Hamlet - William Shakespeare

2004

Why does Hamlet, the young Prince of Denmark, look so sad?

Why does he often say strange things? His family and friends are worried about him. Perhaps he is mad! But Hamlet thinks that he has discovered a terrible secret about a recent crime in his family. Now he has no time for Ophelia, the sweet girl who

loves him, or his friends, who were at school with him. He sits alone, and thinks, and plans.

What will he decide to do? Will he ever be happy again? This famous play by William Shakespeare, written in about 1600, is one of the finest in the English language.

Bookworms Library - Jennifer

Bassett 2014-09-30

A level 2 Oxford Bookworms Library graded reader. This version includes an audio book: listen to the story as you read. Retold for Learners of English by Jennifer Bassett. William Shakespeare. Born April 1564, at Stratford-upon-Avon. Died April 1616. Married Anne Hathaway: two daughters, one son. Actor, poet, famous playwright. Wrote nearly forty plays. But what was

he like as a man? What did he think about when he rode into London for the first time . . . or when he was writing his plays Hamlet and Romeo and Juliet . . . or when his only son died? We know the facts of his life, but we can only guess at his hopes, his fears, his dreams.

Hamlet, Prince of Denmark - William Shakespeare 1777

When Critical Thinking Met English Literature - Belinda Hakes 2008

This book gives teachers of English Literature an engaging new way into texts, using the skills and approaches of A level Critical Thinking. It also provides teachers of Critical Thinking with useful and stimulating resources with which to practise the skills required at A level. It will also help teachers looking for ways to engage students not drawn to literature, and any teacher trying to improve the analytical skills of their English

students. Topics Include- Critical Thinking does poetry - with a little help from John Donne, Andrew Marvell and Philip Larkin - Much Ado About...the credibility of evidence- Hamlet, Cathy and Catherine try to resolve dilemmas; - Isabella, Angelo and Iago compete for the highest marks in Critical Thinking- What's the difference between a metaphor and a lie?- First person narration: who can we trust? Based on practical experience, this book explores the interface between two apparently polarised subjects, one analytical and objective, the other traditionally in the aesthetic and affective domain; one eschewing ambiguity, the other celebrating it. The progeny of this unlikely coupling provides teachers and students of each subject with a stimulating, exciting and unifying way of enhancing their learning.

Shakespeare's Letters - Alan Stewart 2008-11-13

Shakespeare's plays are stuffed with letters - 111 appear on stage in all but five of his dramas. But for modern actors, directors, and critics they are frequently an awkward embarrassment. Alan Stewart shows how and why Shakespeare put letters on stage in virtually all of his plays. By reconstructing the very different uses to which letters were put in Shakespeare's time, and recapturing what it meant to write, send, receive, read, and archive a letter, it throws new light on some of his most familiar dramas. Early modern letters were not private missives sent through an anonymous postal system, but a vital - sometimes the only - means of maintaining contact and sending news between distant locations. Penning a letter was a serious business in a period when writers made their own pen and ink; letter-writing protocols were strict; letters were dispatched by personal

messengers or carriers, often received and read in public - and Shakespeare exploited all these features to dramatic effect.

Surveying the vast range of letters in Shakespeare's oeuvre, the book also features sustained new readings of Hamlet, King Lear, Antony and Cleopatra, The Merchant of Venice and Henry IV Part One.

The Olympic Games - Alex Raynham 2016

Classics, modern fiction, non-fiction and more. Written for secondary and adult students the Oxford Bookworms Library has seven reading levels from A1-C1 of the CEFR. Every four years, the world's best athletes come together for one of the most exciting competitions in sport: the Olympic Games. After years of training, competitors in more than forty different sports win and lose their events, and set new world records, in front of crowds of people. The Olympic Games are more than two

thousand five hundred years old. So how did they start, how have they changed over the years, and what have been some of the - most important times in their history? CEFR A2/B1 Word count 6,448

The Bible in Shakespeare -

Hannibal Hamlin 2013-08-29

"This book is about allusions to the Bible in Shakespeare's plays. It argues that such allusions are frequent, deliberate, and significant, and that the study of these allusions is repaid by a deeper understanding of the plays." - Introduction.

Arras Hanging - Rebecca Olson
2013-09-26

Arras Hanging: The Textile That Determined Early Modern Literature and Drama reveals that early modern writers aspired to produce narratives that replicated the structure and aesthetic of high-quality Renaissance tapestries in order to appeal to their audiences' desire for a "hands-on" and idiosyncratic

narrative experience.

The Oxford Shakespeare: Hamlet

- William Shakespeare

2008-04-17

Hamlet's combination of violence and introspection is unusual among Shakespeare's tragedies. It is also full of curious riddles and fascinating paradoxes, making it one of his most widely discussed plays. Professor Hibbard's illuminating and original introduction explains the process by which variant texts were fused together in the eighteenth century to create the most commonly used text of today. Drawing on both critical and theatrical history, he shows how this fusion makes Hamlet seem a much more 'problematic' play than it was when it originally appeared in the First Folio of 1623. The Oxford Shakespeare edition presents a radically new

text, based on that First Folio, which printed Shakespeare's own revision of an earlier version.

The result is a 'theatrical' and highly practical edition for students and performers alike.

Shakespeare in Print - Andrew Murphy 2021-05-13

Described by the TLS as 'a formidable bibliographical achievement ... destined to become a key reference work for Shakespeareans', *Shakespeare in Print* is now issued in a revised and expanded edition offering a wealth of new material, including a chapter which maps the history of digital editions from the earliest computer-generated texts to the very latest digital resources. Murphy's narrative offers a masterful overview of the history of Shakespeare publishing and editing, teasing out the greater cultural significance of the ways in which the plays and poems have been disseminated and received over the centuries from

Shakespeare's time to our own.

The opening chapters have been completely rewritten to offer close engagement with the careers of the network of publishers and printers who first brought Shakespeare to print, additional material has been added to all chapters, and the chronological appendix has been updated and expanded.

Hamlet's Ghost - James Cowan 2015-09-04

Occasionally a man emerges from history without us knowing him. Duke Vespasiano Gonzaga (1531–91) of Sabbioneta escaped the net of sixteenth century Italy, its history of wars and conflicts, to fashion a life that was uniquely different. He set out to change the way urban man lived. Importantly, he was the first man to build a Città ideale. Sabbioneta is the prototype of all planned cities of the modern era. As a confidant of King Philip II of Spain and a traveller, he quickly acquired a cosmopolitan

worldview, which led him to become a uomo universale. It was in this capacity that he designed Sabbioneta as a genuine “little Athens.” His life was fraught with tragedy, however. Not only did he suffer from syphilis, but his personal troubles left him emotionally damaged. The mysterious death of two wives, including the beautiful Diana of Cardona, forced him to find solace in the construction of his ideal city. As nephew to the legendary Giulia Gonzaga – and with her encouragement – the Duke managed to forge a career as a poet, bibliophile, antiquarian, condottiero, urban planner and diplomat, all against the backdrop of New World discovery, the Protestant Reformation, and the Inquisition. This book reveals another fascinating story: Vespasiano Gonzaga’s link to Shakespeare’s Hamlet. Like the Prince of Denmark, he reflects the emergence of our modern consciousness. He was a true

Renaissance man whose legacy remains with us to this day. As a self-fashioned personality, the Duke made every attempt to place himself at the forefront of events of his time. His life tells us a great deal about how late-Renaissance men exteriorised their inner world in a bid to achieve immortality.

Dubliners - Clare West
2014-09-25

Help your students read their way to better English. The Oxford Bookworms Library offers high-quality storytelling and a great reading experience, with a world wide range of classic and modern fiction, non-fiction and plays. Bookworms include original and adapted texts in seven carefully graded language stages (Starter to Stage 6), which take learners from beginner to advanced level. The plays of William Shakspeare, with the corrections and illustr. of various commentators, to which are added notes by S.

Shakespeare and the Loss of Eden

- Catherine Belsey 1999-11-11

In a harsh, uncaring world the family is valued as a source of warmth and stability. At the same time, we are increasingly compelled to recognize that families can be oppressive both physically and emotionally. Now for the first time in paperback, Catherine Belsey's richly illustrated account of Shakespeare's plays, in conjunction with early modern images of Adam and Eve, locates the construction of family values in cultural history and politics. She shows the pleasures and anxieties generated in the period by the domestication of desire, parental love and cruelty and the

relations between siblings - and discusses how Shakespeare's plays explore these themes.

Henry VIII and his Six Wives - With Audio Level 2 Oxford

Bookworms Library - Janet Hardy-Gould 2014-09-30

A level 2 Oxford Bookworms

Library graded reader. This

version includes an audio book: listen to the story as you read.

Written for Learners of English

by Janet Hardy-Gould. There

were six of them – three

Katherines, two Annes, and a

Jane. One of them was the King's

wife for twenty-four years,

another for only a year and a half.

One died, two were divorced,

and two were beheaded. It was a

dangerous, uncertain life. After

the King's death in 1547, his

sixth wife finds a box of old

letters – one from each of the

first five wives. They are sad,

angry, frightened letters. They

tell the story of what it was like

to be the wife of Henry VIII of

England.

Library graded reader. This
version includes an audio book:
listen to the story as you read.
Written for Learners of English
by Michael Dean. Do you believe
in ghosts? Jerry doesn't. He's a
nineteen-year-old American,
who just wants a good holiday
with his friend, Brad. They are
travelling round the north of
England by bicycle. But strange
things begin to happen in the
small hotel where they are
staying. First, Brad seems to
think that he has been there
before. And then a girl called
Ellen appears . . . The first of
these three original plays is set in
the seventeenth century, and the
other two take place in modern
times. In each play, a ghost comes

back from the dead to change the
lives of living people.

Joy of the Worm - Drew Daniel
2022-05-02

Consulting an extensive archive
of early modern literature, Joy of
the Worm asserts that voluntary
death in literature is not always a
matter of tragedy. In this study,

Drew Daniel identifies a surprisingly common aesthetic attitude that he calls “joy of the worm,” after Cleopatra’s embrace of the deadly asp in Shakespeare’s play—a pattern where voluntary death is imagined as an occasion for humor, mirth, ecstatic pleasure, even joy and celebration. Daniel draws both a historical and a conceptual distinction between “self-killing” and “suicide.” Standard intellectual histories of suicide in the early modern period have understandably emphasized attitudes of abhorrence, scorn, and severity toward voluntary death. Daniel reads an archive of literary scenes and passages, dating from 1534 to 1713, that complicate this picture. In their own distinct responses to the surrounding attitude of censure, writers including Shakespeare, Donne, Milton, and Addison imagine death not as sin or sickness, but instead as a heroic gift, sexual release, elemental

return, amorous fusion, or political self-rescue. “Joy of the worm” emerges here as an aesthetic mode that shades into *schadenfreude*, sadistic cruelty, and deliberate “trolling,” but can also underwrite powerful feelings of belonging, devotion, and love.
