Questions 2020-2021 - Glen Mitchell
2021-08-02

Your #1 Practice Test Resource
NCLEX RN Practice Question 2020 & 2021 Book is the simplest way to prepare for your National Council Licensure Examination for Registered Nurses. Practice is an important part of preparing for a test and improving your chance of success. This practice questions are designed to prepare you for the real test. You could know everything that is going to be covered on the test but still perform poorly if you have never worked with NCLEX practice questions. Being familiar with the different types of questions and answer choices that you might see on the official test is a big advantage. Another benefit of taking practice tests is that you can measure your performance. They help you decide if you need to study and

practice more or if you're ready for test day. Doing well with these practice questions helps you gain confidence that you are prepared. If you struggle, the practice test helps identify areas where you need to work. Using our NCLEX practice test questions allows you to reinforce your strengths and improve your weaknesses. This book includes detailed answer explanations for each question. It may sound obvious, but you need to know which questions you missed and why you missed them. This helps you avoid making the same mistakes on the real test. That is why our NCLEX RN 2020 & 2021 Practice Questions Book include answer keys with detailed answer explanations. These in-depth answer explanations will help you to better understand any questions that were difficult for you. This book is not affiliated with or endorsed by any official testing organization. Saunders Q&A Review for the NCLEX-RN® Examination E-Book - Linda Anne

Silvestri 2011-11-23

With more than 5,800 test questions, Saunders Q&A Review for the NCLEX-RN® Examination, 5th Edition provides the practice you need to succeed on the NCLEX-RN exam. To enhance your review, each question includes a test-taking strategy, rationales for correct and incorrect answers, and page references to major nursing textbooks. The companion Evolve website adds a pre-test to help in identifying any areas of weakness, and lets you answer questions in quiz, study, or exam mode. Written by NCLEX review expert Linda Anne Silvestri, this book organizes questions to match the Client Needs and Integrated Processes found in the most recent NCLEX-RN test plan. This review is part of the popular Saunders Pyramid to Success, which

has helped more than 1.5 million nurses pass the NCLEX exam! A detailed test-taking strategy is included for each question, providing clues for analyzing and selecting the correct answer. Rationales are provided for both correct and incorrect answer options. Questions categorized by Cognitive Level, Client Needs area, Integrated Process, and clinical content area help you focus on the question types you find most difficult. All alternate item format questions (multiple response, prioritizing, fill-in-the-blank, figure/illustration (hot spot), audio, video, and chart/exhibit) are included. Chapters organized by Client Needs simplify your review and reflect the question mix in the NCLEX-RN® test plan blueprint. A 85-question comprehensive exam represents the content and percentages of question types identified in the NCLEX-RN test plan.

Preparation for your NCLEX-RN review includes chapters on nonacademic preparation, test-taking strategies, the CAT format, and a view of the NCLEX-RN from a new graduate's perspective. Page references to Elsevier textbooks direct you to remediation material for any question answered incorrectly. A companion Evolve website includes a pre-test to help in identifying any areas of weakness, and lets you answer questions in quiz, study, or exam mode. Automatic updates of the Evolve site allow you to check for changes to content or functionality throughout the life of the edition. Content from the most recent NCLEX-RN® test plan covers the newest topics you could see on the exam. 600 questions are added, for a total of 5,800 in the book and on the companion Evolve website. Hundreds of new alternate item format questions provide even more opportunity for practice. A Priority Nursing Tip is

included with each question, providing important patient care information. A full-color design and over 20 new figures enhance understanding and increase the book's visual appeal. Review format includes chapters on how to study for and take the NCLEX examination, and includes a test for each Client Need category, a test on Integrated Processes, and a comprehensive test for practice in answering questions from all areas. A new content-area index makes it easier to find questions and review a given disorder/topic.

NCLEX-RN Questions & Answers Made Incredibly Easy - Susan Lisko 2014 NCLEX-RN Questions & Answers Made Incredibly Easy, 6th edition, is an NCLEX review book that provides more

than 6,500 questions and answers with rationales. In this new edition, the questions are much more challenging (Application level and higher is the NCLEX buzz phrase). The content is divided into six parts that cover all the major areas included on the NCLEX-RN examination. Part 1 explains the NCLEX examination itself. It offers studying and test-taking strategies and describes the test format in detail, including alternate-format questions. Parts 2 through 6 cover each of the five major areas in nursing practice: adult care, psychiatric care, maternal-neonatal care, care of the child, and professional issues. The book also includes six comprehensive examinations (75 questions each, for a total of 450 questions) with answers, rationales, and client-needs category information at the end of each test.
