Umrao Jan Ada - Mirza Muhammad Hadi Ruswa 2018-12-03

Translated from the Urdu by Khushwant Singh. Umrao Jan Ada is perhaps one of the most enigmatic and forgotten female figures in South Asian Literature. The question of her existence, her beauty, her scholarly abilities and her poetic gift remain a mystery. The book is an account of Umrao's life as a Lucknawi courtesan, a nautch girl, delivered in first person by Umrao herself, and documented by a close friend. Written more than a hundred years ago, the novel recreates the gracious ambience of old Lucknow and takes the reader on a fascinating journey through the palaces of wealthy nawabs, the hideouts of the colorful vagabonds and the luxurious abodes of the city's courtesans.

India in Love - Ira Trivedi 2014

A ground-breaking look at the sexual revolution that is beginning to sweep through urban India. The National Bestseller India in Love: Marriage and Sexuality in the 21st Century is a ground-breaking look at the sexual revolution that is starting to sweep through urban India. Bestselling author Ira Trivedi travelled from Shilling in the northeast to Chennai in the south, Konark in the east to Mumbai in the west and over a dozen other cities and towns in order to gain unprecedented insights into changing sexual habits, marriage and love everywhere in the country. The book explores the mating habits of young Indians on college

campuses and in offices, examines the new face of Indian pornography and prostitution, probes India's gay revolution and delves into history, economics and sociology to try and understand how the nation that gave the world the Kamasutra could have become a closed, repressed society with a shockingly high incidence of rape and violence against women the dark underside to the greater sexual freedom that men and women in our cities have begun to enjoy today. Trivedi goes deep into one of the most enduring institutions of Indian society marriage and investigates how it is faring in modern times. She interviews marriage brokers, astrologers, lawyers, relationship counsellors, 'love commandos', parents and nervous young brides and grooms, amongst others, to present a nuanced picture of the state of marriage in the country. She discovers that love marriages are skyrocketing and even the age-old arranged marriage is undergoing a transformation. Also on the rise are divorces, extra-marital affairs, open marriages, live-in-relationships and the like. Supporting her eye-opening reportage with hundreds of interviews, detailed research, authoritative published surveys and discussions with experts on various aspects of sexuality and marriage, Trivedi has written a book that is often startling, sometimes controversial, but is always entertaining and original.

Predator Omnibus - Mark Verheiden 2007

Dark Horse Comics set the comics industry on its ear with its comics expansion of the Predator mythos, a comics series so true to the spirit of the original 20th Century Fox film blockbuster that concepts from the first Predator comics series were incorporated into the Predator screen universe. Now, the three core Dark Horse Predator graphic novels- Concrete Jungle, Cold War, and Dark River- are collected together for the first time, in a value-priced, quality-format omnibus, featuring over 400 explosive story pages in full color.

Synthesis and Characterization of Ni_{0.5}Co_{0.5}FeAlO₄ Ferrite - Dr. Satish Baburao Shelke

This book has given an overview of the sol-gel auto-combustion preparation method and characterization of Ni_{0.5}Co_{0.5}FeAlO₄. This work focused on the structural properties XRD, TGA, SEM, TEM, FTIR, Magnetic Properties, Dielectric Properties were measured. By using the TG curve the exact temperature of formation of ferrite phase was obtained. The properties such as dielectric constant, dielectric loss tangent as a function of frequency and temperature. The addition of aluminium results in increasing the resistivity which decreases the dielectric losses and saturation magnetization. Sintering temperature and synthesis route plays important role in the fabrication of nano-structured ferrite materials. Attempts are made to synthesis the ferrites by changing their sintering temperature and synthesis route in order to study the structural, electrical and magnetic properties. In the present investigation we have prepared the nanocrystalline powder of Ni-Co-Fe-Al-O ferrite and sintered at four different temperature 5000C, 6000C, 7000C and 8000C. Effect of sintering temperature on the structural, electric and magnetic properties of Ni-Co-Fe-Al-O ferrite nanoparticles were studied.

Cross Rhodes - Dustin Rhodes 2010-12-14

He first burst onto the scene in the nineties, covered in gold face paint and exhibiting a one-of-a-kind flamboyant style that bewildered his foes and thrilled his fans. Inside the ring, Goldust is as tough as they come,

known for using outrageous mind games and taking down his opponents with unparalleled ruthlessness. It's no surprise, then, that wrestling is in his blood; Goldust is the son of Dusty Rhodes, "The American Dream." What is it like to be the son of a wrestling icon and follow him into the same profession? In this no-holds-barred account, Dustin Rhodes speaks frankly and openly about his journey. He talks about being a young boy who desperately missed his dad. A young man who only wanted to follow in his father's footsteps and threw aside a football scholarship to eke out a meager existence in regional wrestling. A green wrestler struggling to prove to his peers that his work, not his name, had gotten him to where he was. Rhodes describes how, in the midst of a painful five-year estrangement with his father, he finally made a name for himself as Goldust and then let it all go, tumbling into a descent of self-medication that led him away from a red-hot career as a WWE Superstar and nearly cost him his life. When he finally hit bottom, Rhodes knew where to look for help from the family he always had: his father and World Wrestling Entertainment. When he got clean and sober and was offered the chance to wrestle for WWE, he snapped up the offer. The everyday existence of life on the road, working with and watching the new Superstars—like his brother Cody Rhodes—has reminded Rhodes of why he loves being a wrestler. Cross Rhodes is an intimate portrait of one man's road to redemption and a unique glimpse into one of the most famous families in WWE.

Super Powers by Jack Kirby - Jack Kirby 2018-01-23

Following the unprecedented achievements of his Fourth World titles, Jack Kirby returned to the DC Universe in 1984 for two special miniseries celebrating Kenner's new DC-themed Super Powers toy line. Together with such creative collaborators as Joey Cavalieri, Adrian Gonzales and Paul Kupperberg, Kirby revisited all of DC's greatest heroes and villains in the pages of SUPER POWERS, and launched them through time and space into the kind of cosmic adventure that only the King of Comics could deliver! Jack Kirby reinvented the superhero genre with his sprawling saga of the Fourth World—a bold storytelling vision that was decades ahead of its time. In honor of this extraordinary talent's

centennial, DC Comics is proud to re-present the groundbreaking work of the King of Comics in a brand-new series of trade paperback editions collecting his classic DC titles in all their four-color glory! Revisit this bygone era—and thrill to the imaginative power of one of the medium's greatest masters—in SUPER POWERS BY JACK KIRBY, collecting both of the dimension-spanning sagas that capped off the King's triumphant tenure at DC. Collects SUPER POWERS #1-6.

Swamp Thing: Roots of Terror Deluxe Edition - Christine Valada 2019-07-16

In this new collection, Swamp Thing is out of his element as he shepherds a lost boy through a blinding blizzard and other hazards of a strange, frozen tundra. In this touching and harrowing tale of survival, the pair must navigate countless threats throughout a bewildering terrain—with a bloodthirsty snow monster hot on their heels. But how long can they rely on each other? Plus, on Halloween, the barrier between worlds grows thin—and only the Swamp Thing is strong enough to face the monsters that come from the other side. In addition, this book features the final Swamp Thing story from the monster's co-creator, Len Wein. Originally intended as the start of a new series, it is presented here with art by Kelley Jones. Collects stories from SWAMP THING WINTER SPECIAL #1, SWAMP THING HALLOWEEN HORROR GIANT #1 and stories from CURSED COMICS CAVALCADE #1 and YOUNG MONSTERS IN LOVE #1.

Star Trek Gold Key 100-page Spectacular - Dick Wood 2017-03-01
IDW presents this special 100-page collection of classic Gold Key Star Trek comics. Created by writers and artists who had not seen the show often (or at all) and worked off of whatever publicity materials they could get their hands on, the Gold Key Comics are true 1960s gems. Needless to say, the end results were definitely unusual - and very un-Trek in some cases (A blond Scotty! Spock kills! The Enterprise belches fire!). Collecting "The Planet of No Return," "The Youth Trap," and "The Enterprise Mutiny," this special also features a history of the Star Trek Gold Key comics by author Joe Berenato.

Joothan - Omprakash Valmiki 2008-07-02

Omprakash Valmiki describes his life as an untouchable, or Dalit, in the newly independent India of the 1950s. "Joothan" refers to scraps of food left on a plate, destined for the garbage or animals. India's untouchables have been forced to accept and eat joothan for centuries, and the word encapsulates the pain, humiliation, and poverty of a community forced to live at the bottom of India's social pyramid. Although untouchability was abolished in 1949, Dalits continued to face discrimination, economic deprivation, violence, and ridicule. Valmiki shares his heroic struggle to survive a preordained life of perpetual physical and mental persecution and his transformation into a speaking subject under the influence of the great Dalit political leader, B. R. Ambedkar. A document of the long-silenced and long-denied sufferings of the Dalits, Joothan is a major contribution to the archives of Dalit history and a manifesto for the revolutionary transformation of society and human consciousness.

Exploring Indian Modernities - Leïla Choukroune 2018-06-04

This book analyses how multiple and hybrid 'modernities' have been shaped in colonial and postcolonial India from the lens of sociology and anthropology, literature, media and cultural studies, law and political economy. It discusses the ideas that shaped these modernities as well as the lived experience and practice of these modernities. The two broad foci in this book are: (a) The dynamism of modern institutions in India, delineating the specific ways in which ideas of modernity have come to define these institutions and how institutional innovations have shaped modernities; and (b) perspectives on everyday practices of modernities and the cultural constituents of being modern. This book provides an enriching read by bringing together original papers from diverse disciplines and from renowned as well as upcoming scholars.

Gender and Caste - Anupama Rao 2005-07-08

Most of the essays in this collection have emerged in the context of a renewed national debate about the politics of caste inaugurated by the Mandal decision in 1989--a decision that has renewed demands for social

justice by dalits and lower-castes. Dalit-bahujan feminists go beyond arguing that Indian feminism is incomplete and exclusive and suggest that we rethink the genealogy of Indian feminism in order to engage meaningfully with dalit women's "difference" from the ideal subjects of feminist politics.

Lois Lane and the Friendship Challenge - Grace Ellis 2020-08-11

From New York Times bestselling author Grace Ellis (Lumberjanes) and artist Brittney Williams (Goldie Vance) comes a new story about 13-year-old Lois Lane as she navigates the confusing worlds of social media and friendship. It's the first day of summer break in the sleepy town of Liberty View, and young Lois Lane bursts onto the scene with what she knows is a sure-to-go-viral video channel. Okay, maybe her platform only receives two views a week (thanks, Mom), and maybe her best friend, Kristen, isn't quite as enthusiastic about social media, but when Lois sets her mind on something, there's no turning back. At the end of the week, the big neighborhood barbecue and bike race will be the perfect backdrop to Lois and Kristen's #friendshipchallenge video. But when the girls find out the annual fireworks are missing, Lois doubles down on her efforts for fame, testing her friendship in ways she couldn't imagine. With Kristen leaving for sleepaway camp after the barbecue and a new girl on the block taking all of Kristen's attention, will Lois be able to find the missing fireworks, celebrate the summer, and post the best #friendshipchallenge the internet has ever seen? Or will she have to face her challenges IRL?

The Rumor of Globalization - Bhāskara Mukhopādhyāya 2012

Drawing on recent theories in virtuality, performativity, and governmentality studies, while incorporating the insights of postcolonial activist scholarship of the global South, this book radically renegotiates the idea of the global and the local within an Indian vernacular context. Six provocative chapters weigh the significance of events, objects, histories, and episodes, interrogating what Frantz Fanon called the zone

of occult instability where the people dwell. They examine the quotidian commodity fetishism practiced by rural cargo cults, which find themselves easily swayed by the rumors of the bazaar, such as the widely held belief that China dumps waste in communist Calcutta. Chapters consider desi cyberporn and its strange obsession with the figure of Gandhi and fat aunties; Indo-Persian travelogues of journeys throughout England and women's travel narratives of a modernizing Japan, all embodying local traditions of cosmopolitanism; folk scroll paintings of 9/11; and the vernacular civic traditions of urbanism embedded in the grotty photographs of slums. Ultimately, this book deploys fabulation, a distinct ethnography highly sensitive to subaltern political aspirations, to study vernacular India's encounter with outsized globalizing forces. Throughout, the work maintains a broad commitment to Marxist theory, subaltern studies scholarship, and poststructuralist theory.
