### **Complete Stories** - Grimm Brothers 2020-11-06

The Brothers Grimm tales were adorned and censored from edition to edition due to their extreme harshness. The Grimms defended themselves against criticism by arguing that their stories were not directed at children. But, to satisfy the demands of the bourgeois public, they had to change several details of the originals. The tales of the Brothers Grimm have, contrary to popular belief that they are considered the classics of children's literature par excellence, a dark side, far from illusion and happy endings. In this complete edition the true spirit of his texts is recovered.

### Selected Tales - Brothers Grimm 1983-02-24

Selected Tales contains some of the most timeless and enchanting folk and fairy tales collected by the Brothers Grimm, translated with an introduction by David Luke. These folktales collected by Jacob and Wilhelm Grimm are among the most memorable stories in European culture - conjuring up a world of spells and bewitchment, outwitted villains and cruel stepmothers, animal bridegrooms and enchanted princesses. Tales such as 'Hansel and Gretel', 'Little Red Cape' and 'The Robber Bridegroom' depict the dangers lurking in dark forests, and others, including 'Briar-Rose' and 'Snow White' show young beauties punished by unforgiving sorceresses. Other tales include 'Thickasathumb', which portrays a childless young couple whose wish for a baby is granted in an unexpected way, while 'The Frog King' tells of a rash promise made by a haughty princess to share

her bed with a frog, and a fortune is won in 'The Blue Lamp', when a soldier gains a kingdom with the help of a magic lamp. David Luke's vibrant translation is accompanied by an introduction discussing the key themes of the tales and the literary background of the Brothers Grimm. ### **Grimm's Complete Fairy Tales** - 2012-07-01

They are the stories we've known since we were children. "Rapunzel." "Hansel and Gretel." "Cinderella." "Sleeping Beauty." interesting. This elegant edition of "Grimm's Complete Fairy Tales" includes all our cherished favorites--"Snow White," "Rumpelstiltskin," "Little Red Cap," and many more--in their original versions. With specially designed end papers, a genuine leather cover, and other enhancements, it's the perfect gift for anyone looking to build a complete home library. Many of these tales begin with the familiar refrain of "once upon a time"--but they end with something unexpected and fascinating!

### *Clever Maids* - Valerie Paradiz 2009-04-27

The famous fairy tales of the Brothers Grimm - stories like Snow White , Red Riding Hood , and Rumpelstiltskin - are know to millions of people around the world and are deeply embedded in the collective psyche. In this charming account, writer and scholar Valerie Paradiz reveals the true story of how the fairy tales came to be. Jacob and Wilhelm

Grimm, collectors and editors of more than 200 folk stories, were major German intellectuals of the nineteenth century, contemporaries of Goethe and Schiller. But as Paradiz reveals here, the romantic image of the two brothers traveling the countryside, transcribing tales told to them by peasants, is a far cry from the truth. In fact, more than half the fairy tales the Grimm brothers collected were actually contributed by their educated female friends from the bourgeois and aristocratic classes. While German folkloric scholars—all of them male-fancied themselves the keepers of the cultural flame, it was a handful of women who ensured that millions would know the stories of *Sleeping Beauty* and *Cinderella* by heart. Set against the backdrop of the chaotic Napoleonic wars and the years of high German romanticism, *Clever Maids* chronicles one of the most fascinating literary collaborations in European history and brilliantly

captures the intellectual spirit of the men and women of the age. Even more, it illuminates the ways in which the Grimm tales, with their mythic portrayals of courage, sacrifice, and betrayal, still speak so powerfully to us today.

sinister, darkly vivid, and completely unforgettable.
