Mylab Accounting with Pearson Etext -- Access Card -- For Horngren's Financial & Managerial Accounting - Tracie Miller-Nobles 2020-05
For courses in financial and managerial accounting. Expanding on proven success with Horngren's accounting Horngren's Financial and

Managerial Accounting presents the core content of principles of accounting courses in a fresh format designed to help today's learners succeed. As teachers first, the author team knows the importance of delivering a student experience free of obstacles. Their pedagogy and content uses leading methods in teaching students critical foundational and emerging topics (e.g., data analytics and employability skills) in the field of accounting, and concentrates on improving student results -- all tested in class by the authors themselves. With this in mind, the 7th Edition continues to focus on readability and student

comprehension and takes this a step further by employing a new theme to help students see how managerial accounting is used as a tool to help all business people make decisions. By providing more meaningful learning tools, this title gives professors the resources needed to help students clear hurdles inside and outside of the classroom, like never before. Personalize learning with MyLab Accounting By combining trusted author content with digital tools and a flexible platform, MyLab personalizes the learning experience and improves results for each student. You are purchasing an access card only. Before

purchasing, check with your instructor to confirm the correct ISBN. Several versions of the MyLab(TM) and Mastering(TM) platforms exist for each title, and registrations are not transferable.

To register for and use MyLab or Mastering, you may also need a Course ID, which your instructor will provide. If purchasing or renting from companies other than Pearson, the access codes for the MyLab platform may not be included, may be incorrect, or may be previously redeemed. Check with the seller before completing your purchase.
