Top of the Morning - Brian Stelter 2013-04-23
Discover the cutthroat world behind the polite smiles and perky demeanors of morning news in the book that inspired the Apple TV series starring Reese Witherspoon, Jennifer Aniston, and Steve Carrell. When America wakes up with personable and charming hosts like Robin Roberts and George Stephanopoulos, it's hard to imagine their show bookers having to guard a

guest's hotel room all night to prevent rival shows from poaching. But that is just a glimpse of the intense reality revealed in this gripping look into the most competitive time slot in television. Featuring exclusive content about all the major players of the 2000s, the book illuminates what it takes to win the AM -- when every single viewer counts, tons of jobs are on the line, and hundreds of millions of dollars are

at stake. Author Brian Stelter is behind the scenes as Ann Curry replaces Meredith Vieira on the Today show, only to be fired a year later in a fiasco that made national headlines. He's backstage as Good Morning America launches an attack to dethrone Today and end the longest consecutive winning streak in morning television history. And he's there as Roberts is diagnosed with a crippling disease -- on what should be the happiest day of her career. So grab a cup of coffee, sit back, and discover the dark side of the sun. PRAISE FOR TOP OF THE MORNING "Mr. Stelter pulls back the curtains and exposes a savage corporate world that might have been inhabited by the Sopranos." - Washington Times "A troubling look inside an enterprise as vicious and internecine as a soap opera." - Kirkus Reviews

Participatory Culture, Community, and Play -

Adrienne Lynne Massanari 2015

In this incisive and timely work, Adrienne L. Massanari discusses how culture is created and

challenged on Reddit.com, the self-proclaimed «front page of the internet». Massanari's ethnographic work provides a detailed examination of the contradictions that shape Reddit's culture and how they reflect its role as an epicenter of geek culture.

Cybersexism - Laurie Penny 2013-08-22

'The Internet was supposed to be for everyone... Millions found their voices in this brave new online world; it gave unheard masses the space to speak to each other without limits, across borders, both physical and social. It was supposed to liberate us from gender. But as more and more of our daily lives migrated on line, it seemed it did matter if you were a boy or a girl.' It's a tough time to be a woman on the internet. Over the past two generations, the political map of human relations has been redrawn by feminism and by changes in technology. Together they pose questions about the nature and organisation of society that are deeply challenging to those in power, and in

both cases, the backlash is on. In this brave new world, old-style sexism is making itself felt in new and frightening ways. In *Cybersexism*, Laurie Penny goes to the dark heart of the matter and asks why threats of rape and violence are being used to try to silence female voices, analyses the structure of online misogyny, and makes a case for real freedom of speech - for everyone. Laurie Penny's forthcoming book, *Unspeakable Things: Sex, Lies and Revolution*, will be published in 2014.

They Knew Marilyn Monroe - Les Harding
2012-08-24

Taking an innovative approach to the life and legend of Marilyn Monroe (1926-1962), this biographical dictionary concentrates on her circle of friends, acquaintances and coworkers-1618 in all. Distilled from hundreds of celebrity biographies are references to, and quotes about, the iconic Hollywood sex symbol from such diverse personalities as architect Frank Lloyd Wright, Israeli diplomat Abba Eban, beat poet

Jack Kerouac, novelist Somerset Maugham, jazz singer Ella Fitzgerald, counterculture guru Timothy Leary and evangelist Aimee Semple McPherson, to name but a few. All of these remarkable people have, in one way or another, crossed paths with the magnificent Monroe. The entries in this volume (with source listings for further reading and research) confirm the fact that Marilyn Monroe remains a figure of enduring fascination five decades after her death.

Contemporary Hollywood Stardom - Thomas Austin 2003

Portraits Nudes Flowers - 2016

Portraits Nudes Flowers is a collection of photographs by Lima-born Mariano Vivanco (born 1975), one of the world's leading editorial and advertising photographers. It includes portraits of some of the world's most fashionable faces, including Cindy Crawford, Rihanna, Lady Gaga, Naomi Campbell, Ricky Martin, Antonio Banderas, Emma Watson and Sam Smith, among many others. Nudes have been a component of Vivanco's photography since his early studies in Melbourne, Australia, most notably his Candice Swanepoel and David Gandy nudes, both of which are featured here. Flowers have also been

a longstanding subject of Vivanco's photographic explorations, and this volume includes a never-before-seen series of Vivanco's flowers. With a fresh and unexpected take on these highly popular subjects, Vivanco unifies his collection of portraits, nudes and flowers in a contemporary fashion.

The Color of Kink - Ariane Cruz 2016-10-04
Winner of the MLA's 2016 Alan Bray Prize for Best Book in GLBTQ Studies How BDSM can be used as a metaphor for black female sexuality. The Color of Kink explores black women's representations and performances within American pornography and BDSM (bondage and discipline, domination and submission, and sadism and masochism) from the 1930s to the present, revealing the ways in which they illustrate a complex and contradictory negotiation of pain, pleasure, and power for black women. Based on personal interviews conducted with pornography performers, producers, and professional dominatrices, visual

and textual analysis, and extensive archival research, Ariane Cruz reveals BDSM and pornography as critical sites from which to rethink the formative links between Black female sexuality and violence. She explores how violence becomes not just a vehicle of pleasure but also a mode of accessing and contesting power. Drawing on feminist and queer theory, critical race theory, and media studies, Cruz argues that BDSM is a productive space from which to consider the complexity and diverseness of black women's sexual practice and the mutability of black female sexuality. Illuminating the cross-pollination of black sexuality and BDSM, *The Color of Kink* makes a unique contribution to the growing scholarship on racialized sexuality.

Red Carpet Suicide - Perez Hilton 2009-10-06
Perez Hilton—self-proclaimed “Queen of All Media” and founder of PerezHilton.com—cuts loose with a book that secures his reputation as “the most-hated man in Hollywood” (Rolling

Stone). The best part: it’s hysterically funny—and shockingly true... Psycho celebs dominate news, fashion, and trends, influencing how we speak and what we wear. We’re obsessed! Our reality-based, gossip-driven world has set the barometer for what’s in and what’s out. So, how do we become like the famous? Well, post a grainy sex video online, drive high and wasted against oncoming traffic, flash your coochie for the cameras, and if those don’t work, attempt suicide—and you’re bound to become a “Hilton.” Now the man infamous for breaking raw superstar dish and jaw-dropping commentary lends his fearless voice, notorious sense of humor, and outrageous sensibility to *Red-Carpet Suicide*, a generation-defining, hilarious survival guide.

The Mirror Effect - Drew Pinsky 2009-03-17
Reality TV. Celebutantes. YouTube. Sex Tapes. Gossip Blogs. Drunk Driving. Tabloids. Drug Overdoses. Is this entertainment? Why do we keep watching? What does it mean for our kids?

In the last decade, the face of entertainment has changed radically—and dangerously, as addiction specialist Dr. Drew Pinsky and business and entertainment expert Dr. S. Mark Young argue in this eye-opening new book. The soap opera of celebrity behavior we all consume on a daily basis—stories of stars treating rehab like vacation, brazen displays of abusive and self-destructive "diva" antics on TV, shocking sexual imagery in prime time and online, and a constant parade of stars crashing and burning—attracts a huge and hungry audience. As Pinsky and Young show in *The Mirror Effect*, however, such behavior actually points to a wide-ranging psychological dysfunction among celebrities that may be spreading to the culture at large: the condition known as narcissism. The host of VH1's *Celebrity Rehab* with Dr. Drew and of the long-running radio show *Loveline*, Pinsky recently teamed with Young to conduct the first-ever study of narcissism among celebrities. In the process, they discovered that a high

proportion of stars suffer from traits associated with clinical narcissism—including vanity, exhibitionism, entitlement, exploitativeness, self-sufficiency, authority, and superiority. Now, in *The Mirror Effect*, they explore how these stars, and the media, are modeling such behavior for public consumption—and how the rest of us, especially young people, are mirroring these dangerous traits in our own behavior. Looking at phenomena as diverse as tabloid exploitation ("Stars . . . they're just like us!"), reality-TV train wrecks (from *The Anna Nicole Show* to *My Super Sweet 16* to *Bad Girls Club*), gossip websites (TMZ, PerezHilton, Gawker), and the ever-evolving circle of pop divas known as celebutantes (or, more cruelly, celebutards), *The Mirror Effect* reveals how figures like Britney and Paris and Lindsay and Amy Winehouse—and their media enablers—have changed what we consider "normal" behavior. It traces the causes of disturbing celebrity antics to their roots in self-hatred and ultimately in childhood

disconnection or trauma. And it explores how YouTube, online social networks, and personal blogs offer the temptations and dangers of instant celebrity to the most vulnerable among us. Informed and provocative, with the warm and empathetic perspective that has won Dr. Drew Pinsky legions of fans, *The Mirror Effect* raises important questions about our changing culture—and provides insights for parents, young people, and anyone who wonders what celebrity culture is doing to America.

Langrishe, Go Down - Aidan Higgins 2004
An eminently poetic book, *Langrishe, Go Down* (Higgins's first novel) traces the fall of the Langrishes--a once wealthy, highly respected Irish family--through the lives of their four daughters, especially the youngest, Imogen, whose love affair with a self-centered German scholar resonates throughout the book. Their relationship, told in lush, erotic, and occasionally melancholic prose, comes to represent not only the invasion and decline of this insular family,

but the decline of Ireland and Western Europe as a whole in the years preceding World War II. In the tradition of great Irish writing, Higgins's prose is a direct descendent from that of James Joyce and Samuel Beckett, and nowhere else in his mastery of the language as evident as in *Langrishe, Go Down*, which the Irish Times applauded as "the best Irish novel since *At Swim-Two-Birds* and the novels of Beckett."

Frida - Hayden Herrera 2018-06-28

The beautifully illustrated and utterly absorbing biography of one of the twentieth century's most transfixing artists Frida is the story of one of the twentieth century 's most extraordinary women, the painter Frida Kahlo. Born near Mexico City, she grew up during the turbulent days of the Mexican Revolution and, at eighteen, was the victim of an accident that left her crippled and unable to bear children. To salvage what she could from her unhappy situation, Kahlo had to learn to keep still so she began to paint. Kahlo 's unique talent was to make her one of the century 's most enduring artists. But her remarkable paintings were only one element of a rich and dramatic life. Frida is also the story of her tempestuous marriage to the muralist Diego Rivera, her love affairs with numerous, diverse men such as Isamu Noguchi and Leon Trotsky,

her involvement with the Communist Party, her absorption in Mexican folklore and culture, and of the inspiration behind her unforgettable art.

Image-based Sexual Abuse - Nicola Henry 2020-06-11

This book investigates the causes and consequences of image-based sexual abuse in a digital era. Image-based sexual abuse refers to the taking or sharing of nude or sexual photographs or videos of another person without their consent. It includes a diversity of behaviours beyond that of "revenge porn", such as the secret trading of nude or sexual images online; "upskirting", "downblousing" and other "creepshots"; blackmail or "sextortion" scams; the use of artificial intelligence to construct "deepfake" pornographic videos; threats to distribute photographs and videos without consent; and the taking or sharing of sexual assault imagery. This book investigates the pervasiveness and experiences of these harms, as well as the raft of legal and non-legal

measures that have been introduced to better respond to and prevent image-based sexual abuse. The book draws on groundbreaking empirical research, including surveys in three countries with over 6,000 respondents and over 100 victim-survivor and stakeholder interviews. Guided by theoretical frameworks from gender studies, sociology, criminology, law and psychology, the authors argue that image-based sexual abuse is more commonly perpetrated by men than women, and that perpetration is higher among some groups, including younger and sexuality minority men. Although the motivations of perpetrators vary, a dominant theme to emerge was that of power and control. The gendered nature of the abuse means that it is best understood as a "continuum of sexual violence" because victim-survivors often experience it as part of a broader pattern of gendered harassment, violence and abuse. Written in a clear and direct style, this book will appeal to students and scholars of criminology,

sociology, law and psychology. Image-based Sexual Abuse is also an essential resource for activists, legal and policy practitioners, technology companies and victim-survivors seeking to understand the deeply complex nature of intimate-image sharing in a digital era. **My Thoughts Exactly** - Lily Allen 2018-09-20 THE NUMBER ONE SUNDAY TIMES BESTSELLER Shortlisted for the Specsavers National Book Awards 2018 'Unflinching, unputdownable' Guardian 'Witty, dark, devastating' Caitlin Moran 'An amazing read. He Said, She Said - Gigi Gorgeous 2019-04-02

Today, Gigi Gorgeous is beloved for her critically-acclaimed documentary, her

outrageous sense of humor, her no-holds-barred honesty, and her glam Hollywood lifestyle. Ten years ago, she was a gawky Canadian teen named Gregory. In *He Said, She Said*, Gigi brings us on her personal journey from Gregory to Gigi, going deeper than ever before and exposing her vulnerability behind each struggle and triumph, with her signature humor on every page. With stunning photography and heirloom snapshots, *He Said, She Said* takes us back to Gigi's early years as an Olympic-bound diver and high school mean girl, losing her mom at a tragically young age, and her journey of opening up about her sexuality and gender identity. She walks us through her transition, baring it all about dating and heartbreak in her stories of falling in love with both men and women. Uproarious, unconventional, and unabashedly candid, Gigi shares never-before-heard stories, inspiration, and advice about how your life can take you to incredible places once you get real with yourself.

Confessions of an Heiress - Paris Hilton

2012-12-25

Socialite, fashion icon, television and movie star, recording artist and just plain celebrity: Twenty-two year old Paris Hilton is the great granddaughter of hotel magnate Conrad Hilton and is estimated to be worth \$30 million. The world first became aware of Paris Hilton through a *Vanity Fair* profile in 2000. Since then, she has graced the pages of countless magazines, newspapers, and tabloids; modeled on the runways of top designers; appeared on television shows as herself ('*Saturday Night Live*', *MTV Music Awards*) and as fictional characters (the new *Sky One* show '*Las Vegas*'); had small parts in movies like '*The Cat in the Hat*', '*Win a Date with Tad Hamilton*' and the upcoming '*The Hillz*'; has begun work on an album; and starred in a hit reality series, '*The Simple Life*' (shown here on Channel 4). She has been romantically linked with current boyfriend Nick Carter of the *Backstreet Boys*, Rick Solomon (of the notorious

sex tape), and Deryck Whibley of Sum 41. 'I think the biggest misconception about me is that I'm this spoiled brat. But I'm not. I'm the total opposite.'

Twitter and Tear Gas - Zeynep Tufekci

2017-05-16

A firsthand account and incisive analysis of modern protest, revealing internet-fueled social movements' greatest strengths and frequent challenges To understand a thwarted Turkish coup, an anti-Wall Street encampment, and a packed Tahrir Square, we must first comprehend the power and the weaknesses of using new technologies to mobilize large numbers of people. An incisive observer, writer, and participant in today's social movements, Zeynep Tufekci explains in this accessible and compelling book the nuanced trajectories of modern protests—how they form, how they operate differently from past protests, and why they have difficulty persisting in their long-term quests for change. Tufekci speaks from direct

experience, combining on-the-ground interviews with insightful analysis. She describes how the internet helped the Zapatista uprisings in Mexico, the necessity of remote Twitter users to organize medical supplies during Arab Spring, the refusal to use bullhorns in the Occupy Movement that started in New York, and the empowering effect of tear gas in Istanbul's Gezi Park. These details from life inside social movements complete a moving investigation of authority, technology, and culture—and offer essential insights into the future of governance.

Ask a Manager - Alison Green 2018-05-01

From the creator of the popular website *Ask a Manager* and New York’s work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new

advice! There’s a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don’t know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You’ll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you’re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party

Praise for *Ask a Manager* “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner

with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By* and *Get Your Financial Life Together*

Aisleyne - Aisleyne Horgan-Wallace 2011-09-30
Aisleyne Horgan-Wallace is the ultimate Big Brother survivor, and in *Aisleyne: Surviving Guns, Gangs and Glamour*, she reveals a shocking life story that surpasses any reality-show plotline. Her childhood journey began in a crazy punk household, where Siouxsie Sioux and Boy George were regular visitors. It shattered for the first time with the nightmare of seeing her half-naked dad dragged bleeding from the bathroom by police after a suicide attempt, and it ended when she saw her mum start a strict new life as a devout Jehovah's Witness. Hospitalised after an extreme bullying incident at school, Aisleyne left home at 16, having been cut off by her mother and let down by her father. Alone in London, Aisleyne's lifeline was a place in a hostel, where she shared the roof over her head with the frightened women and predatory men of the city's gang culture. While some of her friends were lost to drugs, knives and gun crime, Aisleyne vowed to pick herself up and get out of

there. Aisleyne threw herself into a new career as a promotions girl and glamour model. Slowly making a name for herself, Aisleyne's big break came when she was selected to compete on Big Brother in 2006, and she was voted the most popular female housemate that year. Three years on, Aisleyne is living proof that it is possible to escape the streets and make good. She's become a successful businesswoman, fashion designer and established media celebrity. This is her remarkable story.

David LaChapelle. Artists & Prostitutes - David LaChapelle 2006

The Fellini of photography! Limited edition of 2,500 copies worldwide, numbered and signed by David LaChapelle! Who's the greatest star of star photography? It's the inimitable David LaChapelle, the photographer whose singular style is perfectly unmistakable. He has photographed personalities as diverse as Tupac Shakur, Madonna, Amanda Lepore, Eminem, Philip Johnson, Lance Armstrong, Pamela

Anderson, Lil' Kim, Uma Thurman, Elizabeth Taylor, David Beckham, Paris Hilton, Leonardo DiCaprio, Hillary Clinton, Muhammad Ali, and Britney Spears, to name just a few. Once called the Fellini of photography, LaChapelle has worked for the most prestigious international publications and has been the subject of exhibitions in both commercial galleries and leading public institutions around the world. Celebrating the visionary LaChapelle's truly extraordinary photography, this 688-page, XL-sized book is packed cover-to-cover with vibrant full-bleed images; the best of his entire career to date. Bursting at the seams with spectacle and drama, and saturated with colors that only LaChapelle can realize, this limited edition pays tribute to the most daring and ambitious photographer in the history of portraiture. Not yet out of high school, LaChapelle was offered his first professional job by Andy Warhol to shoot for Interview magazine. His photography has been showcased in numerous galleries and

museums, including Staley-Wise; Tony Shafrazi Gallery and Deitch Projects in New York; the Fahey-Klein Gallery in California; Goss Gallery in Dallas; and internationally at Artmosphere in Vienna; Cameraworkin Germany; Reflex Amsterdam; Maruani & Noirhomme in Belgium; Sozzani and Palazzo delle Esposizioni in Italy; and at the Barbican Museum in London, to this day the most attended show in the museum's history. His unfettered images of celebrity and contemporary pop culture have appeared on and between the covers of magazines such as Italian Vogue, French Vogue, Vanity Fair, Rolling Stone and i-D. In recent years LaChapelle has expanded his work to include music videos, live theatrical events and documentary film-making. His directing credits include music videos for artists such as Christina Aguilera, Moby, Jennifer Lopez, Britney Spears, The Vines and No Doubt. "It's My Life" with Gwen Stefani won the award for Best Pop Video at the MTV Music Video Awards and LaChapelle himself

garnered the MPVA's Director of the Year award in 2004. His stage work includes Elton John's The Red Piano, the Caesar's Palace spectacular he designed and directed, and which was the top-selling show in Las Vegas for 2004. His burgeoning interest in film saw him make the short documentary Krumped, an award-winner at Sundance from which he developed RIZE, the feature film acquired for worldwide distribution by Lions Gate Films. The film was released in the U.S. and internationally in the Summer of 2005 to huge critical acclaim, and was chosen to open the 2005 Tribeca Film Festival in New York City. Ranked among the top ten "most important people in photography" by American Photo magazine, LaChapelle's work continues to be inspired by everything from art history to pornography, creating both a record and mirror of all facets of popular culture today. All color illustrations are color-separated and reproduced in Pan4C, the finest reproduction technique available today, which provides unequalled

intensity and color range.

Ageless - Suzanne Somers 2006-10-10

Can you really feel better as you get older? Is aging without illness possible? Is your own internal fountain of youth waiting to be discovered? Yes, yes, and YES! says Suzanne Somers, the bestselling author of *The Sexy Years*. It can all be true when you take advantage of the science of antiaging medicine—a revolutionary approach to achieving the ageless life. Suzanne Somers has already introduced millions of women to bioidentical hormone replacement therapy and changed the way we look at menopause. Now, in *Ageless*, Suzanne introduces an inspiring, medically validated approach to reversing the aging process and maintaining a healthy, vibrant, mentally sharp, sexually active life—while building the body's natural defenses against age-related diseases. Suzanne talks about:

- How antiaging medicine can help detox the body of harmful pollutants and chemicals and strengthen

- our weakest glands and organs
- The dangers of perimenopause and how women can treat it
- Why so many hysterectomies are unnecessary, how birth control pills may have contributed to the rise of hysterectomies, and how to restore your body to perfect hormonal balance after having one
- How andropause is a real condition for men, and how men can lose weight, regain their youthful physiques, and restore health, energy, and sexuality, all through bioidentical HRT
- The importance of sleep and the healing work that nature does during this time to balance hormones and increase energy

In this “antiaging bible,” Suzanne brings together prominent, Western-trained antiaging doctors to show how the traditional medical approach is woefully inadequate. Its standard of care has been to treat all symptoms with drugs, but in *Ageless* you will find out how this approach does not make us better. With antiaging medicine you can heal your body rather than keep a chronic condition at bay with drugs. *Ageless* shows you

how to keep your “insides” young, and how this manifests on the outside.

Mirror, Mirror - Cara Delevingne 2017-10-10

When one of their friends mysteriously disappears, a group of teens are forced to confront the challenges and secrets of their lives in this edgy and suspenseful coming-of-age tale from international supermodel, actress, and social media darling Cara Delevingne. Among the students of Thames Comprehensive, Red,

Leo, Rose, and Naomi are misfits—outsiders who have found a safe haven in music and their band, Mirror, Mirror. For these sixteen year olds, fitting in at school is nearly as difficult as navigating their complicated home lives. Red has an alcoholic mother and a father who’s never around. Leo’s brother is in prison. Rose uses sex and alcohol to numb the pain of a brutal attack. Naomi’s punk rock princess persona gives her the freedom to be her true self. When Naomi mysteriously vanishes and then is found unconscious, her friends are shaken and confused. Could it have been an accident—or did someone deliberately try to hurt Naomi? If she was in trouble, why didn’t she turn to them? How well do they really know their bandmate—and each other? If Naomi wakes up from her coma, will she ever be the same? To understand what happened to Naomi, Red, Leo, and Rose must ultimately face their own dark secrets and fears, and reconcile the difference between what they feel inside and what they

show to the world. Cara Delevingne reveals another facet of her amazing talent with this powerful novel about identity, sexuality, gender, emotional pain, the complicated world of social media, and the dangerous weight of appearances that are not what they seem.

Voyeurism - Simon Duff 2018-08-02

This book is amongst the first of its kind in presenting a case study of voyeurism from a forensic psychology perspective and within the societal context. Simon Duff provides an in-depth description of the assessment, formulation, and treatment of a voyeur and offers a theoretical basis for the behaviour. The book begins by covering a variety of explanations and previous treatments for voyeurs, including learning theories and the aversive treatments that they give rise to. It then moves on to focus on one specific case study, a young man who has exhibited diversity in his voyeuristic offending, before examining relevant details of his experiences in order to develop a

formulation of his thinking and behaviour. The formulation and resultant intervention are clearly and accessibly presented, followed by a discussion of how this case provides direction for further research, developments in our theoretical basis for understanding voyeurism, and directions for assessment and intervention.

Spinning Plates - Sophie Ellis-Bextor 2021-10-07

Sophie Ellis-Bextor shares her experiences, insights and reflections on men, music and motherhood. Sophie Ellis-Bextor's kitchen discos became a source of much needed escapism, catharsis and sequined joy for a swathe of the population during lockdown. From knackered mothers and fed up fathers, to cooped up partiers with nowhere to go, Sophie's gloriously chaotic Friday kitchen performances have cheered and revived us. Now Sophie is bringing that same mixture of down to earth candour and optimistic sparkle to her first book. Part memoir,

part musings, Sophie will write about the conjuring act of adulthood and motherhood and how her experience of working while raising her five sons has given her the inescapable lesson of how to navigate life in the face of failure and imperfection. Covering relationships, good enough parenting, the importance of delusion and dancing, Sophie writes about the things that take on greater importance as life becomes more complicated. From the non negotiables (solitude, music, glitter) to the unimportant (clean hair, deadlines, appropriate behaviour), this is a book about learning from our experiences and not being afraid to smash a few plates for the sake of what we actually need want and value.

Grace's Guide - Grace Helbig 2014-10-21

#1 New York Times Bestseller By the host of The Grace Helbig Show on E! and the it'sGrace YouTube channel, comedian Grace Helbig offers an irreverent and illustrated guide to life for anyone faced with the challenge of growing up. Infused with her trademark saucy, sweet, and funny voice, Grace's Guide is a tongue-in-cheek handbook for millennials, encompassing everything a young or new (or regular or old) adult needs to know, from how to live online to landing a job to surviving a breakup to decorating a first apartment, and much more. Charmingly illustrated, Grace's Guide features full-color photos, interactive worksheets, and exclusive stories from Grace's own misadventures, including her disastrous interview for NBC's Page Program, her lifelong struggles with anxiety, the first (and also last) time she entered a beauty pageant, meeting her first boyfriend at a high school Latin convention, and many other hilarious lessons she learned the

hard way. Amusing and unexpectedly educational, this refreshing and colorful guide proves that becoming an adult doesn't necessarily mean you have to grow up.

Trainwreck - Sady Doyle 2016-09-20

She's everywhere once you start looking for her: the trainwreck. She's Britney Spears shaving her head, Whitney Houston saying, "crack is whack," and Amy Winehouse, dying in front of millions. But the trainwreck is also as old (and as meaningful) as feminism itself. From Mary Wollstonecraft—who, for decades after her death, was more famous for her illegitimate child and suicide attempts than for *A Vindication of the Rights of Woman*—to Charlotte Brontë, Billie Holiday, Sylvia Plath, and even Hillary Clinton, Sady Doyle's *Trainwreck* dissects a centuries-old phenomenon and asks what it means now, in a time when we have unprecedented access to celebrities and civilians

alike, and when women are pushing harder than ever against the boundaries of what it means to "behave." Where did these women come from? What are their crimes? And what does it mean for the rest of us? For an age when any form of self-expression can be the one that ends you, Sady Doyle's book is as fierce and intelligent as it is funny and compassionate—an essential, timely, feminist anatomy of the female trainwreck.

Hollywood Stardom - Paul McDonald
2012-11-26

By integrating star studies and film industry studies, *Hollywood Stardom* reveals the inextricable bonds between culture and commerce in contemporary notions of film stardom. Integrates the traditions of star studies and industry studies to establish an original and innovative mode of analysis whereby the 'star image' is replaced with the 'starbrand' Offers the first extensive analysis of stardom in the 'post-studio' era Combines genre, narrative,

acting, and discourse analysis with aspects of marketing theory and the economic analysis of the film market. Draws on an extensive body of research data not previously deployed in film scholarship. A wide range of star examples are explored including George Clooney, Mel Gibson, Tom Cruise, Daniel Day-Lewis, Tom Hanks, Will Smith, and Julia Roberts.

Shockaholic - Carrie Fisher 2012-11-13

Montessori Madness - Trevor Eissler 2009

"We know we need to improve our traditional school system, both public and private. But how? More homework? Better-qualified teachers? Longer school days or school years? More testing? More funding? No, no, no, no, and no. Montessori Madness! explains why the

incremental steps politicians and administrators continue to propose are incremental steps in the wrong direction. The entire system must be turned on its head. This book asks parents to take a look--one thirty-minute observation--at a Montessori school. Your picture of what education should look like will never be the same"--Back cover.

Camgirls - Theresa M. Senft 2008

This book is a critical and ethnographic study of camgirls: women who broadcast themselves over the web for the general public while trying to cultivate a measure of celebrity in the process. The book's over-arching question is, «What does it mean for feminists to speak about the personal as political in a networked society that encourages women to 'represent' through confession, celebrity, and sexual display, but punishes too much visibility with conservative censure and backlash?» The narrative follows that of the camgirl phenomenon, beginning with

the earliest experiments in personal homecamming and ending with the newest forms of identity and community being articulated through social networking sites like Live Journal, YouTube, MySpace, and Facebook.

It is grounded in interviews, performance analysis of events transpiring between camgirls and their viewers, and the author's own experiences as an ersatz camgirl while conducting the research.
