Close Your Eyes and Wake Up - Amenti Marakita
2014-05

Do you feel like you just don't fit in? Are you crippled by feelings of discontent? Do you know within that there is another way of being? Are you ready to begin your journey to truth with courage, determination, faith, and trust? Like you, author Amenti Marakita knew that she wasn't living her ultimate life. Restricted by feelings of dissatisfaction and a general sense that she just didn't fit in, she knew that something had to change. She needed strength and motivation to create happiness as an adult. Motherhood was her foundation, and secretarial work was her bread and butter, but she

wasn't satisfied. She knew that it would take a leap of faith for things to really change. She took her first step to a new life by opening herself up to the world of natural therapies. She valued the process of working through challenges with various modalities and enjoying the rewards on the other side. She accepted the invitation to explore her reality and experience her true potential as a woman. In Close Your Eyes and Wake Up, Marakita, a Kinergetics practitioner and instructor, shares her guidance with those who are ready to leave the status quo behind and venture boldly into the unknown. Kinergetics opened her heart to a world of happiness within herself by allowing her programmed self to fall away. By learning to trust synchronicity, signs, and inner and outer guidance, she was reborn.

The Order of Melchizedek - Rev. Daniel Chesbro

2010-10-01

The teachings of Melchizedek—a totally balanced, authoritative incarnation of Christ—on topics such as reincarnation, spiritual development, and free will, are presented in this manual that relates a positive approach to the current transitional stage of spiritual evolution. Contending that the unconditional love of God is bombarding the earth in an influx of neutrinos, this account provides a history of Melchizedek, who is a major influence in both the New and Old Testaments but is vastly understudied in most churches. Promoting a harmonious view of religion—where there is one God, understood and worshiped in a variety of different ways, each serving a purpose to those worshipping and to the overall understanding of spirituality—this testament to the Order is both down-to-earth and profound. *The child and the Book, a manual of method for Sunday school teachers, by R. Physical Body Ascension to the New Earth - Robert E. Pettit, PhD 2010-06-01

There is a place you can go that is free from sickness, crime, and war. That place is not here on this Earth. Instead, it is on the “New Earth.” And you can choose to obtain a new body and go there. Drawing upon thirty-three years of University research and fifteen years of “Subtle Energy” manipulations Dr. Pettit discusses relationships between life sciences and spirituality. By understanding the concept “ask and you can receive” he outlines the questions to ask and your responsibilities to create a new body for ascending to the “New Earth” around 2012. Ascension is available for those who choose to move out of duality consciousness with suffering and pain into a new reality of Unity Consciousness with unfathomed joy and peace. Dr. Pettit explains how you can achieve this incredible gift with the following concepts. * Making a choice to ascend with your physical body * Knowing who you are

and why you are on Earth * Shifting your dimensional state of consciousness * Avoiding fear, accept change, understand time-space * Releasing false beliefs, sickness, and pain * Understand your Mer-Ka-Ba Energy Field * Universal Laws related to your spirituality * The End Times, "The Shift," and Photon Belt

Revelations of a Melchizedek Initiate - Joshua David Stone 1998-12-01

Exactly how this is done is shared, and in-depth information is given on the workings of the inner-plane ashram under the guidance of Djwhal Khul, Lord Maitreya and Lord Melchizedek. You are invited to journey with him as he unfolds the process of his initiations, beginning at the sixth, moving through the equivalent of the tenth initiation and into the beginning of the eleventh. Improvement Era - 1953

Martyr's Manual - Wayne Brouwer 2019-05-28
"Faith" gets its most powerful definition from the New Testament book of Hebrews. Yet this anonymous treatise tantalizes with both its lack of contemporary precision about faith's definition and its shrouded original context. There are, however, sufficient clues in Hebrew's text to guide astute investigators toward a strange and yet familiar world of religious challenge in which the deeply

significant rituals of ancient Israel, the attractive moral character of first-century Jews in Rome, a crowd of disaffected righteous Romans, and a purported Palestinian messiah converge to produce one of the world's most thoughtful, courageous, and brilliant calls to martyrdom. In this careful pilgrimage along the author's meticulous development of a holy challenge to remain faithful to Jesus (precisely because there are no meaningful alternatives), Brouwer helps us find an inspiring and ever-relevant call to faith--we become the persons we are through the daily choices we make about Jesus and others.

Method Infinite: Freemasonry and the Mormon Restoration - Cheryl L. Bruno 2022-08-09

While no one thing can entirely explain the rise of The Church of Jesus Christ of Latter-day Saints, the historical influence of Freemasonry on this religious tradition cannot be refuted. Those who study Mormonism have been aware of the impact that Freemasonry had on the founding prophet Joseph Smith during the Nauvoo period, but his involvement in Freemasonry was arguably earlier and broader than many modern historians have admitted. The fact that the most obvious vestiges of Freemasonry are evident only in the more esoteric aspects of the Mormon faith has made it difficult to recognize, let alone fully grasp, the relevant issues. Even those with both Mormon and Masonic

experience may not be versed in the nineteenth-century versions of Masonry's rituals, legends, and practices. Without this specialized background, it is easy to miss the Masonic significance of numerous early Mormon ordinances, scripture, and doctrines.

Method Infinite: Freemasonry and the Mormon Restoration offers a fresh perspective on the Masonic thread present in Mormonism from its earliest days. Smith's firsthand knowledge of and experience with both Masonry and anti-Masonic currents contributed to the theology, structure, culture, tradition, history, literature, and ritual of the religion he founded.
