Good Economics for Hard Times - Abhijit V. Banerjee 2019-11-12

The winners of the Nobel Prize show how economics, when done right, can help us solve the thorniest social and political problems of our day. Figuring out how to deal with today's critical economic problems is perhaps the great challenge of our time. Much greater than space travel or perhaps even the next revolutionary medical breakthrough, what is at stake is the whole idea of the good life as we have known it. Immigration and inequality, globalization and technological disruption, slowing growth and accelerating climate change--these are sources of great anxiety across the world, from New Delhi and Dakar to Paris and Washington, DC. The resources to address these challenges are there--what we lack are ideas that will help us jump the wall of disagreement and distrust that divides us. If we succeed, history will remember our era with gratitude; if we fail, the potential losses are incalculable. In this revolutionary book, renowned

MIT economists Abhijit V. Banerjee and Esther Duflo take on this challenge, building on cutting-edge research in economics explained with lucidity and grace. Original, provocative, and urgent, *Good Economics for Hard Times* makes a persuasive case for an intelligent interventionism and a society built on compassion and respect. It is an extraordinary achievement, one that shines a light to help us appreciate and understand our precariously balanced world.

Farewell Song (Modern Classics) - Rabindranath Tagore 2011-05

Rabindranath Tagore reinvented the Bengali novel with Farewell Song, blurring the lines between prose and poetry and creating an effervescent blend of romance and satire. Through Amit and Labanya and a brilliantly etched social milieu, the novel addresses contemporary debates about 'good' and 'bad' writing, the nature of love and conjugality, and the influence of Western culture on Bengali society. Set against the idyllic backdrop of Shillong and the mannered world of elite Calcutta society, this sparkling novel expresses the complex vision and the mastery of style that characterized Tagore's later works. Tagore was not only an immensely versatile poet; he was also a great short story writer, novelist, playwright, essayist, and composer of songs.

Driven - Vijay Lokapally 2016-10-20

What makes Virat Kohli the undisputed monarch of the cricket world today is not his iconic status in the sports hierarchy but that the highest praise comes from the opposition camp and past greats. However, his family didn't always have it good. No stranger to loss, Kohli's biggest support both on and off the field – his father, succumbed to a cerebral stroke when he was very young. In a fitting tribute that would've made his old man proud, Kohli returned to continue an innings just

a few hours after his father passed away. 'He was the one who drove me to practice every day,' the captain of the Indian Test team recalls with characteristic humility and grace. Widely travelled sports journalist Vijay Lokapally goes on to recount happier times on the journey of Virat's rapid rise to international stardom, an account punctuated with little-known stories by his fellow players, coaches and intimates. At 27, he has already been the recipient of countless accolades including the Arjuna Award, the title of BCCI's 'international cricketer of the Year' as well as the ICC's 'ODI Player of the Year', but for Kohli it's not about the money or the fame, or the roar of the crowds or the flattering attention from women of all ages. Few know of his altruistic nature and his dedication to numerous charities for under-privileged children. What has not escaped the public eye though, is how this wizard of the willow wears his heavy mantle with such insouciant ease.

Gov.Officials To Master Noting & Drafting -

M.K.Agarwal 2007-09-05

File noting has been in the recent past, and still is, under heated discussion in the context of Right to Information Act, 2005. It has, thus, been

drawing a lot of interest from all concerned. Basic note in a file is written by an Office Assistant/ Assistant Section Officer. A good note should properly define and analyse the problem; refer to relevant rules, regulations, policies and precedents; talk about alternative solutions; discuss implications of these various alternatives and then suggest a suitable solution and a draft reply. Noting and drafting has, therefore, always been a vital part of decision-making process in the Government. the quality of Noting and Drafting has deteriorated over the years. There is hardly any publication on the subject except for some references in the manuals of office procedures. Hence, this attempt, A book for Government Officials to Master Noting and Drafting. It is a comprehensive book which talks about various concepts, the significance, features of good and bad notings, and skilful drafts citing examples drawn from actual files. Different exercises, their solutions, and samples of some good file notings and useful drafts make this

book valuable for all its readers.

Learn Hindi Through Telugu(With Cd)(Telugu To Hindi Learning Course) - SAHIL GUPTA & KALAHASTI GAURINATH 2015-06-01

India is a vast country of continental size. Despite increasing literacy, English continues to be the link language for want of acceptable language within the country. However, Hindi still remains the language of the masses, spoken by more than half the population and understood by nearly three-fourths. Although Hindi is taught in school syllabi, its purpose is purely academic that hardly serves to promote national unity through ease in conversation. Understanding this need in filling this disjointed gap, V&S Publishers has

taken the first fledging step by deciding to bring out a conversational Indian Language series, beginning with Telugu-to-Hindi module, in the name of "e;sampurna vyakaran sahit....."e;After years of research and hard work and supported by knowledgeable persons of literary taste, we have come out with this unique volume that is significantly different from all the other language learning courses out there. The major difference: this module format also provides the basics of grammar which are absent from all the other titles in the market. These basics of grammar not only provide knowledge base of the language, but also enable an individual to learn the language while speaking it. #v&spublishers *English Made Easy Volume Two* - Jonathan Crichton 2016-03-29
