**Hitler's American Friends**

- Bradley W. Hart  
2018-10-02

A book examining the strange terrain of Nazi sympathizers, nonintervention campaigners and other voices in America who advocated on behalf of Nazi Germany in the years before World War II. Americans who remember World War II reminisce about how it brought the country together. The less popular truth behind this warm nostalgia: until the attack on Pearl Harbor, America was deeply, dangerously divided. Bradley W. Hart's *Hitler's American Friends* exposes the homegrown antagonists who sought to protect and promote Hitler, leave Europeans (and especially European Jews) to fend for

themselves, and elevate the Nazi regime. Some of these friends were Americans of German heritage who joined the Bund, whose leadership dreamed of installing a stateside Führer. Some were as bizarre and hair-raising as the Silver Shirt Legion, run by an eccentric who claimed that Hitler fulfilled a religious prophesy. Some were Midwestern Catholics like Father Charles Coughlin, an early right-wing radio star who broadcast anti-Semitic tirades. They were even members of Congress who used their franking privilege—sending mail at cost to American taxpayers—to distribute German propaganda. And celebrity pilot Charles Lindbergh ended up speaking for them all at the America First Committee. We try to tell ourselves it couldn't happen here, but Americans are not immune to the lure of fascism. *Hitler's American Friends* is a powerful look at how the forces of evil manipulate

ordinary people, how we stepped back from the ledge, and the disturbing ease with which we could return to it.

**Make That Call Now!** - Paul Lucas 2000-11-06  
Pot-bellied Joe Kagan, the buffoonish manager of a

Cheapmart discount store, unwinds from his late shifts with some television which at that time of night means infomercials. Seduced by claims of amazing products and easy payments, Joe soon finds himself deep in debt. Sammy Thieu a Vietnamese immigrant turned infomercial pitchman who surrounds himself with scantily-clad women and other accoutrements of wealth entices viewers of his infomercials with stories of the fast fortunes to be made in real estate. Desperate, Joe registers for Sammys seminar leading him on a series of ludicrous misadventures. Interspersed throughout the novel are descriptions of the ridiculous and outrageous infomercials Joe and others watch on TV, such as The Psychic Support Hotline, in which a washed-out 70s pop singer assures viewers, All you need is a credit card and a willing suspension of disbelief! and WhiffTrim, in which sniffing a piece of plastic is touted

as a legitimate strategy for weight reduction. Make That Call Now! is the laugh-out-loud story of one misfits journey through the tacky world of TV infomercials.

Big Friendship - Aminatou

Sow 2020-07-14

A close friendship is one of the most influential and important relationships a human life can contain. Anyone will tell you that! But for all the rosy sentiments surrounding friendship, most people don't talk much about what it really takes to stay close for the long haul. Now two friends, Aminatou Sow and Ann Friedman, tell the story of their equally messy and life-affirming Big Friendship in this honest and hilarious book that chronicles their first decade in one another's lives. As the hosts of the hit podcast Call Your Girlfriend, they've become known for frank and intimate conversations. In this book, they bring that energy to their own friendship—its joys and its pitfalls. Aminatou and Ann define Big Friendship as a strong, significant bond that transcends life phases, geographical locations, and emotional shifts. And they should know: the two have had moments of charmed

bliss and deep frustration, of profound connection and gut-wrenching alienation. They have weathered life-threatening health scares, getting fired from their dream jobs, and one unfortunate Thanksgiving dinner eaten in a car in a parking lot in Rancho Cucamonga. Through interviews with friends and experts, they have come to understand that their struggles are not unique. And that the most important part of a Big Friendship is making the decision to invest in one another again and again. An inspiring and entertaining testament to the power of society's most underappreciated relationship, Big Friendship will invite you to think about how your own bonds are formed, challenged, and preserved. It is a call to value your friendships in all of their complexity. Actively choose them. And, sometimes, fight for them.

[Billion Dollar Loser](#) - Reeves Wiedeman 2020-10-20

A Wall Street Journal Business Bestseller: This "vivid" inside story of WeWork and its CEO tells the remarkable saga of one of the most audacious, and improbable, rises and falls in American business history (Ken Auletta). Christened a potential savior of Silicon Valley's startup culture, Adam Neumann was set to take WeWork, his office share company disrupting the commercial real estate market, public, cash out on

the company's forty-seven billion dollar valuation, and break the string of major startups unable to deliver to shareholders. But as employees knew, and investors soon found out, WeWork's capital was built on promises that the company was more than a real estate purveyor, that in fact it was a transformational technology company. Veteran journalist Reeves Weideman dives deep into WeWork and its CEO's astronomical rise, from the marijuana and tequila-filled board rooms to cult-like company summer camps and consciousness-raising with Anthony Kiedis. *Billion Dollar Loser* is a character-driven business narrative that captures, through the fascinating psyche of a billionaire founder and his wife and co-founder, the slippery state of global capitalism. A Wall Street Journal Business Bestseller "Vivid, carefully reported drama that readers will gulp down as if it were a

fast-paced novel” (Ken Auletta)
