The Mister - E L James 2019-04-16

The #1 New York Times bestseller—a thrilling and seductive Cinderella love story from E L James, author of the phenomenal bestselling *Fifty Shades Trilogy*. Clasp her plait at the base of her neck, I tug lightly, bringing her lips up to mine. "Alessia," I breathe, and kiss her again, softly, slowly. She stills in my arms, then brings her hands up to clutch my biceps, closing her eyes as she accepts me. I deepen the kiss, my tongue teasing her lips, and she opens her mouth. She tastes of warmth and grace and sweet seduction. London, present day. Life has always been easy for Maxim Trevelyan, the "spare" to the earldom of Trevethick. With his good looks, aristocratic connections, and money, he's never had to work, and he's rarely slept alone. But all that changes when tragedy strikes and Maxim inherits his family's title, wealth, and estates, and the responsibility that entails. It's a role he's not prepared for and one he struggles to face. But his biggest challenge is fighting his desire for an unexpected, enigmatic young woman who's recently joined his staff. Reticent, beautiful, and musically gifted, she's an alluring mystery, possessing little more

than a dangerous and troublesome past. As Maxim's longing for her deepens into a passion he's never experienced and dares not name, he's left to wonder just who is Alessia Demachi? And can he protect her from the malevolence that threatens her? From the heart of London through wild, rural Cornwall to the bleak, forbidding beauty of the Albanian Balkans, *The Mister* combines the sensuality of a modern Regency romance with the danger, desire, and adventure of E L James's captivating storytelling, leaving the reader breathless to the very last page.

The Seven Husbands of Evelyn Hugo - Taylor Jenkins Reid 2017-06-13

From Taylor Jenkins Reid, "a genius when it comes to stories about life and love" (Redbook), comes an unforgettable and sweeping novel about one classic film actress's relentless rise to the top—the risks she took, the loves she lost, and the long-held secrets the public could never imagine. Aging and reclusive Hollywood movie icon Evelyn Hugo is finally ready to tell the truth about her glamorous and scandalous life. But when she chooses unknown magazine reporter Monique Grant for the job, no one in the journalism community is more astounded than Monique herself. Why her? Why now? Monique is not exactly on top of the world. Her husband, David, has left her, and her career has stagnated. Regardless of why Evelyn has chosen her to write her biography, Monique is determined to use this opportunity to jumpstart her career. Summoned to Evelyn's Upper East Side apartment, Monique listens as Evelyn unfurls her story: from making her way to Los Angeles in the 1950s to her decision to leave show business in the late 80s, and, of course, the seven husbands along the way. As Evelyn's life unfolds—revealing a ruthless ambition, an unexpected friendship, and a great forbidden love—Monique begins to feel a very a real connection to the actress. But as Evelyn's story catches up with the present, it becomes clear that her life intersects with Monique's own in tragic and irreversible ways. Written with Reid's signature talent for "creating complex, likable characters" (Real Simple), this is a fascinating journey through the splendor of Old Hollywood into the harsh realities of the present day as two women struggle with what it means—and what it takes—to face the truth.

Shelter in Place - Nora Roberts 2018-05-29

From Nora Roberts comes the #1 New York Times bestseller Shelter in Place (June 2018)—a powerful tale of heart, heroism...and propulsive suspense. It was a typical evening at a mall outside Portland, Maine. Three teenage friends waited for the movie to start. A boy flirted with the girl selling sunglasses. Mothers and children shopped together, and the manager at video game store tended to customers. Then the shooters arrived. The chaos and carnage lasted only eight minutes before the killers were taken down. But for those who lived through it, the effects would last forever. In the years that followed, one would dedicate

himself to a law enforcement career. Another would close herself off, trying to bury the memory of huddling in a ladies' room, helplessly clutching her cell phone--until she finally found a way to pour her emotions into her art. But one person wasn't satisfied with the shockingly high death toll at the DownEast Mall. And as the survivors slowly heal, find shelter, and rebuild, they will discover that another conspirator is lying in wait--and this time, there might be nowhere safe to hide.

Hot Comb - Ebony Flowers 2020-10-14

AN AUSPICIOUS DEBUT EXAMINING THE CULTURE OF HAIR FROM THE RONA JAFFE FOUNDATION AWARD-WINNING CARTOONIST Hot Comb offers a poignant glimpse into Black women's lives and coming of age stories as seen across a crowded, ammonia-scented hair salon while ladies gossip and bond over the burn. The titular story "Hot Comb" is about a young girl's first perm--a doomed ploy to look cool and to stop seeming "too white" in the all-black neighborhood her family has just moved to. In "Virgin Hair" taunts of "tender-headed" sting as much as the perm itself. It's a scenario that repeats fifteen years later as an adult when, tired of the maintenance, Flowers shaves her head only to be hurled new put-downs. The story "My Lil Sister Lena" traces the stress resulting from being the only black player on a white softball team. Her hair is the team curio, an object to be touched, a subject to be discussed and debated at the will of her teammates, leading Lena to develop an anxiety disorder of pulling her own hair out. Among the series of cultural touchpoints that make you both laugh and cry, Flowers recreates classic magazine ads idealizing women's needs for hair relaxers and product. "Change your hair form to fit your life form" and "Kinks and Koils Forever" call customers from the page. Realizations about race, class, and the imperfections of identity swirl through Flowers' stories and ads, which are by turns sweet, insightful, and heartbreaking. Flowers began drawing comics while earning her PhD, and her early mastery of sequential storytelling is nothing short of sublime. Hot Comb is a propitious display of talent from a new cartoonist who has already made her mark.

It Ends with Us - Colleen Hoover 2020-07-28

In this "brave and heartbreaking novel that digs its claws into you and doesn't let go, long after you've finished it" (Anna Todd, New York Times bestselling author) from the #1 New York Times bestselling author of All Your Perfects, a workaholic with a too-good-to-be-true romance can't stop thinking about her first love. Lily hasn't always had it easy, but that's never stopped her from working hard for the life she wants. She's come a long way from the small town where she grew up--she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily's life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He's also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn't hurt. Lily can't get him out of her head. But Ryle's complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his "no dating" rule, she can't help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan--her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is "a glorious and touching read, a forever keeper. The kind of book that gets handed down" (USA TODAY).

The Digested Read - John Crace 2006

Literary ombudsman John Crace never met an important book he didn't like to deconstruct. From Salman Rushdie to John Grisham, Crace retells the big books in just 500 biting satirical words, pointing his pen at the clunky plots, stylistic tics and pretensions to Big Ideas, as he turns publishers' golden dream books into dross. In the grand tradition of Tom Lehrer and Stan Freberg, Crace takes the books that produce the most media hype and retells each story in its author's inimitable style. Philip Roth, Don DeLillo, Margaret Drabble, Paul Auster, Alice Sebold, John Updike, Tom Wolfe, Ruth Rendell, A.S. Byatt, John LeCarre, Michael

Crichton and Ian McEwan all emerge delightfully scathed in this book that makes it easy to talk knowingly about books you've never bothered to read or, for that matter, should have.
