*The Warren Buffett CEO* - Robert P. Miles 2003-04-18

"Everyone knows Warren is the greatest investor of our time. . .

.This book for the first time captures his genius as a manager."

—Jack Welch The first book to reveal the investment and management strategies of the Berkshire Hathaway all-star management team. Much has been written about Warren Buffett and his investment philosophy; little has been made public about the inside management of Berkshire Hathaway. With a market cap exceeding 100 billion , Berkshire Hathaway has a market value surpassing many icons of American business such as Dell, AT&T, Disney, Ford, Gillette, American Express, and GM. Drawing on his personal experiences as well as those of Berkshire's chief executives, officers, and directors interviewed for this book, Berkshire insider Robert P. Miles provides a unique look at the Berkshire Hathaway culture and its management principles.

**Industrial/Organizational Psychology: An Applied Approach**

- Michael G. Aamodt 2015-01-01

Striking a balance between research, theory, and application, the eighth edition of INDUSTRIAL/ORGANIZATIONAL PSYCHOLOGY: AN APPLIED APPROACH helps students discover the relevance of industrial/organizational psychology in everyday life through practical application. The book guides students in analyzing topics such as resume writing, interview survival, job description authoring, performance appraisal, employment law, job satisfaction, work motivation, and leadership. Humor, case studies, real-world examples, and a friendly writing style make the book both readable and interesting. Numerous charts, tables, flowcharts, and exercises help students conceptualize complex issues. Strengthening Forensic Science in the United States - National Research Council 2009-07-29

Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application. *Strengthening Forensic Science in the United States: A Path Forward* provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration. *Strengthening Forensic Science in the United States* gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators.

Oriented toward the introductory student, *The Inequality Reader* is the essential textbook for today's undergraduate courses. The editors, David B. Grusky and Szonja Szelenyi, have assembled the most important classic and contemporary readings about how poverty and inequality are generated and how they might be reduced. With thirty new readings, the second edition provides new materials on anti-poverty policies as well as new qualitative readings that make the scholarship more alive, more accessible, and more relevant. Now more than ever, *The Inequality Reader* is the one-stop compendium of all the must-read pieces, simply the best available introduction to the stratification canon.

A Tulip In The Desert - Syed Raza Haider 2014-02-17

*A Tulip in the Desert* is the story of Amina, a nine year old girl from a small village in the Waziristan region of northern Pakistan who lives in an extended family system. Amina narrates the next ten years of her tremulous life, opening a window into the enigmatic society of ultraconservative Waziristan. Life there is particularly harsh for girls as they are kept fully guarded by their male relatives. As if life isn't harsh enough for her, she dares to pursue a passion that women in that "medieval society" are forbidden to even dream of. A new twist comes with the start of the American-Afghan war. Thousands of Afghani Taliban flood her village as refugees but soon start imposing their versions of Islamic laws and morality. Like many of their fellow villagers, Amina's family faces Taliban vengeance at one front and American drone bombing at the other. She describes how these events seal the fate of each

member of her extended family and how they impact her in pursuit for her forbidden passion.

**Golf and the American Country Club** - Richard J. Moss 2001

In this entertaining cultural history, Moss explores the circumstances that led to the establishment of the country club as an American social institution and its inextricable connection to the ancient, imported game of golf. Moss traces the evolution of country clubs from informal groups of golf-playing friends to "country estates" in the suburbs and eventually into public and private daily-fee courses, corporate country clubs, and gated golfing communities. The book shows how these developments reflect shifts in American values and attitudes toward health and sport, as well as changing social dynamics.

American Golf in the Great Depression - Kevin Kenny 2014-09-10

This account of professional golf during the Great Depression begins with a look at the "roaring 1920s" and how the game developed during this exciting decade. What a contrast to the Depression era--in which golf at all levels suffered but survived. The Depression years in general are covered and then the professional tour between 1931 and 1940 is examined in detail--the administrators (those who sold the tour to sponsors, the media and the public) and the many wonderful golfers. Much of this is set against the background of how difficult life was for most Americans. The book looks briefly at the post-Depression years (when the U.S. entered World War II) and how the top players fared. Despite the economic difficulties of the era, professional golf survived--largely due to the efforts of players and administrators, not all of whom have been sufficiently recognized by the game and its historians.

**Home Is Not a Country** - Safia Elhillo 2021-03-02

LONGLISTED FOR THE NATIONAL BOOK AWARD "Nothing short of magic." —Elizabeth Acevedo, New York Times bestselling author of *The Poet X* From the acclaimed poet featured on Forbes Africa's "30 Under 30" list, this powerful novel-in-verse captures one girl, caught between cultures, on an unexpected journey to face the ephemeral girl she might have been. Woven through with moments of lyrical beauty, this is a tender meditation on family, belonging, and home. my mother meant to name me for her favorite flower its sweetness garlands made for pretty girls i imagine her yasmeen bright & alive & i ache to have been born her instead Nima wishes she were someone else. She doesn't feel understood by her mother, who grew up in a different land. She doesn't feel accepted in her suburban town; yet somehow, she isn't different enough to belong elsewhere. Her best friend, Haitham, is the only person with whom she can truly be herself. Until she can't, and suddenly her only refuge is gone. As the ground is pulled out from under her, Nima must grapple with the phantom of a life not chosen—the name her parents meant to give her at birth—Yasmeen. But that other name, that other girl, might be more real than Nima knows. And the life Nima wishes were

someone else's. . . is one she will need to fight for with a fierceness she never knew she possessed.

*College Essay Essentials* - Ethan Sawyer 2016-07-01

Writing an amazing college admission essay is easier than you think! So you're a high school senior given the task of writing a 650-word personal statement for your college application. Do you tell the story of your life, or a story from your life? Do you choose a single moment? If so, which one? The options seem endless. Lucky for you, they're not. College counselor Ethan Sawyer (aka The College Essay Guy) will show you that there are only four (really, four!) types of college admission essays. And all you have to do to figure out which type is best for you is answer two simple questions: 1. Have you experienced significant challenges in your life? 2. Do you know what you want to be or do in the future? With these questions providing the building blocks for your essay, Sawyer guides you through the rest of the process, from choosing a structure to revising your essay, and answers the big questions that have probably been keeping you up at night: How do I brag in a way that doesn't sound like bragging? and How do I make my essay, like, deep? Packed with tips, tricks, exercises, and sample essays from real students who got into their dream schools, *College Essay Essentials* is the only college essay guide to make this complicated process logical, simple, and (dare we say it?) a little bit fun.

**The Professor Is In** - Karen Kelsky 2015-08-04

The definitive career guide for grad students, adjuncts, post-docs and anyone else eager to get tenure or turn their Ph.D. into their ideal job Each year tens of thousands of students will, after years of hard work and enormous amounts of money, earn their Ph.D. And each year only a small percentage of them will land a job that justifies and rewards their investment. For every comfortably tenured professor or well-paid former academic, there are countless underpaid and overworked adjuncts, and many more who simply give up in frustration. Those who do make it share an important asset that separates them from the pack: they have a plan. They understand exactly what they need to do to set themselves up for success. They know what really moves the

needle in academic job searches, how to avoid the all-too-common mistakes that sink so many of their peers, and how to decide when to point their Ph.D. toward other, non-academic options. Karen Kelsky has made it her mission to help readers join the select few who get the most out of their Ph.D. As a former tenured professor and department head who oversaw numerous academic job searches, she knows from experience exactly what gets an academic applicant a job. And as the creator of the popular and widely respected advice site The Professor is In, she has helped countless Ph.D.'s turn themselves into stronger applicants and land their dream careers. Now, for the first time ever, Karen has poured all her best advice into a single handy guide that addresses the most important issues facing any Ph.D., including: - When, where, and what to publish -Writing a foolproof grant application -Cultivating references and crafting the perfect CV - Acing the job talk and campus interview -Avoiding the adjunct trap -Making the leap to nonacademic work, when the time is right The Professor Is In addresses all of these issues, and many more.

*On the Tour with Harry Sprague* - Herbert Warren Wind 2016-01-26

America's greatest golf writer cracks wise in this humorous peek inside the life and mind of an up-and-coming young pro If Hogan had to wait 15 years before winning the Open I guess even a natural athlete like me has to wait a couple of years huh? Harry Sprague may not be the most eloquent golfer on the winter circuit, but spelling and grammar are the least of his concerns. First, he has to work on his putting, which, due to the aradic nature of the greens at Pebble Beach, Cypress Point, the Arizona Country Club, and other Sun Belt courses, is keeping him out of the money. And speaking of money, Harry suspects that his current sponsorship deal—he runs a driving range from April to November for no salary in exchange for the cash to go on tour—might not be the fairest of deals. Finally, there are the fans. In California, Arizona, Texas, Louisiana, Georgia, and Florida, beautiful women line the fairways hoping for a date with their favorite pro. But as Harry soon learns, if wedding bells don't ring the following winter, he'll have hell to pay. First published in *Sports Illustrated*, these humorous missives from the bottom rungs of the leader board will delight duffers and low handicappers alike.

**Members Only** - Diana Elizabeth Kendall 2008

In *Members Only* Diana Kendall shows how the upper classes use exclusive clubs as their private domain for conducting business, fostering social networks, and launching the next generation of elites - all beyond the view of outsiders and the media. In her research, Kendall explains how and why club members routinely engage in exclusionary practices that help them accumulate personal power and social capital that is unavailable to outsiders. *Members Only* addresses how exclusive private clubs maintain and perpetuate class-based privilege and racial/ethnic and religious segregation, and how such patterns of social exclusion heighten social inequality. This book continues Kendall's study of the upper classes, which began with *The Power of Good Deeds*, and *Framing Class*.
