## **Enterprise iPhone and iPad Administrator's Guide** - Charles Edge 2011-01-27

Are you an IT professional involved in deploying the iPhone and or iPad in your company or organization? Do you have fellow

employees who are eager to use their iPhones and iPads for work? Then this is the book for you. *Enterprise iPhone and iPad Administrator's Guide* provides step-by-step instructions on how to deploy and integrate the iPhone within a range of professional environments—from large businesses and educational institutions to medium-sized offices. This book ensures that the process is achieved in a streamlined, efficient, and cost-effective manner. The guide begins with an introduction to basic deployment concerns, then moves into actual methods and tools that you can use to streamline the deployment process. Next, an in-depth discussion of configuration and provisional profiles helps you deliver solid device setup, security, and adherence to organization policies. Finally, you'll learn how to use existing help desk teams to provide effective user support. Also included is coverage of the latest iPhone- and iPad-specific enterprise technologies (such as push notification and calendaring tools) as well as internal iPhone and iPad applications and web-based solutions for businesses.

**Reasonable Accommodation** - JayW. Spechler 2017-07-12

Reasonable accommodation is defined as any change in the work environment or in the way business is usually conducted that results in equal employment opportunity for an individual with a disability. With the Americans with Disabilities Act in full swing and more than 35,000 court cases on record, there is much to be done to get most companies into compliance. Reasonable Accommodation: Profitable Compliance with the Americans with Disabilities Act was designed to provide those responsible for diversity and implementing the ADA with specific benchmark examples of how companies have provided accommodations that have had a positive impact on profitability, quality, employee and customer relations. This masterfully written book covers many important topics dealing directly with the ADA. It also provides numerous technologies available that can greatly increase productivity and quality of performance for disabled employees, as well as a "who's who" of case studies including: AT&T, Boeing, Federal Express, Ford Motor Co., Bank of America, Digital Equipment, General Electric Co., IBM, Motorola, WAUSAU Insurance Co., Sears Roebuck, Philip Morris, and many more.
