Salvation of a Saint - Keigo Higashino 2012-10-02

When a man about to leave his wife is found murdered and the wife has a too-convenient alibi that convinces a smitten lead detective of her innocence, Professor Manabu Yukawa is tapped by a concerned Kaoru Utsumi to solve a seemingly impossible case. By the author of *The Devotion of Suspect X*. 50,000 first printing.

Salvation of a Saint - Keigo Higashino 2012-10-02

From the author of the internationally bestselling, award-winning *The Devotion of Suspect X* comes the latest novel featuring "Detective Galileo" In 2011, *The Devotion of Suspect X* was a hit with critics and readers alike. The first major English language publication from the most popular bestselling writer in Japan, it was acclaimed as "stunning,"

"brilliant," and "ingenious." Now physics professor Manabu Yukawa—Detective Galileo—returns in a new case of impossible murder, where instincts clash with facts and theory with reality. Yoshitaka, who was about to leave his marriage and his wife, is poisoned by arsenic-laced coffee and dies. His wife, Ayane, is the logical suspect—except that she was hundreds of miles away when he was murdered. The lead detective, Tokyo Police Detective Kusanagi, is immediately smitten with her and refuses to believe that she could have had anything to do with the crime. His assistant, Kaoru Utsumi, however, is convinced Ayane is

guilty. While Utsumi's instincts tell her one thing, the facts of the case are another matter. So she does what her boss has done for years when stymied—she calls upon Professor Manabu Yukawa. But even the brilliant mind of Dr. Yukawa has trouble with this one, and he must somehow find a way to solve an impossible murder and capture a very real, very deadly murderer. *Salvation of a Saint* is Keigo Higashino at his mind-bending best, pitting emotion against fact in a beautifully plotted crime novel filled with twists and reverses that will astonish and surprise even the most attentive and jaded of readers.

Deliverance (liberation) and Salvation by Hendrik L. Heijkoop ; English Translation by Uit Het Woord Der Waarheid - H. L. Heijkoop 2017

Praise Disjoined - William P. Shaw 1991

Growing skepticism and rationalism contributed to the decline of religious enthusiasm in England in the seventeenth century, and time-honored notions about salvation and damnation became increasingly vitiated by secular, pragmatic concerns. This important collection of essays investigates the ways important writers of the age forcefully renegotiated their understanding of the terms of salvation and damnation, either affirming the old or accommodating some new understanding. After the Puritan Revolution had run its course, the end

of the century witnessed a new consensus, one more deferential to individualism, utilitarianism, and secular millenarianism than to the hierarchical orders inherent in Christian feudalism and monarchy.

This Side of Salvation - Jeri Smith-Ready 2014-04-01

David confronts his desires and his demons in this novel about what it means to be left behind—literally, figuratively, and spiritually—from the author of the Shade trilogy. Everyone mourns differently. When his older brother was killed, David got angry. As in, fist-meets-someone-else's-face furious. But his parents? They got religious. David's still figuring out his relationship with a higher power, but there's one thing he knows for sure: The closer he gets to Bailey, the better, brighter, happier, more he feels. Then his parents start cutting all their worldly ties in preparation for the Rush, the divine moment when the faithful will be whisked off to Heaven...and they want David to do the same. David's torn. He likes living in the moment, and isn't sure about giving up his best friend, varsity baseball, and Bailey—especially Bailey—in hope of salvation. But when he comes home late from prom, and late for the Rush, to find that his parents have vanished, David is in more trouble than he ever could have imagined...

Redemption and the Merchant God - Susan McReynolds 2008

Dostoevsky's Russian chauvinism and anti-Semitism have long posed problems for his readers and critics. How could the author of *The Brothers Karamazov* also be the source of the slurs against Jews in *Diary of a Writer*? And where is the celebrated Christian humanist in the nationalist outbursts of *The Idiot*? These enigmas—the coexistence of humanism and hatred, faith and doubt—are linked, Susan McReynolds tells us in *Redemption and the Merchant God*. Her book analyzes Dostoevsky's novels and *Diary* to show how the author's anxieties about Christianity can help solve the riddle of his anti-Semitism as well as that of his Russian messianism. McReynolds' reading demonstrates Dostoevsky suffered from a profound discomfort with the crucifixion as a vehicle for redemption. Through his work, she traces this ambivalence to certain beliefs and values that Dostoevsky held consistently throughout his life. And she reveals how this persistent ambivalence about the

crucifixion led Dostoevsky to project what he didn't like about Christianity onto the Jews—and to invest those aspects of the crucifixion that he could approve with the "Russian idea." A radical rereading of one of the Western canon's most revered and perplexing authors, McReynolds' book is also a major reconfiguring of Dostoevsky's intellectual biography and a significant contribution to literary and cultural studies.

Salvation City - Sigrid Nunez 2010-09-16

"A NOVEL FOR LIFE AFTER THE PANDEMIC...Scratches a particular imaginative itch that we are all experiencing at the precipice of a new era." -- The New Yorker From the National Book Award-winning author of *The Friend* comes a moving and eerily relevant novel that imagines the aftermath of a pandemic virus as seen through the eyes of a thirteen-year-old boy uncertain of his destiny. His family's sole survivor after a flu pandemic has killed large numbers of people worldwide, Cole Vining is lucky to have found refuge with the evangelical Pastor Wyatt and his wife in a small town in southern Indiana. As the world outside has grown increasingly anarchic, *Salvation City* has been spared much of the devastation, and its residents have renewed their preparations for the Rapture. Grateful for the shelter and love of his foster family (and relieved to have been saved from the horrid, overrun orphanages that have sprung up around the country), Cole begins to form relationships within the larger community. But despite his affection for this place, he struggles with memories of the very different world in which he was reared. Is there room to love both Wyatt and his parents? Are they still his parents if they are no longer there? As others around him grow increasingly fixated on the hope of salvation and the new life to come through the imminent Rapture, Cole begins to conceive of a different future for himself, one in which his own dreams of heroism seem within reach. Written in Sigrid Nunez's deceptively simple style, *Salvation City* is a story of love, betrayal, and forgiveness, weaving the deeply affecting story of a young boy's transformation with a profound meditation on the meaning of belief and heroism.

The Saints of Salvation - Peter F. Hamilton 2020-11-17

With refreshing determination and hopeful grit, humanity activates a bold endgame against an alien invasion in the finale of a series heralded as “a modern classic” (Stephen Baxter) from “one of the finest writers the genre has produced” (Gareth L. Powell). Humanity is struggling to hold out against a hostile takeover by an alien race that claims to be on a religious mission to bring all sentient life to its God at the End of Time. But while billions of cocooned humans fill the holds of the Olyix’s deadly arkships, humankind is playing an even longer game than the aliens may have anticipated. From an ultra-secret spy mission to one of the grandest battles ever seen, no strategy is off the table. Will a plan millennia in the making finally be enough to defeat this seemingly unstoppable enemy? And what secrets are the Olyix truly hiding in their most zealously protected stronghold? With his trademark optimism about humanity’s tenacity and capacity for greatness, Peter F. Hamilton wraps up this brilliant saga with a bang—and reminds us why freedom of choice is the most important freedom there is.

The Doctrine of Salvation in the Sermons of Richard Hooker - Corneliu C. Simut 2005

This specialist work in historical theology deals with the doctrine of salvation in the early theology of Richard Hooker (1554-1600) from the perspective of the concept of faith and with Hooker's connections to the early English Reformers (W. Tyndale, J. Frith, R. Barnes, T. Cranmer, J. Bradford and J. Foxe) in crucial teachings such as justification, sanctification, glorification, election, reprobation, the sovereignty of God, and salvation of Catholics. The study proves that Hooker's theology is firstly Protestant (to counter the views which picture it as Catholic) and secondly Calvinist.

Christian Ways of Salvation - George W. Richards 2019-03-14

Excerpt from *Christian Ways of Salvation: Lectures Delivered Before Auburn Theological Seminary, Auburn, N. Y. On the Russell Foundation, Easter Week, 1922* Christ, who inspires and enables men to live and

labor for his Kingdom. In so comprehensive a survey of Pagan and Christian ways of salvation, few men would attempt to base all their conclusions on original sources. I, at least, profess to have made use, in a number of the chapters, of the most recent and trustworthy authorities. In the footnotes I have mentioned the names of some of the authors whose books and articles I have consulted. I desire especially to call the attention of the reader to Professor Kilpatrick's articles in Hastings' Encyclopedia of Religion and Ethics, on Salvation (Christian and on Soteriology, respectively, these are of unusual excellence and were most helpful to me in the preparation of Chapter III. As a rule, where I quote from German books, I am responsible for the English translation. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Hamilton's *Salvation Lost*. *Salvation Lost* is the second stunning novel in the *Salvation Sequence*, from 'the owner of the most powerful imagination in science fiction' - Ken Follett. Fight together - or die alone . . . In the twenty-third century, humanity is enjoying a comparative utopia. Yet life on Earth is about to change, forever. Feriton Kane's investigative team has discovered the worst threat ever to face mankind - and we've almost no time to fight back. The supposedly benign Olyx plan to harvest humanity, in order to carry us to their god at the end of the universe. And as their agents conclude schemes down on earth, vast warships converge above to gather this cargo. Some factions push for humanity to flee, to live in hiding amongst the stars - although only a chosen few would make it out in time. But others refuse to break before the storm. Key to Salvation & the Lamp of Souls - Aḥmad ibn Muḥammad Ibn 'Aṭā' Allāh 1996

This is the first English translation of Miftah al-falah, a thirteenth century Sufi text, written by Ibn Ata Allah, one of the great masters of the Shadhili Sufi order. It is considered to be one of his most important works because it sets out the principles of actual Sufi mystical practices, shedding light on the sacred invocations, and associated practices, such as the spiritual retreat. Written in a clear, lucid style, it offers a glimpse into the Sufi world of the 7th Islamic century and allows us to see almost at first hand how the novice was guided by the Sufi Shaykh and, above all, the purpose and preparation involved in engaging in the invocation, dhikru'llah. Ibn Ata' Allah sets out to define it, to explain its nature and power, to show its results and to prove that it is part of the Prophet's Sunna, or practice. The author goes to great lengths to point out many

Qur'anic verses where dhikru'llah is mentioned and cites many noted authorities.

Slave Trade overruled for the salvation of Africa - William TAIT (D.D., English Chaplain at Pau.) 1852

An Easy, Practical Hebrew Grammar: with Exercises for Translation -- Arranged in a Series of Letters from a Teacher of Languages to and English Duchess - Ph Mason 1853

A Theology of Liberation - Gustavo Guti errez 1988-01-01

This is the credo and seminal text of the movement which was later characterized as liberation theology. The book burst upon the scene in the early seventies, and was swiftly acknowledged as a pioneering and prophetic approach to theology which famously made an option for the poor, placing the exploited, the alienated, and the economically wretched at the centre of a programme where "the oppressed and maimed and blind and lame" were prioritized at the expense of those who either maintained the status quo or who abused the structures of power for their own ends. This powerful, compassionate and radical book attracted criticism for daring to mix politics and religion in so explicit a manner, but was also welcomed by those who had the capacity to see that its agenda was nothing more nor less than to give "good news to the poor", and redeem God's people from bondage.

Robert of Arbrissel - Jacques Dalarun 2006

The author tells the story of Robert of Arbrissel (ca 1045-1116). Robert was a parish priest, longtime student, reformer, hermit, wandering preacher, and founder of the abbey of Fontevraud. This book narrates the course of Robert's life and his relationships with others along the way.

The Paradox of Salvation - Peter Doble 1996-03-21

Shows the unique aspects of Luke's account of Jesus's death coming from Wisdom patterns and words.

The Mirror of Salvation - Albert C. Labriola 2002

"Because the blockbook was intended as a resource and reference work

for sermons and religious instruction in the late Middle Ages, it exemplifies the level of understanding of Scripture and mythology imparted to the common folk."--BOOK JACKET.

Salvation - A. M. Hawke 2017

Salvation follows gladiator-pit-ruler Malek and sky-ruler Soran. Their two states face destruction unless the men can form a bond they both can trust. Sexy and violent, with great battles in a beautiful cloud city, Hawke's work has been described as dark, bloody, and thought-provoking. Salvation should appeal to readers of gay fiction and stories involving men loving men. Famed gladiator Malek the Destroyer has spent years secretly plotting a revolution against the oppressive Senate that rules his planet. Popular victors who have retired, left the city of Dis, or even apparently died in the arena have secretly trained as Malek's revolutionary army. But Malek's revolution won't stand a chance if only one city fights it. He reaches out to Soran, leader of the one autonomous city left on the planet, Aerix. Soran leads a caste of Skyknights, starfighter pilots famed for elaborate body modifications that make them nimble fighters and grueling training as soldiers and fighter pilots. Malek invites Soran to Dis to secure an alliance--and to tempt him with promises of power.

That All Shall Be Saved - David Bentley Hart 2019-09-24

A stunning reexamination of one of the essential tenets of Christian belief from one of the most provocative and admired writers on religion today. The great fourth-century church father Basil of Caesarea once observed that, in his time, most Christians believed that hell was not everlasting, and that all would eventually attain salvation. But today, this view is no longer prevalent within Christian communities. In this momentous book, David Bentley Hart makes the case that nearly two millennia of dogmatic tradition have misled readers on the crucial matter of universal salvation. On the basis of the earliest Christian writings, theological tradition, scripture, and logic, Hart argues that if God is the good creator of all, he is the savior of all, without fail. And if he is not the savior of all, the Kingdom is only a dream, and creation something considerably worse than a nightmare. But it is not so. There is no such thing as eternal

damnation; all will be saved. With great rhetorical power, wit, and emotional range, Hart offers a new perspective on one of Christianity's most important themes.

Salvation - Peter F. Hamilton 2018-09-04

Humanity's complex relationship with technology spirals out of control in this first book of an all-new series from "the owner of the most powerful imagination in science fiction" (Ken Follett). "How far 'space opera' has come! The Old Masters of sci-fi would admire the scope and sweep of Salvation."—The Wall Street Journal In the year 2204, humanity is expanding into the wider galaxy in leaps and bounds. Cutting-edge technology of linked jump gates has rendered most forms of transportation—including starships—virtually obsolete. Every place on Earth, every distant planet humankind has settled, is now merely a step away from any other. All seems wonderful—until a crashed alien spaceship of unknown origin is found on a newly located world eighty-nine light-years from Earth, carrying a cargo as strange as it is horrifying. To assess the potential of the threat, a high-powered team is dispatched to investigate. But one of them may not be all they seem. . . . Bursting with tension and big ideas, Peter F. Hamilton's Salvation is the first book of an all-new series that highlights the inventiveness of an author at the top of his game. Praise for Salvation "[A] vast, intricate sci-fi showstopper . . . The journey grips just as hard as the reveal."—Daily Mail (U.K.) "Exciting, wildly imaginative and quite possibly Hamilton's best book to date."—SFX "Dynamic, multifaceted characters, strong mind-expanding concepts, and impressive flair for language [make Salvation a] rare celestial event. . . . One of Britain's bestselling sci-fi authors has launched an addictive new book as the initial stage of what is sure to be an intriguing new series called the Salvation Sequence."—SyFyWire "Peter Hamilton just keeps getting better and better with each book, more assured and more craftsmanly adroit, and more inventive. [Salvation is] a bravura performance from start to finish. . . . Hamilton is juggling chainsaws while simultaneously doing needlepoint over a shark tank. It's a virtuoso treat, and I for one can hardly wait for Salvation Lost."—Paul Di Filippo, Locus "Peter F.

Hamilton is known as one of the world's greatest sci-fi writers for a reason. . . . Salvation is well worth the effort and a great introduction to some good old-fashioned space opera."—Fantasy Book Review

Salvation by Allegiance Alone - Matthew W. Bates 2017-03-14

We are saved by faith when we trust that Jesus died for our sins. This is the gospel, or so we are taught. But what is faith? And does this accurately summarize the gospel? Because faith is frequently misunderstood and the climax of the gospel misidentified, the gospel's full power remains untapped. While offering a fresh proposal for what faith means within a biblical theology of salvation, Matthew Bates presses the church toward a new precision: we are saved solely by allegiance to Jesus the king. Instead of faith alone, Christians must speak about salvation by allegiance alone. The book includes discussion questions for students, pastors, and church groups and a foreword by Scot McKnight.

Personal Salvation and Filial Piety - 2008-02-20

The Bodhisattva Avalokitesvara was a handsome prince when he entered China. As Guanyin, the bodhisattva was venerated from the eleventh century onward in the shape of a beautiful woman who became a universal savior. Throughout the last millennium, the female Guanyin has enjoyed wide and fervid veneration throughout East Asia and has appeared as a major character in literature and legend. In one tale, Guanyin (as the princess Miaoshan) returns from the dead after being

executed by the king, her father, for refusing to marry. The most popular version of this legend is *The Precious Scroll of Incense Mountain* (Xiangshan baojuan), a long narrative in prose and verse and a work of considerable literary merit. It emphasizes the conflict between father and daughter, in the course of which all conventional arguments against a religious lifestyle are paraded and rebutted. A lengthy description of Guanyin's visit to the underworld, which focuses on the conflict between grace and justice, is also included. *Personal Salvation and Filial Piety* offers a complete and fully annotated translation of *The Precious Scroll*, based on a nineteenth-century edition. The translation is preceded by a substantial introduction that discusses the origin of the text and the genre to which it belongs and highlights the similarities and differences between the scroll and female saints' lives from medieval Europe. There follows a translation of the much-shorter *Precious Scroll of Good-in-Talent and Dragon Daughter*, which provides a humorous account of how Guanyin acquired the three acolytes—Sudhana, Nagakanya, and a white parrot—who are often shown surrounding her in popular prints. As the first English-language translation of major "precious scrolls," *Personal Salvation and Filial Piety* will appeal to a wide range of readers—from scholars of Chinese literature to students of Buddhism. Beyond the field of East Asian studies, it will interest specialists in comparative religion and literature and feminist theologians. Because of its lively and moving narratives, the text is suitable for courses on popular Buddhist religiosity (particularly female religiosity) in Chinese society.

The Pursuit of Salvation - Albrecht Diem 2021-03-10

The seventh-century *Regula cuiusdam ad uirgines* (Someone's Rule for Virgins), which was most likely written by Jonas of Bobbio, the hagiographer of the Irish monk Columbanus, forms an ideal point of departure for writing a new history of the emergence of Western monasticism understood as a history of the individual and collective attempt to pursue eternal salvation. The book provides a critical edition and translation of the *Regula cuiusdam ad uirgines* and a roadmap for such a new history revolving around various aspects of monastic discipline, such as the agency of the community, the role of enclosure,

authority and obedience, space and boundaries, confession and penance, sleep and silence, excommunication and expulsion.

Luther and Erasmus - Ernest Gordon Rupp 1969-01-01

This volume includes the texts of Erasmus's 1524 diatribe against Luther, *De Libero Arbitrio*, and Luther's violent counterattack, *De Servo Arbitrio*. E. Gordon Rupp and Philip Watson offer commentary on these texts as well. Long recognized for the quality of its translations, introductions, explanatory notes, and indexes, the Library of Christian Classics provides scholars and students with modern English translations of some of the most significant Christian theological texts in history. Through these works--each written prior to the end of the sixteenth century--contemporary readers are able to engage the ideas that have shaped Christian theology and the church through the centuries.
