Synthetic Polymers for Biotechnology and Medicine - Ruth Freitag 2003

This book covers topics including the delivery of biologicals using synthetic polymers, cell encapsulation, and gene delivery. It deals with the use of synthetic polymers for the purpose of isolating biologicals by describing the use of stimulus-responsive polymers.

The Harvey Milk Institute Guide to Lesbian, Gay, Bisexual, Transgender, and Queer Internet Research - Alan L Ellis 2002

This powerful reference tool is the most comprehensive, reliable guide to Internet resources for the LBGTQ community. More than just a guide to useful Web sites, it also evaluates LGBTQ mailing lists, message boards, search engines, and portals. The guide includes resources for a variety of academic disciplines, including the humanities, the social sciences, law, labor studies, media studies, transgender and intersex studies, and other areas of interest. The in-depth interviews with leaders of the queer Internet provide fascinating background information on the history and objectives of major sites. The Harvey Milk Institute Guide to Lesbian, Gay, Bisexual, Transgender, and Queer Internet Research is an indispensable tool for researchers, community leaders, and scholars. To view an excerpt online, find the book in our QuickSearch catalog at www.HaworthPress.com.

Woman Without a Past - Phyllis A. Whitney 2017-08-29

From an Edgar and Agatha Award winner: A mystery writer must solve the puzzle of her past when she meets the South Carolina family she never knew existed. Popular mystery novelist Molly Hunt knows all about the twists and turns of fiction, but real life has thrown her for a loop. Raised by adoptive parents on Long Island, Molly has just made a stunning discovery: She's the daughter of South Carolina blue bloods and was kidnapped as an infant from their ancestral home in Charleston. Now, she's heading south to solve the puzzle of her beginnings—totally unprepared for where it will end. At Mountfort Hall, her birth family's imposing plantation, Molly comes face to face with her past: her neglected twin sister; her reclusive and mentally imbalanced mother; a calculating cousin, now the Mountfort patriarch who has no tolerance for this lovely new intruder; and a resident psychic who sees into a deadly world all her own. It's only when Molly discovers a letter from her late father that she comes to realize how much danger she's in—and what it'll take to escape the shadows of Mountfort Hall alive. "In one of her smoothest suspense novels . . .

Whitney combines a dynamic, likable heroine with eccentric characters, romantic entanglements, family ghosts and a charming setting" (Publishers Weekly). It's everything readers expect from the "Queen of American gothics" (The New York Times). This ebook features an illustrated biography of Phyllis A. Whitney including rare images from the author's estate.

The "Hitchhiker's Guide to the Galaxy" Revisited: Motifs of Science Fiction and Social Criticism - Christian Erkenbrecher 2011

This book is a survey of typical Science Fiction elements in Douglas Adams's Hitchhiker's Guide to the Galaxy. Christian Erkenbrecher first goes through a short history of Science Fiction and identifies certain motifs of the genre in order to correctly place the novel within a useful context. Classical elements of the Science Fiction canon are identified in the novel and scrutinized. It becomes clear that Douglas Adams was

fully aware of the SF "burden" and we can see how its elements are used in order to create both humour and criticism. The question of whether social criticism can be applied purposefully in SF will be asked. Other big questions which are posed (and answered?) in Hitchhikers are also taken into consideration: Is there a god? Will the breakdown of communication barriers between races put an end to all wars? Can the advancement of technology prevent us from destroying ourselves? Follow the author on his way through Douglas Adams's "wholly remarkable book" and see how this exceptional hitchhiking playwright and atheist writer enriched the world with his unique prose.

The Pocket Guide to Vitamins - Angela Dowden 2014-01-01

We all know that a balanced diet full of vital vitamins and minerals is key to staying fit and healthy. But with busy schedules, processed foods and entrenched diet and lifestyle habits, can you be sure your body is getting enough essential nutrients? Even the smallest deficiency can result in fatigue, a weakened immune system and problematic skin. Vitamin supplements are a simple and easy way to ensure you get the right nutrients, every day. Written by nutritionist Angela Dowden, The Pocket Guide to Vitamins offers sound, sensible advice on the uses vitamins, minerals, herbs and other supplements and helps you choose the right ones for your needs. Covering key products such as fish oils, probiotics and popular herbs, it also offers advice on supplements for specific health concerns such as diabetes and joint pain. The Pocket Guide to Vitamins is a handy, accessible guide based on the latest research to help you decide whether you are getting all the nutrients you need, whether a supplement might help, and how to choose the right product for you.

By Hook Or By Crook: A Journey in Search of English - David Crystal 2008-09-04

Lessons in Electric Circuits: An Encyclopedic Text & Reference Guide (6 Volumes Set) - Tony R. Kuphaldt 2011

Taking Charge of the Change - Lennie Martin 2001-11

This book presents a holistic approach to women's midlife and menopause transitions. It provides a balanced approach giving the expected benefits and side effects of western medical and complementary therapies for the entire range of menopausal concerns. Comprehensive information provided in a user-friendly way, including a matrix for finding western and alternative therapies for each symptom. Contained are graphs, illustrations, charts and worksheets to enhance learning and allow women to individualize the material. Special focus is placed on art that represents expansive, powerful, and symbolic aspects of women's beings; including a wide array of goddess and mythic images. The path of women's spiritual unfolding is described, with its unique features as they connect with the feminine divine. Women are brought in touch with their long heritage of archetypes in history and myth, and given guidance in drawing from the energies of archetypes to bring deeper aspects of the self into expression. (key words: midlife, menopause, holistic, middle aged)

Ask the Bible Geek - Mark Hart 2015-05-15

Gifted youth leader Mark Hart, aka the Bible Geek, asks and answers the real questions that puzzle Catholics. This updated and expanded edition of a bestselling classic deals with concerns about God, temptations, personal issues, social media and technology, and more. Solutions to typical situations you face today are rooted in Scripture and Catholic tradition and provide fascinating advice and strong encouragement for living an authentic Christian life.

The Privatization of Space Exploration - Lewis D. Solomon 2011-11-30

Space was at the center of America's imagination in the 1960s. President John F. Kennedy's visionary statement captured the mood of the day: "We choose to go to the moon in this decade and do the other things, not because they are easy, but because they are hard." The Apollo mission's success in July 1969 made almost anything seem possible, but the Cold War made space flight the province of governmental agencies in the United States. When the Apollo program ended in 1972, space lost its hold on the public interest, as the great achievements wound down. Entrepreneurs are beginning to pick up the slack—looking for safer, more reliable, and more cost effective ways of exploring space. Entrepreneurial activity may make create a renaissance in human spaceflight. The private sector can energize the quest for space exploration and shape the race for the final frontier. Space entrepreneurs and private sector firms are making significant innovations in space travel. They have plans for future tourism in space and safer shuttles. Solomon details current US and international laws dealing with space use, settlement, and exploration, and offers policy recommendations to facilitate privatization. As private enterprise takes hold, it threatens to change the space landscape forever. Individuals are designing spacecraft, start-up companies are testing prototypes, and reservations are being taken for suborbital space flights. With for-profit enterprises carving out a new realm, it is entirely possible that space will one day be a sea of hotels and/or a repository of resources for big business. It is important that regulations are in place for this eventuality. These new developments have great importance, huge implications, and urgency for everyone.

The Complete Idiot's Guide to Difficult Conversations - Gretchen Hirsch 2007-09-04

How to tackle sensitive subjects. Covering both professional and personal situations, this guide examines ways to approach and handle conversations that are often put off or avoided altogether. Standard topics such as airway management, tra

The Myth and Ritual School - Robert Ackerman 2013-10-08

First Published in 2002. Routledge is an imprint of Taylor & Francis, an informa company.

Computerized buckling analysis of shells - D. Bushnell 2012-12-06

This report describes the work performed by Lockheed Palo Alto Research Laboratory, Palo Alto, California 94304. The work was sponsored by Air Force Office of Scientific Research, Bolling AFB, Washington, D. C. under Grant F49620-77-C-0122 and by the Flight Dynamics Laboratory, Air Force Wright Aeronautical Laboratories, Wright-Patterson AFB, Ohio under Contract F3361S-76-C-310S. The work was completed under Task 2307N1, "Basic Research in Behavior of Metallic and Composite Components of Airframe Structures". The work was administered by Lt. Col. J. D. Morgan (AFOSR) and Dr. N. S. Khot (AFWAL/FIBRA). The contract work was performed between October 1977 and December 1980. The technical report was released by the Author in December 1981. Preface Many structures are assembled from parts which are thin. For example, a stiffened plate or cylindrical panel is composed of a sheet the thickness of which is small compared to its length, breadth, and stiffener-spacing, and stiffeners the thickness of which is small compared to their heights and lengths. These assembled structures, loaded in compression, can buckle overall, that is sheet and stiffeners can collapse together in a general instability mode; the sheet can buckle locally between stiffeners; the stiffeners can cripple; and a variety of complex buckling interactions can occur involving local and overall deformations of both sheet and stiffeners. More complex, built-up structures can buckle in more complex and subtle ways.

The Myths of Argentine History - Felipe Pigna 2005

Unusual and Awesome Jobs Using Technology - Linda LeBoutillier 2015-12-21

Fascinating facts, figures, and pictures highlight informative text about some of the most interesting and extreme jobs that use technology. Young readers will learn what kind of training it takes to be a roller coaster designer, how much money a space robotics engineer makes, and what exactly a wind turbine technician does!

Included in every manual: troubleshooting section to help identify specific problems; tips that give valuable short cuts to make the job easier and eliminate the need for special tools; notes, cautions and warnings for the home mechanic; color spark plug diagnosis and an easy to use index.

Things Might Go Terribly, Horribly Wrong - Kelly G. Wilson 2010

Wilson and Dufrene help readers foster the flexibility they need to keep from succumbing to the avoidable forces of anxiety, and open themselves to the often uncomfortable complexities and possibilities of life.

Tapping the Source - Kem Nunn 2012-06-19

NATIONAL BOOK AWARD FINALIST Kem Nunn's "surf noir" classic is a thrilling plunge into the seedy underbelly of a Southern California beach town—the inspiration for the film Point Break. People go to Huntington Beach in search of the endless parties, the ultimate highs, and the perfect waves. Ike Tucker has come to look for his missing sister and for the three men who may have murdered her. In that place of gilded surfers and sun-bleached blonds, Ike's search takes him on a journey through a twisted world of crazed Vietnam vets, sadistic surfers, drug dealers, and mysterious seducers. He looks into the shadows and finds parties that drift toward pointless violence, joyless vacations, and highs you may never come down from...and a sea of old hatreds and dreams gone bad. And if he's not careful, his is a journey from which he will never return.

Hold the Milk - The Zues 2019-03-14

HOLD THE MILK is a collection of freestyle, stream of consciousness passages attacking us, packaged in the splatter of static from every other planet back at us ...Pre-apocalyptic, peak-human, robot-voyaging party times ...Reaching through false constructs of human limitation and launching eternity from our mind ...A guide to overcoming ego and loneliness and finding the strength to live happily ever before. The soundtrack to this book is available at thezues.bandcamp.com

The Enchantment of Sociology - K. Flanagan 1996-04-03

A unique study of the link between theology and culture from a sociological perspective which addresses the issue of the pursuit of enchantment in the context of postmodernity. Sociology is applied to sociology itself to discern its own domestic response to theological readings of culture. A novel reading of Simmel, Bourdieu and Weber in relation to the Swiss Catholic theologian, Hans Urs von Balthasar, produces a controversial critique of assumptions regarding religious belief in the context of debates on secularisation and postmodernity.

Reunion Planner - Phyllis A. Hackleman 2009-06

If there is a reunion in your future, whether as the organizer or a helping hand, Reunion Planner is one book you won't want to be without. Reunion Planner leaves nothing to chance. The contents include sections on the following: choosing the proper kind of reunion, recruiting volunteers, selecting the time and place, creating the program, guest speakers, budgeting, notifying the participants and promoting the event, planning meals and decorations, accommodations and transportation, souvenirs and fund raisers, photographers and videographers, building a genealogy, and finishing touches from road signs to thank-you notes and more.

Beams, Plates and Shells - Lloyd Hamilton Donnell 1976

Python Web Programming - Steve Holden 2002

A Python community leader teaches professionals how to integrate web applications with Python.

Darling, All at Once - Piper Lennox 2018

Wasted. Covered in glitter. Wearing the ugliest dress in existence. Also known as: me, the night I stumble into bed with a Fairfield. -- Back cover.

Terry Pratchett's Discworld 2016 Diary - Terry Pratchett 2015-12-22

One part diary, one part guide to the arcane practices of the funniest creation in modern fantasy, 100% Discworld goodness. With their trademark mix of cultural ephemera, background detail and hilarious one-liners, the Discworld diaries are back. And 2016's diary gives a long-awaited insight into the wit and wisdom of some of the Discworld's most-loved characters, the Witches. Or, as Granny Weatherwax puts it: "I don't hold with diaries. If a witch don't know where she's been or where she should be, no amount of

writing it down in long and diverse letters will make any difference. There are some who say that making a note of birthdays and the like will mean you get a lot of presents but I think Gytha is wrong. But suit yourself. Personally I can't be doing with it." ~ Esme Weatherwax

The Digital University - Building a Learning Community - Reza Hazemi 2001-11-28

This is the thoroughly revised second edition of one of the first books to provide an overview of how key aspects of university life - such as teaching, academic research, administration, management and course design - are being affected by digital and web-enabled technologies. More than three-quarters of the material has been revised and updated. Still further, three new chapters now address the following aspects: the virtual classroom, vicarious learning, and educational metadata. The main body of the text focuses on asynchronous collaboration by examining the following four key topics: principles, experiences, evaluation, and benefits. A timely and up-most important guide to all aspects of modern university education in the digital age.

Alpha Boss - Zoe Ray 2019-05-28

Samantha Davis was only looking for a job, but she ended up finding much more. The moment she stepped into the lobby at ASC she knew she belonged there, and the moment Preston Jacobs stepped into her life she knew she'd never be the same. His massive frame towers over her. His presence is intimidating, and he is the sexiest man she's ever seen. He exudes power, and Samantha can't explain the raw animalistic attraction she feels. Sam is determined to push thoughts of the boss out of her mind, but the connection is too powerful. Preston Jacobs is a hard-headed wolf shifter, and as CEO of ASC and leader of his pack, he hasn't had time to worry about people's feelings. Everything changed when he met Samantha. He knew she was his mate the moment he laid eyes on her in the elevator of his building. His thoughts become consumed with taking his mate and marking her, and he's going to pull out all the stops to make her trust him and show her that she is his forever. When members of the pack become rebellious and trouble arises Preston must face a new challenge. Can he convince Samantha to accept her fate as his mate and help him lead the pack? Or will uncertain danger cause her to run away with her tail tucked between her legs?

The Entrepreneur's Guide to Hiring and Building the Team - Ken Tanner 2008

A recruiting and retention expert shows how to find and hire people who will have an immediate impact, integrate them into the team, and retain them for the long term.

Techniques in Complete Denture Technology - Duncan J. Wood 2015-09-02

This practical manual focuses on the discipline of complete denture technology. It sets out the ideal properties of complete dentures, and provides the reader with techniques for achieving these when carrying out any stage in the production process. Procedures are clearly set out in step-by-step format and fully illustrated with clinical photographs. It is essential reading for dental technicians, clinical dental technicians and maxillo-facial prosthetists, as well as providing a valuable resource for dentists and students. KEY FEATURES Provides techniques for achieving the ideal properties of complete dentures Discusses fit, retention, stability, occlusion, muscular control, aesthetics and materials Full of easy to follow step-by-step procedures Written by an experienced and established author team Highly illustrated with full colour clinical photos

The Soul Mate - Kendall Ryan 2017-08-14

From New York Times Bestseller Kendall Ryan comes a sexy new stand-alone novel in her Roommates series. The smoking-hot one-night stand I was never supposed to see again? Yeah, well, I might be pregnant, and he's my OB-GYN. Get ready to fall head over heels madly in love with the hottest OBGYN doctor you have ever met! This full-length standalone contains the most hilariously awkward lady-doctor visit, lots of playful banter and some good ol' fashioned baby-makin'!

Access to public meetings - 1986

Most Likely To Die - Beverly Barton 2007-02-01

Three New York Times bestselling authors join forces to create a thrilling novel of love, revenge, and the deadly secrets shared between women. It's been twenty years since the night Jake Marcott was brutally

murdered at St. Elizabeth High School in Portland, Oregon. It's a night that shattered the lives of Lindsay Farrell, Kirsten Daniels, and Rachel Alsace. Each of them loved Jake in their own way, and none of them will ever forget that night—a killer will make sure of it. As the twenty-year reunion approaches, all sorts of preparations are being made—including a few surprises. And for some alumni, very special invitations have been sent: their smiling senior pictures slashed by an angry red line . . .

The Millionaire and the Cowgirl - Lisa Jackson 2017-11-01

A fan-favorite by #1 New York Times bestselling author Lisa Jackson, originally published in 1996. Ten years ago, an innocent Samantha Rawlings had surrendered herself to a man whose blue-eyed gaze promised forever. But when the summer sun faded, Kyle Fortune was gone, and Samantha was left to raise their child alone and in secret. But now, the restless millionaire has returned to Wyoming's wide-open spaces. Suddenly, he's face-to-face with the willful beauty he's never forgotten—and a blue-eyed daughter he's never known. Originally published in 1996.
