"I'm not so sure that I'm strong enough to take yet another blow to the heart." Growing up, I've always lived on the wrong side of the tracks. I'm

used to the stares, name calling, and disrespect. A tragic accident that leaves me short three of the only people I've ever loved, has me devastated enough to try to end my own life. Just when I think there's no hope, I find a reason to live again, or four of them as a matter of fact. Lucas, Maverick, Teagan, and Goose. But what happens when those bonds are tested? I'm not so sure that I'm strong enough to take yet another blow to the heart. My name is Kendall Davis and what if my story doesn't have a happy ending? *This is the first book in a Contemporary Reverse Harem Trilogy. *Recommended 17+ due to mature language and situations. Reviews EARLY PRAISE FOR REVIVING KENDALL "From page one, I was invested in this story about a broken girl and the four guys who help her heal." From the Author Excerpt: The rain steadily falls around us as we stand under the little canopy area. His hand is still at my elbow and I want nothing more than to lean into him. My eyes fall to my bus as it pulls away from the curb. Tears pool in my eyes and streak down my face at the thought of my now miserable walk home. Lucas uses his other hand to pull my chin up to face him. His eyes roam over my face like he's trying to figure out how to fix the white trash ruin that I am, but he has no idea just how impossible that would be. People are staring, and I couldn't give two shits as Lucas locks eyes with me. His flicks down to my lips and back up again.

On the Way to You - Kandi Steiner 2017-10-25

What makes you happy? That was the question Emery Reed asked me the day we met, and I couldn't give him a single answer. I could have said my dog, or my books, or yoga - but I just stared. And then, I got in his car. It was crazy to take a road trip with a stranger, but after years of standing still, he was my one-way ticket to a new life, and I wasn't going to miss it. We shared the same space, the same car, the same hotel room - and still, we were strangers. One day we'd be laughing, the next, we wouldn't speak. Emery was surrounded by impenetrable walls, but I wanted in. Discovering his journal changed everything. I read his thoughts, words not meant for anyone's eyes, and the more I learned about him, the harder I fell. It turned out nothing made Emery Reed happy, and I wanted to change that. I earned his trust by violating his privacy, and as wrong as it was, it worked - until one entry revealed a darkness I never knew existed, a timer I never knew was ticking. Suddenly, what made me happy was saving Emery from himself. I just didn't know if I could.

Sylvia Day Crossfire Novels 1-4 - Sylvia Day 2014-12-18

Now in one deluxe collection, the first four novels in the #1 New York Times bestselling Crossfire series. Bared to You He was beautiful and brilliant, jagged and white-hot. I was drawn to him as I'd never been to anything or anyone in my life. I craved his touch like a drug, even knowing it would weaken me. I was flawed and damaged, and he opened those cracks in me so easily... Gideon knew. He had demons of his own. And we would become the mirrors that reflected each other's most private wounds... and desires. The bonds of his love transformed me,

even as I prayed that the torment of our pasts didn't tear us apart... Reflected in You Gideon Cross. As beautiful and flawless on the outside as he was damaged and tormented on the inside. He was a bright, scorching flame that singed me with the darkest of pleasures. I couldn't stay away. I didn't want to. He was my addiction... my every desire...mine. My past was as violent as his, and I was just as broken. We'd never work. It was too hard, too painful... except when it was perfect. Those moments when the driving hunger and desperate love were the most exquisite insanity. We were bound by our need. And our passion would take us beyond our limits to the sweetest, sharpest edge of obsession... Entwined with You From the moment I first met Gideon Cross, I recognized something in him that I needed. Something I couldn't resist. I also saw the dangerous and damaged soul inside—so much like my own. I was drawn to it. I needed him as surely as I needed my heart to beat. No one knows how much he risked for me. How much I'd been threatened, or just how dark and desperate the shadow of our pasts would become. Entwined by our secrets, we tried to defy the odds. We made our own rules and surrendered completely to the exquisite power of possession... Captivated by You Gideon calls me his angel, but he's the miracle in my life. My gorgeous, wounded warrior, so determined to slay my demons while refusing to face his own. The vows we'd exchanged should have bound us tighter than blood and flesh. Instead they opened old wounds, exposed pain and insecurities, and lured bitter enemies out of the shadows. I felt him slipping from my grasp, my greatest fears becoming my reality, my love tested in ways I wasn't sure I was strong enough to bear. At the brightest time in our lives, the darkness of his past encroached and threatened everything we'd worked so hard for. We faced a terrible choice: the familiar safety of the lives we'd had before each other or the fight for a future that suddenly seemed an impossible and hopeless dream...

"SMART AND SASSY" (New York Times) P.I. Kinsey Millhone is at it again in "N" is for Noose—another thrilling adventure from the #1 New York Times bestselling author Sue Grafton Kinsey Millhone should have done something else--she should have turned the car in the direction of

home. Instead, she was about to put herself in the gravest jeopardy of her career. Tom Newquist had been a detective in the Nota Lake sheriff's office--a tough, honest cop respected by everyone. When he died suddenly, the townsfolk were saddened but not surprised: Just shy of sixty-five, Newquist worked too hard, smoked too much, and exercised too little. That plus an appetite for junk food made him a poster boy for an American Heart Association campaign. Newquist's widow didn't doubt the coroner's report. But what Selma couldn't accept was not knowing what had so bothered Tom in the last six weeks of his life. What was it that had made him prowl restlessly at night, that had him brooding constantly? Selma Newquist wanted closure, and the only way she'd get it was if she found out what it was that had so bedeviled her husband. Kinsey should have dumped the case. It was vague and hopeless, like looking for a needle in a haystack. Instead, she set up shop in Nota Lake, where she found that looking for a needle in a haystack can draw blood. Very likely, her own. "N" Is for Noose: a novel in which Kinsey Millhone becomes the target and an entire town seems in for the kill.
