The Adventures of Alexander Von Humboldt

- Andrea Wulf 2019-04-02

A KIRKUS REVIEWS BEST BOOK OF THE YEAR

From the New York Times bestselling author of *The Invention of Nature*, comes a breathtakingly illustrated and brilliantly evocative recounting of Alexander Von Humboldt's five year expedition in South America. Alexander von Humboldt (1769-1859) was an intrepid explorer and the most famous scientist of his age. His restless life was packed with adventure and discovery, but his most revolutionary idea was a radical vision of nature as a complex and interconnected global force that does not exist for the use of humankind alone. His theories and ideas were profoundly influenced by a five-year exploration of South America. Now Andrea Wulf partners with artist Lillian Melcher to bring this daring expedition to life, complete with excerpts from

Humboldt's own diaries, atlases, and publications. She gives us an intimate portrait of the man who predicted human-induced climate change, fashioned poetic narrative out of scientific observation, and influenced iconic figures such as Simón Bolívar, Thomas Jefferson, Charles Darwin, and John Muir. This gorgeous account of the expedition not only shows how Humboldt honed his groundbreaking understanding of the natural world but also illuminates the man and his passions.

[Mexican Regional Cooking](#) - Diana Kennedy 1978

[Statelessness in the European Union](#) - Caroline Sawyer 2011-02-10

Statelessness in the European Union draws together original research from over one hundred interviews in Estonia, France, Slovenia and the United Kingdom to provide one of the first comparative accounts of the de facto or de jure stateless populations in the European Union. It blends legal, political and empirical research to

examine how non-citizens without secure status, in some cases established undocumented migrants and their descendants, manage their lives in four European Union member states. Normative and legal analyses of the practical meaning of basic human rights are combined with a groundbreaking investigation of the obstacles that prevent people from accessing essential services. Contrasting the situation of Europe's stateless now with that examined by Arendt over fifty years ago, it considers proposals for the future security of Europe's stateless people.

Marriage Under Fire - James C. Dobson 2007-04

Why shouldn't the definition of family be broadened and modernized? What harm could be done by two consenting adults who love one another coming together to create a binding union? In this succinct analysis of the issue, Dr. James Dobson presents a compelling case against the legalization of "marriage" between homosexuals, and the dire ramifications our

nation could face: Same-sex marriage will destroy the fundamental principles of marriage, parenthood, and gender. Families will be increasingly unstable as their definition expands to incorporate multiple "moms" or "dads." Legalization of gay marriages will lead to polygamy and other alternatives to one-man/one-woman unions. The divorce rate will be even higher, making our children less safe. *Marriage Under Fire* provides the foundations of a battle plan for the preservation of traditional values in our nation. Our response could not be clearer. The well-being of the family, and thus our nation, hangs in the balance. Now is the time to speak out in defense of marriage and the family.

Arianna & Finn (Royals of Valleria #3) -

Marianne Knightly 2015-06-30

A Princess engaged to a man she doesn't love. Proper Princess Arianna vowed to stay on the straight and narrow after a disastrous decision years ago embarrassed both her and her royal family. When a marriage of convenience is

proposed between her and Brazenbourg's ruling prince, she jumps at the chance for redemption. She doesn't believe in love anymore – at least she thought she didn't until she met her fiancé's brother, Prince Finn. Drawn to another man she shouldn't want. As second in line to the throne of Brazenbourg, bad boy Prince Finn cares little for his arrogant older brother Henry, but does care deeply for Brazenbourg. When Henry becomes engaged to Arianna for convenience and not love, he can't help but be intrigued by a woman who would give up her future for her country. When the passionate nature she hides breaks through her prim exterior, Finn realizes he wants her and not just in bed. He knows his brother may make a more proper match, but can he convince her, and himself, to take a chance on each other despite the international fallout? For a love that won't be denied. When Henry's true motives are revealed and Arianna is placed in danger's path, can Finn act quickly enough to help her? Or will Arianna need to save herself?

This novel features a proposed marriage of convenience with the wrong man and a love that can't be denied with the right man, a royal family that loves one another (even while they annoy each other), and a look behind fictional palace walls. This is a standalone book in the series with no cliffhanger, and features sexy scenes and swearing. Emotional trigger warning: discussion of potential assault. * * * Meet the Royals of Valleria, a country as old as the fall of the Roman Empire. The reigning king and patriarch rules with his beloved queen. Nine children, now grown, ranging from the eldest twins to the youngest son, watch over the country they love and care for. Bound by honour, duty, and loyalty, follow their lives as they fall in love, face tragedies, and triumph against the evils facing them. Want more Royals? Edgar Award Finalist: The gripping account of an assassination on US soil and the violent foreign conspiracy that stretched from Pinochet's Chile to the streets of Washington, DC, with a new introduction by Ariel Dorfman. On September 10, 1976, exiled Chilean leader Orlando Letelier delivered a blistering rebuke of Augusto Pinochet's brutal right-wing regime in a speech at Madison Square Garden. Eleven days later, while Letelier was on Embassy Row in Washington, DC, a bomb affixed to the bottom of his car exploded,

killing him and his coworker Ronni Moffitt. The slaying, staggering in its own right, exposed an international conspiracy that reached well into US territory. Pinochet had targeted Letelier, a former Chilean foreign minister and ambassador to the United States, and carried out the attack with the help of Operation Condor, the secret alliance of South America's military dictatorships dedicated to wiping out their most influential opponents. This gripping account tells the story not only of a political plot that ended in murder, but also of the FBI's inquiry into the affair. Definitive in its examination both of Letelier's murder and of the subsequent investigations carried out by American intelligence, *Assassination on Embassy Row* is equal parts keen analysis and true-life spy thriller.

Francesco decide volver a nacer - Yohana García 2013-02-15

"No hay que confundir renacer con continuar; porque lo que continúa con el tiempo se deteriora, pero lo que renace es eterno."
"Después del desamor está el amor; después de la desesperanza, la fe; después de la muerte, la vida . . ." Tras el éxito internacional alcanzado con *Francesco*. Una vida entre el Cielo y la Tierra, este nuevo y fascinante libro enriquece el mensaje de vida y esperanza de Yohana García, una autora cuya obra ha conquistado a miles de lectores. Aquí volvemos a encontrarnos con *Francesco*, quien tras una estancia en el Cielo—donde recibió el consejo y enseñanzas de los grandes maestros— tiene el privilegio de volver a nacer, ahora en el cuerpo de Agustín. Aún recuerda lo aprendido durante su estancia en el

plano superior y es momento de aplicar este conocimiento para darle significado a su nueva existencia. Las hermosas páginas de este libro nos desafían a dejar de vivir de manera mecánica, repitiendo los gestos aprendidos desde la infancia y los hábitos que la costumbre ha esculpido en nuestro interior. La gran enseñanza que se desprende de la presente novela tiene que ver con la importancia de llevar una existencia consciente, abierta al amor verdadero, a la comprensión del otro y a las nuevas experiencias. Mediante los recursos propios de la literatura, la autora elabora una conmovedora alegoría en torno a los retos, dificultades y oportunidades que se nos presentan a todos los seres humanos. En este caso, dicho mensaje queda ejemplificado en el "renacer" de Francesco, cuya segunda oportunidad lo lleva a indagar sobre el propósito de la vida (la suya y la del ser humano en general).

The Act of Marriage After 40 - Tim LaHaye
2019-07-23

Yes, lovemaking does change after 40, but it is still the most thrilling experience two married

people of the opposite sex can experience on this earth! In this practical, fun-to-read, illustrated guidebook, Tim and Beverly LaHaye cover a broad spectrum of key topics and show married couples how to experience a more satisfying and joy-filled sex life long after age 40. Millions of married couples have questions about sexual intimacy. Yet all too often, their questions go unasked . . . or unanswered. This easy-reading, medically sound book candidly addresses issues of intimacy: Does sexual desire actually reverse with aging? How does menopause affect a woman's sex drive? How can exercise and nutritional supplements improve our sex life? Is there such a thing as male menopause? What can we do to put more spark into our lovemaking? You'll learn about sexual desire and dysfunction. Understand the risk and temptation of extramarital affairs. Gain a better understanding of menopause and the dangers of breast and prostate cancer. Learn how to prepare for, and adjust to, physical changes affecting

lovemaking. You and your spouse can rekindle that sexual spark in your marriage--or build even stronger intimacy and commitment.

Francesco: El maestro del amor - Yohana García
2015-02-02

Convertido en maestro del amor, Francesco regresa para infundirnos el aliento que necesitamos cuando la vida se torna carente de sentido. En la cuarta entrega de la exitosa saga que ha transformado la vida de miles de lectores, Francesco regresa al cielo con nuevos bríos: desea ser el maestro del amor. Su misión consistirá en descender a la tierra para acompañar a las personas que sufren y mostrarles la forma de solucionar sus problemas, sin que ellas descubran su identidad ni los propósitos que lo motivan. En el transcurso de esta empresa no faltarán los enredos ni los malos

entendidos, pues dos almas se disputan la presencia de Francesco a su lado en esta nueva vida. Basado en historias reales y canalizaciones del mismo Francesco, Yohana García nos entrega una nueva y deslumbrante obra cuyas páginas brindan un mensaje de fe y esperanza, que tocará una vez más el corazón de sus lectores.

Ethnicity - John Milton Yinger 1994-01-01
Almost without exception, the societies of the world are multiethnic. The decline of empires, the appearance of new states, the expansion of communication networks, demographic trends, the weakening of the legitimacy of state authority have brought ethnic relations into the spotlight. The purpose of this book is to develop analytic tools, concepts, perspectives that can be used in a wide variety of circumstances, contributing not only to our understanding, but also to humane policies. The author develops clear and reasonable usages for the central terms: ethnic group, nation, race, pluralism, assimilation, and dissimilation, among others. He

documents the range of experiences covered in discussions of ethnicity. Ethnic differences are involved in some of the world's most intractable conflicts. They are also experienced as the source of the most satisfying and the most essential aspects of life.

Jenni Rivera - Michael Puente 2014-07-01

When a tragic plane crash took the life of singer and actress Jenni Rivera on December 9, 2012, the world lost an artist whose talents transcended borders and even languages. One of this generation's most beloved singers, Rivera achieved 15 platinum and 5 double platinum records while selling more than 15 million albums total. Popular in both the United States and Mexico, Rivera played to sold-out crowds across North America, and in 2009, she was nominated for a record 11 Billboard Awards. "Jenni Rivera: Simply the Best" is a photographic tribute to this beloved artist, featuring unique images of a star who lit up both the stage and the screen. Featuring nearly 100 full-color photographs, this

book provides fans with a glimpse into this star's life--from her commercial debut in the late 1990s to her ascent to the top of the Billboard charts in the 2000s. This keepsake also explores Rivera's wide-ranging talents as an entrepreneur and a television actress.

Walking with Peety - Eric O'Grey 2017-10-10

This is more than a tale of mutual rescue. This is an epic story of friendship and strength. Eric was 150 pounds overweight, depressed, and sick. After a lifetime of failed diet attempts, and the onset of type 2 diabetes due to his weight, Eric went to a new doctor, who surprisingly prescribed a shelter dog. And that's when Eric met Peety: an overweight, middle-aged, and forgotten dog who, like Eric, had seen better days. The two adopted each other and began an incredible journey together, forming a bond of unconditional love that forever changed their lives. Over the next year, just by going on walks, playing together, and eating plant-based foods, Eric lost 150 pounds, and Peety lost 25. As a

result, Eric reversed his diabetes, got off all medication, and became happy and healthy for the first time in his life -- eventually reconnecting with and marrying his high school sweetheart. WALKING WITH PEETY is for anyone ready to make a change in his or her life, and for everyone who knows the joy, love, and hope that dogs can bring.

The Two-Step Flow of Communication: An Up-To-Date Report on an Hypothesis - Elihu Katz

Gender and Representation - Lou Charnon-Deutsch 1990-01-01

Applying recent European and Anglo-American feminist scholarship to the problems of gender representation, Charnon-Deutsch challenges the prevailing idea that the 19th-century Spanish novel is woman centered. The author's examination of novels by Valera, Pereda, Alas, and Galdos demonstrates that these works are instead a complex exploration of male identity. Decoding the gender ideology of women's roles,

discourse, and representations, Charnon-Deutsch uncovers in the novels multiple configurations of androcentricity as well as voyeuristic tendencies, which she interprets as a means of mastering what is threatening to the male psyche.

Las Parábolas de Jesús. Una Aplicacion Para Hoy - Roberto Fricke 2005-11

The author presents an analysis of each one of the parables, taking into account the context in which Jesus presented the parable, then how it was understood and used by the people of that day, and finally, how we can follow its teachings within our own context. Dr. Fricke is a retired missionary who taught in Latin American seminaries for many years, and wrote this book in Spanish.

Nobody's Story - Charles Dickens 2018-10-12
Nobody's Story (+Biography and Bibliography) (Matte Cover Finish): He lived on the bank of a mighty river, broad and deep, which was always silently rolling on to a vast undiscovered ocean. It had rolled on, ever since the world began. It had changed its course sometimes, and turned into new channels, leaving its old ways dry and barren; but it had ever been upon the flow, and ever was to flow until Time should be no more.

Against its strong, unfathomable stream, nothing made head. No living creature, no flower, no leaf, no particle of animate or inanimate existence, ever strayed back from the undiscovered ocean. The tide of the river set resistlessly towards it; and the tide never stopped, any more than the earth stops in its circling round the sun

Culture and Identity - Warren Kidd 2012-08-29

An understanding of culture and identity is essential for new sociologists. This student-focused text explains the themes and theories behind these core ideas. With up-to-date discussion of 'chavs', masculinity and social networking, skills-based activities and practice exam questions, this is invaluable reading for anyone new to this topic.

Understanding Theatre - Marco De Marinis 2023-05-04

Over the past three decades, theater studies has undergone a radical worldwide development and renewal. This happened through two different yet complementary paths: the first (North American

in origin) led to the birth of the discipline of performance studies; the second (European continental) is what Marco de Marinis calls "new teatrology." New teatrology arises from the dialogue between theatre history and the humanities and social sciences, yet de Marinis also characterizes it by a strong experimental imprint resulting from a close and participatory relationship with theatrical practice and its players. The first part of *Understanding Theatre* retraces the main steps that brought theater studies to make the transition from performance to the audience to their receptive act, giving proper attention to the documentary element. In the second part, de Marinis tests the new perspective of investigation on some fundamental innovative theatrical experiences of the twentieth century. In this way, the volume collects de Marinis's essays--written for magazines, conference programs, and edited collections--from a span of almost thirty years and documents key post-semiological

developments in how we understand theater today.

[God's Promises for Girls](#) - Jack Countryman
2010-05-23

An easy way to help young girls see God's promises and how they can rely on His love in their daily lives. The promise verses in this book are selected from the best-selling International Children's Bible® to offer comfort and encouragement when a girl is feeling afraid, lonely, worried, angry, dissatisfied, discouraged, sad, rebellious, impatient, or sick . . . and when they need reassurance of God's protection, love, forgiveness, help . . . and that He listens when they pray. It's a great way for children to hide God's Word in their hearts. Sample text: Monsters. Spiders. Being alone. Do any of these things make you feel afraid? When you start to feel fear, hold on tight to these words: God promises to take your fear away! "So don't worry, because I am with you. Don't be afraid, because I am your God. I will make you strong and will help

you. I will support you with my right hand that saves you." Isaiah 41:10

Against Amazon - Jorge Carrión 2020-11-17
A NEW YORK TIMES NEW & NOTEWORTHY BOOK
Good bookshops are questions without answers. They are places that provoke you intellectually, encode riddles, surprise and offer challenges ... A pleasing labyrinth where you can't get lost: that comes later, at home, when you immerse yourself in the books you have bought; lose yourself in new questions, knowing you will find answers. Picking up where the widely praised *Bookshops: A Reader's History* left off, *Against Amazon and Other Essays* explores the increasing pressures of Amazon and other new technologies on bookshops and libraries. In essays on these vital social, cultural, and intellectual spaces, Jorge Carrión travels from London to Geneva, from Miami's Little Havana to Argentina, from his own well-loved childhood library to the rosewood shelves of Jules Verne's *Nautilus* and the innovative spaces that

characterize South Korea's bookshop renaissance. Including interviews with writers and librarians—including Alberto Manguel, Iain Sinclair, Luigi Amara, and Han Kang, among others—*Against Amazon* is equal parts a celebration of books and bookshops, an autobiography of a reader, a travelogue, a love letter—and, most urgently, a manifesto against the corrosive influence of late capitalism.

Save the Earth - Jonathon Porritt 1991

This environmental book combines photography with the writings of 200 international scientists and celebrities - from the world of arts, film and politics. Each chapter includes environmental success stories and plots the progress being made against the ravages of pollution and over-exploitation. This book is inspired by the premise that the 1990s are probably the last chance to protect the Earth in a state worth passing on to our children. Jonathon Porritt is the author of *Seeing Green*, *the Politics of Ecology Explained*.

Topophilia - Yi-Fu Tuan 1990-11-20

What are the links between environment and world view? Topophilia, the affective bond between people and place, is the primary theme of this book that examines environmental perceptions and values at different levels: the species, the group, and the individual. Yi-Fu Tuan holds culture and environment and topophilia and environment as distinct in order to show how they mutually contribute to the formation of values. Topophilia examines the search for environment in the city, suburb, countryside, and wilderness from a dialectical perspective, distinguishes different types of environmental experience, and describes their character.

English is Not Easy - Luci Gutierrez 2015-06-04
A quirkily illustrated, brilliantly risqué, but thoroughly practical, guide to the peculiarities of one of the trickiest languages on earth, for (strictly adult) students of English as a foreign language and native speakers alike Do you know when to use whether opposed to if? For example, I wonder whether I should have added a little

more poison to his tea? Or where to place the comma in a conditional sentence? English is Not Easy presents the intricacies of the English language in a whimsically illustrated guide that is appealing even to the grammar averse. If all other language and grammar guides leave you snoring, look no further. English Is Not Easy doesn't offer run-of-the-mill phrases about extreme sports and atmospheric conditions that you'll learn in a generic English textbook. This book offers vocabulary for situations the reader will actually find themselves in. Need an insult? Those are here, too, and imbecile is the kindest of the bunch. From 'to be' to complicated verb tenses and seemingly nonsensical idioms, Luci's characters, cheeky dialogue, and playful sentences bring the vocabulary, grammar and usage to life. For those who haven't brushed up on grammar since primary school or non-native English speakers looking to improve conversation, English Is Not Easy is a fresh and infectious guide to revisiting the rules with

striking illustrative adventure along the way.
