Spanish for Law Enforcement Enhanced Edition: The Basic Spanish Series - Ana Jarvis 2019-04-05

BASIC SPANISH FOR LAW ENFORCEMENT is a career manual designed to serve those in the law enforcement professions who seek basic conversational skills in Spanish. It presents typical everyday situations that pre-professionals and professionals may encounter when dealing with Spanish speakers in the United States at work settings such as police stations, prisons, and on the street. This second edition introduces practical vocabulary, everyday on-the-job situations, and culture notes (Notas culturales) written from a cross-cultural perspective. It provides opportunities to apply, in a wide variety of practical contexts, the grammatical structures presented in the corresponding lessons of the Basic Spanish core text. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

#### **Vinculación de la prueba de comprensión oral del examen**

**CertAcles de la Universidad de Granada con el MCER** - Shackleton, Caroline

Este estudio, como parte del proceso de validación fehaciente del uso e interpretación de las puntuaciones del examen de inglés binivel de la Universidad de Granada (UGR), pretende relacionar, oficialmente, la prueba de comprensión oral de este examen con el Marco Común Europeo de Referencia (MCER). Con tal fin seguimos las recomendaciones del Consejo de Europa (2009) para determinar unos puntos de corte representativos de los niveles B1 y B2 del MCER. La prueba utilizada en el estudio fue la convocatoria de marzo del 2017 (N=464), que demostró ser un instrumento de medición fiable y apropiado. En el estudio participaron diez expertos, quienes, tras una sesión para familiarizarse con el MCER, realizaron varias sesiones de fijación de puntos de corte. Se utilizaron dos métodos: el método Basket, o de la cesta, para familiarizar a los participantes con los ítems de la prueba. después del cual se analizaron los resultados empleando un modelo de múltiples facetas de Rasch (MFR); por otro lado, el método Bookmark, o del marcador, que incorporó parámetros de dificultad del ítem, resultantes de un análisis Rasch de los puntajes de la prueba. La mediana final de los puntos de corte aportados por los expertos se calculó empleando una probabilidad de respuesta de

0.67, y se transfirió a la escala de capacidad zeta del modelo Rasch para determinar las puntuaciones brutas que representarán los dos niveles de dominio del MCER en cuestión. También se realizaron otros controles de fiabilidad y de validez para proporcionar una documentación transparente sobre el proceso completo, recomendado por el Consejo de Europa (2009). El método de equiparación de puntuaciones del modelo Rasch permite que los puntajes sean reproducibles en futuras versiones de la prueba y, por tanto, apoyan la inferencia de generalización del argumento de validez para la prueba binivel de la UGR.

**Englih Grammar: Step by Step 1** - Elizabeth Weal 2013-07-21

The English Grammar: Step by Step series is unique because it is specifically designed for Spanish-speaking students who have little or no knowledge of Spanish or English grammar. English Grammar: Step by Step 1 covers basic punctuation and capitalization in English; the verbs to be and to have; contractions with to be; and possessive adjectives (my, his, her, etc.). It also includes more than a thousand exercises, with answers, and a dictionary that includes all of the words used in the book. An accompanying book, Teaching English: Step By Step 1, provides listening and speaking exercises that accompany the grammar exercises presented in English Grammar: Step by Step 1.

*The Everything Spanish Practice Book* - Julie Gutin 2005-12-12

Includes grammar reviews and practice exercises for beginning and intermediate Spanish students, with audio CD for listening exercises.

Caminos 2 - Niobe O'Connor 2003-09-16

A school Spanish course for beginners, Caminos Segunda Edicion has been fully revised and updated to cover the QCA Scheme of Work for Spanish. It is fully differentiated with activities at two levels of difficulty and additional material on differentiated worksheets provides practice in all four skills at two levels of ability. Additions to the second edition include a stronger focus on grammar, improved and extended ICT offerings and regular and rigorous assessment. The course has been improved to include comments from users, giving teachers the confidence that their students are provided with all the necessary support. Caminos segunda edicion is fully differentiated with activities at two levels of difficulty.- Additional material on differentiated worksheets provides even more practice in all four skills at two levels of ability.
