Learn Hindi Through English in 30 Days - A.H.W. Chetna 1997-12-01

Zero Oil Cook Book - Bimal Chhajer 2020-10-19

Oil or Trglycerdies make about 99% of the fats that we consume in our food. Research in the last twenty years have shown that Triglycerdies are equally responsible for creating heart disease, when compared to Cholesterol.

Malayalam Alphabet - John Kunnathu 2017-12

This is a workbook for those who learn to write Malayalam Alphabet. The focus is on the shape of the letters, and on how to write them. The letters are ordered from simple to complex, so that the learners won't be intimidated by the few complex ones. The letters are classified into base forms, short forms, and combined forms. A page is devoted for each letter. At the top left you see the letter along with the direction as to how to write it. A star indicates the place to start writing a letter. At the top right you see a little help as to its sound. Also you see a few words in which the letter occurs. Then you see in six rows six sets of the letter in dotted lines in varying sizes. The biggest ones are at the top, and they become smaller as they go down. The learner is not supposed to write all of them together. In the first week, the learner may write only the ones in the first row. He/she may visit as many pages as time permits, but he/she should stay within the first row. In the second week, he/she may come back and do the second row of each of those pages he/she visited. Thus the learner needs to spend a minimum of six weeks to complete the entire book. If the learner is a child, he/she should be directed to stick to the plan of one row per week. Filling each page fully before going to the next won't serve the purpose. As the learner writes a letter, he/she needs to sound it too, so that each letter will be associated with the sound it represents. All Malayalam sounds don't have English equivalents. The learner will have to seek the help of a native speaker if available. The learner may also search in Youtube for Malayalam alphabet pronunciation, and listen from there. There is also a list of a few common words and a few sentences toward the end of the book. This is the very first book a level 1 learner of Malayalam may use. The same authors have made two more books available for the next levels. Learn Basic Malayalam in Six Weeks is level 2, and Speak Malayalam in Ten Weeks is level 3. A reviewer, Shija Abraham, wrote: "Malayalam Alphabet Practice Workbook by John Kunnathu and Lissy John is very well organized with mainly English-speaking people/kids in mind. Equivalent English sound for all vowels and consonants with a practice page is given for each letter. To help beginners, arrows are shown in the direction in which each letter is written. It also covers stressed consonants, consonant combinations, short form of consonants and consonants without a vowel. The book ends with some common words and sentences which also give a short history of the Malayalam language. The book provides a plan to learn the language in 6 weeks. The Kunnathu's experience as educators is very well displayed in the structure and the content of the book. I highly recommend this book for all beginners."

English Made Easy Volume Two - Jonathan Crichton 2016-03-29

This is a fun and user-friendly way to learn English English Made Easy is a breakthrough in English language learning—imaginatively exploiting how pictures and text can work together to create understanding and help

learners learn more productively. It gives beginner English learners easy access to the vocabulary, grammar and functions of English as it is actually used in a comprehensive range of social situations. Self-guided students and classroom learners alike will be delighted by the way they are helped to progress easily from one unit to the next, using a combination of pictures and text to discover for themselves how English works. The pictorial method used in this book is based on a thorough understanding of language structure and how language is successfully learned. The authors are experienced English language teachers with strong backgrounds in language analysis and language learning. English Made Easy, Volume 2 consists of a total of 20 units arranged in groups of five. The first four units presents language and provide learners the opportunities to practice as they learn. The first page of each unit has a list of all the words and phrases to be learned in that unit, together with pronunciation guide. At the end of each unit, an interesting story which uses the language that has just been learned is presented. The fifth unit in each group contains exercises designed to reinforce the language learned in the first four units.

The Psychology of Money - Morgan Housel 2020-09-08

Doing well with money isn't necessarily about what you know. It's about how you behave. And behavior is hard to teach, even to really smart people. Money—investing, personal finance, and business decisions—is typically taught as a math-based field, where data and formulas tell us exactly what to do. But in the real world people don't make financial decisions on a spreadsheet. They make them at the dinner table, or in a meeting room, where personal history, your own unique view of the world, ego, pride, marketing, and odd incentives are scrambled together. In The

Psychology of Money, award-winning author Morgan Housel shares 19 short stories exploring the strange ways people think about money and teaches you how to make better sense of one of life's most important topics.

Atomic Habits - James Clear 2018-10-16

The #1 New York Times bestseller. Over 4 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

Learn Gujarati In 30 Days Through English (Learn The National Language) - Krishna Gopal Vikal 2021-03-26

Learn Gujarati In 30 Days Through English (Learn The National Language) is a book that shows you how you can make use of the English language to learn an Indian language, namely Gujarati. Not only can you learn this language in an easy way but you can also learn it within a short span of thirty days. The book has been split up into five sections, each of which include a number of chapters. The first unit, entitled Alphabet, includes introductory chapters such as Alphabet, Consonants, How to Write Alphabet, Conjuncts, Vowels and their Abbreviated Forms, The Parts of Speech, Gender, Number and Case and Declension of Nouns. The second unit is entitled Word and is all about grammatical concepts that include Pronoun, Verb, Adjective, Tense, Voice, The Kinds of secondary Verbs, Cardinal Numerals and Errors in spellings. The third section, is titled classified sentences and includes concepts such as Useful Expressions, Imperative Sentences, Future Tense, Present Tense, Past Tense, Interrogative Sentences and Negative Sentences. The fourth section is all about situational sentences and shows you how you can test your language skills in different settings. The chapters in this section are at Home, Foods and Drinks, Shopping, Hotel and Restaurant, Craftsmen, Post office/Telephone/Bank, Health and Hygiene, While Travelling, Weather and Time. The final section of this book is called Conversations. Its

chapters show you how you can make use of the Gujarati you have learnt, to strike up a conversation in different places and among different groups of people. Helping you learn a new language within a span of 30 days, the bilingual edition of Learn Gujarati In 30 Days Through English (Learn The National Language) was published by Diamond Books in 2005 and is available in paperback. Key Features: The book includes situational questions and conversation topics.

Speak Malayalam in Ten Weeks - John Kunnathu 2017-07-14

Speak Malayalam in Ten Weeks is a new book by John D. Kunnathu & Lissy John. This book helps the speakers of English to gain the basic skills of speaking, listening, reading and writing Malayalam. This book was created as a second part to their earlier work, "Learn Basic Malayalam in Six weeks," which was found helpful by hundreds of people in the US and Europe. This book has ten lessons, which are built around ten children's songs, which have been sung by Yesudas, the well-known singer. The songs are based on the traditional popular animal fables. Thus the learners have the opportunity to learn Malayalam as presented through the voice of Yesudas. By the end of the ten lessons, a learner will be able to listen and understand Malayalam. The learner will also gain the ability to speak Malayalam. Our first book focused on the skills of reading and writing, but this one focuses on listening and speaking. This book makes use of the contemporary knowledge of the language and the contemporary ways of learning. Someone with a basic knowledge of the writing system of Malayalam can easily follow this book, and rise to a higher level. A reviewer, Andre Pleasant, wrote: Great helper for learning a new language. Wonderful book! Another reviewer, Reba M, wrote: This book was a very thorough and helpful tool in helping me to learn how to speak Malayalam!

Great Personalities of the World - Sahil Gupta

There is a famous saying by the great Irish writer and poet, Oscar Wilde that "Some cause happiness wherever they go; others whenever they go."These people who spread their influence and happiness like the brightness of sunshine on others, wherever they are under whichever circumstances they are, are called 'The Great Personalities'. Here we present more than 250 such great men in the book, Great Personality of the world with their lives, works, achievements, contributions, awards, and also the trivia and failure attached to their lives making it a unique encyclopedia of many legendary figures from across the globe. The book contains all about popular actors, such as Amitabh Bachchan, Elizabeth, Tylor, Marilyn Monroe, Raj Kapoor, Naseeruddin Shah, Shabana Azmi, Aishwarya Rai Bachchan, Shahrukh Khan, Tom Cruise, and many more. There are interesting life histories of more than 50 Renowed artists including names, such as Leo Tolstoy, Michelangelo, M.F. Hussain, Leonardo Da Vinci, Van Gogh, etc. In addition to the above, the book also has exhaustive life histories of great entrepreneurs like Dhirubhai Ambani, G.D.Birla, J.R.D.TATA, Bill Gates, Operah Winfrey, etc. You can also enrich your knowledge by knowing all about the great historians the legendry musicians the world famous scientists, inventors, physicians and politicians, who made their marks In their lives, created history and inspire us even today. #v&spublishers
