Alfredo de Palchi - Giorgio Linguaglossa 2020-12-10

In this keen examination of Alfredo de Palchi's lyrical oeuvre, Giorgio Linguaglossa refers to de Palchi as the missing link in Italian poetry in the second half of the twentieth century. From page one of this study, de Palchi's voice is in constant dialogue with the Italian poets of his time. Linguaglossa gives us a complete picture of the relationship between de Palchi's asymptomatic creative paradigm and what was taking place around him. While the majority of de Palchi's life was spent outside of Italy, he continued to engage with Italy in his poetry, in translating Italian poets into English and for close to fifty years as co-editor, with Sonia Raiziss, of Chelsea magazine, a biannual that published a significant number of translations of twentieth-century Italian poets. Through Chelsea magazine de Palchi also became a conduit, bringing Italian poetry to non-Italian-speaking poetry aficionados in the United States. It is especially his own verse, written outside the geocultural boundaries that we know as Italy, which makes this study by Giorgio Linguaglossa all the more important.

Memory Craft - Lynne Kelly 2020-01-07

Groundbreaking anthropologist and memory champion Lynne Kelly reveals how we can use ancient and traditional mnemonic methods to enhance and expand our memory. Our brain is a muscle. Like our bodies, it needs exercise. In the last few hundred years, we have stopped training our memories and we have lost the ability to memorize large amounts of information- something our ancestors could do with ease. After discovering that the true purpose of monuments like Easter Island and Stonehenge were to act as memory palaces, Kelly takes this knowledge and introduces us to the best memory techniques humans have ever devised, from ancient times and the Middle Ages to methods used by today's memory athletes. A memory champion herself, Kelly tests all these methods and demonstrate the extraordinary capacity of our brains at any age. For anyone who needs to memorize a speech or a script, learn anatomy or a foreign language, or prepare for an exam, Memory Craft offers proven techniques and simple strategies for anyone who has trouble remembering names or dates, or for older people who want to keep their minds agile. In addition to getting in touch with our own human and anthropological foundations, Memory Craft shows how all things mnemonic can be playful, creative, and fun.

Idioms, slang and typical expressions of spoken Italian are also presented and practiced ... The volume has answer keys."--Éditeur.

Already Enough - Lisa Olivera 2022-01-25

Growing up, Olivera knew she was adopted and later learned she was abandoned. She believed that something must have been wrong with her to cause her mother to abandon her. With the help of a therapist she began to tell herself a better story. Here she shows we can reframe our stories so we can remember that we are already enough, just as we are. By integrating all the parts of who we were, who we are, and who we want to be, we can live a more whole and meaningful life. -- adapted from jacket.

Less Fret, More Faith - Max Lucado 2017-09-12

Anxiety comes with life. But it doesn't have to dominate your life. Do you ever have an overwhelming sense of dread? Bombarded with "what-if's," always on edge, preparing for something bad to happen? According to one research program, anxiety-related issues are the number one mental health problem among women and are second only to alcohol and drug abuse among men. Even students are feeling it. One psychologist reports that the average high school kid today has the same level of anxiety as the average psychiatric patient in the early 1950s. Chances are, you or someone you know seriously struggles with anxiety. New York Times bestselling author and pastor Max Lucado knows what it feels like to be overcome by the worries and fear of life, which is why he is dedicated to helping readers take back control of their minds and, as a result, their lives. In this 64-page booklet based on one of Max's bestselling books, *Anxious for Nothing*, you'll find: An 11-week practical plan to overcome anxiety Weekly Scripture verses for meditation Weekly prayers to reframe anxious thoughts Stop letting anxiety rule the day and join Max on the journey to true freedom by the power of the Spirit.

How to Host a Viking Funeral - Kyle Scheele 2022-02-08

An inspiring speaker and artist asked 20,000 people around the world to share the regrets they wanted him to burn in a mock Viking ship. This is the story of what he learned about letting go of the pain of the past and embracing the future with hope. Turning 30, artist and speaker Kyle Scheele wanted to do something unusual to mark this milestone. Instead of a birthday bash, he decided to hold a funeral to memorialize the decade of his life that was ending. Building a 16-foot Viking ship out of cardboard, he invited friends to help him set it on fire—a symbolic farewell to his 20s and all the grief, regret, and mistakes that accompanied those years. When video of his Viking funeral went viral, it encouraged many others to let go of past hurts as well. Moved by the response he received, Kyle planned a second funeral (this time with a 30-foot cardboard Viking ship) and asked people to share the things they carried—the bad choices, disappointments, heartaches, and

negative thinking that they wanted to lay to rest. He received more than 20,000 responses from around the world—stories both heartbreaking and hilarious, painful and inspiring. In this entertaining and wise book, Kyle reflects on what he discovered about freeing ourselves from the pain of the past, interweaving anecdotes from those who participated with the story of his own journey of renewal. “This story involves multiple Viking funerals, thousands of square feet of cardboard, and enough hot glue to supply your mother-in-law's craft night for the rest of time,” he writes. “But it also involves regret, self-doubt, insecurity, and ultimately, redemption. So buckle up. It's about to get bumpy.” How to Host a Viking Funeral is the story of letting go of the people we used to be, but no longer want to be. It's about renewal; where there was once regret there is now blank space—an opportunity for a fresh start.

White Nights - Anna Zaires 2022-07-06

The complete USA TODAY bestselling duet, available for the first time in one convenient, discounted bundle. Over 2300 5-star reviews on the individual books! Of all the hospitals in New York City, he walks into mine. I know from the moment I see him that Alex Volkov is dangerous. He's the kind of trouble every woman should run from. The bullet his bodyguard took for him proves that. My attraction to him is not rational, not logical... but it's too strong to resist. I tell myself it will be just one night. One night to step away from the stress of work, to give into temptation. But before I know it, he's pulling me deeper into his world of excess and violence, invading not only my life but my heart. He's always known the power he wields over me, but once I discover it for myself, my future is already under his control. Note: This bundle contains White Nights and Midnight Days and is the full story of Alex and Kate.

The Expectation Effect - David Robson 2022-02-15

“As David Robson makes plain in this compelling book, the way we think about the world can profoundly shape how we navigate it. Based in science and packed with smart advice, *The Expectation Effect* will expand your mind—and maybe even extend your life.” —Daniel Pink, New York Times bestselling author of *When, Drive, and To Sell Is Human* A journey through the cutting-edge science of how our mindset shapes every facet of our lives, revealing how your brain holds the keys to unlocking a better you. What you believe can make it so. You've heard of the placebo effect and how sugar pills can accelerate healing. But did you know that sham heart surgeries often work just as well as placing real stents? Or that people who think they're particularly prone to cardiovascular disease are four times as likely to die from cardiac arrest? Such is the power and deadly importance of the expectation effect—how what we think will happen changes what does happen. Melding neuroscience with narrative, science journalist David Robson takes readers on a deep dive into the many life zones the expectation effect permeates. We see how people who believe stress is beneficial become more creative when placed under strain. We see how associating aging with wisdom can add seven plus years to your life. People say seeing is believing but, over and over, Robson proves that the converse is truer: believing is seeing. *The Expectation Effect* is not woo-woo. You cannot think your way into a pile of money or out of a cancer diagnosis. But just because magical thinking is nonsense doesn't mean rational magic doesn't exist. Pointing to accepted psychology and objective physiology, Robson gives us the practical takeaways we need to improve our fitness, productivity, intelligence, and happiness. Any reader who wants to take their fate into their own hands need only pick up this book.

Present Over Perfect - Shauna Niequist 2016-08-09

New York Times bestselling author Shauna Niequist invites you to look at the landscape of your own life, consider how it might feel to leave behind the pressure to be perfect, and begin the practice of simply being present in the middle of the mess. A few years ago, Shauna found herself exhausted and isolated, her soul and body sick. She was tired of being tired and burned out on busy. It seemed like almost everyone she talked to was in the same boat: longing for connection, meaning, and depth, but settling for busy. But then something changed. She decided to trade the hustle and bustle for grace, love, stillness, and play, and it changed everything. Shauna offers an honest account of what led her to begin this journey and a compelling vision for an entirely new way to live: soaked in rest, silence, simplicity, prayer, and connection with the people who matter most to us. As you witness Shauna's journey, you'll be inspired to embark on one of your own. She gives you the encouragement you need to: Put an end to people-pleasing tendencies Embrace moments of simplicity, quiet, and stillness Accept that you are worthy of love, belonging, and joy Written in Shauna's warm and vulnerable style, this collection of essays focuses on the most important transformation in her life, and maybe yours too: leaving behind busyness and frantic living and rediscovering the person you were made to be. Present Over Perfect is a hand reaching out, pulling you free from the constant pressure to perform faster, push harder, and produce more while maintaining an exhausting image of perfection. Join the over 500,000 others who have already started walking this new path away from frantic pushing and proving and toward their true selves.

Follow Your Heart - Susanna Tamaro 1996-08-01

An international bestseller with tremendous word-of-mouth appeal, *Follow Your Heart* is a bittersweet, heartwarming novel spanning generations and teaching the universal truths about life, love, and what lies within each of us. Originally published in Italy, *Follow Your Heart* won the coveted Premio Donna Citta di Roma and sold over 800,000 copies in that country alone before hitting bestseller lists throughout the rest of Europe. Now North American readers can enjoy the novel that has won over the world. It begins in late autumn 1992 as an elderly Italian woman, prompted by the knowledge of her encroaching death, sits down to write a letter to her granddaughter now grown and living in far-off America. Through these moving reflections, we see one life laid bare—joys, sorrows, regrets, and all. And through the eyes of a woman nearing the end of her days, we come to understand what life experience has taught her: that no matter what the stakes, we must look within ourselves and gather the courage to follow our hearts.

The Violin - Dacia Maraini 2001

Translated from the Italian by Dick Kitto, Elspeth Spottiswood, This novel, by Italy's leading woman writer, takes the form of letters written by Vera, a much-travelled playwright, to her young friend Flavia. Flavia, six, is the niece of Edoardo, a young violinist with whom Vera is having an affair. The changing tone of Vera's letters reflects the change in Flavia from childhood to adolescence. Vera and Edoardo's relationship, its joy and pain, and eventually its break-up, make this a sequence of letters never to be forgotten.

Fighting Forward - Hannah Brencher 2021-01-05

Fighting Forward is the empowering anthem you need to take the next small step to a better life. At the darkest point of a life-altering depression, Hannah Brencher took a silver marker and labeled a composition book "Fight Song." In that little notebook, she poured hope-filled truths and affirmations, knowing that one day, she—and you—would need a reminder to stay in the fight. Drawn from those glow-in-the-dark words, *Fighting Forward* is your empowering invitation to show up, claim hope, and take back your life one small win at a time. Popular blogger,

viral TED Talk speaker, and founder of The World Needs More Love Letters, Hannah shares personal stories of developing daily rhythms and sustainable faith in a culture of hustle. With a heap of hope for those who long to move from anxiety and fear into action steps, the power-ballad essays in this book will encourage you to savor the milestones you've already reached, root yourself in the next small step, welcome healthy routines into your day, and apply grace like sunscreen in the process of your own becoming. Fighting Forward champions the truth that each song starts with a single note. With trust and a little time, each note and every small step adds up to a victorious anthem of showing up to this life and staying in the fight to become who God made you to be.

Form and Event - Carlo Diano 2020-07-07

Carlo Diano's Form and Event has long been known in Europe as a major work not only for classical studies but even more for contemporary philosophy. Already available in Italian, French, Spanish, and Greek, it appears here in English for the first time, with a substantial Introduction by Jacques Lezra that situates the book in the genealogy of modern political philosophy. Form and Event reads the two classical categories of its title phenomenologically across Aristotle, the Stoics, and especially Homer. By aligning Achilles with form and Odysseus with event, Diano links event to embodied and situated subjective experience that simultaneously finds its expression in a form that objectifies that experience. Form and event do not exist other than as abstractions for Diano but they do come together in an intermingling that Diano refers to as the "eventic form." On Diano's reading, eventic forms interweave subjectively situated and embodied experiences, observable in all domains of human and nonhuman life. A stunning interpretation of Greek antiquity that continues to resonate since its publication in 1952, Form and Event anticipates the work of such French and Italian post-war thinkers as Gilles Deleuze, Alain Badiou, Roberto Esposito, and Giorgio Agamben.

Intermediate Korean Short Stories - Lingo Mastery 2021-08-30

Are you looking for a new Korean challenge after mastering the basics? Welcome to the Intermediate level! The Korean language is constantly advancing and conquering new markets. Whether it's with their television series, their incredible music or

simply the culture and tourism, the Korean tongue is currently taking over the world! And we guess that you don't want to be left behind in not understanding and speaking Korean, right? Because of this, we have created the next level of Korean stories for the students who have already surpassed the beginner level: Intermediate Korean Short Stories! In this book we have compiled 12 challenging, compelling and fun stories that will allow you to expand your vocabulary, educate you on the culture and give you the tools to boost your grasp of the wonderful Korean tongue. How Intermediate Korean Short Stories works: - Each chapter possesses a funny, interesting and/or thought-provoking story based on real-life situations, allowing you to discover more about the Korean way of life. The last two are even more challenging in length and level for those of you getting ready for Advanced Korean! - The summaries follow the story: a synopsis in Korean and in English of what you just read, both to review the lesson and for you to see if you understood what the tale was about. Use them if you're having trouble. - At the end of those summaries, you'll be provided with a list of the most relevant vocabulary involved in the lesson, as well as slang and sayings that you may not have understood at first glance! - Finally, you'll be provided with a set of tricky questions in Korean, allowing you the chance to prove that you learned something in the story. Don't worry if you don't know the answer to any - we will provide them immediately after (and in English), but no cheating! We want you to feel comfortable while mastering the Korean tongue; after all, no language should be a barrier for you to travel around the world and expand your social circles! So look no further! Pick up your copy of Intermediate Korean Short Stories and level up your Korean language learning right now!
