IB Biology - Camilla C. Walck 2014-08-01

The International Baccalaureate® (IB) was founded in Geneva, Switzerland in 1968 as a non-profit educational foundation that endeavored to develop inquiring, knowledgeable and caring young people who would go on to create a better and more peaceful world through intercultural understanding and respect. What began as a single program for internationally mobile students preparing for college, has grown into a series of programs for students up to age 19. Barron's is pleased to offer a brand new review guide for the IB Biology exam. The content of the exam is compiled from the newly revised IB Biology course syllabus. This review book focuses specifically on the syllabus

material to ensure that students are fully prepared and includes: An overview of the tests/papers, including an explanation of scoring, command terms, and optional topics based on the brand new 2014 syllabus Connections to the Nature of Science (NOS) theme that runs throughout the syllabus Study tips and strategies for maximizing scores A section on mathematical calculation and statistical analysis review 2 full-length paper 1, 2, and 3 practice exams with fully explained answers The book is formatted to prepare students for either the one-year SL (standard level) or the two-year HL (higher level) biology exam.

**IB Biology Internal Assessment [IA]** -

Penelope Gourgourini 2021-02

This book contains seven excellent Internal Assessments (IA) for the IB Biology course. Our goal is to help you understand how success is achieved in the IA so that you can go on to obtain a similar result. Alongside these IAs is a

clear and comprehensive guide on how to write yours, including everything from how to choose an interesting topic to how to integrate the IA with your studies and the syllabus. The guide also includes links to various online resources which may help you achieve the maximum mark. Sections include: - Structure: how to plan your Biology IA the ideal way - Ideas: an exhaustive list of excellent sources and websites - Assessment: maximizing your marks with one eye on the grading criterion - Technology: what tools can be used to improve your IA Our guide makes frequent reference to the grading matrix and the format that your IA should follow, as well as highlighting details which you must bear in mind when carrying out your investigation. EIB Education (Elite IB Tutors) are a globally recognized authority in the International Baccalaureate. Having supported thousands of students across 40 countries in the past 7 years, EIB supports students, families and schools through the entire IB journey.
