Biblical Eschatology: - Dr. Justin G. Prock 2021-06-20

In recent history, men from a variety of backgrounds have come to the same conclusion: that the Bible is about Israel only. For example: In 1861, John Mason Neale translated an ancient twelfth century Latin hymn and its title was O Come, O Come Emmanuel. Ever since 1861, Christians have sung that hymn at Christmas time, especially at Advent.

Do you know what the words really mean that you are singing? In 1878, Edward Hine wrote an article titled, Seven-Eighths of the Bible Misunderstood, wherein he explains that seven-eighths of the Bible is about national salvation, i.e. the national salvation of True Israel; whereas, only one-eighth of the Bible is about personal salvation. Did you know that? In the 1960's, Pastor Sheldon Emry wrote an article title, An Open Letter to Any Minister Who Teaches the Jews Are Israel, wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible. In 1998, Arnold E. Kennedy wrote a book titled, The Exclusiveness of Israel, wherein he legally proves using the King James Version of the Bible that the Bible in general is only about True Israel. So, here we are in the Twenty-First Century, and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A.D. by Yahshuah and His disciples, i.e. the Gospel of the Kingdom. So, where did the so-called churches and pastors go wrong? By the way, is there really a hierarchy in the Bible? In order to find out what the truth really is, we have to look at the original languages in which the Bible was written and then translated. For example, the Old Testament was written in Hebrew and Aramaic, then translated into Greek. The New Testament was written in Hebrew and Greek. Both Testaments were put together and translated into Latin, then German, and finally into English, from which the entire world received their own

translation of the Bible. So, what was the original meaning of the words used in the original languages, i.e. the etymology of the words. Once that is determined, then we can go onto the next phase and discuss types in the Bible. From there, what is the Law of First Mention? How should Bible prophecy be Interpreted? Who are the keys to Bible prophecy? Where are we in the Bible prophecy timeline? During these discussions, we will find out who Yahweh chose of all the families of the earth to make His own. The churches teach universalism. The question then becomes, Who was Yahweh's Law given to? What are the Laws of Yahweh? And then the even bigger question becomes, Who was Yahshuah sent to? All of these questions and more will be answered as you read this book...

What are the obstacles that stand in the way of humanity fulfilling its divine potential and creating a Community of Gods? This book provides an outline of the Illuminati's manifesto for changing the world. It's a simple fact that the Enlightenment failed. Only about twenty percent of the contemporary world is rational. BY J. DOUGLAS KENYON *New England and the Bavarian Illuminati* - Vernon Stauffer 2005 The rift between the nation's two political parties is caused by a Conspiracy! New England the Bavarian Illuminati is the history of the Illuminati scare that occurred in America at the end of the eighteenth century. It tells how the Federalists, including the New England clergy in particular, seized upon the idea that the Illuminati were behind the actions of the Democrats. Only a far-reaching conspiracy could explain

the irreverent habits and searing attacks of the Jeffersonians. Fear of the secret Democratic Clubs, magnified by fear of the French Jacobins, made such a conspiracy readily believable. Dr. Stauffer ably details the state of American politics and religion before and after the American Revolution. He recounts the known history of the Illuminati, and reviews how knowledge of the secret organization was transmitted to America. The conspiracy alarm is traced in detail, from the first announcement of the existence of the Illuminati given during a sermon, through the heated and virulent debates in newspapers and pamphlets, and finally to the decline of the public spectacle under counter-attacks and satirical mockery. This study of the Illuminati in New England was originally published in 1918. Acclaimed from its first printing, it has since then developed a respectable position as one of the most competent and important histories on the shadowy Order of the Illuminati.

The Meaning of Being Illuminati - Nicolas Laos 2019-05-23

This book articulates a new research program, called “Ur-Illuminism,” which consists in an integrated and systematic study of humanity’s quest for “illumination,” namely, for the highest and noblest possible mode of being. Thus, it takes on the challenge of revising widely accepted ways of understanding and interpreting the ontological underpinnings of civilization and the ontological potential of humanity. It allows the reader to delve into a creative “rediscovery” of Platonism, medieval Christian mystics’ and scholars’ writings, and various “illuminist” systems, from the Orphic mystical cult to the European Enlightenment and thence to the eighteenth-century Illuminati fraternities and beyond. Moreover, the book studies major issues in the history of philosophy, politology, and esoteric systems (such as Hermeticism, the Kabbalah, alchemy, the Rosicrucian movement, Freemasonry, and the Bavarian Illuminati). It maintains that a postmodern “rediscovery” of premodern metaphysics, specifically, a postmodern esoteric theocracy (as distinct from old sacerdotalism and religious formalism), is the best bulwark against oppression and the ontological degradation of humanity, as well as the best path to the attainment of that wisdom and spiritual self-knowledge which constitute the existential integration and completion of the human

being. In this context, it proposes a peculiar and intellectually fecund synthesis between Tory Anarchism, Libertarianism, Platonism, and Byzantine Hesychasm, as they are elucidated here.

Confessions of an Illuminati, VOLUME II - Leo Lyon Zagami 2017-11-11

After his master thesis of the secret societies network as outlined in Volume I, the Confessions of an Illuminati narrative of Leo Lyon Zagami is projected to the reality of today, including the occult maneuvers behind the New World Order. We need to wake up beyond our current belief systems, because the "controllers" of the New World Order are moving fast using the "Prophecies" to their advantage to implement their evil plan by 2020, when World War III will finally break loose. The author demonstrates that the hierarchy of power emanating from Rome and Jerusalem, with the Jesuits and the Zionist's united by a secret pact since the Second Vatican Council, are in cahoots working towards the creation of a world government. There is also China playing a new role in the NWO with the far reaching tentacles of Chinese Freemasonry manipulating economic Hit Men and disinformation artists, while Russia is building their Christian orthodox alliance to apparently oppose the Western antichrist. In this unprecedented scenario, we also have the involvement of the big media moguls like Ted Turner and Silvio Berlusconi and their role in manipulating perceptions. The author discusses further aspects of the Satanic infiltration of Freemasonry, pointing out on the generational aspect the many ways of defending yourself psychically against black magicians, but also against the many sects operating in the Illuminati Network.

Religion and Popular Music - Andreas Häger 2018-09-06

Through in-depth case studies, *Religion and Popular Music* explores encounters between music, fans and religion. The book examines several popular music artists - including Bob Dylan, Prince and Katy Perry - and looks at the way religion comes into play in their work and personas. Genres explored by contributing authors include country, folk, rock, metal and Electronic Dance Music. Case studies in the book originate from a variety of geographic and cultural contexts, focusing on topics such as nationalism and hard rock in Russia, fan culture in Argentina,

and punk and Islam in Indonesia. Chapters engage with the central issue of how global music meets local audiences and practices, and considers how fans as well as religious groups react to the uses of religion in popular music. It also looks at how they make these interactions between popular music and religion components in their own identity, community and practice. Tapping into a vital and lively topic of teaching, research and wider cultural interest, and employing diverse methodologies across musicians, fans and religious groups, this book is an important contribution to the growing field of religion and popular music studies.

The Illuminati - Robert Howells 2016-10-18

WikiLeaks and Anonymous are driven by the same ideals and aims as the Illuminati were 250 years ago, and the next counter culture revolution has already begun online. Throughout history governments, dictators and religious leaders have fought to cling to power by either force or manipulation. To counter these there have always been secret societies and groups working in the shadows for the emancipation of humanity. The Illuminati formed in 1776 among European Freemasons and academics with the intention of liberating humanity from physical, mental and spiritual bondage. This brought them into conflict with the ruling elite and religion, but during their brief incarnation they encapsulated the entire ethos of counter-culture into a single system of organized dissent that is still relevant today. The term Illuminati has since become usurped by the idea of a New World Order, but their principles live on through counter-culture and the connected communities of the internet age. Hacktivits and cultural movements like Anonymous and WikiLeaks currently wage war against corrupt corporations and government agencies that try to oppress and exploit society. This book is a wake up call for all who value their liberty and privacy to join the battle to protect counter-culture before it is too late.

Conspiracies of Conspiracies - Thomas Milan Konda 2019-03-15

It's tempting to think that we live in an unprecedentedly fertile age for conspiracy theories, with seemingly each churn of the news cycle bringing fresh manifestations of large-scale paranoia. But the sad fact is that these narratives of suspicion—and the delusional psychologies that

fuel them—have been a constant presence in American life for nearly as long as there's been an America. In this sweeping book, Thomas Milan Konda traces the country's obsession with conspiratorial thought from the early days of the republic to our own anxious moment. *Conspiracies of Conspiracies* details centuries of sinister speculations—from antisemitism and anti-Catholicism to UFOs and reptilian humanoids—and their often incendiary outcomes. Rather than simply rehashing the surface eccentricities of such theories, Konda draws from his unprecedented assemblage of conspiratorial writing to crack open the mindsets that lead people toward these self-sealing worlds of denial. What is distinctively American about these theories, he argues, is not simply our country's homegrown obsession with them but their ongoing prevalence and virulence. Konda proves that conspiracy theories are no harmless sideshow. They are instead the dark and secret heart of American political history—one that is poisoning the bloodstream of an increasingly sick body politic.

The Illuminati - Jim Marrs 2017-05-22

A deep dive into the origins, history, members, and workings of the Illuminati from a well-known and respected expert. Chilling initiations. Big banks and money manipulations. Possible links to the Rockefellers, Rothschilds, Adamases, and Bushes. Reviewing the evidence, documents, and connections, *The Illuminati: The Secret Society That Hijacked the World* by award-winning journalist and author Jim Marrs shines a light on the history, workings, continuing influence, and pernicious and hidden power of this secret order. Surveying experts—from those who dismiss the Illuminati as a short-lived group of little consequence to skeptics who dare question the government's accounts and pronouncements—Marrs cuts through the wild speculation and the attempts to silence critical thinkers to tell the true story of this secret cabal. He investigates their origin as “The Ancient and Illuminated Seers of Bavaria,” the depiction on the United States one-dollar bill of an all-seeing eye and pyramid on the reverse of the Great Seal of the United States, the Protocols—or procedures—for usurping national governments and gaining world domination, the symbolism found in today's

international corporate logos, Knights Templar, assassins, Skull and Bones, whistle blowers, the revolutions in France, Russia, and America, and much, much more. Wealth, power, and intrigue come together in this in-depth exposé on the Illuminati, their history, connections to powerful people, and their place in modern America.

Beyond Esoteric - Brad Olsen 2020-11-27

Nothing in this world works the way you think it does; there is always more to the story. Be aware that there is a war for your mind and your soul. Corporations have taken over governments in a new form of Fascism that now incorporates high technology and artificial intelligence. The survival of the human race may depend on breaking the Embargo of truth, and collectively developing an ÜberMind. But truth always resonates! *Beyond Esoteric* takes off the kids gloves, and exposes the control grid extending its tentacles across the planet. The word occult means nothing more than to study the realm of the hidden. So much of real knowledge and wisdom is disguised because the people who run the planet feel that true information of how the world works and how to manifest reality is something you do not need to know. Everything we think we know about the world and the universe in which we live, whatever we have been led to believe concerning the course of human history, could very well be completely wrong, distorted and misinformed. The 19th century teachers of the occult could never have imagined escaping prison planet in the 21st century we now face, one that extends far Beyond Esoteric.

The Illuminati's Greatest Hits - Frank White 2014-03-12

Birth through Adam Weishaupt in 1776 the secret society group known as the Illuminati have been wreaking havoc on the world ever since. They have fomented wars and have manipulated events from behind the shadows to sinisterly and diabolically implement their agenda of a New World Order. People have heard of the Illuminati through popular culture, but most brush off their existence as nothing more than some "conspiracy theory" hatched by conspiracy theorists without doing any

valid research that would perhaps discount their existence. Shame on them, because if they did the necessary research they would conclude that the Illuminati do actually exist in the annals of history. However, they supposedly disbanded which of course is not the case. Nonetheless, this powerful secret society is headed by 13 distinct bloodlines consisting of prominent families that you've probably heard of like the Rothschilds and the Rockefellers. Behind the scenes the Illuminati are planning and implementing their New World Order agenda through organizations that they've created like the Council on Foreign Relations, The Bilderberg Group, The Trilateral Commission and many other entities. They are shaping the world right in front of our eyes, but many are unable to see their hidden hand. They have toppled countries and their leaders not only through the acts of deception, corruption, and theft, but also through flat out murder and assassinations, all in the name of creating a New World Order. They have disrupted progressive movements like the Civil Rights movement of the 60's and have disposed of people who opposed them and refused to surrender to their Global Empire. In his book entitled *The Illuminati's Greatest Hits: Deception, Conspiracies, Murders And Assassinations By The World's Most Powerful Secret Society* author Frank White in a follow up to his best-selling book "Who Are The Illuminati?" covers the major historical figures from various time periods who simply stood in the way of the Illuminati and their New World Order Global Empire Machine or flat out rejected its overtures and as a result were assassinated and eliminated. The following events and people will be covered. The French Revolution and the execution of Louis XVI, The Sinking of the Titanic, the assassination of Abraham Lincoln, John F. Kennedy, Robert Kennedy, and John F. Kennedy Jr. The assassination of the Archduke Franz Ferdinand, Patrice Lumumba, Malcolm X, Dr. Martin Luther King Jr., Pope John Paul I, Jaime Roldas, Omar Torrijos, Muammar Gadhafi and the murder of Princess Diana. Simply put this is the most controversial and explosive book of the 21st Century!

Secret Societies - Philip Gardiner 2007-06-15

With his recent best-selling books and hundreds of articles, as well as radio and TV appearances, Philip Gardiner has started a crusade for uncovering the truth, and nothing could be more indicative of that search than his latest foray into the dark and often sinister world of secret societies. Yet again, Gardiner finds himself on a journey across the world to uncover the ancient secrets of the world's most powerful men. In one dramatic episode he finds himself driven out of Berlin in a black Mercedes by a secret organization that was believed to have disappeared after the second World War and eventually arrives in a modern Nazi watering hole. Gardiner, however, survives this incredible journey and brings us the secrets of the Order held sacred for so long. Gardiner delves into a world that is often hidden from our eyes and finds himself in situations that seem to mirror the fictional world of the Da Vinci Code. Throughout Secret Societies, Gardiner: —Uncovers an ancient secret society thought to have died out many years ago. —Gets to the core of the secret societies' belief systems. —Explores the secret origins of Freemasonry and the links to secret Serpent Cults. —Investigates the secret hidden meaning of King Arthur and Robin Hood. —Examines the claimants to the name of Illuminati, and analyzes the history of the group in Europe and America. —Reveals the secret links within the Vatican and the Nazi Party. —Looks in-depth at the white-powdered gold theory supposedly kept secret by orders throughout time and radically re-appraises it. —Shows the link between the so-called enlightenment experience and the control of our minds. Nobody in the genre involves themselves in the tale in the same way that Gardiner does, and here he shows that the search for ultimate truth can often be a terrifying one.

Illuminati 2 - Henry Makow 2010-04-28

A depraved satanic cult called the Illuminati is waging a covert war

against humanity. This is the key to mankind's tragic history and current predicament. For more than a thousand years, Cabalist money lenders have conspired to usurp power from church and aristocracy, according to a plan detailed in "The Protocols of the Elders of Zion." This plan does not represent Jews, but only a small cabal of bankers who organized in Masonic secret societies. They intermarried with prominent Gentiles and formed a vast occult and criminal underground. They are stealthily constructing a totalitarian world government. They involve nations in needless wars and enthrall the masses with porn, violence, trivia and toys. They attack our sources of identity and love -- God; family; country and race -- in order to stymie and dehumanize us. Sounds incredible, but after reading some of these 70 short essays, you'll nod in agreement. Their goal is to control your mind. If you know the truth, they can't.

The Secret School of Wisdom - Josef Wäges 2015

"For more than two hundred years, the world has held a prejudiced view of the Illuminati. Little has been said about the factual structure and development through its life cycle. The Secret School of Wisdom - The Authentic Rituals and Doctrines of the Illuminati, is a ground-breaking text. It marks the first time that a comprehensive ritual book for the society has been re-assembled. The reader will be guided along the same path as many of Germany's most enlightened men, as they did in the years immediately prior to the French Revolution. They will ascend from one level of knowledge to the next. Much of this material has never been published, let alone translated into English. Supplemental texts are included to gain further historical insight into the Order. The documents have been checked for accuracy with the original archival texts, and carefully translated into English. Why Did Yahweh and His Son Yahshuah Say What They Said? - Dr.

Justin G. Prock 2020-05-07

YAHWEH (The LORD God) and His Son YAHSHUAH (Jesus Christ) made statements with regard to Eschatology that have been "Spiritualized" for over a Millennium, which has led to the belief in Universalism, the belief that YAHSHUAH died for EVERYONE. Well, after one studies the original languages of the Hebrew, Aramaic, and Greek, the message of the Kingdom of God was preached to and accepted by a certain House in the Bible. The other House rejected this message, and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit. There are only the House of Israel, the House of Judah, and the House of David, mentioned in the Bible. All three existed then, as they do today. However, most of today's Babylonian Priesthood/Churchianity refuses to accept the secular historical position with regard to the House of Israel, and who they are today. The people groups, which YAHWEH and YAHSHUAH addressed, still exist today. However, these people are all mixed-up, and known by

different names, but they DO exist. This book goes back to the origin of these people groups in the Bible, and brings them forward to the present using their old names, in order to understand Eschatology. This brings us to the major question of, "Is the Bible only about Israel?" And, if so, how does it affect our Eschatology today? This book answers these hard questions...
