Supernatural Transformation - Guillermo Maldonado 2014-06-03

The central organ of the human body is the heart. It circulates the blood throughout the whole bodily system, pumping oxygen and nutrients to the other organs and pulling toxins away from them. Yet we human beings have another "heart"—a spiritual one—that is the true center of our existence. Our spiritual heart is our identity. It is the foundation of our whole being, from which our desires, designs, purposes, will, thoughts, and attitudes originate. Yet, as a result of the fall and our sinful nature, we all have symptoms of "heart disease," and we need to know how to become spiritually heart-healthy. As the Scriptures say, "The heart is deceitful above all things, and desperately wicked; who can know it?" (Jeremiah 17:9). Every

spiritual, mental, and emotional matter—and many physical ones—is rooted in the heart. The state of our spiritual heart affects all aspects of our daily living. Therefore, the condition of our heart will be the condition of our life. Join Apostle Maldonado on a journey of discovery into the purpose, motivations, and potential of our spiritual heart. God wants us to understand how, in Christ, our heart is designed to "pump" life to our entire being—producing mental, emotional, and physical health and removing the toxins of sin. We were created to reflect the heart of our heavenly Father. And God is ready even now to change our heart to be like His through a supernatural transformation!

Poverty, Riches and Wealth - Kris Vallotton 2018-04-03
Overcoming the Never-Enough Mentality to Experience True Kingdom Abundance Prosperity. It's one of the most dividing words in the church. Some pastors use it to tell their congregations that God will make them all rich, rich, rich! Others spurn the word and insist that true Christlikeness is found in forsaking all worldly riches and possessions. The truth is, both are right--and both are wrong. With refreshing honesty, humor, and keen insight,

bestselling author and pastor Kris Vallotton mines the Scriptures in an eye-opening study of what the Bible really says about money, poverty, riches, and wealth. And what he finds is sure to shake up what you thought you knew--including these surprising truths: · Jesus was not poor and homeless · Heaven is described in the language of wealth · Poverty is a mindset that holds us back from true wealth · You determine your wealth based on how much, and how well, you love yourself · God wants all his children to be wealthy, though not everyone should be rich Kingdom prosperity begins from the inside out. When you learn to cultivate a mindset of abundance, no matter your circumstances, you will begin to experience the wealth of heaven in every area of your life.

Created for Purpose - Guillermo Maldonado 2019-09-24

You are no accident. Your presence on this earth is not a mistake. Neither is it insignificant. On the contrary, you are wanted here—and needed! You are a creation of God with a unique purpose. Many people “do” things to try to gain acceptance by others, so that they can “be” someone. They become slaves to public opinion and never really know who they were meant to be. When we know that we are God’s beloved children, chosen from the foundation of the world, and discover who He designed us to be, we will think and act from that perspective. Everything else will develop from our identity and existence in Him. That identity goes beyond even our personal purpose to God’s eternal plans for the world and our exciting role in them. God created all human beings to have dominion over the earth. And He has assigned each of us a portion of “territory” where we can exercise the measure of our dominion on earth. This dominion is based on the faith, anointing, and gifts He

has given us. Our words and actions are most effective when we are in the territory God has assigned to us and are seeking first His kingdom. This “territorial” power is not merely symbolic. It is a reality in which we must live. The territory in which we are to be fruitful is not random or general but specific. In *Created for Purpose*, you will discover God’s plan for your life as a loved and valuable member of His creation, what it means to be called by God, and how to know and live in your purpose throughout your life. You are not an accident. You are present on this earth for a significant reason. Find out who you were meant to be!

Sex-Pol - Wilhelm Reich 2014-08-26

This volume contains the first complete translations of Wilhelm Reich’s writings from his Marxist period. Reich, who died in 1957, had a career with a single goal: to find ways of relieving human suffering. And the same curiosity and courage that led him from medical school to join the early pioneers of Freudian psychoanalysis, and then to some of the most controversial work of this century—his development of the theory of the orgone—led him also, at one period of his life, to become a radical socialist. The renewed interest in Reich’s Marxist writings, and particularly in his notions about sexual and political liberation, follows the radical critiques of Herbert Marcuse, Frantz Fanon and Paul Goodman, the political protest movements toward personal liberation in the present decade.

Why Believe in Jesus? - Guillermo Maldonado 2015-02-01

Jesus Christ is the most famous person who ever lived. Most people know His name, but they don't really know who He was or what was He like. If He truly was a Savior, as some say, in what way does that reality affect us today? And why should we believe in Him? As Jesus lived and ministered on earth, He taught on topics such as: What is truth? What is the meaning of life? What is love? What is my purpose? What is my future? In this book, as you explore the unique life and teachings of Jesus Christ, you will also be introduced to contemporary people from various backgrounds who tell how and why they came to believe in Jesus—and the difference He is making in their lives today.

The Better Covenant - Watchman Nee 1982-03-01

The New Covenant is full of God's grace. In order to enjoy such grace

each one who belongs to the Lord must know what this New Covenant is. How sad that many of the Lord's people today neither appreciate nor understand this New Covenant. For this reason we have a burden to release some messages on the New Covenant. Even so, the New Covenant is such a comprehensive subject that we cannot exhaust its richness with our limited learning, experience and words. Still, we look to God's grace and are willing to share with His children the little we have received. Our earnest prayer is that God would enable us to know something of the New Covenant and lead us into its spiritual reality.

Sexual Immorality - Guillermo Maldonado 2018-01-31

Arrival Cities - Burcu Dogramaci 2020-09-01

Exile and migration played a critical role in the diffusion and development of modernism around the globe, yet have long remained largely understudied phenomena within art historiography. Focusing on the intersections of exile, artistic practice and urban space, this volume brings together contributions by international researchers committed to revising the historiography of modern art. It pays particular attention to metropolitan areas that were settled by migrant artists in the first half of the 20th century. These arrival cities developed into hubs of artistic activities and transcultural contact zones where ideas circulated, collaborations emerged, and concepts developed. Taking six major cities as a starting point – Bombay (now Mumbai), Buenos Aires, Istanbul, London, New York, and Shanghai –the authors explore how urban topographies and landscapes were modified by exiled artists re-establishing their practices in metropolises across the world.

Questioning the established canon of Western modernism, *Arrival Cities* investigates how the migration of artists to different urban spaces impacted their work and the historiography of art. In doing so, it aims to encourage the discussion between international scholars from different research fields, such as exile studies, art history, social history, architectural history, architecture, and urban studies.

Jesus Is Coming Soon - Guillermo Maldonado 2020-09-29

Shakings, Signs, and the Return of Christ You are mentioned in biblical prophecy. You may not be mentioned by name, but you are included there. End-times prophecies speak of faithful followers of Jesus—called the “remnant”—who are ready for the last days and His return, but they also speak of those who are unprepared or fall away before His appearing. Which prophecy will you fulfill? *Jesus Is Coming Soon: Discern the End-Time Signs and Prepare for His Return* will help you be certain you are part of God's remnant. The signs of the end of the age and Jesus's appearing are evident in the physical and spiritual worlds. But most people, including Christians, have not recognized them. What signs has God given to announce the culmination of His purposes for the world? How can we discern them? How can we prepare? This book will unfold: The reason for the unprecedented natural and spiritual shakings in our world What the signs tell us, including unusual signs such

as blood moons How God works according to seasons, eras, and the fullness of time How Jewish feasts point to the ages of man, accurately showing us God's time clock Which imminent biblical signs and promises have yet to be fulfilled The judgments God is bringing to the earth God has given prophecies concerning Israel, the church, and the world. And His Spirit is disclosing His last-days purposes right now. We need to know how to receive the vital revelation and prophetic knowledge He wants to share with His people. When we have this foreknowledge, we can understand the times and prepare for His final plans for the earth. God intends the church to be a community of hope, revival, and supernatural power in the midst of dark times. There is a spirit of confusion in the world today. People must turn to God for the answers only He can give, and the church needs to be ready to provide those answers. In these end times, you do not need to be fearful, discouraged, or distracted. Instead, you can know your true position in God before Christ's appearing. You can be joyfully prepared, watching and waiting in expectation, with your spiritual eyes open. Live in God's perfect will for your life and participate in His supernatural, last-days purposes!

Competent to Counsel - Jay E. Adams 2009-07-13

A classic in the field of Christian counseling, *Competent to Counsel* is one of the first works to fully articulate a vision of "nouthetic" counseling—a strictly biblical approach to behavioral counseling and therapy. Dr. Jay Adams defends the idea that the Bible itself, as God's Word, provides all the principles needed for understanding and engaging in holistic counseling. Using biblically directed discussion,

nouthetic counseling works by means of the Holy Spirit to bring about change—both immediate and long-term—in the personality and behavior of the counselee. As he points out in his introduction, "I have been engrossed in the project of developing biblical counseling and have uncovered what I consider to be a number of important scriptural principles. . . There have been dramatic results. . . Not only have people's immediate problems been resolved, but there have also been solutions to all sorts of long-term problems as well." Competent to Counsel has helped thousands of pastors, students, laypersons, and Christian counselors develop: A general approach to (and theology of) Christian counseling. Specific, practical responses to particular problems useful for teaching, study, and personal application. Since its first publication in 1970, this book has gone through over thirty printings. It establishes the basis for and an introduction to a counseling approach that is being used in pastors' studies, in counseling centers, and across dining room tables throughout the country and around the world.

The Lean Lands - Agustín Yáñez 2017-03-08

What was it that flew over with such a terrifying roar? Was it, as many said, the devil, or was it that thing a few had heard of, a flying machine? And those electric lights at Jacob Gallo's farm, were they witchcraft or were they science? The theme of this harshly powerful novel is the impact of modern technology and ideas on a few isolated, tradition-bound hamlets in the aftermath of the Mexican Revolution of 1910. The old ways are represented by Epifanio Trujillo, the cacique of the region, now ailing and losing his grip on things; by ancient Madre Matiana, the region's midwife, healer, counselor, and oracle; by penniless Rómulo and his wife Merced. "Progress" is represented by Don Epifanio's bastard son Jacob, who acquired money and influence elsewhere during the Revolution and who now, against his father's will, brings electricity, irrigation, fertilizers, and other modernities to the lean lands—together with armed henchmen. The conflict between the old and the new builds slowly and inexorably to a violent climax that will long remain in the reader's memory. The author has given psychological and historical depth to his story by alternating the passages of narrative and dialogue with others in which several of the major characters brood on the past, the present, and the future. For instance, Matiana, now in her eighties, touchingly remembers how she was married and widowed before she had reached her seventeenth birthday. This dual technique is superbly handled, so that people and events have both a vivid actuality and an inner richness of meaning. The impact of the narrative is intensified by the twenty-one striking illustrations by Alberto Beltrán.

Starting a New Church - Ralph Moore 2002-09-06

According to the author perhaps our greatest responsibility is to evangelize our own generation. Yet established churches are not able to do that. In fact, rising generations of Americans live in ignorance of Jesus Christ and have no moral absolutes. Aggressive church planting, the author believes, is the answer to the problem, because new churches focus on the needs of each new generation and present biblical truth in the cultural context that best reaches those people. The objectives of this book are to lay down the challenge to consider becoming a church planter while at the same time screen out wishful thinking and focus on the practical challenges of church planting. This authoritative and edgy message is the next thing in evangelism.
