1993-12-02

Cambridge Skills for Fluency is a new range of materials designed specifically to develop students' fluency and confidence in using English. Each book in the series offers a variety of imaginative topics and activities which will genuinely engage students' interest and encourage them to share personal reactions and opinions fluently. Speaking 4 (which is accompanied by a cassette) develops advanced learners' oral fluency by focusing on topics that are personally relevant to them. The activities enable students to draw on their own life experience, feelings and cultural knowledge and to develop their ability to express their ideas confidently and fluently.

The ability to speak a foreign language is a core unconventional warfare skill and is being incorporated throughout all phases of the qualification course. The students will receive their language assignment after the selection phase where they will receive a language starter kit that allows them to begin language training while waiting to return to Fort Bragg for Phase II. The 3rd Bn, 1st SWTG (A) is responsible for all language training at the USAJFKSWCS. The Special Operations Language Training (SOLT) is primarily a performance-oriented language course. Students are trained in one of ten core languages with enduring regional application and must show proficiency in speaking, listening and reading. A student receives language training throughout the Pipeline. In Phase IV, students attend an 8 or 14 week language blitz depending upon the language they are slotted in. The general purpose of the course is to provide each student with the ability to communicate in a foreign language. For successful completion of the course, the student must achieve at least a 1/1/1 or higher on the Defense Language Proficiency Test in two of the three graded areas; speaking, listening and reading.

**The Complete Idiot's Guide to the TOEFL®** - Elizabeth Rollins 2013-08-06

The Complete Idiot's Guide to the TOEFL provides students of English as a foreign language with a highly simplified approach to mastering the standard test of English-language proficiency for admission to undergraduate programs at more than 8,500 universities in English-speaking countries. Unlike the key competition, the book aims to cover both the paper-based test and the Internet-based test. It breaks down the reading, listening, speaking, and writing portions of the test into easily digested chapters using simple, clear prose; ample practice questions; and the proven Idiot's Guide formula that makes this book the easiest way to prepare for this important test. Text instruction will be supplemented with online podcasts for extra listening practice and two full practice tests.

**Teaching Listening and Speaking in Second and Foreign Language Contexts** - Kathleen M. Bailey 2020-03-05

This book guides language teachers in planning and teaching activities that promote the development of speaking and listening skills at all levels of target language proficiency, for teachers of any modern language. Kathleen M. Bailey draws on her extensive experience as a language teacher, teacher educator, and language learner to interweave practical activities with the research and theory that support their use. Activities include the use of pictures, songs, drama techniques, tasks, and projects to promote the development of speaking and listening skills. The author shares reflections of her own and encourages readers to reflect on their own experiences and become aware of their existing mental constructs through multiple reflection tasks and discussion questions. Each chapter provides focusing questions. The systematic chapter structure scaffolds the readers' understanding of the concepts explored, which include communication strategies, interactive and non-interactive listening, speaking anxiety, accentness and intelligibility, and much more. Through its companion website this book provides access to resources that enable readers to continue their own professional development as teachers of listening and speaking in second and foreign language contexts.
