Directing - Michael Rabiger 2013-04-02

Directing: Film Techniques and Aesthetics is a comprehensive manual that teaches the essentials of filmmaking from the perspective of the director. Ideal for film production and directing classes, as well as for aspiring and current directors, Directing covers all phases of preproduction and production, from idea development to final cut. Thoroughly covering the basics, Directing guides the reader to professional standards of expression and control, and goes to the heart of what makes a director. The book outlines a great deal of practical work to meet this goal, with projects, exercises. The third edition emphasizes the connection between knowing and doing, with every principle realizable through projects and exercises. Much has been enhanced and expanded, notably: aspects of dramaturgy; beats and dramatic units; pitching stories and selling one's work; the role of the entrepreneurial producer; and the dangers of embedded moral values. Checklists are loaded with practical recommendations for action, and outcomes assessment tables help the reader honestly gauge his or her progress. Entirely new chapters present: preproduction procedures; production design; script breakdown; procedures and etiquette on the set; shooting location sound; continuity; and working with a composer. The entire book is revised to capitalize on the advantages offered by the revolutionary shift to digital filmmaking.

*The Complete Film Production Handbook* - Eve Light Honthaner 2013-09-23

This book is for working film/TV professionals and students alike. If you're a line producer, production manager, production supervisor, assistant director or production coordinator--the book has everything you'll

need (including all the forms, contracts, releases and checklists) to set up and run a production--from finding a production office to turning over delivery elements. Even if you know what you're doing, you will be thrilled to find everything you need in one place. If you're not already working in film production, but think you'd like to be, read the book -- and then decide. If you choose to pursue this career path, you'll know what to expect, you'll be prepared, and you'll be ten steps ahead of everyone else just starting out. New topics and information in the fourth edition include: \* Low-budget independent films, including documentaries and shorts \* Information specific to television production and commercials \* The industry's commitment to go green and how to do it \* Coverage of new travel and shipping regulations \* Updated information on scheduling, budgeting, deal memos, music clearances, communications, digital production, and new forms throughout

**Directing Actors - 25th Anniversary Edition** - Judith Weston Judith 2021-04-06

Directing film or television is a high-stakes occupation. It captures your full attention at every moment, calling on you to commit every resource and stretch yourself to the limit; it's the white-water rafting of entertainment jobs. But for many directors, the excitement they feel about a new project tightens into anxiety when it comes to working with actors. In the years since the original edition of *Directing Actors* was published, the technical side of filmmaking has become much more easily accessible. Directors tell me that dealing with actors is the last frontier--the scariest part and the part they long for--the human part, the place where connection happens. Weston's books help directors scale the heights of the actor-director

dynamic, learn the joys of collaborating with actors-- and become an "actor's director."

**The Old Religion** - David Mamet 2002-05-01

"Mamet's intellectual rigor is evident on every page. There is not a wasted word" in this novel based on the wrongful murder conviction of a Jewish man (Time Out). In 1913, a young woman was found murdered in the National Pencil Factory in Atlanta. The investigation focused on the Jewish manager of the factory, Leo Frank, who was subsequently forced to stand trial for the crime he didn't commit and railroaded to a life sentence in prison. Shortly after being incarcerated, he was abducted from his cell and lynched in front of a gleeful mob. In vividly re-imagining these horrifying events, Pulitzer Prize-winning author David Mamet inhabits the consciousness of the condemned man to create a novel whose every word seethes with anger over prejudice and injustice. The Old Religion is infused with the dynamic force and the remarkable ear that have made David Mamet one of the most acclaimed voices of our time. It stands beside To Kill a Mockingbird as a powerful exploration of justice, racism, and the "rush to judgment." "Mamet's philosophical intensity, concision, and unpredictable narrative strategies are at their full power." -The Washington Post "In this historical novel, playwright, filmmaker, and novelist Mamet presents disturbing cameos of Jewish uncertainty in a Christian world." -Library Journal "The horror of the story is beautifully countered by the unusual grace of Mamet's prose." -The Irish Times

**Three Uses of the Knife** - David Mamet 2013-08-14

The purpose of theater, like magic, like religion . . . is to inspire cleansing awe. What makes good drama? And why does drama matter in an age that is awash in

information and entertainment? David Mamet, one of our greatest living playwrights, tackles these questions with bracing directness and aphoristic authority. He believes that the tendency to dramatize is essential to human nature, that we create drama out of everything from today's weather to next year's elections. But the highest expression of this drive remains the theater. With a cultural range that encompasses Shakespeare, Brecht, and Ibsen, Death of a Salesman and Bad Day at Black Rock, Mamet shows us how to distinguish true drama from its false variants. He considers the impossibly difficult progression between one act and the next and the mysterious function of the soliloquy. The result, in Three Uses of the Knife, is an electrifying treatise on the playwright's art that is also a strikingly original work of moral and aesthetic philosophy.

**Young Frankenstein: A Mel Brooks Book** - Mel Brooks 2016-10-18

Mel Brooks' own words telling all about the players, the filming, and studio antics during the production of this great comedy classic. The book is alive and teeming with hundreds of photos, original interviews, and hilarious commentary. Young Frankenstein was made with deep respect for the craft and history of cinema-and for the power of a good schwanztucker joke. This picture-driven book, written by one of the greatest comedy geniuses of all time, takes readers inside the classic film's marvelous creation story via never-before-seen black and white and color photography from the set and contemporary interviews with the cast and crew, most notably, legendary writer-director Mel Brooks. With access to more than 225 behind-the-scenes photos and production stills, and with captions written by Brooks, this book will also rely on interviews with gifted

director of photography Gerald Hirschfeld, Academy Award-winning actress Cloris Leachman and veteran producer Michael Gruskoff. Mel Brooks is an American film director, screenwriter, comedian, actor, producer, composer and songwriter. Brooks is best known as a creator of broad film farces and comic parodies including *The Producers*, *The Twelve Chairs*, *Blazing Saddles*, *Young Frankenstein*, *Silent Movie*, *High Anxiety*, *History of the World, Part I*, *Spaceballs* and *Robin Hood: Men in Tights*. More recently, he had a smash hit on Broadway with the musical adaptation of his first film, *The Producers*. An EGOT winner, he received a Kennedy Center Honor in 2009, the 41st AFI Life Achievement Award in June 2013, and a British Film Institute Fellowship in March 2015. Three of Brooks' classics have appeared on AFI's 100 Years...100 Laughs list. *Blazing Saddles* at number 6, *The Producers* at number 11, and *Young Frankenstein* at number 13. Judd Apatow is one of the most important comic minds of his generation. He wrote and directed the films *The 40-Year-Old Virgin* (co-written with Steve Carell), *Knocked Up*, *Funny People*, and *This Is 40*, and his producing credits include *Superbad*, *Bridesmaids*, and *Anchorman*. Apatow is the executive producer of HBO's *Girls*.

**A Whore's Profession** - David Mamet 1994

In his previous volumes of notes and essays, David Mamet has touched upon many aspects of his life as a writer. In 'Writing in Restaurants' he reflects modestly on his career, while 'Some Freaks' discourses loudly and entertainingly on aspects of contemporary culture - like the movies, Disneyland and on being a tourist. 'On Directing Film' shows his ebullient and practical approach to his own film-making. Central to these essays is Mamet's own work as a writer, and it is in 'The

Cabin' that Mamet comes closest to defining himself. Included are autobiographical vignettes from childhood and youth describing the gamut of human emotion, from childhood fear to adult nostalgia in the re-creation of the past.

Addresses key political issues from religion and political correctness to taxes and global warming while denouncing current administrative agendas and explaining why he has abandoned his liberal views.

**Beyond Continuity** - Cybulski Mary 2014-04-29

First published in 2013. A guide to the craft of script supervising, *Beyond Continuity* features practical instruction through real-world examples demonstrating and explaining the skills needed by a professional

script supervisor. Mary Cybulski, one of Hollywood's premier script supervisors, imparts her sage wisdom as she walks you through the process of training and working as a professional script supervisor,, covering the basic skills of breaking down a script, taking notes on set, matching, cheating, determining screen direction, and knowing what the director, actors, and editor expect from a script supervisor. She also details many of the more subtle, but just as important skills-how to get a job, how to think like an editor, how to tell what is important in a script and on set, how to get along with the cast and crew, and how not to get overwhelmed when there is too much information to process.

**David Mamet** - Dennis Carroll 1987

*Rebel without a Crew* - Robert Rodriguez 1996-09-01  
Famed independent screenwriter and director Robert Rodriguez (Sin City, Once Upon a Time in Mexico, Spy Kids, Machete) discloses all the unique strategies and original techniques he used to make his remarkable debut film *El Mariachi* on a shoestring budget. This is both one man's remarkable story and an essential guide for anyone who has a celluloid story to tell and the dreams and determination to see it through. Part production diary, part how-to manual, Rodriguez unveils how he was able to make his influential first film on only a \$7,000 budget. Also included is the appendix, "The Ten Minute Film Course," a tell-all on how to save thousands of dollars on film school and teach yourself the ropes of film production, directing, and screenwriting. A perfect gift for the aspiring filmmaker.

**An Education** - Nick Hornby 2009-10-06

From the New York Times bestselling author—the shooting

script to his award-winning film, with an original Introduction and vivid stills from the movie. Jenny is a 16-year-old girl stifled by the tedium of adolescence; she can't wait for her sophisticated adult life to begin. One rainy day her suburban existence is upended by the arrival of David, a much older suitor who introduces her to a glittering new world of concerts, art, smoky bars, urban nightlife, and his glamorous friends, replacing her traditional education with his own version. It could be her awakening—or her undoing. This edition of Hornby's adapted screenplay, which includes stills from the film, is a perfect accompaniment to the highly anticipated movie, which stars Carey Mulligan as Jenny, Peter Sarsgaard, Emma Thompson, Dominic Cooper, and Alfred Molina. It is a must-have for fans of Hornby's novels, featuring his signature pitch-perfect dialogue, mordant wit, and the resonant humanity of his writing. Watch a Video

**Changing Direction: A Practical Approach to Directing Actors in Film and Theatre** - Lenore DeKoven 2006-02-07

This approach, honed after years of on-set experience and from teaching at UCLA, NYU, and Columbia, and endorsed by many in the industry, including director Ang Lee (*Brokeback Mountain* and *Crouching Tiger, Hidden Dragon*) and producer/actor Edward Asner, aims to provide a helpful reference and resource for directors and actors alike. It combines underlying theory with dozens of exercises designed to reveal the actor's craft. There is material on constructing the throughline; analyzing the script; character needs; the casting and rehearsal processes; film vs. theater procedures as well as the actor and the camera. Distilling difficult concepts and a complex task to their simplest form, the author explains how to accurately capture and portray human

behavior. The author's discussion of creative problems she has encountered or anticipated after years of experience, and her suggested solutions and exercises, are immediately useful. Additionally, hear what the actors have to say in excerpts from interviews with such acclaimed actors as Meryl Streep, Denzel Washington, Glenn Close, Robert Redford, Christopher Walken, Julianne Moore, and Michael Douglas (to name a few) who discuss their work with directors, what inspires them, and what they really want from the director.

**Moviemakers' Master Class** - Laurent Tirard 2002-10-10

Publisher Description

*On Directing Film* - David Mamet 1992-01-01

A masterclass on the art of directing from the Pulitzer Prize-winning (and Oscar and Tony-nominated) writer of *Glengarry Glen Ross*, *Speed the Plow*, *The Verdict*, and *Wag the Dog* Calling on his unique perspective as playwright, screenwriter, and director of his own critically acclaimed movies like *House of Games*, *State and Main*, and *Things Change*, David Mamet illuminates how a film comes to be. He looks at every aspect of directing—from script to cutting room—to show the many tasks directors undertake in reaching their prime objective: presenting a story that will be understood by the audience and has the power to be both surprising and inevitable at the same time. Based on a series of classes Mamet taught at Columbia University's film school, *On Directing Film* will be indispensable not only to students but to anyone interested in an overview of the craft of filmmaking. "Passion, clarity, commitment, intelligence—just what one would expect from Mamet."

—Sidney Lumet, Academy Award-nominated director of *12 Angry Men*, *Dog Day Afternoon*, *Network*, and *The Verdict*

*True and False* - David Mamet 2011-09-07

One of our most brilliantly iconoclastic playwrights takes on the art of profession of acting with these words: invent nothing, deny nothing, speak up, stand up, stay out of school. Acting schools, "interpretation," "sense memory," "The Method"—David Mamet takes a jackhammer to the idols of contemporary acting, while revealing the true heroism and nobility of the craft. He shows actors how to undertake auditions and rehearsals, deal with agents and directors, engage audiences, and stay faithful to the script, while rejecting the temptations that seduce so many of their colleagues. Bracing in its clarity, exhilarating in its common sense, *True and False* is as shocking as it is practical, as witty as it is instructive, and as irreverent as it is inspiring.

*Surviving Production* - Deborah S. Patz 1997

**Stuart Gordon** - Michael Doyle 2022-02-15

Animated by a singularly subversive spirit, the fiendishly intelligent works of Stuart Gordon (1947–2020) are distinguished by their arrant boldness and scab-picking wit. Provocative gems such as *Re-Animator*, *From Beyond*, *Dolls*, *The Pit and the Pendulum*, and *Dagon* consolidated his fearsome reputation as one of the masters of the contemporary horror film, bringing an unfamiliar archness, political complexity, and critical respect to a genre so often bereft of these virtues. A versatile filmmaker, one who resolutely refused to mellow with age, Gordon proved equally adept at crafting pointed science fiction (*Robot Jox*, *Fortress*, *Space Truckers*), sweet-tempered fantasy (*The Wonderful Ice Cream Suit*), and nihilistic thrillers (*King of the Ants*, *Edmond*, *Stuck*), customarily scrubbing the sharply drawn lines between exploitation and arthouse cinema. The

first collection of interviews ever to be published on the director, Stuart Gordon: Interviews contains thirty-six articles spanning a period of fifty years. Bountiful in anecdote and information, these candid conversations chronicle the trajectory of a fascinating career—one that courted controversy from its very beginning. Among the topics Gordon discusses are his youth and early influences, his founding of Chicago's legendary Organic Theatre (where he collaborated with such luminaries as Ray Bradbury, Kurt Vonnegut, and David Mamet), and his transition into filmmaking where he created a body of work that injected fresh blood into several ailing staples of American cinema. He also reveals details of his working methods, his steadfast relationships with frequent collaborators, his great love for the works of Lovecraft and Poe, and how horror stories can masquerade as sociopolitical commentaries.

*Master Shots* - Christopher Kenworthy 2012

Enhanced by stills from famous motion pictures and computer-generated images, explains framing, composition, and camera movement for achieving a high-budget look for such actions as building tension, anticipating motion, and developing a character's fear.

EB00K: Film Art: An Introduction - David Bordwell  
2013-08-16

Film is an art form with a language and an aesthetic all its own. Since 1979, David Bordwell and Kristin Thompson's *Film Art* has been the best-selling and most widely respected introduction to the analysis of cinema. Taking a skills-centered approach supported by examples from many periods and countries, the authors help students develop a core set of analytical skills that will enrich their understanding of any film, in any genre. In-depth examples deepen students' appreciation

for how creative choices by filmmakers affect what viewers experience and how they respond. *Film Art* is generously illustrated with more than 1,000 frame enlargements taken directly from completed films, providing concrete illustrations of key concepts.  
*Five Television Plays (David Mamet)* - David Mamet  
2014-10-03

Five unique short plays for television by one of America's most celebrated playwrights. A 'Waitress in Yellowstone' (or: 'Always Tell the Truth') is a parable about an honest waitress and a corrupt congressman. In Bradford, a new police chief arriving in a small New England town is plunged into the midst of its cozy secrets and uncovers the truth behind his predecessor's mysterious fatal hunting accident. The Museum of Science and Industry Story is a fantasy about the adventures of a man locked in a museum overnight. A Wasted Weekend is a 1987 episode of Hill Street Blues focusing on four cops and their ill-fated hunting trip. In We Will Take You There, Danny and Mike, partners in an unusual "taxi service to the wilds," offer themselves as guides to the most remote areas of the world. Displaying Mamet's characteristic ear for language and unsettling moral vision, these plays are among his darkest, funniest, and most entertaining. Includes: 'A Waitress in Yellowstone' (or: 'Always Tell the Truth') 'Bradford' 'The Museum of Science and Industry Story' 'A Wasted Weekend' 'We Will Take You There'

**Real Life Drama** - Wendy Smith 2013-08-06

Real Life Drama is the classic history of the remarkable group that revitalized American theater in the 1930s by engaging urgent social and moral issues that still resonate today. Born in the turbulent decade of the Depression, the Group Theatre revolutionized American

arts. Wendy Smith's dramatic narrative brings the influential troupe and its founders to life once again, capturing their joys and pains, their triumphs and defeats. Filled with fresh insights into the towering personalities of Harold Clurman, Lee Strasberg, Cheryl Crawford, Elia Kazan, Clifford Odets, Stella and Luther Adler, Karl Malden, and Lee J. Cobb, among many others, *Real Life Drama* chronicles a passionate community of idealists as they opened a new frontier in theater.

Film Lighting - Kris Malkiewicz 2012-02-07

Newly revised and updated, *Film Lighting* is an indispensable sourcebook for the aspiring and practicing cinematographer, based on extensive interviews with leading cinematographers and gaffers in the film industry. Film lighting is a living, dynamic art influenced by new technologies and the changing styles of leading cinematographers. A combination of state-of-the-art technology and in-depth interviews with industry experts, *Film Lighting* provides an inside look at how cinematographers and film directors establish the visual concept of the film and use the lighting to create a certain atmosphere. Kris Malkiewicz uses firsthand material from the experts he interviewed while researching this book. Among these are leading cinematographers Dion Beebe, Russell Carpenter, Caleb Deschanel, Robert Elswit, Mauro Fiore, Adam Holender, Janusz Kaminski, Matthew Libatique, Rodrigo Prieto, Harris Savides, Dante Spinotti, and Vilmos Zsigmond. This updated version of *Film Lighting* fills a growing need in the industry and will be a perennial, invaluable resource.

*Boston Marriage* - David Mamet 2010-02-17

One of America's most provocative dramatists conquers new territory with this droll comedy of errors set in a

Victorian drawing room. Anna and Claire are two bantering, scheming "women of fashion" who live together on the fringes of society. Anna has just become the mistress of a wealthy man, from whom she has received an enormous emerald. Claire, meanwhile, is infatuated with a young girl and wants to enlist the jealous Anna's help for an assignation. As the two women exchange barbs and taunt their hapless maid, Claire's inamorata arrives and sets off a crisis that puts both the valuable emerald and the women's future at risk. Mamet brings his trademark tart dialogue and impeccable plotting, spiced with Wildean wit, to this wickedly funny comedy.

Acting in Film - Michael Caine 2000-02-01

(Applause Books). A master actor who's appeared in an enormous number of films, starring with everyone from Nicholson to Kermit the Frog, Michael Caine is uniquely qualified to provide his view of making movies. This revised and expanded edition features great photos, with chapters on: Preparation, In Front of the Camera Before You Shoot, The Take, Characters, Directors, On Being a Star, and much more. "Remarkable material ... A treasure ... I'm not going to be looking at performances quite the same way ... FASCINATING!" Gene Siskel

*Thinking Like a Director* - Michael Bloom 2001-10-17

"Concise and engaging, Michael Bloom's book is for anyone who has ever uttered the phrase, "But what I really want to do is direct."--BOOK JACKET.

**Scarface Nation** - Ken Tucker 2008-11-11

"Don't get high on your own supply." Brian de Palma's brash, bloody version of *Scarface* was trashed by critics when it came out twenty-five years ago and didn't do well at the box office, but has become a spectacular fan favorite and enduring pop culture classic since. "Never underestimate the greed of the other guy." What makes

millions of people obsess over this movie? Why has Al Pacino's Tony Montana become the drug kingpin whose pugnacity and philosophy are revered in boardrooms and bedrooms across America? Who were the people that made the movie, influencing hip-hop style and swagger to this day? "The world is yours." Scarface Nation is Ken Tucker's homage to all things Scarface—from the stars that acted in it to the influence it's had on all of us, from facts, figures and stories about the making of the movie to a witty and comprehensive look at Scarface's traces in today's pop and political culture. "Say hello to my li'l fren!" You know you love the line. You know you've seen the movie more than once. Now dive into the ultimate book of Scarface—mounded as high as the pile of cocaine on Tony's desk with delicious details and stimulating observations. "You know what capitalism is? F--- you!"

Recessional - David Mamet 2022-04-05

"Savagery appeased can only grow. Once you give in to it, it must escalate, like a fire searching for air." The man who won the Pulitzer Prize for GLENGARRY GLEN ROSS, who wrote the classic films THE VERDICT and WAG THE DOG sounds his alarm about the Visigoths at our gates. In RECESSIONAL he calls out, skewers, mocks, and, most importantly, dissects the virus of conformity which is now an existential threat to the West. A broad-ranging journey through history, the Bible, and literature, RECESSIONAL examines how politics and cultural attitudes about rebellion have shifted in the United States in the last generation. By screaming down freedom of thought and expression, Mamet explains, we kill invention and democracy – the foundations of security and growth. A wickedly funny, wistful and wry appeal to the free-thinking citizen, RECESSIONAL is a

vital warning that if we don't confront the cultural thuggery now, the commissars and their dupes will transform the Land of the Free into the dictatorship at which they aim.

Playing Shakespeare - John Barton 2010-11-10

Playing Shakespeare is the premier guide to understanding and appreciating the mastery of the world's greatest playwright. Together with Royal Shakespeare Company actors—among them Patrick Stewart, Judi Dench, Ian McKellen, Ben Kingsley, and David Suchet—John Barton demonstrates how to adapt Elizabethan theater for the modern stage. The director begins by explicating Shakespeare's verse and prose, speeches and soliloquies, and naturalistic and heightened language to discover the essence of his characters. In the second section, Barton and the actors explore nuance in Shakespearean theater, from evoking irony and ambiguity and striking the delicate balance of passion and profound intellectual thought, to finding new approaches to playing Shakespeare's most controversial creation, Shylock, from The Merchant of Venice. A practical and essential guide, Playing Shakespeare will stand for years as the authoritative favorite among actors, scholars, teachers, and students.

**The Intent to Live** - Larry Moss 2005-12-27

"I call this book The Intent to Live because great actors don't seem to be acting, they seem to be actually living." —Larry Moss, from the Introduction When Oscar-winning actors Helen Hunt and Hilary Swank accepted their Academy Awards, each credited Larry Moss's guidance as key to their career-making performances. There is a two-year waiting list for his advanced acting classes. But now everyone—professionals and amateurs alike—can discover Moss's passionate, in-depth teaching.

Inviting you to join him in the classroom and onstage, Moss shares the techniques he has developed over thirty years to help actors set their emotions, imagination, and behavior on fire, showing how the hard work of preparation pays off in performances that are spontaneous, fresh, and authentic. From the foundations of script analysis to the nuances of physicalization and sensory work, here are the case studies, exercises, and insights that enable you to connect personally with a script, develop your character from the inside out, overcome fear and inhibition, and master the technical skills required for success in the theater, television, and movies. Far more than a handbook, *The Intent to Live* is the personal credo of a master teacher. Moss's respect for actors and love of the actor's craft enliven every page, together with examples from a wealth of plays and films, both current and classic, and vivid appreciations of great performances. Whether you act for a living or simply want a deeper understanding of acting greatness, *The Intent to Live* will move, instruct, and inspire you.

Confessions of a Casting Director - Jen Rudin 2013-12-17  
*Confessions of a Casting Director* is a must-have for any aspiring actor or stage parent—the definitive guide to breaking into film, television, theater, and even YouTube from longtime casting director and studio executive Jen Rudin. The Actor's Art and Craft - William Esper 2008-04-08  
William Esper, one of the leading acting teachers of our time, explains and extends Sanford Meisner's legendary technique, offering a clear, concrete, step-by-step approach to becoming a truly creative actor. Esper worked closely with Meisner for seventeen years and has spent decades developing his famous program for actor's training. The result is a rigorous system of exercises that builds a solid foundation of acting skills from the ground up, and that is flexible enough to be applied to any challenge an actor faces, from soap operas to Shakespeare. Co-writer Damon DiMarco, a former student of Esper's, spent over a year observing his mentor teaching first-year acting students. In this book he recreates that experience for us, allowing us to see how the progression of exercises works in practice. *The Actor's Art and Craft* vividly demonstrates that good training does not constrain actors' instincts—it frees them to create characters with truthful and compelling inner lives.

Here is how the job is performed at the highest level.

**Bambi vs. Godzilla** - David Mamet 2008-12-30

From the Academy Award-nominated screenwriter and playwright: an exhilaratingly subversive inside look at Hollywood from a filmmaker who's always played by his own rules. Who really reads the scripts at the film studios? How is a screenplay like a personals ad? Why are there so many producers listed in movie credits? And

what on earth do those producers do anyway? Refreshingly unafraid to offend, Mamet provides hilarious, surprising, and refreshingly forthright answers to these and other questions about every aspect of filmmaking from concept to script to screen. A bracing, no-holds-barred examination of the strange contradictions of Tinseltown, Bambi vs. Godzilla dissects the movies with Mamet's signature style and wit.

In the Blink of an Eye - Walter Murch 2001

Comprises a revised second edition of film editor Walter Murch's thought-provoking essay on the art and process of film editing. Originally published in 1992, revisions take new technologies such as digital editing into account. c. Book News Inc.

**A Practical Handbook for the Actor** - Melissa Bruder 2012-04-25

This simple and essential book about the craft of acting describes a technique developed and refined by the authors, all of them young actors, in their work with Pulitzer Prize-winning playwright David Mamet, actor W. H. Macy, and director Gregory Mosher. A Practical Handbook for the Actor is written for any actor who has ever experienced the frustrations of acting classes that lacked clarity and objectivity, and that failed to provide a dependable set of tools. An actor's job, the authors state, is to "find a way to live truthfully under the imaginary circumstances of the play." The ways in which an actor can attain that truth form the substance of this eloquent book.
