The Umbrella Man and Other Stories - Roald Dahl 2013-06-20

Is it really possible to invent a machine that does the job of a writer? What is it about the landlady's house that makes it so hard for her guests to leave? Does Sir Basil Turton value most his wife or one of his priceless sculptures? These compelling tales are a perfect introduction to the adult writing of a storytelling genius.

Sita - Amish 2017

In this second book of the series, you will follow Lady Sita's journey from an Adopted Child to the Prime Minister to finding her true calling. She is the warrior we need. The Goddess we await. She will defend Dharma. She will protect us. India, 3400 BCE.

India is beset with divisions, resentment, and poverty. The people hate their rulers. They despise their corrupt and selfish elite. Raavan, the demon king of Lanka, grows increasingly powerful, sinking his fangs deeper into the hapless Sapt Sindhu. Two powerful tribes, the protectors of the divine land of India, decide that enough is enough. A savior is needed. They begin their search. An abandoned baby is found in a field. Protected by a vulture from a pack of murderous wolves. She is adopted by the ruler of Mithila, a powerless kingdom, ignored by all. Nobody believes this child will amount to much. But they are wrong. For she is no ordinary girl. She is Sita.

Masti - Masti Venkatesha Iyengar 2019-08

Considered to be the father of the Kannada short story, Masti's direct narration and sympathetic understanding of human nature make his stories evergreen. U R Anantha Murthy describes this Sahitya Akademi Awardee as one who has a gentle and profound insight into

what lasts in India, and what elements inherent in human nature threaten it ... the best in traditions of the East and the West have gone into the making of his liberal humanist philosophy.

How Much Land Does A Man Need? - Leo Tolstoy

2015-02-26

'Although he feared death, he could not stop. 'If I stopped now, after coming all this way - well, they'd call me an idiot!' To Sir, With Love - E. R. Braithwaite 2014-01-14

This schoolroom drama that inspired the classic Sidney Poitier film is "a microcosm of the racial issues . . . A dramatic picture of discrimination"

(Kirkus Reviews). With opportunities for black men limited in post-World War II London, Rick Braithwaite, a former Royal Air Force pilot and Cambridge-educated engineer, accepts a teaching position that puts him in charge of a class of angry, unmotivated, bigoted white teenagers whom the system has mostly abandoned. When his efforts to reach these troubled students are met with threats, suspicion, and derision, Braithwaite takes a radical new approach. He will treat his students as people poised to enter the adult world. He will teach them to respect themselves and to call him "Sir." He will open up vistas before them that they never knew existed. And over the course of a remarkable year, he will touch the lives of his students in extraordinary ways, even as they in turn, unexpectedly and profoundly, touch his. Based on actual events in the author's life, To Sir, With Love is a powerfully moving story that celebrates courage, commitment, and vision, and is the inspiration for

the classic film starring Sidney Poitier.

Jugari Cross - Poornachandra Tejasvi 2020-09-18

Jugari Cross is a suspense thriller woven around the everyday incidents that occur with an ordinary farming couple's life. The story set within 24 hours is not just a typical suspense thriller with a trace of history and a literary quest, but enormously stimulates the reader to analyze the broader spectrum of philosophy, literature, and the principles of global economies established around us. I hope the reader community will appreciate how this suspense thriller gives the glimpses of nature, ecology, social reforms, literature, global/local economies, and many more social dimensions.

Mahashweta - Sudha Murty 2007-09-17

Anupama looked into the mirror and shivered with shock. A small white patch had now appeared on her arm.'

Anupama's fairytale marriage to Anand falls apart when she discovers a white patch on her foot and learns that she has leukoderma. Abandoned by her

uncaring in-laws and insensitive husband, she is forced to return to her father's home in the village. The social stigma of a married woman living with her parents, her steother's continual barbs and the ostracism that accompanies her skin condition force her to contemplate suicide.

Determined to rebuild her life against all odds, Anupama goes to Bombay where she finds success, respect and the promise of an enduring friendship. Mahashweta is an inspiring story of courage and resilience in a world marred by illusions and betrayals. This poignant tale offers hope and solace to the victims of the prejudices that govern society even today.

Suspiciously Simian - Rahul Shrivastava 2018-01-14

The one thing he couldn't figure

out was - why he was abandoned...For the first time, Ramu's monkey, friend and the only source of his income, Billu is not with him. Billu has gone missing at a railway station. Seems like Billu has boarded the Chitah Express, a special train that stops at few stations and has coaches that aren't interconnected. Ramu boards this train hoping to find his lost simian. If Billu is on the train, Ramu has less than a day to find him. Notwithstanding the difficulties, Ramu carries on his search with one question running through his mind, "Why did he leave me?"An adventurous tale of a teenage boy in search of his lost companion. A tale filled with anticipation, risk, dangers, and comedy. Set in India, the story unravels the realities about the life of the underprivileged in a country of contrasts. The society would want them to be forgotten, knowing little that these are the ones that make India alive.

[The Last Lecture](#) - Randy Pausch 2008-04-08

"We cannot change the cards we are dealt, just how we play the hand."---Randy Pausch A lot of professors give talks titled "The Last Lecture." Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull the same question: What wisdom would we impart to the

world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave--"Really Achieving Your Childhood Dreams"--wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because "time is all you have...and you may find one day that you have less than you think"). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.

David Swan - Nathaniel Hawthorne 2018-07-04

David Swan (+Biography and Bibliography) (Matte Cover Finish): We can be but partially acquainted even with the events which actually influence our course through life, and our final destiny. There are innumerable other events if such they may be called which come close upon us, yet pass away without actual results, or even betraying their near approach, by the reflection of any light or shadow across our minds. Could we know all the vicissitudes of our fortunes, life would be too full of hope and fear, exultation or disappointment, to afford us a single hour of true serenity. This idea may be illustrated by a page from the secret history of David Swan.

An Astrologers Day And Other Stories - R. K Narayan 2020-11-23

The Selected Poetry and Prose of Vittorio Sereni -

Vittorio Sereni 2008-09-15

One of the most important Italian poets of the last century, Vittorio Sereni (1913–83) wrote with a historical awareness unlike that of any of his contemporaries. A poet of both personal and political responsibility, his work sensitively explores life under fascism, military defeat and imprisonment, and the resurgence of extreme right-wing politics, as well as the roles played by love and friendship in the survival of humanity. The first substantial translation of Sereni's oeuvre published anywhere in the world, *The Selected Poetry and Prose of Vittorio Sereni* is a unique guide to this twentieth-century poet. A bilingual edition, reissued in paperback for the poet's centenary, it collects Sereni's poems,

criticism, and short fiction with a full chronology, commentary, bibliography, and learned introduction by British poet and scholar Peter Robinson.

Dollar Bahu - Sudha Murty
2007-12-11

A story of how money corrupts the way people look at one another and how it can almost tear a family apart Vinuta marries Girish, a bank clerk, and starts living with his family in Bangalore. She adjusts to her new family well, looking after her husband, father-in-law and mother-in-law Gouramma, not taking to heart her mother-in-law's constant picking. But when Girish's elder brother Chandru, who is in the US, decides to get married, Vinuta has to listen to the constant comparisons made between her and Chandru's wife, the 'Dollar Bahu', whose husband earns the valuable dollars that has brought the family its recent affluence. Vinuta slowly loses her peace of mind and health. Then Gouramma decides to visit her US-based son and daughter-in-law. Once there, she sees how liberating life can

be, away from the strict norms that govern Indian middle-class life. But she also begins to understand that mere dollars cannot buy the love and respect that she gets as her due back in India. Does Gouramma forge a new relationship with Vinuta and can Vinuta forgive and forget the past?

Kusumabale - Dēvanūra

Mahādēva 2015

Midnight- when stone and water melt- at the village entrance, the guardian-lamp spirits meet, they talk, exchange notes, share joys, share sorrows. Devanoora Mahadeva leads us to a world of spirits ruled by a strong

sense of justice. As we listen in, their conversation introduces four generations of a family: Akkamahadevamma; her son Yaada; his son Somappa; and the main protagonist, Somappa's daughter, Kusuma. In this intricately woven cosmos, death casts its shadow. Following the different voices around, we come face to face with the harsh realities of Dalit life. Steered by the nuances of folk tale and oral tradition, this extraordinary account of feudal oppression presents a rare blend of poetry and prose. A modern classic, when it first appeared in 1988, Kusumabale marked a turning point in modern Kannada literature.

Ghachar Ghochar - Vivek Shanbhag 2017-02-07

ONE OF THE NEW YORK TIMES CRITICS' TOP BOOKS OF 2017
ONE OF VULTURE'S 100 BEST BOOKS OF THE 21ST CENTURY
FINALIST FOR THE L.A. TIMES BOOK PRIZE IN FICTION "A modern classic." —The New York Times Book Review
A young man's close-knit family is nearly destitute when his uncle

finds a successful spice company, changing their fortunes overnight. As they move from a cramped, ant-infested shack to a larger house on the other side of Bangalore, and try to adjust to a new way of life, the family dynamic begins to shift. Allegiances realign; marriages are arranged and begin to falter; and conflict brews ominously in the background. Things become "ghachar ghochar"—a nonsense phrase uttered by one meaning something tangled beyond repair, a knot that can't be untied. Elegantly written and punctuated by moments of unexpected warmth and humor, Ghachar Ghochar is a quietly enthralling, deeply unsettling novel about the shifting meanings—and consequences—of financial gain in contemporary India. "A classic tale of wealth and moral ruin." —The New Yorker
"Ghachar Ghochar introduces us to a master." —The Paris Review
Named a Best Book of the Year by the Guardian, Globe and Mail, and Publishers Weekly
Shortlisted for the ALTA

National Translation Award in Prose Longlisted for the International Dublin Literary Award

No Presents Please - Jayant Kaikini 2020-07-28

For readers of Jhumpa Lahiri and Rohinton Mistry, as well as Lorrie Moore and George Saunders, here are stories on the pathos and comedy of small-town migrants struggling to build a life in the big city, with the dream world of Bollywood never far away. Jayant Kaikini's gaze takes in the people in the corners of Mumbai—a bus driver who, denied vacation time, steals the bus to travel home; a slum dweller who catches cats and sells them for pharmaceutical testing; a father at his wit's end who takes his mischievous son to a reform institution. In this metropolis, those who seek find epiphanies in dark movie theaters, the jostle of local trains, and even in roadside keychains and lost thermos flasks. Here, in the shade of an unfinished overpass, a factory-worker and her boyfriend browse wedding

invitations bearing wealthy couples' affectations—"no presents please"—and look once more at what they own. Translated from the Kannada by Tejaswini Niranjana, these resonant stories, recently awarded the DSC Prize for South Asian Literature, take us to photo framers, flower markets, and Irani cafes, revealing a city trading in fantasies while its strivers, eating once a day and sleeping ten to a room, hold secret ambitions close.

Saakshi - S L Bhyrappa 2017-08-14

Saakshi uses the Puranas and Vedanta as well as Gandhian concepts to discuss the meaning of truth and its distortions through greed, sexuality and desire. Overcome by guilt at having committed perjury in court, in a murder trial, Parameshwarayya, a village elder, commits suicide. Yama, the god of death and righteousness, affords him the privilege of presenting his case himself. Thereafter, he commands Parameshwarayya to return to earth in spiritual

form to witness, but not to intervene, in subsequent events. Parameshwarayya observes his daughter Savitri, son Ramakrishna, son-in-law Satyappa, the woman Lakkoo and the sensitive Dr Hasheem as they are confronted by difficult decisions and revelations, which cause them to look inward and attempt an appraisal of their lives and values. Bhyrappa's portrayal of the greedy Nagappa, who grudges his only grandson the rice he eats and the arrogant, selfish and lustful Manjayya creates indelible impressions on the mind. This powerful novel questions what it means to be a witness—in a courtroom, before the gods, to the lives of others, or finally to one's self.

Papillon - Henri Charriere
2012-05-29

"A modern classic of courage and excitement." —The New Yorker • The source for the iconic prison-escape film starring Steve McQueen Henri Charrière, nicknamed "Papillon," for the butterfly tattoo on his chest, was convicted in Paris in 1931 of a

murder he did not commit. Sentenced to life imprisonment in the penal colony of French Guiana, he became obsessed with one goal: escape. After planning and executing a series of treacherous yet failed attempts over many years, he was eventually sent to the notorious prison, Devil's Island, a place from which no one had ever escaped . . . until Papillon. His flight to freedom remains one of the most incredible feats of human cunning, will, and endurance ever undertaken. Charrière's astonishing autobiography, *Papillon*, was first published in France to instant acclaim in 1968, more than twenty years after his final escape. Since then, it has become a treasured classic--the gripping, shocking, ultimately uplifting odyssey of an innocent man who would not be defeated. "A first-class adventure story." — New York Review of Books
[India in Love](#) - Ira Trivedi 2014
A ground-breaking look at the sexual revolution that is beginning to sweep through urban India. The National

Bestseller India in Love: Marriage and Sexuality in the 21st Century is a groundbreaking look at the sexual revolution that is starting to sweep through urban India. Bestselling author Ira Trivedi travelled from Shilling in the northeast to Chennai in the south, Konark in the east to Mumbai in the west and over a dozen other cities and towns in order to gain unprecedented insights into changing sexual habits, marriage and love everywhere in the country. The book explores the mating habits of young Indians on college campuses and in offices, examines the new face of Indian pornography and prostitution, probes India's gay revolution and delves into history, economics and sociology to try and understand how the nation that gave the world the Kamasutra could have become a closed, repressed society with a shockingly high incidence of rape and violence against women the dark underside to the greater sexual freedom that men and women in our cities

have begun to enjoy today. Trivedi goes deep into one of the most enduring institutions of Indian society marriage and investigates how it is faring in modern times. She interviews marriage brokers, astrologers, lawyers, relationship counsellors, 'love commandos', parents and nervous young brides and grooms, amongst others, to present a nuanced picture of the state of marriage in the country. She discovers that love marriages are skyrocketing and even the age-old arranged marriage is undergoing a transformation. Also on the rise are divorces, extra-marital affairs, open marriages, live-in-relationships and the like. Supporting her eye-opening reportage with hundreds of interviews, detailed research, authoritative published surveys and discussions with experts on various aspects of sexuality and marriage, Trivedi has written a book that is often startling, sometimes controversial, but is always entertaining and original.

The Case Of The Careless

Cupid - Erle Stanley Gardner
2012-09-23

Selma Arlington is engaged to a wealthy widower. His heirs don't want him to tie the knot. Perry Mason is asked by Selma to prove she is neither a gold digger nor a murderer of her first husband, but incriminating evidence comes to light.

Teaching Fractions and Ratios for Understanding - Susan J. Lamon 2006-08-15

This popular text addresses the urgent need for curriculum materials that cross traditional boundaries to include many of the elements that are integrated in the teaching/learning enterprise: mathematics content, teacher understanding, student thinking, teaching methods, instructional activities, and assessment. The book pushes readers beyond the limits of their current understanding of rational numbers, challenging them to refine and explain their thinking--without falling back on rules and procedures they have relied on throughout their lives. Written in a conversational and easy to

understand style, this is not a textbook as much as it is a resource book. An underlying assumption is that facilitating teacher understanding using the same questions and activities that may be used with children is one way to help teachers build the comfort and confidence they need to begin talking to children about complex ideas. Unlike a textbook that is used to study formal theory and then discarded when it comes to putting ideas into practice, the many problems and activities included to facilitate teacher learning are valuable resources for use in elementary and middle school classrooms. Changes in the second edition include: *even more student work incorporated in every chapter; *discussion of the connectivity between the topics addressed in the book and the elementary and middle school mathematics curricula; *an increased emphasis on measurement; *expansion of some topics, including number sense, percent, scale factors, similarity, and linear graphs;

*clarification of the characteristics of ratio and proportions and how to use these to generate discussion with children; and *content-related interview questions for exploring children's thinking. This book is a valuable resource for researchers and curriculum developers in mathematics education, pre-service and in-service teachers of mathematics, those involved in the mathematical and pedagogical preparation of mathematics teachers, and graduate students in mathematics education. The methods and activities it includes have been tested with students in grades 3-8 and with pre-service and in-service teachers and other adults. This text is accompanied by MORE-- a supplement that is not merely an answer key but a resource that includes in-depth discussions of all the problems in the text; develops and extends discussion of the issues, teaching problems, and other considerations raised in the chapters; and contains additional problems--with and

without solutions--that instructors may find helpful for assessment purposes.

Yayati - Girish Karnard
2007-11-08

Yayati, Girish Karnard's first play, was written in 1960 and won the Mysore State Award in 1962. It is based on an episode in the Mahabharata, where Yayati, one of the ancestors of the Pandavas, is given the curse of premature old age by his father-in-law, Shukracharya, who is incensed by Yayati's infidelity. Yayati could redeem this curse only if someone was willing to exchange his youth with him. It is his son, Pooru, who finally offers to do this for his father. The play examines the moment of crisis that Pooru's decision sparks, and the dilemma it presents for Yayati, Pooru, and Pooru's young wife.
