answer key, glossary of key concepts, an appendix covering space and time, and an index to Scripture cited. Professors and students, at both the

undergraduate and graduate levels, will use this is as a supplemental text in both beginning and advanced Greek courses. Pastors that study the Greek text will also appreciate this resource as a supplement to their preaching and teaching.

**The New Linguistic and Exegetical Key to the Greek New Testament** - Cleon L. Rogers 1998

This verse by verse analysis of unusual forms and grammatical and exegetical difficulties in the Greek New Testament is expanded and revised, improving on the acclaimed original version.

An Introduction to Biblical Greek Workbook - Dana M. Harris 2020-09-29

This workbook is designed to accompany An Introduction to Biblical Greek Grammar, which focuses on the linguistic and syntactic elements of Koine Greek to equip learners for accurate interpretation. It reinforces key concepts student learn through parsing and translation exercises for each chapter. All texts are taken from the Greek New Testament and the Septuagint and include extensive syntactical and exegetical notes to aid students. In An Introduction to Biblical Greek Grammar, author Dana Harris draws upon twenty years of Greek teaching experience and the latest developments in linguistics and syntax to introduce students to basic linguistic concepts and categories necessary for grasping Greek in ways that are clear and intuitive. This solid foundation enables students first to internalize key concepts, then to apply and build upon them as more complex ideas are introduced. Several features are specifically designed to aid student's learning: Key concepts are graphically coded to offer visual reinforcement of explanations and to facilitate learning forms and identifying their functions Key concepts are followed by numerous examples from the Greek New Testament Students learn how to mark Greek texts so that they can begin to "see" the syntax, identify the boundaries of syntactic units, and construct syntactic outlines as part of their preaching or teaching preparation Four integrative chapters, roughly corresponding to the midterms and final exams of a two-semester sequence, summarize material to date and reinforce key concepts. Here students are also introduced to exegetical and interpretive concepts and practices that they will need for subsequent Greek studies and beyond. "Going Deeper" and "For the Curious" offer supplemental information for students interested in learning more or in moving to advanced language study.

*Koine Greek Grammar* - Fredrick J. Long 2016-06-04  
KOINE GREEK GRAMMAR: A BEGINNING-INTERMEDIATE EXEGETICAL AND PRAGMATIC HANDBOOK teaches beginning Greek and explains intermediate-level syntax and discourse grammar. Also included are numerous examples, charts, check points with answers, ancient artifacts, and

discussions for learning exegesis. A WORKBOOK AND ANSWER KEY & GUIDE is also available.

**Fundamental Greek Grammar** - James W. Voelz 2007

Revised to include typographical corrections, this linguistically and educationally sound third edition is a first-year textbook that gives a solid overview of New Testament grammar and vocabulary. This book takes a fundamental approach, moving from the known to the unknown, from the easy to the difficult.

*Discourse Grammar of the Greek New Testament* - Steven E. Runge 2010

In "Discourse Grammar of the Greek New Testament," Steve Runge introduces a function-based approach to language, exploring New Testament Greek grammatical conventions based upon the discourse functions they accomplish. Runge's approach has less to do with the specifics of language and more to do with how humans are wired to process it. The approach is cross-linguistic. Runge looks at how all languages operate before he focuses on Greek. He examines linguistics in general to simplify the analytical process and explain how and why we communicate as we do, leading to a more accurate description of the Greek text. The approach is also function-based--meaning that Runge gives primary attention to describing the tasks accomplished by each discourse feature. This volume does not reinvent previous grammars or supplant previous work on the New Testament. Instead, Runge reviews, clarifies, and provides a unified description of each of the discourse features. That makes it useful for beginning Greek students, pastors, and teachers, as well as for advanced New Testament scholars looking for a volume which synthesizes the varied sub-disciplines of New Testament discourse analysis. With examples taken straight from the "Lexham Discourse Greek New Testament," this volume helps readers discover a great deal about what the text of the New Testament communicates, filling a large gap in New Testament scholarship. Each of the 18 chapters contains: - An introduction and overview for each discourse function - A conventional explanation of that function in easy-to-understand language - A complete discourse explanation - Numerous examples of how that particular discourse function is used in the Greek New Testament - A section of application - Dozens of examples, taken straight from the Lexham Discourse Greek New Testament - Careful research, with citation to both Greek grammars and linguistic literature - Suggested reading list for continued learning and additional research

**Ancient Greek Grammar for the Study of the New Testament** - Heinrich von Siebenthal 2019

The Ancient Greek Grammar for the Study of the New Testament is a tool for theologians and others interested in interpreting the Greek New Testament. It is a reference grammar that systematically covers all areas relevant to well-founded text interpretation including textgrammar. Combining accuracy with accessibility was one of the main objectives in producing the book. The information it provides is based on the best of traditional and more recent research in the study of Ancient Greek and linguistic communication. Differences between classical and non-classical usage are regularly indicated. The mode of presentation is largely shaped by the needs of prospective users, who are typically unacquainted with the details of linguistic research. Aiming at both a professional quality of content and user-friendly presentation, a tool was produced that aims to be of service to novices and more experienced exegetes alike.

Basics of Biblical Greek Vocabulary Cards [Second Edition] - William D. Mounce 2019-02-05

Basics of Biblical Greek Vocabulary Cards by William D. Mounce is intended to accompany the fourth edition of Basics of Biblical Greek Grammar. The vocabulary cards provide beginning students essential help in vocabulary

acquisition of the Greek New Testament. Cards are numbered according to word frequency. Features include: The number of times the word occurs in the New Testament Verbal roots Keyed to Basics of Biblical Greek *Granville Sharp's Canon and Its Kin* - Daniel B. Wallace 2009

*Granville Sharp's Canon and Its Kin* explains that the semantics of the article-substantive-KAI-substantive construction (TSKS) have been largely misunderstood and that this misunderstanding has adversely impacted the exegesis of several theologically significant texts. This issue is addressed from three angles: historical investigation, linguistic-phenomenological analysis of the construction, and exegetical implications. The reasons for the misunderstanding are traced historically; a better comprehension of the semantics of the construction is established by an examination of primary literature in the light of linguistic theory; and the implications of this analysis are applied to a number of passages in the New Testament. Historically, the treatment begins with a clear grammatical principle articulated by Granville Sharp, and it ends with the present-day confusion. This book includes a detailed examination of the New Testament data and other Ancient Greek literature, which reveals that Sharp's rule has a general validity in the language. Lastly, a number of exegetically significant texts that are affected by the linguistic-phenomenological investigation are discussed in detail. This enlightening text is a valuable resource for undergraduate and graduate students of religion, linguistics, history, and Greek."

**The Analytical Lexicon to the Greek New Testament** - William D. Mounce 1993

This is an all-new analytical Greek lexicon, based on the critical Greek text (UBS3), with Goodrick / Kohlenberger numbers and new grammatical paradigms.

*Elementary New Testament Greek* - Joseph Dongell 2014-08-27

The digital copies of this book is available for free at [FirstFruitsWebsite.com](http://FirstFruitsWebsite.com).

[place.asburyseminary.edu/firstfruits](http://place.asburyseminary.edu/firstfruits) Under Revision: This grammar has already undergone numbers of revisions over the last 4 years, for which I must thank Mr. Brad Johnson (model language instructor) and his students for their fine-toothed combing of the text. This present publication, the first effort to combine the two semesters of elementary Greek instruction into one volume with full appendices, represents the first half of a full revision. Chapters 1-12 have been brought up to the standards of the most recent suggestions. Chapters 13-24 await this latest wave of modification, with all chapters together scheduled to be in their fully revised form by February of 2015. My special thanks goes to Mr. Klay Harrison, whose expertise and enthusiasm for this labor is stamped on every page. Preface: The world does not need another Elementary Greek Grammar There are many fine products on the market that have proven themselves to be useful both in the classroom and for private instruction. The need for this particular grammar arises from the peculiar shape of the MDiv curriculum at Asbury Theological Seminary. Several years ago the faculty adopted a curriculum that required one semester of Greek and one semester of Hebrew, each as preparatory for a basic exegesis course in each discipline. It became clear after several years of trial and error that a "lexical" or "tools" approach to learning Greek and Hebrew was inadequate, no matter how skilled the instructors or how motivated the students. In today's general vacuum of grammatical training in public education across the United States, students typically enter seminary training with no knowledge of how languages work. Any training we might give them in accessing grammatical information through the use of Bible software programs will, we learned, come to naught in the absence of an understanding of just what such

information actually means. We agreed that we actually needed to "teach the language itself," at least in some rudimentary fashion, if we hoped students would make sense of grammatical and linguistic issues involved in biblical interpretation. The first 12 chapters of this grammar are designed to correspond to the first semester's instructional agenda. In these chapters we introduce all the parts of speech, explain and drill the basic elements of grammar, set forth the larger verb system (excluding the perfect system), teach the tenses of the Indicative Mood only (again, excluding the perfect system), and help students build a vocabulary of all NT words occurring 100 times or more. We also lead students into the NT itself with carefully chosen examples, while at the same time guiding them in each lesson to learn the use of the standard NT lexicon [BDAG] and an exegetical grammar [Wallace's *Greek Grammar Beyond the Basics*]. We are well aware of the limitations of this approach, but genuinely believe that some instruction along these lines is better than none, and that such an approach provides a foundation for students interested in moving beyond the first semester (into chapters 13-24) into a firmer grasp of the language of the NT.

**Going Deeper with New Testament Greek, Revised Edition** - Andreas J. Köstenberger 2020-07-15

From their decades of combined teaching experience, Andreas J. Köstenberger, Benjamin L. Merkle, and Robert L. Plummer have produced an ideal resource enabling students to improve their skills so they may properly read, exegete, and apply the Greek New Testament. Designed for those with a basic knowledge of Greek, *Going Deeper with New Testament Greek* is a user-friendly textbook for intermediate Greek courses at the college or seminary level. In fifteen chapters, students learn Greek grammar and how to interpret the New Testament in a way that is accessible—and even fun. Also included are chapters on the Greek language and textual criticism, verbal aspect, sentence diagramming and discourse analysis, word studies, and continuing with Greek. Unique features include: Practical examples illustrating how knowing the content of a given chapter can guide proper interpretation of Scripture. Practice sentences and vocabulary lists, including all the words that occur fifteen times or more in the New Testament. Selected texts from every New Testament author for students to translate along with detailed reading notes to guide interpretation of each text. Summary charts to help students review material, serving as a handy study guide and quick reference tool. Additional resources for students and instructors available at [deepergreek.com](http://deepergreek.com)

**An Idiom Book of New Testament Greek** - C. F. D. Moule 2017-02-23

Originally published in 1953, this book was written to provide a companion to the syntax of the New Testament. It does not set out to be a systematic guide, but gives sufficient material for the student acquainted with the language to form opinions on matters of interpretation involving syntax. Notes are incorporated throughout. This book will be of value to anyone with an interest in biblical studies and the language of the New Testament.

**Remaining Faithful in Ministry** - John MacArthur 2019-03-14

Perhaps no one else has ever faced as much hardship, opposition, or relentless suffering as the apostle Paul. And yet, through it all, Paul stood firm in Christ and remained faithful—to the very end. The power of Paul's example has captivated veteran pastor John MacArthur for years, and here he outlines nine unwavering convictions that contributed to this remarkable perseverance. In an age when pastoral failure and burnout are increasingly common, this book is a call to endurance in ministry, encouraging pastors to stand strong in their role and not lose heart, regardless of what God sends their way.

**A Workbook for New Testament Syntax** - Daniel B. Wallace

2011-04-19

Daniel B. Wallace's groundbreaking books *Greek Grammar Beyond the Basics: An Exegetical Syntax of the New Testament* and *Basics of New Testament Syntax* have become the standard textbooks among colleges and seminaries for teaching New Testament Greek syntax. This workbook, designed to accompany both books, presents a dynamic approach to learning Greek syntax. Instead of simply learning syntax in single-verse snippets, students are exposed to all of the major syntactical categories in exegetically and theologically significant passages.

**Beginning with New Testament Greek** - Benjamin L. Merkle 2020-08-01

From their decades of combined teaching experience, Benjamin L. Merkle and Robert L. Plummer have produced an ideal resource for novice Greek students to not only learn the language but also kindle a passion for reading the Greek New Testament. Designed for those new to Greek, *Beginning with New Testament Greek* is a user-friendly textbook for elementary Greek courses at the college or seminary level.

**The Basics of New Testament Syntax** - Daniel B. Wallace 2009-05-18

*The Basics of New Testament Syntax* provides concise, up-to-date guidance for intermediate Greek students to do accurate exegesis of biblical texts. Abridged from *Greek Grammar Beyond the Basics: An Exegetical Syntax of the New Testament*, the popular exegetical Greek grammar for studies in Greek by Daniel B. Wallace, *The Basics of New Testament Syntax* offers a practical grammar for second-year students. The strengths of this abridgment will become quickly apparent to the user:

- It shows the relevance of syntax for exegesis and is thoroughly cross-referenced to *Exegetical Syntax*.
- It includes an exceptional number of categories useful for intermediate Greek studies.
- It is easy to use. Each semantic category is discussed, and a definition and key to identification are provided.
- Scores of charts and tables are included to enable the intermediate student to grasp the material quickly.

**Basics of Biblical Greek Grammar** - William D. Mounce 2009-12-15

*Basics of Biblical Greek* is an entirely new, integrated approach to teaching and learning New Testament Greek. It makes learning Greek a natural process and shows from the very beginning how an understanding of Greek helps in understanding the New Testament. *Basics of Biblical Greek*: combines the best of the deductive and the inductive approaches, explains the basics of English grammar before teaching Greek grammar, uses from the very beginning parts of verses from the New Testament instead of 'made-up' exercises, includes at the beginning of every lesson a brief devotional, written by a well-known New Testament scholar, that demonstrates how the principles taught in the lesson apply directly to an understanding of the biblical text, is the most popular first-year Greek course used in colleges and seminaries today, comes with an interactive study aid CD-ROM, containing an eight-minute greeting from the author and the fun, helpful, and graphical vocabulary-memorizing program 'Learning the Basics of Biblical Greek' (runs on Power Mac and Windows 95), where you can hear Greek words pronounced and sung in more than 200 familiar hymns. The CD-ROM also contains the powerful Greek vocabulary-drilling programs *Flashworks*(TM) and *Parseworks* from Teknia Language Tools (runs on Macintosh and Windows 3.1 and 95). A separate workbook is also available. And complimentary teacher helps are located on the author's website (<http://www.homeschooling.org>).

**Greek Grammar Beyond the Basics** - Daniel B. Wallace 1996

Depth, accuracy, relevancy and up-to-date presentation make this intermediate Greek grammar the finest available. Written by a world-class authority on textual criticism, it links grammar and exegesis to provide

today's second-year Greek student with solid exegetical and linguistic foundations.

**Intermediate New Testament Greek** - Richard A. Young 1994  
Intermediate New Testament Greek helps students learn to use their knowledge of Greek in the exegesis of the New Testament. It accomplishes this goal by augmenting traditional grammar with insights from modern linguistics.

**The Greek Article** - Ronald D. Peters 2014-01-02  
In *The Greek Article*, Ronald D. Peters presents a comprehensive, up to date grammar of the Greek article. Employing the principles of Systemic-Functional Linguistics, this new grammar challenges traditional models and provides a uniform, robust description of the article's function.

**Biblical Greek Made Simple** - H. Daniel Zacharias 2018  
Diligent study of God's Word involves engaging with it in the language it was written. Learning Greek can be a challenging experience for seminary students, but it is a critical piece of their education. Engaging with the Bible in its original language will lead to deeper understanding, new insights, and provide tools to enter into the conversation surrounding God's Word. *Biblical Greek Made Simple* is a one-semester textbook that teaches the basics of biblical Greek. Designed with the modern student and curriculum in mind, this grammar introduces all the essential elements of biblical Greek while also utilizing the tools and features of Logos Bible Software to help retain and enhance knowledge of Greek. Each chapter includes exercises tailored to its contents as well as additional teaching material for further advancement. Daniel Zacharias provides a solid overview of the entire biblical Greek system, while challenging students to understand how this ancient language is relevant to meaning and translation.

**Biblical Greek Exegesis** - George H. Guthrie 1998  
This intermediate / advanced text and workbook teaches syntax as well as exegesis by means of a modified inductive approach.

**A Concise Exegetical Grammar of New Testament Greek** - Jacob Harold Greenlee 1963

**Reading Koine Greek** - Rodney J. Decker 2014-11-11  
This in-depth yet student-friendly introduction to Koine Greek provides a full grounding in Greek grammar, while starting to build skill in the use of exegetical tools. The approach, informed by twenty-five years of classroom teaching, emphasizes reading Greek for comprehension as opposed to merely translating it. The workbook is integrated into the textbook, with exercises appearing within each chapter rather than pushed to the end or located in a separate book. This enables students to practice concepts as they encounter them in the chapter--ideal for distance learning or studying beyond the traditional classroom. The book covers not only New Testament Greek but also the wider range of Bible-related Greek (LXX and other Koine texts). It introduces students to reference tools for biblical Greek, includes tips on learning, and is supplemented by robust web-based resources through Baker Academic's Textbook eSources. Resources for students include flash cards and audio files. Resources for professors include a test bank and an instructor's manual.

**Voice and Mood** - David L Mathewson 2021-10-26  
"A recognized expert in Greek grammar examines two features of the Greek verb, voice and mood, in light of modern linguistics and offers fresh insights"--

**Basics of Biblical Hebrew Grammar** - Gary D. Pratico 2009-05-26

Features of *Basics of Biblical Hebrew Grammar*, Second Edition text: \* Combines the best of inductive and deductive approaches \* Uses actual examples from the Hebrew Old Testament rather than 'made-up' illustrations \* Emphasizes the structural pattern of the Hebrew language rather than rote memorization, resulting in a

simple, enjoyable, and effective learning process \* Colored text highlights particles added to nouns and verbs, allowing easy recognition of new forms \* Chapters Two (Hebrew Vowels), Nine (Pronominal Suffixes), Seventeen (Waw Consecutive), Eighteen (Imperative, Cohortative, and Jussive), and Twenty-Three (Issues of Sentence Syntax) are revised and expanded \* Section of appendices and study aids is clearly marked for fast reference \* Larger font and text size make reading easier \* Updated author website with additional Hebrew language resources and product information (www.basicsofbiblicalhebrew.com) Features of updated CD-ROM: \* Full answer key to the accompanying workbook (compatible with Windows and Macintosh) \* Scripture indexes to both the grammar and the workbook \* FlashWorks™, a fun and effective vocabulary-drilling program from Teknia Language Tools \* Links to additional resources accessible with internet connection

**Syntax of New Testament Greek** - James A. Brooks 1978

**The Handy Guide to New Testament Greek** - Douglas S. Huffman 2012

Usable Greek helps for all New Testament students, from novice to veteran

**Greek Grammar of the New Testament and Other Early Christian Literature** - F. Blass 1990-01

**A Grammar of New Testament Greek** - Rodney A Whitacre 2021-11-30

A reader's guide to the morphology and syntax of Koine Greek From the pen of a seasoned instructor of biblical Greek, this book functions as both an essential resource for second-year students and an invaluable asset for all readers as they continue to hone and deepen their linguistic skills. It begins with a basic overview of the language for new learners and for those looking for a brief refresher before moving into nuanced matters of morphology and syntax. Whitacre's aim is ultimately to help readers understand the subtleties of the language on the pages of the New Testament; thus, he engages with the biblical text both grammatically and exegetically, so that readers can experience its full power and beauty. Including numerous illustrative examples throughout and several useful appendices at the end, *A Grammar of New Testament Greek* is indispensable both as a textbook and as a reference for all readers of the Greek New Testament--and other texts written in Koine, such as the Septuagint and the Apostolic Fathers.

**A Graded Reader of Biblical Greek** - William D. Mounce 1996

This companion to *Basics of Biblical Greek* and *Greek Grammar Beyond the Basics* contains annotated readings from the New Testament designed for second-year students of the Greek language.

**Intermediate Greek Grammar** - David L. Mathewson 2016-08-16

An Accessible, Up-to-Date Intermediate Greek Grammar This intermediate grammar for students of New Testament Greek incorporates the advances of recent linguistic research in an accessible and understandable way. Drawing on years of teaching experience at a leading seminary, the authors help students extend their grasp of Greek for reading and interpreting the New Testament and related writings. They make extensive use of New Testament texts to illustrate each grammatical category. Long enough to provide substantial help yet concise enough for frequent practical use, this book is ideal for intermediate Greek and Greek exegesis classes. It is also a valuable resource for preachers and others.

**Greek Grammar Beyond the Basics Video Lectures** - Daniel B. Wallace 2017-02-21

*Greek Grammar Beyond the Basics Video Lectures*---a companion to the textbooks, *Greek Grammar Beyond the Basics* and *The Basics of New Testament Syntax*, by Daniel B. Wallace---provides 30 lectures, each corresponding to

a section in the textbooks. The lectures introduce second-year Greek students to syntax and exegesis of the Greek New Testament.

**Greek Grammar Beyond the Basics Pack** - Daniel B. Wallace  
2017-07-25

The Greek Grammar Beyond the Basics Pack contains everything you need to gain an in-depth understanding of the syntax of the Greek New Testament. It includes the bestselling textbook *Greek Grammar Beyond the Basics* by Daniel B. Wallace, a corresponding set of 25 video lectures, a workbook, and a laminated study sheet.

*A Workbook for Intermediate Greek* - Herbert W. Bateman  
IV

A veteran teacher guides students step-by-step through the Greek text of 1-3 John.

**Prepositions and Theology in the Greek New Testament** - Murray J. Harris  
2017-05-30

Prepositions are important in the exegesis of the Greek New Testament, but they are at the same time very slippery words because they can have so many nuances. While *Prepositions and Theology in the Greek New Testament* rejects the idea of a “theology of the

prepositions,” it is a study of the numerous places in the Greek New Testament where prepositions contribute to the theological meaning of the text. Offered in the hope that it might encourage close study of the Greek text of the New Testament, its many features include the following: Coverage of all 17 “proper” and 42 “improper” prepositions Explores both literary and broader theological contexts Greek font—not transliteration—used throughout Comprehensive indexes to hundreds of verses, subjects, and Greek words Discussion of key repeated phrases that use a particular preposition

**Revisiting the Corruption of the New Testament** - Daniel B. Wallace

How much did the theological arguments of the church affect the copying of the New Testament text? Focusing on issues of textual criticism, this inaugural volume of the *Text and Canon of the New Testament* series offers some answers to that question and responds to some of Bart Ehrman's views about the transmission of the New Testament text. *Revisiting the Corruption of the New Testament* will be a valuable resource for those working in textual criticism, patristics, and New Testament apocryphal literature.
