The Flesh Cartel, Season 2: Auction - Rachel Haimowitz 2013-01-15

Imperial Courts, 1993-2015 - 2015

In 1992, Dana Lixenberg travelled to South Central Los Angeles for a magazine story on the riots that erupted following the verdict in the Rodney King trial. What she encountered inspired her to revisit the area, and led her to the community of the Imperial Courts housing project in Watts. Returning countless times over the following

twenty-two years, Lixenberg gradually created a collaborative portrait of the changing face of this community. Over the years, some in the community were killed, while others disappeared or went to jail, and others, once children in early photographs, grew up and had children of their own. In this way, *Imperial Courts* constitutes a complex and evocative record of the passage of time in an underserved community.

Counterpoint: A Memoir of Bach and Mourning - Philip Kennicott 2020-02-18

A Pulitzer Prize-winning critic's "lyrical and haunting" (Alex Ross, *The New Yorker*) reflection on the meaning and emotional impact of a Bach masterwork. As his mother was dying, Philip Kennicott began to listen to the music of Bach obsessively. It was the only music that didn't seem trivial or irrelevant, and it enabled him to both experience her death and remove himself from it. For him, Bach's music held the elements of both joy

and despair, life and its inevitable end. He spent the next five years trying to learn one of the composer's greatest keyboard masterpieces, the *Goldberg Variations*. In *Counterpoint*, he recounts his efforts to rise to the challenge, and to fight through his grief by coming to terms with his memories of a difficult, complicated childhood. He describes the joys of mastering some of the piano pieces, the frustrations that plague his understanding of others, the technical challenges they pose, and the surpassing beauty of the melodies, harmonies, and counterpoint that distinguish them. While exploring Bach's compositions he sketches a cultural history of playing the piano in the twentieth century. And he raises two questions that become increasingly interrelated, not unlike a contrapuntal passage in one of the variations itself: What does it mean to know a piece of music? What does it mean to know another human being?

A mark nineteen-year-old Luella is grateful to have escaped as a girl. Instead, she's dedicated her life to studying herbology and becoming the town's only healer. That is, until the Elf King unexpectedly arrives... for her. Everything Luella had thought she'd known about her life, and herself, was a lie. Taken to a land filled with wild magic, Luella is forced to be the new queen to a cold yet blisteringly

handsome Elf King. Once there, she learns about a dying world that only she can save. I thought things couldn't get worse. I was wrong. I found out what I really wanted and was forced to give him up. Just as I found out who I really am, I was presented to the elusive Horde King as a gift. This was the mystical being I was hidden from for more than twenty years. Now in the Horde Realm, nothing is going remotely like I thought it would. My powers and emotions are on the fritz, and each day seems to bring surprises that I am not sure how to deal with. The Horde King thinks he has me exactly where he wants me. He thinks he has taken all of my options away. I still have choices. Embracing what destiny has planned for me, or escaping it.

It's deliciously physical, but also much more -- which makes Larry's next task so daunting. Not just

The Burnt Toast B&B - Heidi Belleau 2015-01-12

After breaking his arm on set, Wolf's Landing stuntman Ginsberg Sloan finds himself temporarily out of work. Luckily, Bluewater Bay's worst B&B has cheap long-term rates, and Ginsberg's not too proud to take advantage of them. Derrick Richards, a grizzled laid-off logger, inherited the B&B after his parents' untimely deaths. Making beds and cooking sunny-side-up eggs is hardly Derrick's idea of a man's way to make a living, but just as he's decided to shut the place down, Ginsberg shows up on his doorstep, pitiful and soaking wet, and Derrick can hardly send him packing. Not outright, at least. The plan? Carry on the B&B's tradition of terrible customer service and even worse food until the pampered city boy leaves voluntarily. What Derrick doesn't count on, though, is that the lousier he gets at hosting, the more he convinces bored, busybody Ginsberg to try to get the B&B back on track. And he definitely doesn't count on the growing attraction between them, or how much more he learns from Ginsberg than how to put out kitchen fires.
