Screenwriting for Micro-Budget

Films - David J Greenberg

2021-11-30

Screenwriting for micro-budget films can present its own challenges and this book takes the reader through all the considerations that need to be made to write an effective screenplay for a low-budget film. Drawing on his own experience, case studies from films such as *Primer*, *Coherence* and *Reservoir Dogs*, as well as the perspectives of working screenwriters such as Joe Swanberg and Alex Ross-Perry, Greenberg explores common pitfalls screenwriters face and suggests practical solutions. This book lays the groundworks of the realities of low-budget filmmaking and also talks through the practical aspects, such as story structure and genre considerations. Greenberg makes the process of writing a screenplay for a low-budget film

accessible and creative, allowing student and independent filmmakers to tailor their writing for their films. This book is ideal for aspiring screenwriters, independent filmmakers and students of screenwriting.

Life Itself - Roger Ebert

2011-09-13

Roger Ebert is the best-known film critic of our time. He has been reviewing films for the Chicago Sun-Times since 1967, and was the first film critic ever to win a Pulitzer Prize. He has appeared on television for four decades, including twenty-three years as cohost of *Siskel & Ebert at the Movies*. In 2006, complications from thyroid cancer treatment resulted in the loss of his ability to eat, drink, or speak. But with the loss of his voice, Ebert has only become a more prolific and influential writer. And now, for the first time, he tells the full, dramatic story of his life and career. Roger

Ebert's journalism carried him on a path far from his nearly idyllic childhood in Urbana, Illinois. It is a journey that began as a reporter for his local daily, and took him to Chicago, where he was unexpectedly given the job of film critic for the Sun-Times, launching a lifetime's adventures. In this candid, personal history, Ebert chronicles it all: his loves, losses, and obsessions; his struggle and recovery from alcoholism; his marriage; his politics; and his spiritual beliefs. He writes about his years at the Sun-Times, his colorful newspaper friends, and his life-changing collaboration with Gene Siskel. He remembers his friendships with Studs Terkel, Mike Royko, Oprah Winfrey, and Russ Meyer (for whom he wrote *Beyond the Valley of the Dolls* and an ill-fated Sex Pistols movie). He shares his insights into movie stars and directors like John Wayne, Werner Herzog, and Martin Scorsese. This is a story

that only Roger Ebert could tell. Filled with the same deep insight, dry wit, and sharp observations that his readers have long cherished, this is more than a memoir-it is a singular, warm-hearted, inspiring look at life itself. "I believe that if, at the end, according to our abilities, we have done something to make others a little happier, and something to make ourselves a little happier, that is about the best we can do. To make others less happy is a crime. To make ourselves unhappy is where all crime starts. We must try to contribute joy to the world. That is true no matter what our problems, our health, our circumstances. We must try. I didn't always know this, and am happy I lived long enough to find it out." -from LIFE ITSELF

Writing the Character-Centered Screenplay, Updated and Expanded edition - Andrew Horton 2000-02-23

"We need good screenwriters

who understand character." Everywhere Andrew Horton traveled in researching this book—from Hollywood to Hungary—he heard the same refrain. Yet most of the standard how-to books on screenwriting follow the film industry's earlier lead in focusing almost exclusively on plot and formulaic structures. With this book, Horton, a film scholar and successful screenwriter, provides the definitive work on the character-based screenplay. Exceptionally wide-ranging—covering American, international, mainstream, and "off-Hollywood" films, as well as television—the book offers creative strategies and essential practical information. Horton begins by placing screenwriting in the context of the storytelling tradition, arguing through literary and cultural analysis that all great stories revolve around a strong central character. He then suggests specific techniques and

concepts to help any writer—whether new or experienced—build more vivid characters and screenplays. Centering his discussion around four film examples—including *Thelma & Louise* and *The Silence of the Lambs*—and the television series, *Northern Exposure*, he takes the reader step-by-step through the screenwriting process, starting with the development of multi-dimensional characters and continuing through to rewrite. Finally, he includes a wealth of information about contests, fellowships, and film festivals. Espousing a new, character-based approach to screenwriting, this engaging, insightful work will prove an essential guide to all of those involved in the writing and development of film scripts.

Now a public television documentary, *Freedom Writers: Stories from the Heart* In 1994, an idealistic first-year teacher in Long Beach, California, named Erin Gruwell confronted a room of “unteachable, at-risk” students. She had intercepted a note with

an ugly racial caricature and angrily declared that this was precisely the sort of thing that led to the Holocaust. She was met by uncomprehending looks—none of her students had heard of one of the defining moments of the twentieth century. So she rebooted her entire curriculum, using treasured books such as Anne Frank’s diary as her guide to combat intolerance and misunderstanding. Her students began recording their thoughts and feelings in their own diaries, eventually dubbing themselves the “Freedom Writers.” Consisting of powerful entries from the students’ diaries and narrative text by Erin Gruwell, *The Freedom Writers Diary* is an unforgettable story of how hard work, courage, and determination changed the lives of a teacher and her students. In the two decades since its original publication, the book has sold more than one million copies and

inspired a major motion picture *Freedom Writers*. And now, with this twentieth-anniversary edition, readers are brought up to date on the lives of the Freedom Writers, as they blend indispensable takes on social issues with uplifting stories of attending college—and watch their own children follow in their footsteps. *The Freedom Writers Diary* remains a vital read for anyone who believes in second chances.

Grasses of a Thousand Colors -

Wallace Shawn 2015-05-15

Shawn's most outlandish work to date, this disturbing and anomalously beautiful play explores the role of human beings in nature and the role of nature in human beings, sexuality being, as Shawn says, "nature's most obvious footprint in the human soul." The play's central character is a doctor who figures out how to rejigger the metabolism of animals. This discovery has unexpected

consequences. The play tells a story about the doctor, his wife, and his lovers that is also a story about the planet we live on.

Which Lie Did I Tell? - William Goldman 2013-12-18

From the Oscar-winning screenwriter of *All the President's Men*, *The Princess Bride*, and *Butch Cassidy and the Sundance Kid*, here is essential reading for both the aspiring screenwriter and anyone who loves going to the movies. If you want to know why a no-name like Kathy Bates was cast in *Misery*, it's in here. Or why Linda Hunt's brilliant work in *Maverick* didn't make the final cut, William Goldman gives you the straight truth. Why Clint Eastwood loves working with Gene Hackman and how MTV has changed movies for the worse, William Goldman, one of the most successful screenwriters in Hollywood today, tells all he knows. Devastatingly eye-opening and endlessly

entertaining, *Which Lie Did I Tell?* is indispensable reading for anyone even slightly intrigued by the process of how a movie gets made.

The Euro-American Cinema - Peter Lev 2014-05-23

With McDonalds in Moscow and Disneyland in Paris and Tokyo, American popular culture is spreading around the globe. Regional, national, and ethnic cultures are being powerfully affected by competition from American values and American popular forms. This literate and lively study explores the spread of American culture into international cinema as reflected by the collision and partial merger of two important styles of filmmaking: the Hollywood style of stars, genres, and action, and the European art film style of ambiguity, authorial commentary, and borrowings from other arts. Peter Lev departs from the traditional approach of national cinema

histories and discusses some of the blends, overlaps, and hegemonies that are typical of the world film industry of recent years. In Part One, he gives a historical and theoretical overview of what he terms the "Euro-American art film," which is characterized by prominent use of the English language, a European art film director, cast and crew from at least two countries, and a stylistic mixing of European art film and American entertainment. The second part of Lev's study examines in detail five examples of the Euro-American art film: *Contempt* (1963), *Blow-Up* (1966), *The Canterbury Tales* (1972), *Paris, Texas* (1983), and *The Last Emperor* (1987). These case studies reveal that the European art film has had a strong influence on world cinema and that many Euro-American films are truly cultural blends rather than abject takeovers by Hollywood cinema.

Narrative Theory and

Adaptation. - Jason Mittell

2017-04-20

Narrative Theory and Adaptation offers a concise introduction to narrative theory in jargon-free language and shows how this theory can be deployed to interpret Spike Jonze's critically acclaimed 2002 film *Adaptation*. Understanding narrative theory is crucial to make sense of the award-winning film *Adaptation*. The book explicates, in clear prose for beginners, four key facets important to the narrative theory of film: the distinction between practical vs. critical theory, the role of adaptation, the process of narrative comprehension, and notions of authorship. It then works to unlock *Adaptation* using these four keys in succession, considering how the film demands a theoretical understanding of the storytelling process. In using this unusual case study of a film, the author makes the case for the importance of

narrative theory as a general perspective for filmmakers, critics, and viewers alike.

Dramatic Story Structure -

Edward J. Fink 2014-01-03

A successful screenplay starts with an understanding of the fundamentals of dramatic story structure. In this practical introduction, Edward J. Fink condenses centuries of writing about dramatic theory into ten concise and readable chapters, providing the tools for building an engaging narrative and turning it into an agent-ready script. Fink devotes chapters to expanding on the six basic elements of drama from Aristotle's Poetics (plot, character, theme, dialogue, sound, and spectacle), the theory and structure of comedy, as well as the concepts of unity, metaphor, style, universality, and catharsis. Key terms and discussion questions encourage readers to think through the components of compelling stories and put them

into practice, and script formatting guidelines ensure your finished product looks polished and professional.

Dramatic Story Structure is an essential resource not only for aspiring screenwriters, but also for experienced practitioners in need of a refresher on the building blocks of storytelling.

Evening at the Talk House -

Wallace Shawn 2018-02-07

To celebrate the tenth anniversary of the opening of an unsuccessful play, the playwright, the leading actor, the producer, and various other members of the company get together at their former haunt, the Talk House. Most haven't been there, or even seen each other, in years, and the gossip and nostalgia are mixed with questions and accusations. Why

does a washed-up old actor keep getting beaten up by his friends? Where does a failed actress-turned-waitress disappear to for months at a time? **EVENING AT THE TALK HOUSE** is a biting portrayal of people grasping to find their place in a world in which terror has become an accepted part of life. Is this the world we're living in now?

The Twelve Lives of Alfred Hitchcock: An Anatomy of the Master of Suspense - Edward White 2021-04-13

Winner of the 2022 Edgar Award for Best Biography An Economist Best Book of 2021 A fresh, innovative biography of the twentieth century's most iconic filmmaker. In *The Twelve Lives of Alfred Hitchcock*, Edward White explores the Hitchcock phenomenon—what defines it, how it was invented,

what it reveals about the man at its core, and how its legacy continues to shape our cultural world. The book's twelve chapters illuminate different aspects of Hitchcock's life and work: "The Boy Who Couldn't Grow Up"; "The Murderer"; "The Auteur"; "The Womanizer"; "The Fat Man"; "The Dandy"; "The Family Man"; "The Voyager"; "The Entertainer"; "The Pioneer"; "The Londoner"; "The Man of God." Each of these angles reveals something fundamental about the man he was and the mythological creature he has become, presenting not just the life Hitchcock lived but also the various versions of himself that he projected, and those projected on his behalf. From Hitchcock's early work in England to his most celebrated films, White astutely analyzes Hitchcock's oeuvre and provides new interpretations. He also delves into Hitchcock's ideas about

gender; his complicated relationships with "his women"—not only Grace Kelly and Tippi Hedren but also his female audiences—as well as leading men such as Cary Grant, and writes movingly of Hitchcock's devotion to his wife and lifelong companion, Alma, who made vital contributions to numerous classic Hitchcock films, and burnished his mythology. And White is trenchant in his assessment of the Hitchcock persona, so carefully created that Hitchcock became not only a figurehead for his own industry but nothing less than a cultural icon. Ultimately, White's portrayal illuminates a vital truth: Hitchcock was more than a Hollywood titan; he was the definitive modern artist, and his significance reaches far beyond the confines of cinema.

Thelma & Louise - Callie Khouri
1996

"When "Thelma & Louise" opened in 1991, it was greeted

with acclaim and controversy, quickly earning first-time screenwriter Callie Khouri a reputation as one of the only writers of real movie roles for women. She lived up to expectations with "Something to Talk About," which won praise for its originality and authenticity. Published here in one volume, these two screenplays gives us an opportunity to savor the work of a groundbreaking author."

Night Vision - Mariana

Alessandri 2023-05-09

A philosopher's personal meditation on how painful emotions can reveal truths about what it means to be truly human

Under the light of ancient Western philosophies, our darker moods like grief, anguish, and depression can seem irrational. When viewed through the lens of modern psychology, they can even look like mental disorders. The self-help industry, determined to sell us the promise of a brighter future, can sometimes leave us feeling ashamed that we are not more grateful, happy, or optimistic. *Night Vision* invites us to consider a different approach to life, one in which we stop feeling bad about feeling bad. In this powerful and disarmingly intimate book, Existentialist philosopher Mariana Alessandri draws on the stories of a diverse group of nineteenth- and twentieth-century philosophers and writers to help us see that our suffering is a sign not that we are broken but that we are tender, perceptive, and intelligent. Thinkers such as Audre Lorde, María Lugones,

Miguel de Unamuno, C. S. Lewis, Gloria Anzaldúa, and Søren Kierkegaard sat in their anger, sadness, and anxiety until their eyes adjusted to the dark. Alessandri explains how readers can cultivate “night vision” and discover new sides to their painful moods, such as wit and humor, closeness and warmth, and connection and clarity. *Night Vision* shows how, when we learn to embrace the dark, we begin to see these moods—and ourselves—as honorable, dignified, and unmistakably human.

The Playwright at Work -

Rosemarie Tichler 2012-06-30

Rosemarie Tichler and Barry Jay Kaplan take us behind the scenes in conversations with thirteen of today's most distinguished playwrights, including Tony Kushner, John Guare, Wallace Shawn, Suzan-Lori Parks, David Henry Hwang, and Sarah Ruhl. To familiarize the reader with the world of each playwright, Tichler and Kaplan introduce us to the environments in which the work happens, conducting their interviews in the playwright's home, a dark theater, or a coffee shop. Topics of

conversation range from the playwrights' earliest memories of the theater to finding their unique voices, and from their working relationships with directors, actors, and designers to their involvement in the purely commercial aspects of their profession. Taken together, these conversations constitute a collectively taught master class in the art and craft of writing for the stage.

Get Out - Jordan Peele

2019-11-19

Jordan Peele's celebrated screenplay combines horror and dark humor to reveal the terrifying realities of being Black in America "Blending race-savvy satire with horror to especially potent effect, this bombshell social critique from first-time director Jordan Peele proves positively fearless." -Peter Debruge, Variety "An exhilaratingly smart and scary freak out about a black man in a white nightmare." -Manohla Dargis, New York Times "A

major achievement, a work that deserves, in its own way, to be viewed alongside Barry Jenkins' *Moonlight* as a giant leap forward for the possibilities of black cinema; *Get Out* feels like it would have been impossible five minutes ago." -Brandon Harris, *New Yorker*

Jordan Peele's powerful thriller *Get Out* debuted in 2017 to enormous public and critical acclaim, a *Guess Who's Coming to Dinner?* for the age of Obama and Trump that scared audiences and skewered white liberal pieties at the same time. Rather than rely on popular archetypes, Peele weaves together the material realities and daily manifestations of horror with sociopolitical fears and elements of true suspense, and combines them with pitch-perfect satire and a timely cultural critique. This companion paperback to the film presents Peele's Oscar-winning screenplay alongside supplementary material. Featuring an essay by

author and scholar Tananarive Due and in-depth annotations by the director, this publication is richly illustrated with more than 150 stills from the motion picture and presents alternate endings, deleted scenes and an inside look at the concepts and behind-the-scenes production of the film. Continuing in the legacy of 1960s paperbacks that documented the era's most significant avant-garde films--such as Akira Kurosawa's *Rashomon*, Jean-Luc Godard's *Masculin/Feminin* and Michelangelo Antonioni's *L'Avventura*--*Get Out* is an indispensable guide to this pioneering and groundbreaking cinematic work. Jordan Peele (born 1979) is an American writer, director and producer. Peele's directorial debut, *Get Out* (2017), earned him an Academy Award for Best Original Screenplay as well as nominations for Best Picture and Best Director. In 2012, Peele founded Monkeypaw

Productions, which amplifies traditionally underrepresented voices and unpacks contemporary social issues, while cultivating artistic, thought-provoking projects across film, television and digital platforms, including Peele's follow-up to *Get Out*, the critically acclaimed horror epic, *Us* (2019).

Alchemists of the Stage - Mirella Schino 2020-12-15

What is a theatre laboratory? Why a theatre laboratory? This book tries to answer these questions focusing on the experiences and theories, the visions and the techniques, the differences and similarities of European theatre laboratories in the twentieth century. It studies in depth the Studios of Stanislavski and Meyerhold, the school of Decroux, the Teatr Laboratorium of Jerzy Grotowski and Ludwik Flaszen, as well as Eugenio Barba's Odin Teatret. Theatre laboratories embody a theatre practice which defies the

demands and fashions of the times, the usual ways of production and the sensible functions which stage art enjoys in our society. It is a theatre which refuses to be only art and whose radical research forges new conditions with a view to changing both the actor and the spectator. This research transforms theatrical craft into a laboratory which has been compared to the laboratory of the alchemists, who worked not on material but on substance. The alchemists of the stage did not operate only on forms and styles, but mainly on the living matter of the theatre: the actor, seen not just as an artist but above all as a representative of a new human being. Laboratory theatres have rarely been at the centre of the news. Yet their underground activity has influenced theatre history. Without them, the same idea of theatre, as it has been shaped in the course of the twentieth century, would have

been different. In this book Mirella Schino recounts, as in a novel, the vicissitudes of a group of practitioners and scholars who try to uncover the technical, political and spiritual perspectives behind the word laboratory when applied to the theatre.

The Cinema of Louis Malle -

Philippe Met 2018-09-11

Arguably a pioneer of the French New Wave (with *Ascenseur pour l'échafaud*, 1957) Louis Malle went on to enjoy an acclaimed yet provocative and versatile transatlantic career. This collection of original essays proposes to reassess his richly eclectic and boldly subversive oeuvre and redress the surprising critical neglect it has suffered over the years. It does so through a combination of transversal and monographic analyses that use a variety of critical lenses and theoretical tools in order to examine Malle's documentaries as well as his fiction features (and, more importantly, the constant

shuttling and uniquely persistent cross-pollination between those two cinematic approaches), illuminate the profound, lasting dialogue his films entertained with literature and theater, bring to the fore their sustained, albeit often oblique autobiographical thrust along with their scathing sociopolitical critique, and scrutinize the alternating use of stars and non-professional actors. In addition, the volume features an exclusive interview with the acclaimed playwright John Guare (a close friend and collaborator of Louis Malle's who scripted *Atlantic City*) and is bookended by a foreword by Volker Schlöndorff and an afterword by Wes Anderson, two renowned filmmakers who articulate their admiration for, and the seminal influence of, their predecessor.

This Is Not My Memoir - André

Gregory 2020-11-17

The autobiography-of-sorts of André Gregory, an iconic figure

in American theater and the star of *My Dinner with André*. This is *Not My Memoir* tells the life story of André Gregory, iconic theatre director, writer, and actor. For the first time, Gregory shares memories from a life lived for art, including stories from the making of *My Dinner with André*. Taking on the dizzying, wondrous nature of a fever dream, *This is Not My Memoir* includes fantastic and fantastical stories that take the reader from wartime Paris to golden-age Hollywood, from avant-garde theaters to monasteries in India. Along the way we meet Jerzy Grotowski, Helene Weigel, Gregory Peck, Gurumayi Chidvilasananda, Wallace Shawn, and many other larger-than-life personalities. *This is Not My Memoir* is a collaboration between Gregory and Todd London who create a portrait of an artist confronting his later years. Here, too, are the reflections of a man who only

recently learned how to love.

What does it mean to create art in a world that often places little value on the process of creating it? And what does it mean to confront the process of aging when your greatest work of art may well be your own life?

Direct Your Own Damn Movie! - Lloyd Kaufman 2013-04-26

Film is a visual medium, the work of Eric Rohmer and Kevin Smith notwithstanding. It is important for a director and cinematographer to use their VISUAL EYES in order to VISUALIZE how to make their movie most effective. Also, there is the messy business of actors. Generally, movies have them, and directors have to deal with them. This guide will illuminate these two main jobs of the director: directing the camera and directing the actor, while showing how these two jobs manifest themselves during practical filmmaking -- whether it be, 'Which shots can I lose and

still tell my story since we're running out of time', or 'How do I get two actors who hate each other to perform a passionate sex scene;', all will be revealed.

Louis Malle - Hugo Frey

2019-01-11

This is the first monograph on controversial French director Louis Malle to be published in English. Hugo Frey introduces Malle's work through a lucid analysis of his many masterpieces, including *Le Feu Follet*, *Lacombe Lucien* and *Au revoir les enfants*. He also traces the director's extended period of work in the USA, which resulted in powerful films such as *Pretty Baby*, *Atlantic City USA* and *My Dinner with André*. The book focuses on the most challenging aspects of Malle's oeuvre, his aesthetic vision, his youthful attraction to a form of right-wing pessimism, and his 1970s libertarianism. By rethinking Malle's portrayals of Nazi-occupied France, Frey

demonstrates that he is of equal importance to contemporary historians as to film studies. This new appraisal is a nuanced study of an important film-maker, and a critical intervention in the debates which surround Malle's work.

Screenwriting - Lew Hunter

1994

The author conveys his knowledge of screenwriting in a straightforward fashion and answers the important questions which have to be considered at each stage of the process. This may be found and the essential qualities which must be present. Fascinating tricks of the trade which are applied instinctively by the professionals - such as vertical and linear stories, believable unbelievability, fourth walls and flashbacks, red herrings, time locks and telescoping of time are revealed in order that the reader too can learn to utilize them to give their work a professional feel. The

author also covers such aspects as the building of characters, basic dos and don'ts, dialogue, discipline, timing, rewriting, polishing, ties and more.
