## **The Umbrella Conspiracy** - S. D. Perry 1998

A remote mountain community is suddenly besieged by a rash of grisly murders encroaching upon it from the surrounding forest. Bizarre reports start to spread, describing attacks from viscious creatures, some human...some not. At the centre of these deaths is a dark, secluded mansion belonging to the mysterious Umbrella Corporation. For years Umbrella has laboured within the mansion, unwatched, ostensibly conducting benign genetic research. Deployed to investigate the strange

goings on is the Special Tactics and Rescue Squad (S.T.A.R.S), a paramilitary response unit boasting an unusual array of mission specialists. They believe they are ready for anything but nothing prepares them for the terror which awaits them when they penetrate the mansions long-locked doors. Behind the horror of nightmare creatures, results of forbidden experiments gone disasterously wrong, lies a conspiracy so vast in its scope and so insidious in its agenda that the S.T.A.R.S will be betrayed from within to ensure that the world never learns Umbrella's secret. And if any survive...they may well come to envy those who do not.

## **You Already Have It All!** - Jeremy Lopez 2019-07-11

Throughout the ages, mankind has strived and searched to obtain more, always seeking to receive the blessings that life has to offer. For centuries, all world religions throughout diverse cultures have sought to better define and to explain man's deep, innate longing to lay claim to something greater than himself. Now, world-renowned New Thought leader and pioneering prophetic voice Dr. Jeremy Lopez shares a powerful and timely revelation regarding humanity's search for more. In You Already Have It All!, Dr. Lopez draws extensively upon the ancient texts and philosophies from throughout history to share what the ancient writers of old believed: "You already have it all." What if it were possible to recognize your own inner potential, once and for all? What if you could see that by your very own nature you've been equipped for greatness? Is the prosperity of the abundant life something that is truly received, or is it, rather, something already existing within every life? In You Already Have It All! Dr. Lopez shares transcendent keys which will help you unlock your own inner creative power and learn to harness the force of your very own identity as never before. Recognize the universal secrets between "having" and "getting." Learn to correctly discern the role that you have to play in bringing about the life of your dreams. Begin to become much more sensitive to the leading of the Holy Spirit within your own life. Realize that what you've been seeking, you already possess.

**Homo Ludens** - Johan Huizinga 1971-06-01

An essential reference for all game designers, this 1938 classic is "a fascinating account of 'man the player' and the contribution of play to civilization" (Harper's). In this classic evaluation of play that has become a "must-read" for those in game design, Dutch philosopher Johan Huizinga defines play as the central activity in flourishing societies. Like civilization, play requires structure and participants willing to create within limits. Starting with Plato, Huizinga traces the contribution of Homo Ludens, or "man the player" through Medieval Times, the Renaissance, and into our modern civilization. Huizinga defines play against a rich theoretical background, using cross-cultural examples from the humanities, business, and politics. Homo Ludens defines play for generations to come.

*Designing Gestural Interfaces* - Dan Saffer 2008-11-21

If you want to get ahead in this new era of interaction design, this is the

reference you need. Nintendo's Wii and Apple's iPhone and iPod Touch have made gestural interfaces popular, but until now there's been no complete source of information about the technology. Designing Gestural Interfaces provides you with essential information about kinesiology, sensors, ergonomics, physical computing, touchscreen technology, and new interface patterns -- all you need to know to augment your existing skills in "traditional" web design, software, or product development.

Packed with informative illustrations and photos, this book helps you: Get an overview of technologies surrounding touchscreens and interactive environments Learn the process of designing gestural interfaces, from documentation to prototyping to communicating to the audience what the product does Examine current patterns and trends in touchscreen and gestural design Learn about the techniques used by practicing designers and developers today See how other designers have solved interface challenges in the past Look at future trends in this rapidly evolving field Only six years ago, the gestural interfaces introduced in the film *Minority Report* were science fiction. Now, because of technological, social, and market forces, we see similar interfaces deployed everywhere. Designing Gestural Interfaces will help you enter this new world of possibilities.

*When You Only See One Set of Footprints* - Darlene Jackson 2012-03-01

As I was called, like Abraham, to leave my father's house and follow Christ, my journey would take me and my children to many places which God has caused us to "Triumph" in Christ Jesus. I was told to share my story and write the things I've seen and heard and lived through so others can know they too can do the same when they put ALL of their Trust in the Holy God of Israel. When You Only See One Set of Footprints is like an open letter to all "Living Epistle," for my life has seen everyday living and living for Christ. To give people hope no matter where you are, He can be there, also to show my children and others what "Faith" looks like despite what people think it ought to look like, to give people hope and encouragement to follow God to the end. This was also a walk for the destroying of "Generational Curse" so my children (Donelle, Nathifa, Monae, Dominique, Nakeya, Simone), and now my grandson (Nook, Nook), would not have to encounter because I have gone before them to destroy

all curses in their path. To bring about transparency in this walk and to show "We can come through all things through Christ who strengthens us," so may all be encouraged as well as inspired to continue in the faith and to fight the good fight of faith and know you fight not alone, for you too can see there were only one set of footprints. God Bless.

**Mother Of Pearl** - Mary Morrissy 2016-01-07

MOTHER OF PEARL, the first novel by an acclaimed Irish short-story writer, explores the disturbing territory of the divided self. Through the story of the kidnapping of a baby, the notion of personal history as received fiction is examined. The novel asks: what makes a family? Is it mere kinship through blood, or something more profound and intricate? What keeps it together? What tears it apart? The action of the novel is seen through the eyes of a baby's mother, the kidnapper and the child itself. Dramatic, blackly funny and tragically topical, MOTHER OF PEARL is a remarkable achievement.
