Iron John - Robert Bly 2020

"In this timeless and deeply learned classic, poet and translator Robert Bly offers nothing less than a new vision of what it means to be a man. Bly's vision is based on his ongoing work with men, as well as on reflections on his own life. He addresses the devastating effects of remote fathers and mourns the disappearance of male initiation rites in our culture. Finding rich meaning in ancient stories and legends, Bly uses the Grimm fairy tale "Iron John"--In which a mentor or "Wild Man" guides a young man through eight stages of male growth--to remind us of ways of knowing long forgotten, images of deep and vigorous masculinity centered in feeling and protective of the young. At once down-to-earth and elevated, combining the grandeur of myth with the practical and often painful lessons of our own histories, Iron John is an astonishing work that will continue to guide and inspire men-and women-for years to come"--

Talland House - Maggie Humm 2020-08-18

Royal Academy, London 1919: Lily has put her student days in St. Ives, Cornwall, behind her—a time when her substitute mother, Mrs. Ramsay, seemingly disliked Lily's portrait of her and Louis Grier, her tutor, never seduced her as she hoped he would. In the years since, she's been a suffragette and a nurse in WWI, and now she's a successful artist with a painting displayed at the Royal Academy. Then Louis appears at the exhibition with the news that Mrs. Ramsay has died under suspicious circumstances. Talking to Louis, Lily realizes two things: 1) she must find out more about her beloved Mrs. Ramsay's death (and her sometimes-violent husband, Mr. Ramsay), and 2) She still loves Louis. Set between 1900 and 1919 in picturesque Cornwall and war-blasted London, Talland House takes Lily Briscoe from the pages of Virginia Woolf's *To the Lighthouse* and tells her story outside the confines of Woolf's novel—as a student in 1900, as a young woman becoming a professional artist, her loves and friendships, mourning her dead mother, and solving the mystery of her friend Mrs. Ramsay's sudden death. Talland House is both a story for our present time, exploring the tensions women experience between their public careers and private loves, and a story of a specific moment

in our past—a time when women first began to be truly independent.

Maria - Jorge Isaacs 1890

Seraphina - Rachel Hartman 2012-07-10

A new vision of knights, dragons, and the fair maiden caught in between . . . Four decades of peace have done little to ease the mistrust between humans and dragons in the kingdom of Goredd. Folding themselves into human shape, dragons attend court as ambassadors, and lend their rational, mathematical minds to universities as scholars and teachers. As the treaty's anniversary draws near, however, tensions are high. Seraphina has reason to fear both sides. An unusually gifted musician, she joins the court just as a member of the royal family is murdered. While a sinister plot to destroy the peace is uncovered, Seraphina struggles to protect the secret behind her musical gift, one so terrible that its discovery could mean her very life.

Seraphina's tortuous journey to self-acceptance will make a magical, indelible impression on its readers.

Narcoland - Anabel Hernandez 2013-09-10

The product of five years' investigative reporting, the subject of intense national controversy, and the source of death threats that forced the National Human Rights Commission to assign two full-time bodyguards to its author, Anabel Hernández, *Narcoland* has been a publishing and political sensation in Mexico. The definitive history of the drug cartels, *Narcoland* takes readers to the front lines of the "war on drugs," which has so far cost more than 60,000 lives in just six years. Hernández explains in riveting detail how Mexico became a base for the mega-cartels of Latin America and one of the most violent places on the planet. At every turn, Hernández names names – not just the narcos, but also the politicians, functionaries, judges and entrepreneurs who have collaborated with them. In doing so, she reveals the mind-boggling depth of corruption in Mexico's government and business elite. Hernández became a journalist after her father was kidnapped and killed and the police refused to investigate without a bribe. She gained national prominence in

2001 with her exposure of excess and misconduct at the presidential palace, and previous books have focused on criminality at the summit of power, under presidents Vicente Fox and Felipe Calderón. In awarding Hernández the 2012 Golden Pen of Freedom, the World Association of Newspapers and News Publishers noted, “Mexico has become one of the most dangerous countries in the world for journalists, with violence and impunity remaining major challenges in terms of press freedom. In making this award, we recognize the strong stance Ms. Hernández has taken, at great personal risk, against drug cartels.”

Up in Flames - Abbi Glines 2016-06-28

#1 New York Times bestselling author Abbi Glines returns to Rosemary Beach one last time in this highly anticipated finale. Spoiled. Selfish. Rich girl. Villain. Slut. As the Prada-clad bad girl of Rosemary Beach, Nan Dillon has been called every vile name under the hot summer sun. Some of her reputation is deserved—she’s never had to worry about anything but maintaining her perfect figure and splitting Daddy’s private jet with her brother, Rush. But Nan is far from happy. Rush has another kid on the way and doesn’t have time to catch up with his sister. Grant, the last guy she truly cared about, chose to be with her half-sister, Harlow, instead of her. And Harlow, who has never gotten over the way Nan treated her when she first moved to town, remains distant. So when Major asks her out, she jumps at the chance to date the gorgeous charmer. Though she doesn’t know much about the sweet-talking Texan, and though it’s clear he doesn’t want to be exclusive, dating him beats hanging out with vapid socialites or watching Netflix alone at home. For a while, Nan deals with Major’s playboy ways, but after he burns her one too many times, she takes off for an impromptu wild weekend in Vegas. There, she meets Gannon, a darkly seductive and oh-so-dangerous businessman who knows exactly how to handle her. With Major asking for a second chance and Gannon haunting her dreams, Nan has to decide who to give her heart to. But what she doesn’t realize is that these players are involved in a much bigger game—and they’re already two moves ahead of her.

The Feast of the Goat - Mario Vargas Llosa 2011-03-04

Haunted all her life by feelings of terror and emptiness, forty-nine-year-old Urania Cabral returns to her native Dominican Republic - and finds herself reliving the events of 1961, when the capital was still called Trujillo City and one old man terrorized a nation of three million. Rafael Trujillo, the depraved ailing dictator whom Dominicans call the Goat, controls his inner circle with a combination of violence and blackmail. In Trujillo's gaudy palace, treachery and cowardice have become a way of life. But Trujillo's grasp is slipping. There is a conspiracy against him, and a Machiavellian revolution already underway that will have bloody consequences of its own. In this 'masterpiece of Latin American and world literature, and one of the finest political novels ever written' (Bookforum), Mario Vargas Llosa recounts the end of a regime and the birth of a terrible

democracy, giving voice to the historical Trujillo and the victims, both innocent and complicit, drawn into his deadly orbit.

The RDI Book - Steven E. Gutstein 2009

Theories and clinical tools designed to help parents guide the development of children with autism, Asperger's and similar disabilities.

Mistletoe Christmas - Eloisa James 2021-09-28

From four beloved writers—Eloisa James, Christi Caldwell, Janna MacGregor, and Erica Ridley—come four original stories that tell a hilarious tale of a Christmas house party that serves up love and scandal in equal measure! The Duke of Greystoke’s Christmas Revelry is famous throughout the British Isles for its plays, dancing, magical grotto... not to mention scandals leading to the marriage licenses he hands out like confetti. But not everyone welcomes a visit from Cupid. Lady Cressida, the duke’s daughter, is too busy managing the entertainments—and besides, her own father has called her dowdy. Her cousin, Lady Isabelle Wilkshire, is directing Cinderella and has no interest in marriage. Lady Caroline Whitmore is already (unhappily) married; the fact that she and her estranged husband have to pretend to be together just makes her dread the party all the more. But not as much as Miss Louisa Harcourt, whose mother bluntly tells her that this is her last chance to escape the horrors of being an old maid. A house party so large that mothers lose track of their charges leads to a delightful, seductive quartet of stories that you will savor for the Season!

Cartographies of Diaspora - Avtar Brah 2005-08-18

By addressing questions of culture, identity and politics, *Cartographies of Diaspora* throws new light on discussions about 'difference' and 'diversity', informed by feminism and post-structuralism. It examines these themes by exploring the intersections of 'race', gender, class, sexuality, ethnicity, generation and nationalism in different discourses, practices and political contexts. The first three chapters map the emergence of 'Asian' as a racialized category in post-war British popular and political discourse and state practices. It documents Asian cultural and political responses paying particular attention to the role of gender and generation. The remaining six chapters analyse the debate on 'difference', 'diversity' and 'diaspora' across different sites, but mainly within feminism, anti-racism, and post-structuralism.

The Power of Intention, Gift Edition - Wayne W. Dyer, Dr. 2010-10-01

Dr. Wayne W. Dyer has researched intention as a force in the universe that allows the act of creation to take place. This beautiful gift edition of Wayne’s international bestseller explores intention—not as something we do—but as an energy we’re a part of. We’re all intended here through the invisible power of intention—a magnificent field of energy we can access to begin co-creating our lives! Part I deals with the principles of

intention, offering true stories and examples showing how to make the connection. Wayne identifies the attributes of the all-creating universal mind of intention as kind, loving, beautiful, expanding, endlessly abundant, and receptive, emphasizing the importance of emulating this source of creativity. In Part II, he offers an intention guide with specific ways to apply the co-creating principles in daily life. Part III is an exhilarating description of Wayne's vision of an individual connected at all times to the universal mind of intention. "Intention is a force in the universe, and everything and everyone is connected to this invisible force."

The Code of the Extraordinary Mind - Vishen Lakhiani 2019-12-31

NEW YORK TIMES BESTSELLER • What if everything we think we know about how the world works—our ideas of love, education, spirituality, work, happiness, and love—are based on Brules (bullsh*t rules) that get passed from generation to generation and are long past their expiration date? This book teaches you to think like some of the greatest non-conformist minds of our era, to question, challenge, hack, and create new rules for YOUR life so you can define success on your own terms. The Code of the Extraordinary Mind is a blueprint of laws to break us free from the shackles of an ordinary life. It makes a case that everything we know about the world is shaped by conditioning and habit. And thus, most people live their lives based on limiting rules and outdated beliefs about pretty much everything—love, work, money, parenting, sex, health, and more—which they inherit and pass on from generation to generation. But what if you could remove these outdated ideas and start anew? What would your life look like if you could forget the rules of the past, and redefine what happiness, purpose, and success mean for you? Not Just a Book, but a Movement Blending computational thinking, integral theory, modern spirituality, evolutionary biology, and humor, personal growth entrepreneur Vishen Lakhiani provides a revolutionary 10-point framework for understanding and enhancing the human self. You will learn about bending reality. You will learn how to apply unique models like consciousness engineering to help you learn and grow at speeds like never before. You will learn to make a dent in the universe and discover your quest. This framework is based on Lakhiani's personal experiences, the 5 million people he's reached through Mindvalley, and 200 hours of interviews and questions posed to incredible minds, including Elon Musk, Richard Branson, Peter Diamandis, Ken Wilber, Dean Kamen, Arianna Huffington, Michael Beckwith, and other legendary leaders. In a unique fusion of cutting-edge ideas, personal stories, irreverence, and a brilliant teaching style, Lakhiani reveals the 10 powerful laws that form a step-by-step process that you can apply to life to shed years of struggle and elevate yourself to exceptional new

heights. The 10 Laws to an Extraordinary Life This book challenges conventional ideas of relationships, goal-setting, mindfulness, happiness, and meaning. In a unique fusion of cutting-edge ideas, personal stories, and humorous irreverence, and not to mention, humor and napkin diagrams, this framework combines computational thinking with personal growth to provide a powerful framework for re-coding yourself—and replacing old, limiting models that hold you back with new, empowering beliefs and behaviors that set you on the path toward an extraordinary life. A life of more happiness and achievement than you might have dared to dream possible. Once you discover the code, you will question your limits and realize that there are none. Step into a new understanding of the world around you and your place in it, and find yourself operating at a new, extraordinary level in every way...happiness, purpose, fulfilment, and love. This Book Is a Living, Breathing Manifesto That Goes Beyond a Traditional Publication For those who want more, The Code of the Extraordinary Mind connects to a full on immersive experience including ways for you to dive into particular chapters to unlock additional videos or training and connect with each other and the author to learn via peer-to-peer learning networks.

Terrytoons - W. Gerald Hamonic 2018

During his forty-year career in animation, Paul Terry animated, directed, and produced over 1,100 cartoons. Yet despite his prodigious output he remains one of animation's unsung legends. 'Terrytoons' chronicles the fascinating life of one of the animation industry's cartoon giants, from his humble beginnings on a family farm in San Mateo, California, to his rise as one of the leading super producers of cartoon shorts during the golden age of American animation. Walt Disney admitted that one of his earliest ambitions was to produce cartoons of comparable quality to Paul Terry. Terry's story is one of survival in the face of natural disasters, economic collapse and bitter rivalries. With biographies on all of the key Terrytoons staff and hundreds of lavish illustrations and photographs, many of which are in color, this biography is a long overdue homage to the legendary producer and invaluable addition to any cartoon lover's book collection.

Hamnet - Maggie O'Farrell 2020-07-21

NATIONAL BOOK CRITICS CIRCLE AWARD WINNER • NEW YORK TIMES BESTSELLER • "Of all the stories that argue and speculate about Shakespeare's life ... here is a novel ... so gorgeously written that it transports you." —The Boston Globe England, 1580: The Black Death creeps across the land, an ever-present threat, infecting the healthy, the sick, the old and the young alike. The end of days is near, but life always goes on. A young Latin tutor—penniless and bullied by a violent father—falls in love with an extraordinary, eccentric young woman. Agnes is a wild creature who walks her family's land with a falcon on her glove and is known throughout the countryside for her unusual gifts as a healer, understanding plants and potions better than she does people. Once she settles with her husband on Henley Street in Stratford-upon-Avon, she becomes a fiercely protective mother and a steadfast, centrifugal force in the life of her young husband, whose career on the London stage is just taking off when his beloved young son succumbs to sudden fever. Don't miss Maggie O'Farrell's new novel, *The Marriage Portrait*, coming in September!

The Crossed-Out Notebook - Nicolás Jacobone 2019-09-24

From the Academy Award-winning cowriter of *Birdman*, a wonderfully eccentric, suspenseful debut in the

tradition of *Misery* and *Kiss of the Spiderwoman* about a screenwriter kidnapped by a world-famous director who orders him to compose a masterpiece. Pablo, a failed Argentine novelist-turned-screenwriter, has been kidnapped by the greatest Latin American film director of all time and is kept in a basement where he works, day after day, on what he is told must at all costs be a great, world-changing screenplay. Every night, after finishing work on the script, Pablo writes in his notebook and every morning he crosses out what he wrote the night before. *The Crossed-Out Notebook* is Pablo's diary of this time: being brought food by a maid; being threatened with a gun; vociferously arguing with the director about what he's written the previous day. The clash between the two men and their different approaches leads to a movie being made, a gun going off, an unlikely escape, and a final confrontation. In the end, *The Crossed-Out Notebook* is a darkly funny novel full of intrigue and surprise about the essence of the creative process; a short, crazy ode to any artist whose brilliance shines through strangeness and adversity.

Attached - Amir Levine 2012-01-05

"Over a decade after its publication, one book on dating has people firmly in its grip." —The New York Times We already rely on science to tell us what to eat, when to exercise, and how long to sleep. Why not use science to help us improve our relationships? In this revolutionary book, psychiatrist and neuroscientist Dr. Amir Levine and Rachel Heller scientifically explain why why some people seem to navigate relationships effortlessly, while others struggle. Discover how an understanding of adult attachment—the most advanced relationship science in existence today—can help us find and sustain love. Pioneered by psychologist John Bowlby in the 1950s, the field of attachment posits that each of us behaves in relationships in one of three distinct ways: • Anxious people are often preoccupied with their relationships and tend to worry about their partner's ability to love them back • Avoidant people equate intimacy with a loss of independence and constantly try to minimize closeness. • Secure people feel comfortable with intimacy and are usually warm and loving. *Attached* guides readers in determining what attachment style they and their mate (or potential mate) follow, offering a road map for building stronger, more fulfilling connections with the people they love.

The Book of Five Rings(Classics Illustrated) - Miyamoto Musashi 2021-02-08

In "A Book of Five Rings," Miyamoto Musashi takes the reader into a world filled to the brim with devotion, self-respect, discipline, honesty and purity of thought. Written originally for warriors and samurai in a completely different time and culture, Musashi's book provides a remarkable source of inspiration for self-development today. His teachings are concise and to the point. He uses phrases like "you must understand this" and "you must practice diligently" and explains only general, but unquestionable and fundamental, concepts of the Way of the Warrior. While some of his guidelines are not directly applicable in our time and age, those about striving to achieve improvement on the inside as well as the outside couldn't be more on target. Taken literally this book is about how to become an efficient, albeit enlightened, killer. It's value comes from reading between the lines--lines which speak volumes.

Measure What Matters - John Doerr 2018-04-24

#1 New York Times Bestseller Legendary venture capitalist John Doerr reveals how the goal-setting system of Objectives and Key Results (OKRs) has helped tech giants from Intel to Google achieve explosive growth—and how it can help any organization thrive. In the fall of 1999, John Doerr met with the founders of a start-up whom he'd just given \$12.5 million, the biggest investment of his career. Larry Page and Sergey Brin had amazing technology, entrepreneurial energy, and sky-high ambitions, but no real business plan. For Google to change the world (or even to survive), Page and Brin had to learn how to make tough choices on priorities while keeping their team on track. They'd have to know when to pull the plug on losing propositions, to fail fast. And they needed timely, relevant data to track their progress—to measure what mattered. Doerr taught them about a proven approach to operating excellence: Objectives and Key Results. He had first discovered OKRs in the 1970s as an engineer at Intel, where the legendary Andy Grove ("the greatest manager of his or any era") drove the best-run company Doerr had ever seen. Later, as a venture capitalist, Doerr shared Grove's brainchild with more than fifty companies. Wherever the process was faithfully practiced, it worked. In this goal-setting system, objectives define what we seek to achieve; key results are how those top-priority goals will be attained with specific, measurable actions within a set time frame. Everyone's goals, from entry level to CEO, are transparent to the entire organization. The benefits are profound. OKRs surface an organization's most important work. They focus effort and foster coordination. They keep employees on track. They link objectives across silos to unify and strengthen the entire company. Along the way, OKRs enhance workplace satisfaction and boost retention. In Measure What Matters, Doerr

shares a broad range of first-person, behind-the-scenes case studies, with narrators including Bono and Bill Gates, to demonstrate the focus, agility, and explosive growth that OKRs have spurred at so many great organizations. This book will help a new generation of leaders capture the same magic.

My Lover's Lover - Maggie O'Farrell 2004-07-27

When Lily moves into new boyfriend Marcus's apartment and plunges headlong into their relationship, she must contend with an intangible, hostile presence—Marcus's ex-girlfriend, Sinead. As Lily and Marcus become more deeply involved, Lily becomes obsessed with Sinead's fate and thinks she sees her everywhere. She must question not only her sanity, but whether the man she loves is someone she can, or should, be with at all.

Vygotsky and Pedagogy - Harry Daniels 2002-11

The theories of Vygotsky are central to any serious discussion of children's learning processes. Vygotsky argues that children do not develop in isolation, rather learning takes place when the child is interacting with their social environment. It is the responsibility of the teacher to establish an interactive instructional situation in the classroom, where the child is an active learner and the teacher uses their knowledge to guide learning. This has many implications for those in the educational field. This book explores the growing interest in Vygotsky and the pedagogic implications of the body of work that is developing under the influence of his theories. It provides an overview of the ways in which the original writing has been extended and identifies areas for future development. The author considers how these developments are creating new and important possibilities for the practices of teaching and learning in school and beyond, and illustrates how Vygotskian theory can be applied in the classroom. The book is intended for students and academics in education and the social sciences. It will be of interest to all those who wish to develop an analysis of pedagogic practice within and beyond the field of education.

One Hundred Years of Solitude - Gabriel Garcia Marquez 2003-06-24

One of the 20th century's enduring works, *One Hundred Years of Solitude* is a widely beloved and acclaimed novel known throughout the world, and the ultimate achievement in a Nobel Prize-winning career. The novel tells the story of the rise and fall of the mythical town of Macondo through the history of the Buendía family. It is a rich and brilliant chronicle of life and death, and the tragicomedy of humankind. In the noble, ridiculous,

beautiful, and tawdry story of the Buendía family, one sees all of humanity, just as in the history, myths, growth, and decay of Macondo, one sees all of Latin America. Love and lust, war and revolution, riches and poverty, youth and senility -- the variety of life, the endlessness of death, the search for peace and truth -- these universal themes dominate the novel. Whether he is describing an affair of passion or the voracity of capitalism and the corruption of government, Gabriel García Márquez always writes with the simplicity, ease, and purity that are the mark of a master. Alternately reverential and comical, *One Hundred Years of Solitude* weaves the political, personal, and spiritual to bring a new consciousness to storytelling. Translated into dozens of languages, this stunning work is no less than an accounting of the history of the human race.

Men Are from Mars, Women Are from Venus - John Gray 1993-04-23

Popular marriage counselor and seminar leader John Gray provides a unique, practical and proven way for men and women to communicate and relate better by acknowledging the differences between them. Once upon a time Martians and Venusians met, fell in love, and had happy relationships together because they respected and accepted their differences. Then they came to earth and amnesia set in: they forgot they were from different planets. Using this metaphor to illustrate the commonly occurring conflicts between men and women, Gray explains how these differences can come between the sexes and prohibit mutually fulfilling loving relationships. Based on years of successful counseling of couples, he gives advice on how to counteract these differences in communication styles, emotional needs and modes of behavior to promote a greater understanding between individual partners. Gray shows how men and women react differently in conversation and how their relationships are affected by male intimacy cycles ("get close", "back off"), and female self-esteem fluctuations ("I'm okay", "I'm not okay"). He encourages readers to accept the other gender's particular way of expressing love, and helps men and women learn how to fulfill each other's emotional needs. With practical suggestions on how to reduce conflict, crucial information on how to interpret a partner's behavior and methods for preventing emotional "trash from the past" from invading new relationships, *Men Are from Mars, Women Are from Venus* is a valuable tool for couples who want to develop deeper and more satisfying relationships with their partners.

Little Women - Louisa May Alcott 2000-03-24

Chronicles the joys and sorrows of the four March sisters as they grow into young women in nineteenth-century New England.

Umami - Laia Jufresa 2016-07-07

In five extraordinary apartments live five extraordinary families. Designed in the shape of a tongue, each apartment takes the name of a flavour – sweet, salty, sour, bitter and umami. And the tenants are no less

eccentric. In Umami lives retired food anthropologist Alf, landlord and creator of the building. At Bitter lives manic depressive Marina, who neither eats nor paints but invents colours with words; at Sour lives newly parented (as well as New Age) couple Daniel and Daniela; and at Salty lives the Perez-Walkers with their daughter Ana, aka Agatha Christie, a precocious twelve-year-old who spends her days buried in detective novels to forget the unresolved death of her younger sister. Alf is also grappling with the death of a loved one. Recently bereaved, he types letters to his dead wife in the hope she will somehow respond, and together Alf and Ana lean on and support one another – until their lives threaten to spiral out of control. Darkly comic and dizzyingly inventive, Umami is a remarkable and heart-wrenching novel that is as compelling as it is whimsically devastating. Laia Jufresa's work has appeared in McSweeney's, Pen Atlas and Words Without Borders. In 2015 she was invited by the British Council to be the first ever International Writer in Residence at Hay Festival in Wales, and in the same year she was named as one of the most outstanding young writers in Mexico as part of the project México20. Umami is her first novel. She lives in Cologne, Germany. Sophie Hughes is a literary translator and editor living in Mexico City. Her translations have appeared in Asymptote, PEN Atlas, and the White Review and her reviews in the Times Literary Supplement and Literary Review.

[His Hollow Heart](#) - Rachel Leigh 2021-10-25

Bella A pact made. Two orphans who vowed to never part. I was selfish-for once, I had to be. The last time I saw Callum he was standing at the dormer window as I sat in the back seat of a car. His dark eyes foreign to me. The hatred that radiated from his glare shot through me with more force than a silver bullet. In a matter of minutes he had become a stranger. No longer my best friend. He was now a boy with a hollow heart who was headed down a dark path. A path I knew I'd never cross again. Or, so I thought. CallumWe had a deal-always stay together. The day Bella left, I vowed I would find her. And when I did, she would feel what I felt as I watched her pull away into a new life, with a new family. Leaving me behind to endure a life that was wrapped inside the hands of a monster.It's been twelve years, but I've finally found her. Now it's time for her to bask in the darkness she's created inside of me.

Leaving Paradise - Simone Elkeles 2013-03-28

Nothing has been the same since Caleb Becker left a party drunk, got behind the wheel and hit Maggie Armstrong. Even after months of painful physical therapy, Maggie walks with a limp. Her social life is nil and a scholarship to study abroad - her chance to escape everyone and their pitying stares - has been cancelled. After a year in juvenile jail, Caleb's free ...if freedom means endless nagging from a transition coach and the prying eyes of the entire town. Coming home should feel good, but his family and ex-girlfriend seem like strangers. But despite the horror of their shared history, somehow Caleb and Maggie can't seem to stay away from each other, with the heat and attraction between them becoming undeniable to them both. Feeling like outsiders, they find comfort in each other, they realise that sometimes the person who hurts you most, can be the person who heals you too.
