Resources for Teaching English: 14-16 - David A. Hill 2010-09-02

This book contains everything an English teacher could need to engage and captivate their pupils in contemporary poetry and prose. The step-by-step lesson plans are easy to adapt to suit individual teachers' needs, and include suggestions for utilising ICT and homework ideas. The reflective style of the photocopiable worksheets encourages pupils to draw on their own experiences when analysing the issues raised. The contents are themed to reflect the current curriculum, and to be entertaining for the teacher and students alike. Extracts include *In Mrs Tilscher's Class* by Poet Laureate, Carol Ann Duffy and *To Sir, With Love* by E.R. Braithwaite. English teachers and pupils aged 14-16 will relish this set of inclusive and accessible lesson plans and worksheets, although advanced younger pupils or adult learners, especially those on EFL courses, will also find them absorbing. All materials are also available for download from the Continuum website.

**What's It Like? Teacher's Book** - Joanne Collie 2000-06

This British cultural studies course is intended for students at an intermediate to upper-intermediate level in upper secondary or university level education. The 10 units explore the variety and realities of lifestyles in contemporary British society through a range of broad topics such as cultural diversity, sport,

food, and holidays and leisure. The book's comparative, cross-cultural approach allows students to take the familiar as a departure point before moving into the less familiar. The wealth of authentic texts from different genres and recordings of unscripted interviews encourage a creative response and involvement throughout. This approach allows students to build up a personal picture and understanding of modern Britain. The Teacher's Book contains background information for each unit, clear teaching notes, tapescripts, answers and optional activity suggestions.

*American English File 3E Level 2 Student Book* - Christina Latham-Koenig 2007-08-28

American English File Second Edition retains the popular methodology developed by world-renowned authors Christina Latham-Koenig and Clive Oxenden: language + motivation = opportunity. With grammar, vocabulary, and pronunciation practice in every lesson, students are equipped with a solid foundation for successful speaking. Plus - an array of digital resources provides even more choice and flexibility. Students can learn in the classroom or on the move with Online Practice. language assessment. The first goal is to explore the difference between fairness and justice in language assessment. The authors distinguish internal and external dimensions of the equitable and just treatment of individuals taking language tests which are used as gatekeeping devices to determine access to education and employment, immigrant status, citizenship, and other rights. The second goal is to show how the extent of test fairness can be demonstrated and

improved using the tools of psychometrics, in particular the models collectively known as Rasch measurement. "This book will have an enormous impact on the field of language assessment. Using Rasch analysis models to explore and identify sources of unfairness, the authors make a compelling case for fairness in the design and implementation of language assessment instruments and for justice in the interpretation and use of test results. A real strength of the book is that it guides readers through analytical techniques in an accessible way." Dan Douglas, Professor Emeritus, Applied Linguistics Program, Iowa State University.
