Literary Theories in Praxis - Shirley F. Staton 1987
Literary Theories in Praxis analyzes the ways in which critical theories are transformed into literary criticism and methodology. To demonstrate the application of

this analysis, critical writings of Roland Barthes, Harold Bloom, Cleanth Brooks, Jacques Derrida, Northrop Frye, Norman Holland, Barbara Johnson, Jacques Lacan, Adrienne Rich, and Robert Scholes are examined in terms of the primary critical stance each author employs—New Critical, phenomenological, archetypal,

structuralist/semiotic, sociological, psychoanalytic, reader-response, deconstructionist, or humanist. The book is divided into nine sections, each with a prefatory essay explaining the critical stance taken in the selections that follow and describing how theory becomes literary criticism. In a headnote to each selection, Staton analyzes how the critic applies his or her critical methodology to the subject literary work. Shirley F. Staton's introduction sketches the overall philosophical positions and relationships among the various critical modes.

The Accident - Ismail Kadare 2011-03-01

The new book from the winner of the inaugural International Man Booker Prize is a modern-day love story of powerful obsession set against the background of dark political intrigue. On the autobahn in Vienna a taxi leaves the carriageway and strikes the crash barrier, flinging its male and female passengers out of its back doors as it spins through the air. The driver cannot explain why he lost control; he only says that the mysterious couple in the back seat seemed to be about to kiss . . . Set against the tumultuous backdrop of war and its aftermath in the Balkans, *The Accident* intimately documents an affair between two people caught in each other's webs. The investigation into their deaths uncovers a mutually destructive obsession that mirrors the conflicts of the region. A destabilizing mixture of vivid hallucination and cold reality, Ismail Kadare's new novel is a bold and fascinating

departure.

The Three-Arched Bridge -

Ismail Kadare 2012-01-31

In the Balkan Peninsula, history's long-disputed bridge between Asia and Europe, the receding Byzantine empire has left behind a patchwork of warring peoples who fight over everything, from their pastures of sheep to the authorship of their countless legends. One such gruesome tale declares that a castle under construction cannot be finished until a young mason's bride has been walled up alive, one breast left exposed to suckle her growing infant even after her death. Myth becomes perverse reality when a mason is plastered into a bridge over a strategically important river, where his will not be the last human sacrifice.

Chronicle in Stone - Ismail

Kadare 2011-07-01

Masterful in its simplicity, *Chronicle in Stone* is a touching coming-of-age story and a testament to the perseverance of the human spirit. Surrounded by the magic of beautiful women and literature, a boy must endure the deprivations of

war as he suffers the hardships of growing up. His sleepy country has just thrown off centuries of tyranny, but new waves of domination inundate his city. Through the boy's eyes, we see the terrors of World War II as he witnesses fascist invasions, allied bombings, partisan infighting, and the many faces of human cruelty—as well as the simple pleasures of life. Evacuating to the countryside, he expects to find an ideal world full of extraordinary things, but discovers instead an archaic backwater where a severed arm becomes a talisman and deflowered girls mysteriously vanish. Woven between the chapters of the boy's story are tantalizing fragments of the city's history. As the devastation mounts, the fragments lose coherence, and we perceive firsthand how the violence of war destroys more than just buildings and bridges.

The Siege - Ismail Kadare

2010-02-12

From Ismail Kadare, winner of the inaugural Man Booker International Prize – a novelist

in the class of Coetzee, Pamuk, Márquez, and Rushdie – the stunning new translation of one of his major works. In the early fifteenth century, as winter falls away, the people of Albania know that their fate is sealed. They have refused to negotiate with the Ottoman Empire, and war is now inevitable. Soon enough, dust kicked up by Turkish horses is spotted from a citadel. Brightly coloured banners, hastily constructed minarets, and tens of thousands of men fill the plain below. From this moment on, the world is waiting to hear that the fortress has fallen. The Siege tells the enthralling story of the weeks and months that follow – of the exhilaration and despair of the battlefield, the constantly shifting strategies of war, and those whose lives are held in the balance, from the Pasha himself to the artillerymen, astrologer, blind poet, and harem of women who accompany him. "Believe me," the general said. "I've taken part in many sieges but this," he waved towards the castle walls, "is where the most fearful

carnage of our times will take place. And you surely know as well as I do that great massacres always give birth to great books. You really do have an opportunity to write a thundering chronicle redolent with pitch and blood, and it will be utterly different from the graceful whines composed at the fireside by squealers who never went to war." Brilliantly vivid, as insightful as it is compelling, The Siege is an unforgettable account of the clash of two great civilisations, and a portrait of war that will resonate across the centuries. [Voices from the Gulag](#) - Tzvetan Todorov 2010-11-01
"We also hear from guards, commandants, and bureaucrats whose lives were bound together with the inmates in an absurd drama. Regardless of their grade and duties, all agree that those responsible for these "excesses" were above or below them, yet never they themselves. Accountability is thereby diffused through the many strata of the state apparatus, providing legal defenses and "clear"

consciences. Yet, as the concluding section of interviews - with the children and wives of the victims - reminds us, accountability is a moral and historical imperative."--BOOK JACKET.

The Doll - Ismail Kadare
2020-11-17

In this autobiographical novel, Albania's most renowned novelist and poet Ismail Kadare explores his relationship with his mother in a delicately wrought tale of home, family, creative aspirations, and personal and political freedom. "Houses like ours seemed constructed with the specific purpose of preserving coldness and misunderstanding for as long as possible." In his father's great stone house with hidden rooms and even a dungeon, Ismail grows up with his mother at the center of his universe. Fragile as a paper doll, she finds herself at odds with her tight-lipped and wise mother-in-law who, as is the custom for women of a certain

age, will never again step foot over the threshold to leave her home. Young Ismail finds it difficult to understand his mother's tears, though he can understand her boredom. She told him the reason herself in a phrase that terrified and obsessed the boy: "The house is eating me up!" As Ismail explores his world, his mother becomes fearful of her intellectual son—he uses words she does not understand, writes radical poetry, falls in love far too easily, and seems to renounce everything she believes in. He will, she fears, have to exchange her for some other superior mother when he becomes a famous writer. The Doll is a delicate and disarming autobiographical novel, an exploration of Kadare's creative aspirations and their tangled connections to his childhood home and his mother's tenuous place within it.

Two destinies intersect in this novel -- that of Gjorg, a young mountaineer who has just killed a man in order to avenge the death of his older brother, and who expects to be killed himself in keeping with the code of the highlands; and that of a young couple who have come to study the age-old customs, including

the blood feud.

The Pyramid - Ismail Kadare

2011-11-21

Egypt in the twenty-sixth century BC. The young pharaoh Cheops wants to forgo the construction of a pyramid in his honor, but his court sages hasten to persuade him otherwise. The pyramid, they tell him, is not a tomb but a paradox, designed to appease the masses by oppressing them. It is a symbol of nothing, a useless and infinite project designed to waste the country's wealth and keep security and prosperity, ever the fonts of sedition, constantly at bay. And so the greatest pyramid in the world has ever seen begins to rise. Rumors multiply. A secret police is formed.

Conspiracies—real and imagined—swirl around the rising edifice. The most drastic purges follow. By the time the first stone is laid, Cheops's subjects are terrified enough to yield to his most murderous whims. Each time one of the massive stones is hoisted into place, dozens of men are crushed, and there are tens of

thousands of stones. . . .

The File on H. - Ismail Kadare
2012-01-31

In the mid-1930s, two Irish Americans travel to the Albanian highlands with an early model of a marvelous invention, the tape recorder. Their mission? To discover how Homer could have composed works as brilliant and as long as *The Iliad* and *The Odyssey* without ever putting pen to paper. The answer, they believe, can be found only in Albania, the last remaining habitat of the oral epic. But immediately upon their arrival, the scholars' seemingly arcane research excites suspicion and puts them at the center of ethnic strife in the Balkans. Mistaken for foreign spies, they are placed under surveillance and are dogged by gossip and intrigue. It isn't until a fierce-eyed monk from the Serbian side of the mountains makes his appearance that the scholars glimpse the full

political import of their search for the key to the Homeric question.

The Successor - Ismail Kadare
2011-04-18

A powerful political novel based on the sudden, mysterious death of the man who had been

handpicked to succeed the hated Albanian dictator Enver Hoxha. Did he commit suicide or was he murdered? That is the burning question. The man who died by his own hand, or another's, was Mehmet Shehu, the presumed heir to the ailing dictator, Enver Hoxha. So sure was the world that he was next in line, he was known as The Successor. And then, shortly before he was to assume power, he was found dead. **THE SUCCESSOR** is simultaneously a mystery novel, an historical novel based on actual events and buttressed by the author's private conversations with the son of the real-life Mehmet Shehu and a psychological novel (How do you live when nothing is sure?). Vintage Kadare, **THE SUCCESSOR** seamlessly blends dream and reality, legendary past, and contemporary history. A Girl in Exile - Ismail Kadare 2018-01-01

A New York Times Book Review Editors' Choice "Erotic, paranoiac and lightly fantastical."—The Wall Street Journal "Ismail Kadare's readers are astonished every year when the Nobel committee overlooks him. . . . *A Girl in Exile*, published in Albanian in 2009,

may rekindle the worldwide hopes.” —The New York Times Book Review During the bureaucratic machinery of Albania’s 1945–1991 dictatorship, playwright Rudian Stefa is called in for questioning by the Party Committee. A girl—Linda B.—has been found dead, with a signed copy of his latest book in her possession. He soon learns that Linda’s family, considered suspect, was exiled to a small town far from the capital. Under the influence of a paranoid regime, Rudian finds himself swept along on a surreal quest to discover what really happened to Linda B. “At a time when parts of the world are indulging nostalgia for communism, Kadare’s novel confronts the infuriating impossibility of art in an autocratic, anti-individualist system.” —The Washington Post “A Girl in Exile confirms Kadare to be the best writer at work today who remembers—almost aggressively so, refusing to forget—European totalitarianism.” —The New Republic

The Traitor's Niche - Ismail Kadare 2018-05-01

"Kadare is inevitably linked to Orwell and Kundera, but he is a far deeper ironist than the first, and a better storyteller than the second. He is a compellingly ironic storyteller because he so brilliantly summons details that explode with symbolic reality." —The New Yorker At the heart of the Ottoman Empire, in the main square of Constantinople, a niche is carved into ancient stone. Here, the sultan displays the severed heads of his adversaries. People flock to see

the latest head and gossip about the state of the empire: the province of Albania is demanding independence again, and the niche awaits a new trophy . . . Tundj Hata, the imperial courier, is charged with transporting heads to the capital—a task he relishes and performs with fervor. As he travels through obscure and impoverished territories, he makes money from illicit side-shows, offering villagers the spectacle of death. The head of the rebellious Albanian governor would fetch a very high price indeed. The Traitor's Niche is a surreal tale of tyranny and rebellion, in a land where armies carry scarecrows, state officials ban entire languages, and the act of forgetting is more complicated than remembering. Long-listed for the 2017 Man Booker International Prize "The name of the Albanian novelist Ismail Kadare regularly comes up at Nobel Prize time, and he is still a good bet to win it one of these days . . . He is seemingly incapable of writing a book that fails to be interesting." —The

Elegy for Kosovo - Ismail
Kadare 2011-12-03

June 28, 1389: Six hundred years before Serbian leader Slobodan Milosevic called for the repression of the Albanian majority in Kosovo, there took place, on the Field of the Blackbirds, a battle shrouded in legend. A coalition of Serbs, Albanian Catholics, Bosnians, and Romanians confronted and were defeated by the invading Ottoman army of the Sultan Murad. This battle established

the Muslim foothold in Europe and became the centerpiece of Serbian nationalist ideology, justifying the campaign of ethnic cleansing of Albanian Kosovars that the world witnessed with horror at the end of the past century. In this eloquent and timely reflection on war, memory, and the destiny of two peoples, Ismail Kadare explores in fiction the legend and the consequences of that defeat. *Elegy for Kosovo* is a heartfelt yet clear-eyed lament for a land riven by hatreds as old as the Homeric epics and as young as the latest news broadcast.
