A GOOD MORNING AMERICA BOOK CLUB PICK Named a Best Book Pick of 2021 by Harper's Bazaar and Real Simple Named a Most Anticipated Book of Fall by People, Essence, New York Post, PopSugar, New York Newsday, Entertainment Weekly, Town & Country, Bustle, Fortune, and Book Riot Told from alternating perspectives, an evocative and riveting novel about the lifelong bond between two women, one Black and one white, whose friendship is indelibly altered by a tragic event—a powerful and poignant exploration of race in America today and its devastating impact on ordinary lives. Jen and Riley have been best friends since kindergarten. As adults, they remain as close as sisters, though their lives have taken different directions. Jen married young, and after years of trying, is finally pregnant. Riley pursued her childhood dream of becoming a television journalist and is poised to become one of the first Black female anchors of the top news channel in their hometown of Philadelphia. But the deep bond they share is severely tested when Jen's husband, a city police officer, is involved in the shooting of an unarmed Black teenager. Six months pregnant, Jen is in freefall as her future, her husband's freedom, and her friendship with Riley are thrown into uncertainty. Covering this career-making story, Riley wrestles with the implications of this tragic incident for her Black community, her ambitions, and her relationship with her lifelong friend. Like Tayari Jones's *An American Marriage* and Jodi Picoult's *Small Great Things*, *We Are Not Like Them* explores complex

questions of race and how they pervade and shape our most intimate spaces in a deeply divided world. But at its heart, it's a story of enduring friendship—a love that defies the odds even as it faces its most difficult challenges.

I swear I could feel her on the breeze, standing here in the serenity of the country. She was my life, my dreams, my love, my wife, but above all that, she was my reason for being. I closed my eyes as memories of the smell of her perfume wafted around me, pulling me into a daydream of her walking toward me and teasing me. I could see her beautiful, huge smile that lit up my whole world. Her sharp, blue eyes sparkled as she gazed at me, my chest aching, knowing this was all a dream. Still, I kept my eyes closed, relishing in every piece of her I took with me six years ago. Her long, chestnut hair was blowing in the breeze as she walked closer to me, her voice floating in the wind. I could feel her hand resting against my chest as she leaned in to whisper in my ear. "I'm forever yours, Drew. Nothing can take me from you." How do you move on when you lose the love of your life in such a tragic way? Even seven years later, getting over the woman that you planned to spend your life with and have a family with seems impossible. When that person is so ingrained in who you are, is there

really any hope of creating a life you can be happy with, let alone finding someone new to love? Their paths continued to cross in ways that left him angry and confused, until one day he found himself becoming intrigued with his new neighbor and needing to know what it was that drew him to her. Could he move on from the woman he loved more than anything in this world, or would he find himself unable to let her go when the time came? Even the gift that I was given wasn't enough to bring me out of my depressed state. Still, I had no choice but to move forward with my life and make the most of the last and greatest gift I was given. No one would ever be able to know who I am or the secrets I carry. I would forever be another woman who couldn't even properly mourn what had been lost. My new neighbor, Drew, was surly and completely hateful, at least he was with me. For some reason, I set him on edge and made him lash out at me. When we finally fell on someone even ground, would I be able to give him what he needed or were the secrets I held just too much of a burden to truly move forward?

She tried to have it all, but there was always something that held her back from committing. Until Gary. Gary was...not really important. But being with him led her to Rocco in the most unusual way, and now she's about to find out all about his rulebook.

Rules for Sexual Encounters: "You were serious? You actually have a rulebook?" "I don't joke around about stuff like this. I think it's best for both of us to go in with guidelines laid out about what we want out of this. This is for the occasional f*ck. If we decide to take it beyond that, I have a revised version of this." I looked down at the paper and read through the rules that he laid out. 1. Condoms will be used during all sexual encounters, regardless of the fact that the woman may be on birth control. No exceptions. 2. The woman does not have bed rights after sexual encounters and will leave within ten minutes of sexual encounter ending. "You kick your women out of bed ten minutes after you finish f*cking them?" "What's wrong with that? We both got what we wanted. There's no point in dragging it out. That just confuses the situation. Besides, I work early in the morning. I need my sleep." "Right, and a half hour would make all the difference in the world," I said sarcastically. "Are you telling me that you've never screwed someone and then wondered why the hell they were hanging around?" "Well, no. I mean, of course there are times that you just want the other person to leave. It's just that it's hard to kick someone out." "That's why they agree to this. If I want her to stick around, I'll ask her to. But by doing this, I've eliminated the awkwardness of the goodbye." "No, you've eliminated having to ask her to leave. If anything, the goodbye is going to be even more f*cking awkward because you're putting such tight time constraints on her leaving." He shrugged. "It gets the job done." This guy had some serious issues that I didn't even want to get into. I looked back at the paper and continued reading. 3. The woman does not have washing rights after sexual encounters. "What the hell are washing rights? Like, I'm not allowed to clean up afterward?" "You are, just not with me. I will not be washing you in any way. I won't bring you a washcloth or wipe you down like they do in those stupid romance novels." "And you read many of those?" "No, but some of the women do. Believe me, I've been informed what men in those novels do, and they aren't men. Bunch of pu\$ies." "Okay, so, no washing rights. Got it." 4. If asked to stay longer, the woman does not automatically gain bed rights, washing rights, coffee rights, or house rights. "Okay, this may seem like a stupid question, but what are coffee

rights and house rights?" "Well, that part needs some adjustment since we're living together. Basically, it means that if I do ask you to stay the night, you don't automatically get to help yourself to coffee in the morning. Nor do you get to wander around my house and look at all my stuff." "Wow," I said, not wanting to touch that with a ten foot pole. "Hey, I just like there to be boundaries."
