The Oxford Companion to Politics in India - Niraja Gopal Jayal 2010

Features Most authoritative and comprehensive reference work of its kind on Indian politics More than forty eminent contributors from India, USA, UK, and Europe Covers key issues like federalism, parliamentary democracy, judicial system, political economy of reforms, ethnicity and politics, party system, ideological contestations, social movements, and policies

Contemporary Political Ideologies - Joseph S. Roucek 1961-01-15

Joseph S. Roucek brings together theories from the major political movements of the twentieth century and guides readers through the waves of political change with approaches to Marxism, Communism, Colonialism, the Welfare State, and more. Joseph S. Roucek was a political theorist and author. He wrote or co-authored several books on education and politics including *The Czechs and Slovaks in America*, *Behind the Iron Curtain*, *America's Ethnic Politics*, and *Slow Learner*.

Indian Political Thought - Mahendra Prasad Singh 2011

Indian Political Thought: Themes and Thinkers covers all major Indian political thinkers from the ancient, through medieval to the modern times. Thus, this book provides an overview of the evolution of the Indian political thought through different historical periods, giving an insight into the sociological and political conditions of the times that shaped the Indian political thinking. It does not only talk about the lives and times of the thinkers, but also explores the important themes that formed the basis of their political ideologies. The chapters discuss the contributions of the thinkers and at the same time examine some important themes including the theory of state, civil rights, ideal polity, governance, nationalism, democracy, social issues like gender and caste, swaraj, satyagraha, liberalism, constitutionalism, Marxism, socialism and Gandhism. With a comprehensive coverage of both the thinkers and the themes of the Indian political thought, this book caters to needs of the undergraduate as well as the post graduate courses of all Indian universities. It is valuable also for UGC-NET and civil service examinations.

On Liberty - John Stuart Mill 1895

Foundations of Indian Political Thought - V. R. Mehta 1996

COMPARATIVE POLITICS AND GOVERNMENT - S. A. PALEKAR 2008-12-28

Considerable changes are taking place today in the structure and working of governments all over the world. This, in turn, has necessitated a change in the approach to the study of government and politics. This well-organized and systematic study takes into account these developments and shift in approach in the field of comparative government and politics. As the empirical study of political processes, structures and functions forms a major part of comparative political studies, the author examines them in detail. He also analyzes the many variables that are heterogeneous in nature. The book analyzes in tandem comparative government—which involves the study of different political systems with their institutions and functions—and comparative politics, which covers comparative governments and non-state politics. The latter also studies rule making, rule implementing and rule adjudicating. Since different political systems are governed by the constitutions of the nations concerned, the book deals in detail with the constitutions

of these countries. While the text gives a comprehensive coverage of constitutions of democracies such as UK, USA, France, Switzerland and Japan, it also deals with the constitutions of authoritarian States like Russia and China. This text should be of great value to undergraduate and postgraduate students of political science as well as aspirants of civil services.

An Introduction To Political Theory (4 Edition) - O. P. Gauba 2000-01-01

This revised edition examines a fairly wide range of issues on political theory, identified at the beginning of the new millennium. Elaborating the nature and significance of political theory, the book delves into the concept of ideology, nature and different views on politics and approaches to the study of politics. It is designed to cater to the needs of various Indian universities and competitive examinations including the Civil Services examination.

Political Theory - Hoveyda Abbas

Political Theory is about the description, observation, analysis and inquiry into the issues of political science. Divided into 15 chapters, the book captures all relevant aspects of political science and analyses them in the light of examples from India and the rest of the world. Through a thorough examination of various political institutions, the role of different social groups and the evolution of our politics, this book will help students understand the basic concepts and notions of political theory, and illustrate how these concepts apply to political systems across the world.

Western Political Thought: From Plato to Marx - Jha, Shefali

Western Political Thought: From Plato to Marx is a lucid and comprehensive account of political thought that stretches from ancient Greece to the nineteenth century. Analysing political philosophies chronologically, this book offers valuable insights into the political structures of societies across the ages, and presents a wide perspective on the various social and political ideologies. Each of the 12 chapters contains excerpts from the original works by the philosophers, comprehensive reading list, and thought provoking questions on the philosophies discussed.

An Introduction to Political Theory - O. P. Gauba 2019

Examines a fairly wide range of issues concerning the ever-expanding field of political theory, in a multidisciplinary (historical-sociological-economic-philosophical-juristic) perspective. It elaborates the nature and significance of political theory, concept of ideology with a concise and critical discussion of major political ideologies, nature of politics and various approaches to its study including empirical, normative, behavioural, post-behavioural as well as interdisciplinary approach. It elucidates the concepts of the state and sovereignty with reference to the challenges of imperialism, colonialism, neo-colonialism, impact of globalization, grounds and limits of political obligation, various dimensions of law (including rule of law), power (along with authority and legitimacy) citizenship (including democratic citizenship), human rights, liberty (including freedom as emancipation), equality (including equality of opportunity), justice (including social justice) and the common good. Then it dwells on various models and theories of democracy (including participatory and deliberative democracy), indicating the significance of multiculturalism. Finally it gives a critical account of the theories of social change and development with special reference to the problems of underdevelopment, sustainable development and political development

Political Theory & Thought - Sharma Manoj

Does the Elephant Dance? - David Malone 2011-04-07

Surveys the main features of contemporary Indian foreign policy.

The Politics - Aristotle 1981-09-17

Twenty-three centuries after its compilation, 'The Politics' still has much to contribute to this central question of political science. Aristotle's thorough and carefully argued analysis is based on a study of over 150 city constitutions, covering a huge range of political issues in order to establish which types of constitution are best - both ideally and in particular circumstances - and how they may be maintained. Aristotle's opinions form an essential background to the thinking of philosophers such as Thomas Aquinas, Machiavelli and Jean Bodin and both his premises and arguments raise questions that are as relevant to modern society as they were to the ancient world.

Political Philosophy - Dudley Knowles 2002-01-04

This comprehensive introduction to the major thinkers and topics in political philosophy explores the philosophical traditions which continue to inform our political judgements. Dudley Knowles introduces the ideas of key political thinkers including Hobbes, Locke, Marx and Mill and influential contemporary thinkers such as Berlin, Rawls and Nozick. He outlines central problems in political philosophy and encourages the reader to critically engage with all the issues discussed. The individual chapters discuss and analyse: * utilitarianism * liberty * rights * justice * obligation * democracy Political Philosophy is ideally suited to students taking introductory courses in political theory and philosophy.

Pratiyogita Darpan - 2008-09

Pratiyogita Darpan (monthly magazine) is India's largest read General Knowledge and Current Affairs Magazine. Pratiyogita Darpan (English monthly magazine) is known for quality content on General Knowledge and Current Affairs. Topics ranging from national and international news/ issues, personality development, interviews of examination toppers, articles/ write-up on topics like career, economy, history, public administration, geography, polity, social, environment, scientific, legal etc, solved papers of various examinations, Essay and debate contest, Quiz and knowledge testing features are covered every month in this magazine.

Makers of Modern India - Ramachandra Guha 2011

Includes a short biographical introduction to each person, followed by excerpts from their writings.

Comparative Politics - J. C. Johari 1972

College textbook.

Contemporary Political Philosophers - Anthony De Crespigny 1976

An Introduction To Political Theory (third Edition) - Gauba O P 1995

A Critical History of Western Philosophy - Y. Masih 1999

This is the enlarged edition of a Critical History of Modern Philosophy. In this new edition Greek and Medieval Philosophies have been added. The book also includes a critical and comparative account of the major contributions of eight modern thinkers. To this exposition the idealism of Hegel and Bradley has been introduced. Recent discussions concerning Hume, Kant, Hegel and Bradley have also been incorporated. Whilst giving fully an analytic account of topics, the author maintains that philosophy is a holistic enterprise of man, as we find it in Spinoza, Kant, Hegel and Bradley. The book has turned out to be a reliable and useful to the students of the subject throughout India. This thoroughly revised and enlarged edition will prove to be all the more serviceable in general.

International Relations Between the Two World Wars, 1919-1939 - E.H. Carr 1985-06-18

'A very excellent book ... A masterpiece of balanced exposition.' Sir Harold Nicolson, Daily Telegraph

An Introduction to Indian Philosophy - Satischandra Chatterjee 2016-01-01

The object of this book is to provide a simple introduction to the Indian systems of philosophy. Each one of these systems has had a vast and varied development. An attempt has been made to introduce the reader to the spirit and outlook of Indian philosophy and help him to grasp thoroughly the central ideas rather than

acquaint him with minute details. Modern students of philosophy feel many difficulties in understanding the Indian problems and theories. Their long experience with university students has helped the authors to realise these, and they have tried to remove them as far as possible. This accounts for most of the critical discussions which could otherwise have been dispensed with. The book has been primarily written for beginners. The first chapter which contains the general principles and basic features of Indian philosophy, as well as a brief sketch of each system, gives the student a bird's-eye view of the entire field and prepares him for a more intensive study of the systems which are contained in the following chapters. It is hoped, therefore, that the book will suit the needs of university students at different stages, as well as of general readers interested in Indian Philosophy.

Introduction to Contemporary Political Theory - Colin Farrelly 2003-12-03

'This text provides an up to date account of how things currently stand in political philosophy, and will provide an excellent introduction for students from any background. It gives a lucid and careful account of the central controversies and sites of disagreement in political theory over the last thirty years and rather than sacrifice theoretical sophistication and nuance for the sake of clarity and accessibility, it admirably achieves both' - Catriona McKinnon, University of York This comprehensive textbook provides a complete and accessible introduction to the main theorists and issues in contemporary political theory today. The text is organized into two major parts. The first, Contemporary Liberal Theory, outlines four distinct liberal theories of justice to introduce the work of Rawls, Nozick, Gauthier and Dworkin. The second, Alternative Traditions, introduces the theorists and themes associated with four key areas of contemporary debate: communitarianism, multiculturalism, deliberative democracy and feminism. By giving students questions for consideration and using applied examples throughout, the text illustrates the practical relevance of contemporary theoretical debates to everyday issues in policy and politics. The result is an essential overview of all the main traditions, issues and positions in political theory today that will serve as an invaluable resource for all students of contemporary political theory, political ideas and political philosophy. Colin Farrelly is Assistant Professor in the Department of Political Science at the University of Waterloo, Canada. Introduction to Contemporary Political Theory will complement Contemporary Political Theory: A Reader edited by Colin Farrelly and also published by SAGE Publications.

Political Theory - RC Agarwal 2004-12

Comprehensively written, this book presents the political theories, concepts, analysis, thoughts and main currents. The book begins with introduction to political theory, its history, evolution & approaches while also discussing forms & organs of Government. It progresses to discuss contemporary political analysis in light of American concepts and main currents of Political Thought in detail. This book would be extremely useful for the students pursuing BA Political Science.

Western Political Thinkers - Gyanender Singh 2008-01-01

Short biography of twelve western political thinkers.

Political Theory - Andrew Heywood 1999

The new third edition of the highly successful text has been revised and updated throughout to take account of new issues such as identity and difference, globalization and multiculturalism. The book provides a clear and accessible introduction to political theory and key concepts in political analysis. Each chapter discusses a cluster of interrelated terms, examines how they have been used by different thinkers and in the various political traditions, and explores related debates and controversies.

Pratiyogita Darpan - 2006-10

Pratiyogita Darpan (monthly magazine) is India's largest read General Knowledge and Current Affairs Magazine. Pratiyogita Darpan (English monthly magazine) is known for quality content on General Knowledge and Current Affairs. Topics ranging from national and international news/ issues, personality development, interviews of examination toppers, articles/ write-up on topics like career, economy, history, public administration, geography, polity, social, environment, scientific, legal etc, solved papers of various examinations, Essay and debate contest, Quiz and knowledge testing features are covered every month in this magazine.

Political Theory - Eddy Asirvatham | KK Misra 1995

This text is a classic in Indian political literature as the original author belongs to the Idealist school of

great political thinkers such as T H Green and Bosanquet. It is a comprehensive treatise on basic structure of established political theories, be it Bosanquet's idealistic theory of the State to liberal and anti-idealist view, as expressed by L T Hobhouse, to the Marxian theory of the State. The textbook follows an ideological approach where it rejects the attitude of those behaviouralists who place undue emphasis on methods, techniques and skills rather than on first principles and value judgements. It is developed for the undergraduate students of Political Science (Pass and honours courses). Aspirants of various competitive examinations such as Civil Services Examination and state public service commission examinations will also find the book extremely useful.

Political Theory and Socio-Political Philosophy - J. C. Johari 2015-12-01

Political theory covers within its fold certain related fields as political thought, political philosophy and political ideology. These are like sister parts of a particular discipline whose comprehensive study looks both perplexing and refreshing. A cynic may take it as a maze of overlapping contradictions and confusion, while its serious student may find it a lot of refreshing information about social and political phenomena. The reason behind it is that social and political issues change with the passage of time in respect of their nature and ramifications, and the theorists take different views and adopt different approaches to understand and explain what they call social and political reality. It depends on the broadness of their vision and the depth of their investigation from the standpoint of normativism, or empiricism, or a curious blending of both. While the greatness of the contribution of the Western thinkers and theorists to the stock of political theory and socio-political philosophy cannot be refuted, it cannot be taken as their exclusive domain if one acquires knowledge about such contributions of the great thinkers and theorists of the East. The book will meet the needs of the students preparing for the All India and State Civil Examinations. It will also prove a valuable textbook for postgraduate students of political science and socio-political philosophy.

Political Theory - RC Agarwal 2004-12

Comprehensively written, this book presents the political theories, concepts, analysis, thoughts and main currents. The book begins with introduction to political theory, its history, evolution & approaches while also discussing forms & organs of Government. It progresses to discuss contemporary political analysis in light of American concepts and main currents of Political Thought in detail. This book would be extremely useful for the students pursuing BA Political Science.

The four dimensions of power - Mark Haugaard 2020-06-26

Principles of Political Science - A C Kapur 1997

For Graduate and Post Graduate Students of Indian Universities and also useful for competitive examinations.

The Encyclopedia of Political Science Set - George T Kurian 2010-10-12

Political Theory: An Introduction - Rajeev Bhargava 2008-09

A HISTORY OF POLITICAL THOUGHT - SUBRATA MUKHERJEE 2011-08-09

This lucidly written text, in its second edition, continues to provide a comprehensive study of the classical political tradition from Plato to Marx. The book elucidates the fascinating evolution of the history of political ideas, through the works of thirteen key political thinkers — which includes Plato, Aristotle, Machiavelli, Hegel and Marx. The text highlights the decline and revival of classical political theory and portrays the clash of universalism vs. localism in the classical tradition. It focuses on the recent interpretations of the classical texts, for instance, feasibility of the ideal State in Plato; civic humanism and republicanism in Machiavelli; the radicalism of Locke, and the contributions to the woman's cause by John

Stuart Mill. The text is intended for the undergraduate and postgraduate students of Political Science of various universities, and for all those who are appearing for the civil services examinations. NEW TO THIS EDITION : Inclusion of two important liberal thinkers, Mary Wollstonecraft, the founder of liberal feminism, and Immanuel Kant, a de-ontological liberal. Addition of an Appendix on John Rawls who is credited as a seminal thinker of contemporary times, having played a crucial role in the revival of normative political theory.

Western Political Thought - Brian R. Nelson 2015-01-29

Written simply and directly—but without sacrificing intellectual depth—this widely acclaimed text explores the preeminent theorists of Western political thought from the pre-Socratics to the contemporary era. The author provides an in-depth analysis of a limited number of major thinkers, which allows for a richly detailed examination of each philosopher in historical context. *Western Political Thought, Second Edition*, presents the fundamental terms, ideas, and dilemmas of Western political philosophy in a straightforward, easy-to-understand manner. It organizes the theorists historically, explains basic concepts in depth, and draws out and analyzes the implications of various political theories. Moreover, this cohesive volume employs an overarching theme, examining each thinker in terms of the changing relationships of ethics and politics in Western political philosophy.

POLITICAL THEORY - SUSHILA RAMASWAMY 2010-10-01

Political theory and political philosophy are generally used inter-changeably, though sometimes a distinction is made between the two. This book on political theory deals with the study of political institutions alongwith the theories of State, Law, Liberty and Equality. In its second edition, the book continues to analyse the key concepts like Authority, Power, Sovereignty, Political obligation, Civil disobedience, Citizenship, Rights, Democracy and Justice. The non-western ideas, including Indian and Chinese, are incorporated to underline cultural plurality and shared values in an enterprise that tries to set universal standards. The book is designed for the undergraduate and postgraduate students of Political Science. The book will be equally beneficial for the students appearing for the civil services examinations.

A History of Western Political Thought - J. S. McClelland 2005-07-15

A History of Western Political Thought is an energetic and lucid account of the most important political thinkers and the enduring themes of the last two and a half millennia. Written with students of the history of political thought in mind, the book: * traces the development of political thought from Ancient Greece to the late twentieth century * focuses on individual thinkers and texts * includes 40 biographies of key political thinkers * offers original views of theorists and highlights those which may have been unjustly neglected * develops the wider themes of political thought and the relations between thinkers over time.

Social and Political Philosophy - James P. Sterba 2002-11-01

Social and Political Philosophy introduces some of the most important topics in contemporary political philosophy and questions whether these can be accommodated within the framework of liberal theory. It consists of specially written essays by prominent figures in social and political philosophy. Each essay carefully considers both the theoretical and practical problems of a major topic. Traditional perspectives are balanced with new challenges. Topics include: * Moral Methodology * Libertarianism * Socialism * Lesbian and Gay Perspectives * Feminism * Racial and Multicultural Perspectives * Rationality * Welfare Liberalism * Environmentalism * Virtue Ethics and Community * Just War Theory and Pacifism * Civil Disobedience.

An Introduction to Political Theory - Gauba 2009-02

This new edition of *An Introduction to Political Theory* examines a fairly wide range of issues on political theory as identified at the beginning of the new millennium. It elaborates the nature and significance of political theory, concept of ideology, wi
