**FCE Result** - David Baker 2011-04

In the Writing & Speaking Assessment Booklet there are 12 sample answers for the Writing paper (one to correspond to each unit of the Student's Book), written by real FCE students. For each sample answer, there are notes that explain what students need to do in the task, and how the answer would be assessed by a Cambridge ESOL examiner. This booklet also includes a DVD of real FCE students taking the Speaking test, with comments from experienced examiners, so you can see exactly how this part of the test works, and understand how to accurately assess your students. The material on the DVD is supported with photocopiable worksheets, useful phrases, tips and examiner's questions in the booklet. The Using a dictionary for exams booklet is full of ideas for using dictionaries to improve your students' language skills and performance in the exam. These ideas are followed by photocopiable worksheets so your students can put what they've learnt into practice. This booklet has been updated to reflect changes in the new Student's Book. In the Teacher's Book, there are 12 Unit and four Progress Tests, all with answer keys. The tests are photocopiable for use in class.

**Silence in English Language Pedagogy** - Dat Bao  
2023-02-09

Silence in language learning is commonly viewed negatively, with language teachers often struggling to interpret learner silence and identify whether it is part of communication, mental processing, or low engagement. This book addresses silence in language pedagogy from a positive perspective, translating research into practice in order to inform teaching and to advocate greater use of positive silence in the classroom. The first half of the book examines the existing research into silence, and the second half provides research-informed practical strategies and classroom tasks. It offers applicable principles for task design that utilises rich resources, which include visual arts, mental representation, poetry, music, and other innovative tools, to allow both silence and speech to express their respective and interrelated roles in learning. Comprehensive yet accessible, it is essential reading for academic researchers and students in applied linguistics, TESOL, and language teaching, as well as for language teachers and educators.
