Comprehending as capably as settlement even more than extra will have the funds for each success. bordering to, the statement as skillfully as insight of this Lonely Planet Hong Kong 17th Edition Torrent can be taken as capably as picked to act.

Crazy Like Us - Ethan Watters 2010-01-12

It is well known that American culture is a dominant force at home and abroad; our exportation of everything from movies to junk food is a well-documented phenomenon. But is it possible America's most troubling impact on the globalizing world has yet to be accounted for? In *Crazy Like Us*, Ethan Watters reveals that the most devastating consequence of the spread of American culture has not been our golden arches or our bomb craters but our bulldozing of the human psyche itself: We are in the process of homogenizing the way the world goes mad. America has been the world leader in generating new mental health treatments and modern theories of the human psyche. We export our psychopharmaceuticals packaged with the certainty that our biomedical knowledge will relieve the suffering and stigma of mental illness. We categorize disorders, thereby defining mental illness and health, and then parade these seemingly scientific certainties in front of the world. The blowback from these efforts is just now coming to light: It turns out that we have not only been changing the way the world talks about and treats mental illness -- we have been changing the mental illnesses themselves. For millennia, local beliefs in different cultures have shaped the experience of mental illness into endless varieties. *Crazy Like Us* documents how American interventions have discounted and worked to change those indigenous beliefs, often at a dizzying rate. Over the last decades, mental illnesses popularized in America have been spreading across the globe with the speed of contagious diseases. Watters travels from China to Tanzania to bring home the unsettling conclusion that the virus is us: As we introduce Americanized ways of treating mental illnesses, we are in fact spreading the diseases. In post-tsunami Sri Lanka, Watters reports on the Western trauma counselors who, in their rush to help, inadvertently trampled local expressions of grief, suffering, and healing. In Hong Kong, he retraces the last steps of the teenager whose death sparked an epidemic of the American version of anorexia nervosa. Watters reveals the truth about a multi-million-dollar campaign by one of the world's biggest drug companies to change the Japanese experience of depression -- literally marketing the disease along with the drug. But this book is not just about the damage we've caused in faraway places. Looking at our impact on the psyches of people in other cultures is a gut check, a way of forcing ourselves to take a fresh look at our own beliefs about mental health and healing. When we examine our assumptions from a farther shore, we begin to understand how our own culture constantly shapes and sometimes creates the mental illnesses of our time. By setting aside our role as the world's therapist, we may come to accept that we have as much to learn from other cultures' beliefs about the mind as we have to teach.

Lonely Planet China - Lonely Planet 2017-06-01

Island of the Lost Pilot - Rajesh Bhatia 2014-11-20

The book is about a young man, Rohan, a trainee pilot, who is sent abroad for training. He is trapped by drug mafia and the adventure starts. His father moves for his rescue and he too is trapped. The story is full of so many twists and surprises that it will not be fair to disclose any part or outline of the story, as it will mar the thrill of reading the book. The story includes everything from a crime plot, mystery, hijacking, air-crashes, skullduggery, detective work, suspense, thrill, mathematical deductions, adventure and a beautifully ended story. It will be surprising to know that the lost pilot mentioned here is not Rohan but some one else.

Islands Magazine - 1991-08

The Samurai's Garden - Gail Tsukiyama 2008-06-24

The daughter of a Chinese mother and a Japanese father, Gail Tsukiyama's *The Samurai's Garden* uses the Japanese invasion of China during the late 1930s as a somber backdrop for this extraordinary story. A 20-year-old Chinese painter named Stephen is sent to his family's summer home in a Japanese coastal village to recover from a bout with tuberculosis. Here he is cared for by Matsu, a reticent housekeeper and a master gardener. Over the course of a remarkable year, Stephen learns Matsu's secret and gains not only physical strength, but also profound spiritual insight. Matsu is a samurai of the soul, a man devoted to doing good and finding beauty in a cruel and arbitrary world, and Stephen is a noble student, learning to appreciate Matsu's generous and nurturing way of life and to love Matsu's soulmate, gentle Sachi, a woman afflicted with leprosy.

Lonely Planet Hong Kong - Lonely Planet 2017-05-01

Lonely Planet Hong Kong is your passport to the most relevant, up-to-date advice on what to see and skip, and what hidden discoveries await you. Ride the hair-raising tram to Victoria Peak, feast on seafood at Temple Street Night Market, or hike the delightful Hong Kong Trail; all with your trusted travel companion.

In the Land of Pagodas - A. Raquez 2017

China, 1898: a time of war, intrigue and growing foreign power. Onto the scene comes a Parisian fugitive with a gifted pen and a journalist's eye. Alfred Raquez drifts from Indochina to Hong Kong, Macao and Canton before falling in with a group of shady entrepreneurs in Shanghai with interests far up the Yuan River. In short order, Raquez sets off on a rollicking voyage into the heart of the lawless Miao-country, pen and camera in hand. The result is a richly recorded adventure told from the perspective of a wandering French boulevardier. "In the Land of Pagodas" takes readers on a picaresque journey that is as much "Moulin Rouge" as it is "Heart of Darkness", and in its narration reveals much about the derring-do and startling hypocrisy of the colonial enterprise.

Lonely Planet Pocket Hong Kong 7 - Lonely Planet 2019-06

"Top sights - Local experiences"--Cover.

Hong Kong Yesterday - Mark Pinsukanjana 2017-02-15

Hong Kong Yesterday presents a singular vision of this enigmatic city by award winning photographer, Fan Ho. Black and white images capturing life in mid-century Hong Kong range from quiet voyeuristic tableaux to chaotic crowds, most focusing on the city's inhabitants. Businessmen, families, dockworkers, alleys, markets and street scenes are all rendered in a style that is simultaneously abstract and humanistic. Fan Ho was born in Shanghai in 1937; he immigrated to Hong Kong as child and passed away in 2016.
