Mamma Mia: It's Abba! - 2002-06-01  
Broadway has arrived! The hit show  
Mamma Mia features the music of the rock  
group ABBA. Arranger Roy Phillippe has  
put together a great chart for jazz ensemble  
to showcase the popular songs S.O.S,  
Mamma Mia, and Dancing Queen. High-

energy melodies and syncopation along  
with swing, rock and disco styles all work  
together to make an entertaining and fun-  
to-play arrangement for the young jazz  
ensemble. It's HOT! (3: 260

**When You Get the Chance** - Emma Lord  
2022-01-04

One of Cosmo's Best YA of 2022 A bighearted novel about falling in love, making a mess, and learning to let go, from Emma Lord, the New York Times bestselling author of the Reese Witherspoon YA Book Club pick *You Have a Match*. **\*\*An Indie Next Pick\*\*** Nothing will get in the way of Millie Price's dream of becoming a Broadway star. Not her lovable but super introverted dad, who raised Millie alone since she was a baby. Not her drama club rival, Oliver, who is the very definition of Simmering Romantic Tension. And not her "Millie Moods," the feelings of intense emotion that threaten to overwhelm. Millie needs an ally. And when an accidentally left-open browser brings Millie to her dad's

embarrassingly moody LiveJournal from 2003, Millie knows just what to do—find her mom. But how can you find a new part of your life and expect it to fit into your old one without leaving any marks? And why is it that when you go looking for the past, it somehow keeps bringing you back to what you've had all along? PRAISE FOR EMMA LORD: "Brimming with energy, rapid-fire banter, and affectionate theater references, this memorable Mamma Mia! retelling...thoughtfully pays homage while skillfully modernizing it for today's readers." -Publishers Weekly (starred review) "Chock-full of musical theater references and humor, the novel includes high-stakes emotional drama that is balanced by supportive friendships and strong, deep family connections...An entertaining personal journey with plot twists galore." - Kirkus Reviews  
*Ethics, Misconduct and the Financial*

*Services Industry* - Barbara Fryzel  
2020-12-28

This book explores how ethics and the moral context of business have evolved historically in influential management theories and concepts. It looks at how managerial thought accommodates morality, values, and ethics and demonstrates the emerging patterns of ethical conduct to illustrate how moral aspects of management and organizational practice can become peripheral. The author examines a diverse range of data sources such as the most seminal books in management and academic papers published in the mainstream academic literature. The readings selected in the process are subject to critical analysis and are complemented by an exploratory study of the financial services industry, based on semistructured in-depth interviews. The uniqueness of the proposed approach

comes first from the consolidation of many perspectives such as management, organization studies, and business anthropology rather than focusing on one particular subdiscipline; second, from using a mixed methodology, combining literature reviews with empirical, exploratory research based on interviews; and third from including a narrative context in the analysis and proposed future theory framework. This book will appeal to students, researchers, and scholars who teach ethics in the fields of economics or business. It is useful for advancing theory and research on moral management and as a resource for management practitioners looking to create business practices fostering moral sensitivity. Those interested in setting future development directions may also find the proposed consolidation of theoretical and empirical evidence valuable for the design of future policies.

Bohemian Rhapsody (Sheet Music) - Queen  
1994-05-01

(Piano Vocal). This sheet music features an arrangement for piano and voice with guitar chord frames, with the melody presented in the right hand of the piano part as well as in the vocal line.
