Even if it's spending time with women he knows he can't take home to his mother. Keep Out! - Nick Redfern 2011-12-22
Area 51, Hangar 18, the Montauk facility, the Dulce Base, the undersea world of Sanya, HAARP in Alaska, Pine Gap, Fort Detrick, Rudloe Manor, and the Zhitkur underground realm—these are just a few of the select, highly classified installations about which the governments of the United States, Australia, China, Russia, the United Kingdom, and others prefer that we, the general public, remain steadfastly ignorant. And these same governments have excellent reasons for wanting to keep us in the dark. It is at these secret facilities that for decades, clandestine research has reportedly been undertaken into crashed UFOs, deceased alien entities, bizarre creatures and unknown animals, lethal viruses, biological warfare, mind-control experimentation, and much, much more. Whether situated deep under the ocean, far below the ground, or within the heart of remote, fortified desert locales, these and many other supersecret places are guarded with a near paranoid zeal by those in power who wish to keep their secrets buried and locked far away from prying eyes. And they have succeeded. Until now.

Candy Girl - Diablo Cody 2005-12-29

Decreed by David Letterman (tongue in cheek) on CBS TV's *The Late Show* to be the pick of "Dave's Book Club 2006," *Candy Girl* is the story of a young writer who dared to bare it all as a stripper. At the age of twenty-four, Diablo Cody decided there had to be more to life than typing copy at an ad agency. She soon managed to find inspiration from a most unlikely source— amateur night at the seedy Skyway Lounge. While she doesn't take home the prize that night, Diablo discovers to her surprise the act of stripping is an absolute thrill. This is Diablo's captivating fish-out-of-water story of her yearlong walk on the wild side, from quiet gentlemen's clubs to multilevel sex palaces and glassed-in peep shows. In witty prose she gives readers a behind-the-scenes look at this industry through a writer's keen eye, chronicling her descent into the skin trade and the effect it had on her self-image and her relationship with her now husband.

emotional risks. Six years earlier her father, an army veteran, killed himself. But TJ is tough, determined to carry her own weight as a soldier, until one day when her team is ambushed during a mission in Iraq. As the only survivor, TJ is left both physically and psychologically traumatized. Yet even as she struggles to come to terms with the loss of her friends, she receives another devastating blow: her fiancé, stationed in Afghanistan, has taken his own life. Discharged from the army and back in the States, TJ is unable to cope. She spirals into an emotional daze, spending her days working at a suicide hotline and her evenings moonlighting as an exotic dancer. Her only outlet for her anger is a punching bag at the local boxing ring where she works out with a handsome trainer, Duffy. Just when she thinks she's reached her limit, an anonymous phone call shocks her back to life and gives her a new mission, justice for those she loves and she won't stop at anything to do it. *Getting Dunn* is a tension-filled military thriller that brings the reader insight into the mind of a struggling soldier fighting for her life. Praise for *Getting Dunn*: "Schreck's hard-hitting, plot-driven conspiracy thriller provides nonstop action with a dizzying blur of weaponry and covert activity. The characters come out of central casting, but are perfect for NCIS: Los Angeles or JAG fans. Schreck takes a new direction in this entry, although his series character Duffy Dombrowski plays a cameo role as TJ's sparring partner. Recommend to Merry Jones and Christa Faust readers, i.e., those who like really tough female leads." —Library Journal

Strip Club Mastery - Stro Diggs 2017-05-05

Have you ever been to a strip club and noticed that some guys seem to get all the attention from the strippers? If you're like most men, you probably assume that these guys are spending a lot of money, offering illicit drugs, or are some kind of "alpha males" that you either can't or don't want to compete with. What if I told you that this was an illusion... a MIRAGE to help separate you from your money? Nothing in a strip club is as it appears... don't be fooled! Sure, there will always be the guy who throws money around strip clubs and dominates the strippers' time (after all, it's their job to take their money), but do you think these guys are actually going home with them and having any kind of sexual relations with them? Hell no, they aren't! If you think all it takes is deep pockets and good looks to attract strippers then prepare to have your mind blown... I'm going to show you a simple and flawless way to walk into any strip club in the world and pull any stripper you want, night after night, without spending ANY of your hard-earned money. I'm going to show you how to be the guy who DOES go home with strippers and experiences the thrill and validation of being chosen by women who have a vast selection of men to choose from. But, it gets WAY better than that... I'm going to show you how to get the hottest strippers to come over to your place, night after night, without you even having to go into the club anymore! But, before I get too far ahead, let me to introduce myself. My name is Stro Diggs (Twitter), but most people just call me Stro, or Diggs (PUA Forum). I've spent a ridiculous amount of time in strip clubs over the last 15 years. I know just about everything there is to know about how strip clubs operate. I know the who, what, where, when, and why of the strip club game. I can get VIP status (or its equivalent) at strip clubs in days and weeks, instead of months and years, and I can do it without spending hardly any money at all. I've been to strip clubs all around the globe and I've learned the ONE weakness they all have. They can all be played using simple social and psychological tactics that ANYONE can learn. But, there's a catch! Strip clubs are designed and operated to give the clubs, dancers, and staff an unfair advantage over the customers who walk in

the door. Much like a casino, the odds are stacked against you. Here's where I come in... I've been in the middle of the strip club game for so long that I'm willing to bet that I can teach you how to master it just like me. It doesn't matter what you look like or how much money you spend in the club. (Actually, spending a lot of money in the club makes it HARDER to seduce strippers, but more on that later.) It's all about having the right attitude and working a solid game plan! Over the years I have developed and perfected word-for-word lines and routines that I use over and over again to pull strippers out of the club and into the bedroom with minimal effort. I have perfected them through rigorous testing and tweaking, finally reducing them to their purest form, and made them incredibly easy to learn. I have helped many men experience some of the best nights of their lives in strip clubs. After compiling all of my strip club secrets, advice, tips, tactics, and techniques into an informative ebook, I am making it available online for the first time. Take a look inside my book and see why it's the ultimate guide to stripper seduction and VIP status...

Sunshine - Samantha C. Ross 2020-12-01

There are a lot of Ambers in the stripping world. And Aprils and Summers, and Skys and Rains. There are quite a few gems: Sapphires, Diamonds, Rubies and even an Amethyst. And exotic creatures: Tigers, Cheetahs, Phoenixes and Kitties. Plenty of weather conditions, like Misty, Stormy and Cloudy. There are, of course, a selection of fruits: Cherry, Berry, Peaches and Apple. And confectionery to go with it, like Candy, Lolly and Caramel. And then there are the generic hot-girl/sexy names: Lolita, Tiffany, Chanel, Lulu, Sasha and Brigitte. Meet Sunshine. That's her stage name. Follow her downstairs into the shadowy underworld of the so-called Gentlemen's Clubs, where men hide in dark corners and pay gorgeous women like Sunshine to take their clothes off. Follow her to the private rooms where the lap dances happen, the hustle plays out and the real money flows. Sit with her in the back room with the other dancers, her friends and colleagues, who laugh and cry and rake in the dollars and party as though a zombie apocalypse is on the horizon. Sunshine tells us in her own brutally honest and audacious words what it's like to work as a stripper, both in Australia and overseas. Confessional, confronting, revealing, wildly entertaining and often laugh-out-loud funny, Sunshine: The diary of a lap dancer will take you into a world that most of us can only imagine and that others know all too well. But only the dancers know what really goes on - and this book shows you their world stripped bare. Boating Secrets: 127 Top Tips to Help You Buy and Enjoy Your Boat - 2011-08-15
