[The Mere Wife](#) - Maria Dahvana Headley

2018-07-17

New York Times bestselling author Maria Dahvana Headley presents a modern retelling of the literary classic Beowulf, set in American suburbia as two mothers—a housewife and a battle-hardened veteran—fight to protect those they love in *The Mere Wife*. From the perspective of those who live in Herot Hall, the suburb is a paradise. Picket fences divide buildings—high and gabled—and the community is entirely self-sustaining. Each house has its own fireplace, each fireplace is fitted with a container of lighter fluid, and outside—in lawns and on playgrounds—wildflowers seed themselves in neat rows. But for those who live surreptitiously along Herot Hall's periphery, the subdivision is a fortress guarded by an intense network of gates, surveillance cameras, and motion-activated lights. For Willa, the wife of Roger Herot (heir of Herot Hall), life moves at a charmingly slow pace. She flits between mommy groups, playdates, cocktail hour, and dinner parties, always with her son, Dylan, in tow. Meanwhile, in a cave in the mountains just beyond the limits of Herot Hall lives Gren, short for Grendel, as well as his mother, Dana, a former soldier who gave birth as if by chance. Dana didn't want Gren, didn't plan Gren, and doesn't know how she got Gren, but when she returned from war, there he was. When Gren, unaware of the borders erected to keep him at bay, ventures into Herot Hall and runs off with Dylan, Dana's and Willa's worlds collide.

**The Girl Who Wrote in Silk** - Kelli Estes

2015-07-07

A USA TODAY BESTSELLER! "A powerful debut that proves the threads that interweave our lives can withstand time and any tide, and bind our hearts forever."—Susanna Kearsley, New York Times bestselling author of *Belleweather* and *The Vanished Days* A historical novel inspired by true events, Kelli Estes's brilliant and atmospheric debut is a poignant tale of two women determined to do the right thing, highlighting the power of our own stories. The smallest items can hold centuries of secrets... While exploring her aunt's island estate, Inara Erickson is captivated by an elaborately stitched piece of fabric hidden in the house. The truth behind the silk sleeve dated back to 1886, when Mei Lien, the lone survivor of a cruel purge of the Chinese in Seattle found refuge on Orcas Island and shared her tragic experience by embroidering it. As Inara peels back layer upon layer of the centuries of secrets the sleeve holds, her life becomes interwoven with that of Mei Lein. Through the stories Mei Lein tells in silk, Inara uncovers a tragic truth that will shake her family to its core—and force her to make an impossible choice. Should she bring shame to her family and risk everything by telling the truth, or tell no one and dishonor Mei Lien's memory? A touching and tender book for fans of Marie Benedict, Susanna Kearsley, and Duncan Jepson, *The Girl Who Wrote in Silk* is a dual-time period novel that explores how a delicate piece of silk interweaves the past and the present, reminding us that today's actions have far reaching implications. Praise for *The Girl Who Wrote in Silk*: "A beautiful, elegiac novel, as finely and delicately woven as the title suggests. Kelli Estes spins a spellbinding tale that

illuminates the past in all its brutality and beauty, and the humanity that binds us all together."

—Susan Wiggs, New York Times bestselling author of *The Beekeeper's Ball* "A touching and tender story about discovering the past to bring peace to the present." —Duncan Jepson, author of *All the Flowers in Shanghai* "Vibrant and tragic, *The Girl Who Wrote in Silk* explores a horrific, little-known era in our nation's history. Estes sensitively alternates between Mei Lien, a young Chinese-American girl who lived in the late 1800s, and Inara, a modern recent college grad who sets Mei Lien's story free." —Margaret Dilloway, author of *How to Be an American Housewife* and *Sisters of Heart and Snow*

**Hotel Angeline** - Seattle7Writers 2011-05-03  
Thirty-six of the most interesting writers in the Pacific Northwest came together for a week-long marathon of writing live on stage. The result? *Hotel Angeline*, a truly inventive novel that surprises at every turn of the page. Something is amiss at the *Hotel Angeline*, a rickety former mortuary perched atop Capitol Hill in rain-soaked Seattle. Fourteen-year-old Alexis Austin is fixing the plumbing, the tea, and all the problems of the world, it seems, in her landlady mother's absence. The quirky tenants—a hilarious mix of misfits and rabble-rousers from days gone by—rely on Alexis all the more when they discover a plot to sell the Hotel. Can Alexis save their home? Find her real father? Deal with her surrogate dad's dicey past? Find true love? Perhaps only their feisty pet crow, Habib, truly knows. Provoking interesting questions about the creative process, this novel is by turns funny, scary, witty, suspenseful, beautiful, thrilling, and

unexpected.

***Beowulf*** - Seamus Heaney 2000

A New York Times Bestseller. Composed toward the end of the first millennium of our era, *Beowulf* is the elegiac narrative of the adventures of Beowulf, a Scandinavian hero who saves the Danes from the seemingly invincible monster Grendel and, later, from Grendel's mother. He then returns to his own country and dies in old age in a vivid fight against a dragon. The poem is about encountering the monstrous, defeating it, and then having to live on in the aftermath. In the contours of this story, at once remote and uncannily familiar at the beginning of the twenty-first century, Seamus Heaney finds a resonance that summons power to the poetry from deep beneath its surface.

**The Year of Yes** - Maria Dahvana Headley  
2007-01-10

The "poignant and hilarious" (*Newsday*) story of one woman's twelve months of dating anyone -- absolutely anyone -- who asked her out At some point every woman who's single (and not by choice) wonders whether she's not somehow responsible for her predicament. Is she too choosy? Should she have given that guy with the combover and the mother issues a shot? Maybe three full feet isn't too much of a height difference . . . ? Maria Dahvana Headley had been there, cherry-picking the men she'd dated based on a variety of criteria, and clearly it wasn't getting her anywhere. *The Year of Yes* is the hilarious and hopeful account of Headley's quest to find a man she could stand (for longer than a couple of hours). Frustrated by her own ineffective taste, she resolved to leave her love life up to fate, dating anyone who asked her: homeless men, a millionaire, several non-English speakers, a mime, and even two women. And finally, one man whose baggage would have disqualified him in any other year . . . but this was the Year of Yes, when Headley would finally discover what was really important.

**The End of the Sentence** - Maria Dahvana

Headley 2014

It begins with a letter from a prisoner. As he attempts to rebuild his life in rural Oregon after a tragic accident, Malcolm Mays finds himself corresponding with Dusha Chuchonnyhoof, a mysterious entity who claims to be the owner of Malcolm's house, jailed unjustly for 117 years. The prisoner demands that Malcolm perform a gory, bewildering task for him. As the clock ticks toward Dusha's release, Malcolm must attempt to find out whether he's assisting a murderer or an innocent. *The End of the Sentence* combines Kalapuya, Welsh, Scottish and Norse mythology, with a dark imagined history of the hidden corners of the American West. Maria Dahvana Headley and Kat Howard have forged a fairytale of ghosts and guilt, literary horror blended with the visuals of Jean Cocteau, failed executions, shapeshifting goblins, and magical blacksmithery. In *Chuchonnyhoof*, they've created a new kind of Beast, longing, centuries later, for Beauty.
