Weather Bureau 1904

The Body, the Dance and the Text - Brynn Wein Shiovitz 2019-01-25

This collection of new essays explores the many ways in which writing relates to corporeality and how the two work together to create, resist or mark the body of the "Other." Contributors draw on varied backgrounds to examine different movement practices. They focus on movement as

a meaning-making process, including the choreographic act of writing. The challenges faced by marginalized bodies are discussed, along with the ability of a body to question, contest and re-write historical narratives.

El negro de Paris - Osvaldo Soriano 1989

Black USA and Spain - Rosalía Cornejo-Parriego
2019-08-12

During the 20th-century, Spaniards and African-Americans shared significant cultural memories forged by the profound impact that various artistic and historical events had on each other. Addressing three crucial periods (the Harlem Renaissance and Jazz Age, the Spanish Civil War, and Franco's dictatorship), this collection of essays explores the transnational bond and the intercultural exchanges between these two communities, using race as a fundamental critical category. The study of travelogues, memoirs, documentaries, interviews, press coverage, comics, literary works, music, and

performances by iconic figures such as Josephine Baker, Langston Hughes, and Ramón Gómez de la Serna, as well as the experiences of ordinary individuals such as African American nurse Salaria Kea, invite an examination of the ambiguities and paradoxes that underlie this relationship: among them, the questionable and, at times, surprising racial representations of blacks in Spanish avant-garde texts and in the press during the years of Franco's dictatorship; African Americans very unique view of the Spanish Civil War in light of their racial identity; and the oscillation between fascination and anxiety when these two communities look at each other.

A Social History of Black Slaves and Freedmen in Portugal, 1441-1555 - A. Saunders 1982-02-11

This book is a detailed study of black slavery in Portugal during the fifteenth and sixteenth centuries.

Golazo! - Andreas Campomar 2014-05-06

The definitive book about the national identities, heroes, and dramatic stories from Latin American soccer throughout history, perfect for World Cup reading. “Golazo!” means “amazing goal!” And the word perfectly captures the unique, exuberant, all-encompassing, passionate role that soccer plays in Latin America. Andreas Campomar offers readers the definitive history of Latin American soccer from the early, deadly Mesoamerican ballgames to the multi-billion dollar international business it is today. Golazo! explores the intersection of soccer, politics, economics, high and low culture, and how passion for a game captured a continent. The triumphs, the heartbreaks, the origins and the future, the political and the personal—Golazo! is the perfect book for new fans and diehard followers around the world.

Eugene Bullard, Black Expatriate in Jazz-Age Paris - Craig Lloyd 2006-01-01

Although he was the first African American fighter pilot, Eugene J. Bullard is still a relative

stranger in his homeland. An accomplished professional boxer, musician, club manager, and impresario of Parisian nightlife between the world wars, Bullard found in Europe a degree of respect and freedom unknown to blacks in America. There, for twenty-five years, he helped define the expatriate experience for countless other African American artists, writers, performers, and athletes. This is the first biography of Bullard in thirty years and the most complete ever. It follows Bullard's lifelong search for respect from his poor boyhood in Jim-Crow Georgia to his attainment of notoriety in Jazz-Age Paris and his exploits fighting for his adopted country, for which he was awarded the Croix de Guerre. Drawing on a vast amount of archival material in the United States, Great Britain, and France, Craig Lloyd unfolds the vibrant story of an African American who sought freedom overseas. Lloyd provides a new look at the black expatriate community in Paris, taking readers into the cabarets where Bullard rubbed

elbows with Josephine Baker, Louis Armstrong, and even the Prince of Wales. Lloyd also uses Bullard's life as a lens through which to view the racism that continued to dog him even in Europe in his encounters with traveling Americans. When Hitler conquered France, Bullard was wounded in action and then escaped to America. There, his European successes counted for little: he spent his last years in obscurity and hardship but continued to work for racial justice. Eugene Bullard, Black Expatriate in Jazz-Age Paris offers a fascinating look at an extraordinary man who lived on his own terms and adds a new facet to our understanding of the black diaspora.

El Asno ilustrado, ó sea la Apología del asno. [By Manuel Lorano Pérez Ramajo.] Con notas y el elogio del rebuzno por apéndice, por un asnólogo, aprendiz de poeta. Corregido todo, reformado é ilustrado con nuevas copiosísimas anotaciones históricas ... Por J. J. Zeper Demicasa [pseudonym of J. Pérez

Historia de la Epidemia del Cólera-Morbo de París en 1882, y consideraciones generales sobre esta enfermedad - Victoriano TORRECILLA 1833

Paris, Capital of the Black Atlantic - Jeremy Braddock 2013-09-20

“How African-American artists and intellectuals sought greater liberty in Paris while also questioning the extent of the freedoms they so publicly praised.” —American Literary History Paris has always fascinated and welcomed writers. Throughout the twentieth and into the twenty-first century, writers of American, Caribbean, and African descent were no exception. Paris, Capital of the Black Atlantic considers the travels made to Paris—whether literally or imaginatively—by black writers. These collected essays explore the transatlantic circulation of ideas, texts, and objects to which

such travels to Paris contributed. Editors Jeremy Braddock and Jonathan P. Eburne expand upon an acclaimed special issue of the journal *Modern Fiction Studies* with four new essays and a revised introduction. Beginning with W. E. B. Du Bois's trip to Paris in 1900 and ending with the contemporary state of diasporic letters in the French capital, this collection embraces theoretical close readings, materialist intellectual studies of networks, comparative essays, and writings at the intersection of literary and visual studies. *Paris, Capital of the Black Atlantic* is unique both in its focus on literary fiction as a formal and sociological category and in the range of examples it brings to bear on the question of Paris as an imaginary capital of diasporic consciousness.

"Demonstrate[s] how Black writers shaped history and contributed to conflicting notions of modernity hosted in Paris . . . The wide range of writers and scholars from American and Francophone studies makes this collection very

original and an exciting adventure in concepts, movements, and ideologies that could be acceptable to non-specialists as well."

—American Studies

Uruguay in Transnational Perspective -

Pedro Cameselle-Pesce 2023-11-30

Most of the world knows Uruguay only for its soccer team, or its vaunted title as the "Switzerland of South America," an enduring moniker given to the country for its earlier social welfare policies and relative stability. Even many scholarly narratives of Latin America fail to integrate the country into historical accounts, reducing the country to, as one historian has explained, "a periphery within the periphery that is Latin America." This volume challenges that characterization, taking one of the most innovative small states in the region and analyzing its transnational influence on the world. *Uruguay in Transnational Perspective* takes a broad look at the country's three-hundred-year history, connecting imperial

practices and resistance, Afro-Latin movements, and feminist firebrands, among others to understand how the country and its citizens have influenced and shaped regional and global historical narratives in a way that has thus far been overlooked. With a true collaboration between scholars of the Global North and Global South, the volume is both transnational in its scholarly focus and its production. Its interdisciplinary nature offers a broad range of perspectives from leading scholars in the field to re-evaluate Uruguay's impact on the global stage.

Andrade - Franklin Morales 2002

Bricktop's Paris - T. Denean Sharpley-Whiting
2015-02-01

Tells the fascinating story of African American women who traveled to France to seek freedom of expression. During the Jazz Age, France became a place where an African American woman could realize personal freedom and creativity, in narrative or in performance, in clay or on canvas, in life and in love. These women were participants in the life of the American expatriate colony, which included F. Scott Fitzgerald, Gertrude Stein, and Cole Porter, and they commingled with bohemian avant-garde writers and artists like Picasso, Breton, Colette, and Matisse. *Bricktop's Paris* introduces the reader to twenty-five of these women and the city they encountered. Following this nonfiction account, T. Denean Sharpley-Whiting provides a fictionalized autobiography of Ada "Bricktop" Smith, which brings the players from the world of nonfiction into a Paris whose elegance masks a thriving underworld. "Bricktop's Paris" vibrantly recreates and reimagines the fascinating world of Jazz Age Paris by placing

black women at the center of the story. T. Denean Sharpley-Whiting gives us a valuable new perspective on Ada "Bricktop" Smith, giving her the prominence usually attributed to Josephine Baker. She also provides detailed portraits of other singers, musicians, writers, and artists who left America for the French capital. Written with enthusiasm and insight, Bricktop's Paris underscores the importance of women to transatlantic black modernity. □ □ Tyler Stovall, author of Paris Noir: African Americans in the City of Light □Bricktop's Paris is a remarkable feat. Sharpley-Whiting's book is a woman's story about dreaming and making dreams happen. It is a political story, a story about migration, and re-creation. It is a dazzling account of bold women reshaping their lives as New Women/Modern Women and black women in Europe. A woman's place is not only viewed in the sphere of domesticity through Sharpley-Whiting's writing, she also reimagines the complexity of life far away from home and on

stage, in the studio, and in the nightclub. She captures their spirit and desires and walks us through this history arm and arm, singing, writing, dancing, and making art. I fell in love with these women as I empathized with their struggles, some of them I knew through other writings but through Sharpley-Whiting I felt as if I knew them intimately as they made their lives count some fifty years after Reconstruction. She restores their voices and their bodies and makes them present for the contemporary reader. Brilliant! □ □ Deborah Willis, author of Posing Beauty: African American Images from the 1890s to the Present □Bricktop's Paris is a marvelous book that further consolidates Sharpley-Whiting's record of pioneering research, a meticulous archeological excavation of the artistic, cultural, political, and social contributions made by African American women in Paris during the interwar years. This was a period that increasingly linked racial advocacy with colonial emancipation and during which

African American women achieved unprecedented levels of creative and personal freedom while shaping broader conversations on identity and race. Bricktop's Paris promises to inspire a new generation of researchers and will become an incontrovertible point of reference in assessing the intellectual history of the era. □ □

Books in Spanish for Children and Young Adults

- Isabel Schon 1993

This installment covers books published mainly since 1989. Citations are grouped by subject within sections according to country, from Argentina to Venezuela. The author has rated each entry as to artistic and literary appeal, and provides general grade level, ISBN and price. Appendices include contact data for book dealers in Spanish-speaking countries and the US. Annotation copyright by Book News, Inc., Portland, OR

Alejandro Reino - Alejandro Reino 2006

Collections of Painting in Madrid, 1601-1755
(Parts 1 and 2) - Marcus B. Burke 1997-01-01

This two-part book on collections of paintings in Madrid is part of the series Documents for the History of Collecting, Spanish Inventories 1, which presents volumes of art historical information based on archival records. One hundred forty inventories of noble and middle-class collections of art in Madrid are accompanied by two essays describing the taste and cultural atmosphere of Madrid in the seventeenth and eighteenth centuries.

El Negro de París - Osvaldo Soriano 2001

Resum: El protagonista d'aquesta història és un nen que ha de fugir junt amb els seus pares de Buenos Aires per culpa de la dictadura. Instal·lat a París haurà d'aprendre un nou idioma i buscar nous amics. Per sort coneixerà a 'El Negro', un gat amb poders màgics amb el qual podrà volar per les teulades de París fins arribar a veure la

seva pàtria llunyana, de la qual tant se'n recorda.

The Negro in France - Shelby T. McCloy
2021-09-15

This historical study examines the black experience in Metropolitan France from the 1600s to 1960. Shelby T. McCloy explores the literary and cultural contributions of people of color to French society—from Alexandre Dumas to Rene Maran—and charts their political ascension.

The New Negro - Henry Louis Gates Jr.
2021-06-08

When African American intellectuals announced the birth of the "New Negro" around the turn of the twentieth century, they were attempting through a bold act of renaming to change the way blacks were depicted and perceived in America. By challenging stereotypes of the Old Negro, and declaring that the New Negro was capable of high achievement, black writers tried to revolutionize how whites viewed blacks--and

how blacks viewed themselves. Nothing less than a strategy to re-create the public face of "the race," the New Negro became a dominant figure of racial uplift between Reconstruction and World War II, as well as a central idea of the Harlem, or New Negro, Renaissance. Edited by Henry Louis Gates, Jr., and Gene Andrew Jarrett, *The New Negro* collects more than one hundred canonical and lesser-known essays published between 1892 and 1938 that examine the issues of race and representation in African American culture. These readings--by writers including W.E.B. Du Bois, Paul Laurence Dunbar, Alain Locke, Carl Van Vechten, Zora Neale Hurston, and Richard Wright--discuss the trope of the New Negro, and the milieu in which this figure existed, from almost every conceivable angle. Political essays are joined by essays on African American fiction, poetry, drama, music, painting, and sculpture. More than fascinating historical documents, these essays remain essential to the way African American identity and history are

still understood today.

Soccer Empire - Laurent Dubois 2010

"Laurent Dubois mines the history of French soccer for fascinating theories and riveting stories. His understanding of the relationship between the game and politics is subtle, leading readers deep into important discussions about race and national identity. For those of us who admired the poetics of Les Bleus this is essential reading."—Franklin Foer, author of *How Soccer Explains the World* "Laurent Dubois is historian, fan and graceful writer all in one. In soccer, he has found an innovative way to explore France and its empire. A serious book and an excellent read."—Simon Kuper, author of *Soccernomics* "Beautifully lyrical and authoritative. We meet a host of players, colonized and colonizer, following them from their original playing fields—a vast lawn, a concrete lot—to their triumphs in national and international play." —Alice Kaplan, author of *The Interpreter* "This book is a brilliant, beautifully written, and

unique history of French colonialism and post-coloniality through the lens of football/soccer. Dubois weaves an eminently readable and engaging narrative that tracks tensions around race and national identity through the biographies of key football players and officials who became iconic of the aspirations of peripheral subjects of the French empire. More than a simple history of French football, the book amounts to a description of France's imperial project and an incisive reflection on the race question in contemporary France. It will please both fans of the 'beautiful game' and those inclined to dismiss sports as but the opium of the masses."—Paul Silverstein, author of *Algeria in France: Transpolitics, Race and Nation*

Britannica Enciclopedia Moderna -

Encyclopaedia Britannica, Inc 2011-06-01

The Britannica Enciclopedia Moderna covers all fields of knowledge, including arts, geography, philosophy, science, sports, and much more.

Users will enjoy a quick reference of 24,000 entries and 2.5 million words. More than 4,800 images, graphs, and tables further enlighten students and clarify subject matter. The simple A-Z organization and clear descriptions will appeal to both Spanish speakers and students of Spanish.

Poetry in Pieces - Michelle Clayton 2011-01-10
Set against the cultural and political backdrop of interwar Europe and the Americas, *Poetry in Pieces* is the first major study of the Peruvian poet Cesar Vallejo (1892-1938) to appear in English in more than thirty years. Vallejo lived and wrote in two distinct settings---Peru and Paris---which were continually crisscrossed by new developments in aesthetics, politics, and practices of everyday life. Michelle Clayton combines close readings of Vallejo's writings with cultural, historical, and theoretical analysis, connecting Vallejo---and Latin American poetry---to the broader panorama of international modernism and the avant-garde, and to writers

and artists such as Rainer Maria Rilke, James Joyce, Georges Bataille, and Charlie Chaplin. *Poetry in Pieces* sheds new light on one of the key figures in twentieth-century Latin American literature, while exploring ways of rethinking the parameters of international lyric modernity.

FREUD Las claves del deseo - FERNANDO JIMÉNEZ H.-PINZÓN 2014-01-31

Los profundos dinamismos que intervienen en el mecanismo de nuestro deseo y subyacen al desarrollo de nuestra personalidad van siendo sistemáticamente revelados, reconocidos y analizados en este libro. Sigmund Freud fue pionero en la exploración de los continentes sumergidos de la mente donde yacen los restos de naufragios existenciales y los tesoros insospechados del alma humana. Los conceptos fundamentales que forman el tejido ideológico del Psicoanálisis, las ideas más controvertidas de las teorías de Freud, como las referentes a la Sexualidad, al Complejo de Edipo, a la Represión, al control de los Instintos, a la Libido, al Placer,

al Super-Yo... se van revelando y clarificando en este libro de un modo comprensible, incluso aplicables al propio conocimiento. Siguiendo el s'mil del psicoanalista Oscar Pfister: ÖFreud ha ideado un Ömicroscopio del almaÖ, que permite observar y comprender las ra'ces de las funciones mentales, y su desarrollo y dinamismoÖ .

Routledge Companion to Sports History - S. W. Pope 2009-12-17

Presents comprehensive guidance to the international field of sports history as it has developed as an academic area of study. This book guides readers through the development of the field across a range of thematic and geographical contexts. It is suitable for researchers and students in, and entering, the sports history field.

The Practice of Diaspora - Brent Hayes EDWARDS 2009-06-30

A pathbreaking work of scholarship that will reshape our understanding of the Harlem

Renaissance, *The Practice of Diaspora* revisits black transnational culture in the 1920s and 1930s, paying particular attention to links between intellectuals in New York and their Francophone counterparts in Paris. Brent Edwards suggests that diaspora is less a historical condition than a set of practices: the claims, correspondences, and collaborations through which black intellectuals pursue a variety of international alliances. Edwards elucidates the workings of diaspora by tracking the wealth of black transnational print culture between the world wars, exploring the connections and exchanges among New York-based publications (such as *Opportunity*, *The Negro World*, and *The Crisis*) and newspapers in Paris (such as *Les Continents*, *La Voix des Negres*, and *L'Etudiant noir*). In reading a remarkably diverse archive--the works of writers and editors from Langston Hughes, Rene Maran, and Claude McKay to Paulette Nardal, Alain Locke, W. E. B. Du Bois, George Padmore, and

Tiemoko Garan Kouyate--The Practice of Diaspora takes account of the highly divergent ways of imagining race beyond the barriers of nation and language. In doing so, it reveals the importance of translation, arguing that the politics of diaspora are legible above all in efforts at negotiating difference among populations of African descent throughout the world.

Blackness in the White Nation - George Reid Andrews 2010-10-18

Uruguay is not conventionally thought of as part of the African diaspora, yet during the period of Spanish colonial rule, thousands of enslaved Africans arrived in the country. Afro-Uruguayans played important roles in Uruguay's national life, creating the second-largest black press in Latin America, a racially defined political party, and numerous social and civic organizations. Afro-Uruguayans were also central participants in the creation of Uruguayan popular culture and the country's principal musical forms, tango and

candombe. Candombe, a style of African-inflected music, is one of the defining features of the nation's culture, embraced equally by white and black citizens. In *Blackness in the White Nation*, George Reid Andrews offers a comprehensive history of Afro-Uruguayans from the colonial period to the present. Showing how social and political mobilization is intertwined with candombe, he traces the development of Afro-Uruguayan racial discourse and argues that candombe's evolution as a central part of the nation's culture has not fundamentally helped the cause of racial equality. Incorporating lively descriptions of his own experiences as a member of a candombe drumming and performance group, Andrews consistently connects the struggles of Afro-Uruguayans to the broader issues of race, culture, gender, and politics throughout Latin America and the African diaspora generally.

Historia mínima de la vida cotidiana en México - Pablo Escalante Gonzalbo 2010

Compendiada en pocas páginas, esta historia de la vida cotidiana en México habla de todos nosotros, los que vivimos hoy los que vivieron ayer, y nos muestra aquellos aspectos de nuestro pasado en el que somos protagonistas y del que no nos habían hablado antes.

The Fact of Blackness - Frantz Fanon

2015-01-31

Historia de la Epidemia del Cólera-Morbo de París en 1832 ... Segunda edición - Victoriano TORRECILLA 1833

El negro de París - Osvaldo Soriano 1997

Esta obra es el diario de un niño, contando con belleza, con el realismo y candor de los años de infancia.

From Harlem to Paris - Michel Fabre 1991

This academic study uses accounts from more than 60 African American writers--Countee Cullen, James Baldwin, Chester Himes et al.--to explain why they were more readily accepted

socially in Paris than in America. Fabre (*The Unfinished Quest of Richard Wright*) shows that French/black American affinity started in pre-Civil War New Orleans (and not, as the title suggests, in Harlem), when illegitimate mulattos with inheritances from French slave-owners sent their children to Paris to be educated. The book concludes that acceptance and appreciation of black Americans were based largely of French distaste both for white Americans, whom the French found egotistical, and for black Africans, with whom the French had a bitter "mutual colonial history."

Monthly Bulletin - Philippines. Weather Bureau 1905

Black Boy - Richard Wright 1966

An autobiographical account of a Negro author's childhood and youth in the South.

Latin Blackness in Parisian Visual Culture,

1852-1932 - Lyneise E. Williams 2019-02-21

Latin Blackness in Parisian Visual Culture,

1852-1932 examines an understudied visual language used to portray Latin Americans in mid-19th to early 20th-century Parisian popular visual media. The term 'Latinize' is introduced to connect France's early 19th-century endeavors to create "Latin America," an expansion of the French empire into the Latin-language based Spanish and Portuguese Americas, to its perception of this population. Latin-American elites traveler to Paris in the 1840s from their newly independent nations were denigrated in representations rather than depicted as equals in a developing global economy. Darkened skin, etched onto images of Latin Americans of European descent mitigated their ability to claim the privileges of their ancestral heritage. Whitened skin, among other codes, imposed on turn-of-the-20th-century Black Latin Americans

in Paris tempered their Blackness and rendered them relatively assimilatable compared to colonial Africans, Blacks from the Caribbean, and African Americans. After identifying mid-to-late 19th-century Latinizing codes, the study focuses on shifts in latinizing visuality between 1890-1933 in three case studies: the depictions of popular Cuban circus entertainer Chocolat; representations of Panamanian World Bantamweight Champion boxer Alfonso Teofilo Brown; and paintings of Black Uruguayans executed by Pedro Figari, a Uruguayan artist, during his residence in Paris between 1925-1933.

United States Economist, and Dry Goods Reporter - 1914

The Black Populations of France -
