The Guitarist's Tablature Book - Peter Vogl
1998-01-01

The Guitarist's Tablature Book by Peter Vogl is simply the most useful tablature book available. Designed based on many

years of teaching experience, this must-have book contains input from several master guitar teachers throughout the Southeast. In addition to the blank sheet music the book features ample pages of large tablature & chord diagrams - easy to write on and easy to read. Also included are handy reference materials such as commonly played chords and scales, lesson logs, and manuscript paper. Full guitar neck diagrams give plenty of room for the teacher to write out longer scales or riffs. Pages are perforated for easy tear-out, and the book lays flat for writing. And there's even a useful "tip" on every tablature page. The Guitarist's Tablature Book helps the teacher spend more time teaching and less time writing! It's a valuable and useful tool for all guitar players, whether they're teachers, students, or professionals.
