Santat--creator of The

Adventures of Beekle:

The Unimaginary Friend

Every parent has heard

this classic kid

question on a long car

ride--and after reading

this astonishingly

inventive new book (that

for several pages!),

you'll never look at

being bored the same way again. Let's face it: everyone knows that car rides can be boring. And when things get boring, time slows down. In this book, a boy feels time slowing down so much that it starts going backward--into the time of pirates! Of princesses! Of dinosaurs! The boy was just trying to get to his grandmother's birthday party, but instead he's traveling through Ancient Egypt and rubbing shoulders with Ben Franklin. When time flies, who knows where--or when--he'll end up.
