But where the hell do I even start? What hashtags do I use? What photos should I be sharing? Should I go follow everyone to get started? What time do I post? Do I respond to all comments? Why do some people have emails and addresses and I can't do that? If you're asking yourself all these answers, good, your taking steps in the right direction. This isn't another cryptocurrency bandwagon you are joining. It's time you join this community of businesses who have chosen to go above and beyond traditional marketing techniques to capture a whole new audience.
