The Road - Cormac McCarthy 2007-03-20
NATIONAL BESTSELLER • WINNER OF THE PULITZER PRIZE • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two

people alive in the face of total devastation. Look for Cormac McCarthy's new novel, *The Passenger*.

An Post Irish Book Awards Nonfiction Book of the Year • A Guardian Best Book of 2020 • Shortlisted for the 2021 Rathbones Folio Prize • Longlisted for the 2021 Republic of Consciousness Prize • Shortlisted for the James Tait Black Biography Prize
When we first met, I was a child, and she had been dead for centuries. On discovering her murdered husband's body, an eighteenth-century Irish noblewoman drinks handfuls of his blood and composes an extraordinary lament. Eibhlín Dubh Ní Chonaill's poem travels through the centuries, finding its way to a new mother who has narrowly avoided her own fatal tragedy. When she realizes that the

literature dedicated to the poem reduces Eibhlín Dubh's life to flimsy sketches, she wants more: the details of the poet's girlhood and old age; her unique rages, joys, sorrows, and desires; the shape of her days and site of her final place of rest. What follows is an adventure in which Doireann Ní Ghríofa sets out to discover Eibhlín Dubh's erased life—and in doing so, discovers her own. Moving fluidly between past and present, quest and elegy, poetry and those who make it, *A Ghost in the Throat* is a shapeshifting book: a record of literary obsession; a narrative about the erasure of a people, of a language, of women; a meditation on motherhood and on translation; and an unforgettable story about finding your voice by freeing another's.
