Musical Performance and the Changing City - Fabian Holt 2013-09-02

A contribution to the field of urban music studies, this book presents new interdisciplinary approaches to the study of music in urban social life. It takes musical performance as its key focus, exploring how and why different kinds of performance are evolving in contemporary cities in the interaction among social groups, commercial entrepreneurs, and institutions. From conventional concerts in rock clubs to new genres such as the flash mob, the forms and meanings of musical performance are deeply affected by urban social change and at the same time respond to the changing conditions. Music has taken on complex roles in the post-industrial city where culture and cultural consumption have an unprecedented power in defining publics, policies, and marketing strategies. Further, changes in real estate markets and the penetration of new media have challenged even fairly modern music cultures. At the same time, new music cultures have emerged, and music has become a driver for cultural events and festivals, channeling the dynamics of a society characterized by the social change, media intensity, and the neoliberal forces of post-industrial urban contexts. The volume brings together scholars from a broad range of disciplines to build a shared understanding of post-industrial contexts in Europe and the United States. Most directly grounded in contemporary developments in music studies and urban studies, its broad interdisciplinary range serves to strengthen the relevance of urban music studies to fields such as anthropology,

sociology, urban geography, and beyond. Offering in-depth studies of changing music culture in concert venues, cultural events, and neighborhoods, contributors visit diverse locations such as Barcelona, Berlin, London, New York, and Austin.

[The Rough Guide to New York City](#) - Rough Guides 2016-02-01

The Rough Guide to New York City is the ultimate insider's guide to America's most exciting city. Whether you're here for world-class art at the Met, a blowout shop at Macy's or a ball game at Yankee Stadium, The Rough Guide to New York City is the perfect companion to a weekend city break or a longer stay. Inspirational photography, neighbourhood-by-neighbourhood accounts and detailed, full-colour maps help make sure you can find that backstreet Harlem jazz club or classic deli in Midtown. Updated by New Yorkers, Rough Guides give the lowdown on everything from the newly completed High Line and the renaissance of Brooklyn to the emerging food scene in Queens. Handy top 5 boxes give you quick round-ups of the best pizzerias, rooftop bars and more, while detailed background covers the rise and fall of Wall Street, 9/11 and New York's music heritage.

Native's Guide to New York - Richard Laermer 2002

The completely updated "Native's Guide to New York" is the quintessential insider's guide, "filled with the outrageous to the obvious: a must read for any New Yorker claiming to be a New Yorker" ("New York Daily News"). Laermer clues readers in to all manner of diversions from where to find the best party at 5 a.m. and where to find the best bagels afterward.

The Yoga Club - Cooper Lawrence 2011-12-20

Four friends who stumble upon a murder at a tony Greenwich, Connecticut, party must solve the crime or be implicated themselves.

Rock and Roll Explorer Guide to New York City - Mike Katz
2018-06-01

From the churches and street corners of Harlem and The Bronx to the

underground clubs of the East Village, New York City has been a musical mecca for generations, and Rock & Roll Explorer Guide to New York City is the definitive story of its development throughout the five boroughs. Plug in and walk the same streets a young Bob Dylan walked. See where Patti Smith, the Ramones, Beastie Boys, and Jeff Buckley played. Visit on foot the places Lou Reed mentions in his songs or where Paul Simon grew up; where the Strokes drowned their sorrows, Grizzly Bear cut their teeth and Jimi Hendrix found his vision. Rock and Roll Explorer Guide gives fans a behind-the-scenes look at how bands came together, scenes developed, and classic songs were written. Artists come and go, neighborhoods change, venues open and close, but the music lives on. Contents Upper Manhattan and Harlem Upper West Side The Velvet Underground Upper East Side The Beatles John & Yoko Central Park Patti Smith Midtown West Beastie Boys Midtown East Madonna Chelsea & Hudson Yards Jimi Hendrix & Electric Lady Union Square & Madison Square New York Dolls West Village Bob Dylan East Village Blondie Soho & TriBeCa Sonic Youth Lower East Side The Strokes Brooklyn Talking Heads Queens Ramones Simon & Garfunkel The Bronx Kiss Staten Island Rock & roll may not have been born in New York, but this is one of the places it grew up and blew up and presented itself to the world. From the churches and street corners of Harlem and the Bronx to the underground clubs of the East Village, New York City has been a musical Mecca for generations, and The Rock & Roll Explorer Guide to New York City is an historical journey through its development across all five boroughs. The Rock & Roll Explorer Guide to New York City restores a sense of time and place to music history by identifying and documenting critical points of interest spanning genres and eras, and delineating the places in New York City critical to its musical development and ultimate triumphs and tragedies. Through this lens, we can see and understand how bands came together, scenes developed, and classic songs were written. In some cases, the buildings are still there, in others only the address remains, but you still get a sense of the history that happened there. Among the many locations in this book are addresses musicians and other key rock & roll figures once called home. In a very few instances we've included current addresses, but only when

the location is historically significant and widely known; otherwise, we consciously left current residences out. The Rock & Roll Explorer Guide to New York City is intended as a fun travel guide through music history rather than a means of locating famous musicians. Most New Yorkers understand that everyone has a right to privacy. That's one of the reasons many of these artists live here. Because of the city's rich history, this book cannot be a comprehensive encyclopedia of music, rock venues, or the music industry; nor do we present the definitive biographies of the musicians included. The artists and locations chosen represent a sometimes broad look at the history of rock & roll in the city, with an eye on those who either grew up or spent their formative years here. But there's so much more we couldn't include, and we hope readers will be inspired to go even further, whether they're hitting the streets themselves or experiencing the city vicariously from afar. Artists come and go, neighborhoods change, venues open and close, but the music lives on.

Everyone Loves Live Music - Fabian Holt 2021-01-27

For decades, millions of music fans have gathered every summer in parks and fields to hear their favorite bands at festivals such as Lollapalooza, Coachella, and Glastonbury. How did these and countless other festivals across the globe evolve into glamorous pop culture events, and how are they changing our relationship to music, leisure, and public culture? In *Everyone Loves Live Music*, Fabian Holt looks beyond the marketing hype to show how festivals and other institutions of musical performance have evolved in recent decades, as sites that were once meaningful sources of community and culture are increasingly subsumed by corporate giants. Examining a diverse range of cases across Europe and the United States, Holt upends commonly-held ideas of live music and introduces a pioneering theory of performance institutions. He explores the fascinating history of the club and the festival in San Francisco and New York, as well as a number of European cities. This book also explores the social forces shaping live music as small, independent venues become corporatized and as festivals transform to promote mainstream Anglophone culture and its consumerist trappings. The book further provides insight into the broader relationship between culture and community in the twenty-first

century. An engaging read for fans, industry professionals, and scholars alike, *Everyone Loves Live Music* reveals how our contemporary enthusiasm for live music is more fraught than we would like to think.

The True Naomi Story - A.M. Goldsher 2009-05-03

It's every girl's dream: to be catapulted from a boring, everyday existence into a world of fame, riches, adoring fans and critical acclaim. This fabulous and page-turning novel follows the path of the loveable Naomi, from her days waiting tables in New York's East Village, to signing a record deal and playing packed stadium gigs. It's as if one day she woke up to find the dreams she had as a shy, gawky teenager from nerdsville had all come true at once... But stardom isn't always all it's cracked up to be. Soon Naomi's adrift in a world where lovers are players, where friends quickly become enemies, and where you never quite know just who you can trust. Can Naomi learn to play the game of fame before her star comes tumbling down?

Slaves of the Passions - Mark Schroeder 2007-12-13

Mark Schroeder presents an original theory of reasons for action. This theory is broadly Humean, in holding that reasons for action are instrumental, or explained by desires. *Slaves of the Passions* will be essential reading for anyone interested in metaethics, practical reason, or explanatory moral theory.

Time Out New York - Editors of Time Out 2012-07-13

Now in its 20th edition, Time Out New York provides the inside track on the Big Apple in an exhaustive guide with illuminating features and hundreds of independent unbiased venue reviews covering everything from iconic skyscrapers to buzzing neighborhoods. The guide offers an exhaustive overview of everything the city has to offer in terms of tourist attractions, eating and drinking, shopping, clubs and the sights — everything from pizza and bagels to shopping green. Comprehensive coverage of the city's incomparable arts and culture scene makes this an invaluable sourcebook for tourists and natives alike. An extensive month-by-month calendar of events is included. Escapes and excursions within relatively easy reach for day or overnight trips are also included.

The Way You Love Me - Donna Hill 2015-01-20

Struggling law student Bailey Sinclair is working two jobs to make ends meet when she encounters Justin Lawson, the richest, most hotly pursued bachelor in New Orleans. All he wants is to lavish Bailey with gifts and his passionate attention. But she's determined to make it on her own. They may come from different worlds, but is she willing to trust him with her heart?

Products Liability Depositions - Terrance M. Miller 2013-12-01

1 Looseleaf Volume. Forms. Index. Updated Annually. One of the key components of success in litigating products liability cases is taking effective discovery depositions. Products Liability Depositions is a book entirely devoted to the subject of how to go about preparing for and taking depositions that will provide you with the necessary materials for building a successful case. The book contains sample depositions from

actual cases that illustrate the many techniques that can be used to develop useful testimony. It also provides practical and time saving suggestions on how to prepare for taking the important depositions in a products liability case. The book also provides a handy source of quick information regarding the legal doctrines that apply to products liability cases. There is a section briefly describing the substantive law applicable to products cases from each of the 50 states. This section allows quick access to answers such as what affirmative defenses are available to a strict liability claim in a given state. This section alone makes this book a necessary addition to any products liability lawyers office library.

2012 Songwriter's Market - Adria Haley 2011-10-07

Strategies for Success: Self-Promotion Secrets for Musicians - Michael Gelfand 2010-03-15

This book for professional and amateur musicians is an inspired cross between Stephen Covey's wildly popular *Seven Habits of Highly Effective People* and Debbie Allen's *Confessions of a Shameless Self Promoter*. Musician and rock journalist, Michael Gelfand (of the band, Fuller), shoots from the hip and tells his fellow musicians the straight truth about this business: It will chew you up and spit you out... all before breakfast... unless you've got a solid plan of attack. This advice is for every struggling musician out there who wants their band to gain momentum and break through the noise.

A Fortunate Age - Joanna Smith Rakoff 2009-04-07

Like *The Group*, Mary McCarthy's classic tale about coming of age in New York, Joanna Smith Rakoff's richly drawn and immensely satisfying first novel details the lives of a group of Oberlin graduates whose ambitions and friendships threaten to unravel as they chase their dreams, shed their youth, and build their lives in Brooklyn during the late 1990s and the turn of the twenty-first century. There's Lil, a would-be scholar whose marriage to an egotistical writer initially brings the group back together (and ultimately drives it apart); Beth, who struggles to let go of her old beau Dave, a onetime piano prodigy trapped by his own insecurity; Emily, an actor perpetually on the verge of success -- and starvation -- who grapples with her jealousy of Tal, whose acting career has taken off. At the center of their orbit is wry, charismatic Sadie Peregrine, who coolly observes her friends' mistakes but can't quite manage to avoid making her own. As they begin their careers, marry, and have children, they must navigate

the shifting dynamics of their friendships and of the world around them. Set against the backdrop of the vast economic and political changes of the era -- from the decadent age of dot-com millionaires to the sobering

post-September 2001 landscape -- Smith Rakoff's deeply affecting characters and incisive social commentary are reminiscent of the great Victorian novels. This brilliant and ambitious debut captures a generation and heralds the arrival of a bold and important new writer.
