Pax Novis - Erica Cameron 2019-11-04

Cira Antares is deeply loyal to two things: Pax Novis—the cargo ship captained by her mother that transports supplies across war-torn star systems—and her personal mission to save war orphans. But hiding them as stowaways on the ship is illegal, and if any of them were found, not even her mother could protect Cira from the consequences. She has successfully kept her secret...until supplies start to go missing. Food. Clothing. Tools. All signs point to her stowaways, but they wouldn't do anything to risk exposing themselves—or her. Especially not Riston, the oldest of the group and someone Cira has grown close to. Someone she might even be falling in love with... And petty thefts are only the beginning—whole ships are disappearing now. Not caught in a firefight. Not destroyed by another planet. Vanishing. Without a trace. And Pax Novis is next.

Complete Balalaika Book - BIBS EKKEL 2011-08-18

The balalaika is most often associated with Russian folklore. In this comprehensive method book, concert and recording artist Bibs Ekkel shares his extensive knowledge of the balalaika as taught in Russia today. This 160-page book is divided into four sections: an extensive Foreword, the Tutor, A Brief History of the Balalaika, and a Repertoire Section. Unlike many Mel Bay books, the Complete Balalaika Book does not begin with the rudiments of music notation. Rather, the 20-page Foreword offer insights on the tunings of all the instruments in the balalaika family, hand positions, string sources and height adjustment, and chord shapes. the author even describes how to make a bass balalaika pick from shoe leather. the Tutor or instruction segment is written for the 'prima balalaika' which is correctly played with the fingers only rather than with a pick. the Tutor jumps right in with exercises and

tunes in quarter, eighth, and sixteenth-note values with occasional dotted notes and syncopation. Perhaps half of the music in this section is shown in both standard notation and tablature. A glossary of musical signs and Russian musical terms is included. A Brief History of the Balalaika is well written and nicely illustrated. Very few Mel Bay books contain such a comprehensive historical overview of the subject instrument. the Repertoire Section offers a valuable resource of Eastern European folk tunes. All but two selections in this section are written in both notation and tab with suggested guitar chords, the exceptions being an arrangement for balalaika and piano, and a balalaika orchestra score. More than simple melody chord leadsheets, these are the author's own arrangements of tunes for solo balalaika and balalaika orchestra. A companion CD with selections performed by the author completes this highly effective instructional package.

The Ceilidh Dance Book - Kevin Allison 2018-02-08

While one of a kind is a hard rating to achieve at Mel Bay Publications, Kevin Allison has done it with The Ceilidh Dance Book. A ceilidh is a traditional Scottish gathering where people share songs, stories, music, and dancing that is very much alive today. In Scotland, there are hundreds of ceilidh bands, each of which has their own trademark tune sets, making it possible for a man in a kilt to make a living as a performing musician. This book not only provides 85 Scottish tunes in sets as they might be used in a ceilidh event—it also offers detailed, beat-by-beat descriptions of the dance steps for twenty-four dances! From The Highland Scottish to The Mooncoin Jig, with this book in hand, you'll be able to both play in the band and step to the music with the locals. The

kilt is optional. Arranged for mandolin or fiddle with suggested chord backup, in standard notation only.
