**The 100** - Kass Morgan 2013-09-03

The first book in the New York Times bestselling series that inspired the hit CW television show. No one has set foot on Earth in centuries -- until now. Ever since a devastating nuclear war, humanity has lived on spaceships far above Earth's radioactive surface. Now, one hundred juvenile delinquents -- considered expendable by society -- are being sent on a dangerous mission: to recolonize the planet. It could be their second chance at life...or it could be a suicide mission. CLARKE was arrested for treason, though she's haunted by the memory of what she really did. WELLS, the chancellor's son, came to Earth for the girl he loves -- but will she ever forgive him? Reckless BELLAMY fought his way onto the transport pod to protect his sister, the other half of the only pair of siblings in the universe. And GLASS managed to escape back onto the ship, only to find that life there is just as dangerous as she feared it would be on Earth. Confronted with a savage land and haunted by secrets from their pasts, the hundred must fight to survive. They were never meant to be heroes, but they may be mankind's last hope.

The Adventures of a Red Ant - Henri de la Blanchère

"The Reddish Polyergus, the most powerful ants of France by their courage in the fighting, form a people composed of four orders of citizens: males, females, neutrals or warriors ... and slaves, workers conquered on suitable species. I am neutral, and I am proud of it. Is there a life more noble, more chivalrous than mine: to fight, to conquer or to die!... We live for years, and all this time we spend it to serve the country and the nation, to contribute to its greatness, to its power; to make us serve as kings ... and enjoy the sun!"

Ton fils Huckleberry Finn est une odyssée fluviale de 24 heures à la recherche d'un père introuvable. Un père qui a voulu bien faire en revenant d'Australie pour passer un peu de temps avec son fils sur la Save, ce cours d'eau mythique des Balkans. Déclaration d'amour immature à une rivière fantasmée et à un pays disparu, récit expérimental et hallucinatoire d'un documentaire en train de se déliter, réflexion sur l'exil et sur les malentendus intergénérationnels, Ton fils Huckleberry Finn embarque son lecteur dans un voyage à l'ironie douce-amère. Une sorte de Lost in la Sava facétieux et jubilatoire. À PROPOS DE L'AUTEUR Bekim Sejranović (1972-2020) a vécu en Bosnie-Herzégovine, en Norvège, en Slovaquie et en Croatie. Ses œuvres sont notamment traduites en norvégien, anglais, slovène, macédonien, allemand, tchèque, italien et polonais.

**Promise at Dawn** - Romain Gary 2017-10-31

A classic of modern French literature, the thrilling real-life story of the military hero, ambassador, ladies man, writer, and loving son I grew up longing for the day when I could tear down the veil of darkness and absurdity concealing the true face of the universe and discover at last a smile of kindness and wisdom; I grew up in the certitude that one day I should help my fellow men to wrest the world from our enemies and give back the earth to those who ennoble it with their courage and warm it with their love. Promise at Dawn begins as the story of a mother's sacrifice: alone and poor, she fights fiercely to give her son the very best. Romain Gary chronicles his childhood in Russia, Poland, and on the French Riviera; he recounts his adventurous life as a young man fighting for France in World War II. But above all he tells the story of the love for his mother that was his very life—their secret and private planet, their wonderland “born out of a mother's murmur into a child's ear, a promise whispered at dawn of future triumphs and greatness, of justice and love.”
