Musimathics, Volume 1 - Gareth Loy 2011-08-19

A commonsense, self-contained introduction to the mathematics and physics of music; essential reading for musicians, music engineers, and anyone interested in the intersection of art and science. "Mathematics can be as effortless as humming a tune, if you know the tune," writes Gareth Loy. In *Musimathics*, Loy teaches us the tune, providing a friendly and spirited tour of the mathematics of music—a commonsense, self-contained introduction for the nonspecialist reader. It is designed for musicians who find their art increasingly mediated by technology, and for anyone who is interested in the intersection of art and science. In Volume 1, Loy presents the materials of music (notes, intervals, and scales); the physical properties of music (frequency, amplitude, duration, and timbre); the perception of music and sound (how we hear); and music composition. Calling himself "a composer seduced into mathematics," Loy provides answers to foundational questions about the mathematics of music accessibly yet rigorously. The examples given are all practical problems in music and audio. Additional material can be found at

The Rumi Daybook - Kabir Helminski 2011-11-22

"My heart wandered through the world constantly seeking after my cure, but the sweet and delicious water of life had to break through the granite of my heart." When the words of Rumi enter your heart, something softens, breaks, and is subtly reborn. That he wrote the words seven hundred years ago in a medieval Persian world that bears little resemblance to ours makes their uncanny resonance to us today just that much more remarkable. Here is a treasury of daily wisdom from this most beloved of all the Sufi masters—both his prose and his ecstatic poetry—that you can use to start every day for a year, or that you can dip into for inspiration any time you need to break through the granite of your heart.

Beautiful Sins - Piper Lawson 2021-06-23

Enjoy this steamy British billionaire romance novel from USA Today bestselling author Piper Lawson! I swore I'd cut Harrison King out of my life, and my bed, forever. The second my contract with the ruthless billionaire who owned me was up... I ran. Not knowing that decision would only twist the web around us tighter. Now, he's back, and the sins of his past threaten to destroy us both. He still thirsts for power and vengeance. But his secrets run deeper than I knew. This time, he wants me to stand by his side. A Spring Affair - Milly Johnson 2009-04-06

From the Sunday Times bestseller comes a stunning novel that will warm your heart 'The feeling you get when you read a Milly Johnson book should be bottled and made available on the NHS' Debbie Johnson 'Clear your house and clear your mind. Don't let life's clutter dictate to you. Throw it away and take back the control!' When Lou Winter picks up a dog-eared magazine in the dentist's waiting room and spots an article about clearing clutter, she little realises how it will change her life. What begins as an earnest spring clean soon spirals out of control. Lou's loved ones grow disgruntled. Why is clearing out cupboards suddenly more important than making his breakfast, her husband Phil wonders? The truth is, the more rubbish Lou lets go of, the more light and air can get to those painful, closed-up places at the centre of her heart. Even lovely Tom Broom, the man who delivers

Lou's skips, starts to grow concerned about his sweetest customer. But Lou is a woman on a mission, and not even she knows where it will end . . . Praise for Milly Johnson: 'Every time you discover a new Milly book, it's like finding a pot of gold' heat 'A glorious, heartfelt novel' Rowan Coleman 'Absolutely loved it. Just Parker - K.C. O'Neill 2015-02-15

They say hate is a strong word, but Eileen Parker is certainly no stranger to it. Parker hates her first name, hates her apartment, hates her life. Which, sure, sounds a bit cynical, but after the life that she's led so far, you really can't blame her. With her sophomore year of college overshadowed by circumstances that she never expected, Parker just wants to keep her head down, pass her classes, and take care of the responsibilities that are threatening to destroy her. And then she meets Ash. Ashton Carter is working to fix the messes that he's made, but he's still struggling with dark memories of a night that changed his life. He's definitely not looking for someone to spend forever with, but when he meets Parker, his life changes once again. It doesn't bother him that Parker adamantly refuses to admit to the chemistry between them, or that she's determined to keep him at arms length. Ash is convinced that Parker is everything he never knew he needed, and he's not about to let her slip away. Fighting against overwhelming insecurities and secrets that feel too big to share, the two must make a choice. They can keep running from their pasts, or they can confront them and face their future together. ***This is the first book in a series of standalone novels. Due to adult language/situations and mild drug use, this book is recommended for readers 18+.

Ride Me Dirty - Vanessa Vale 2017-04-06

Catherine is forced to choose the life she really wants: the big-city lawyer or the small town cowgirl with two men who want to take her for a very dirty ride. Her life's in New York. The property she's inherited is in Bridgewater, Montana. Going back to the town she visited every summer as a child stirs up long forgotten memories and a girlhood crush, on not one teen-turned-hot-cowboy, but two. Jack and Sam. Fortunately for her, in Bridgewater, one cowboy's never enough. Founded on Goodbye - Kat Singleton 2021

His songs were better when he had a broken heart. That sentence would change my life after my dream job was dished to me on a shiny, silver platter. All I had to do? Hurt Nash Pierce enough to get him writing good music again. The pop icon's songs were no longer the phenomena they used to be. His team needed another breakthrough album--like the first he'd penned, using his heartbreak as fuel. The plan was simple: I'd go on tour with him as a backup dancer...and make him fall in love with me. I was hired to inspire--to become embedded into every lyric he wrote. Then, I was to set fire to it all--to destroy every feeling we hoped he'd develop for me. It seemed simple enough. Easy, even. I didn't expect to be consumed myself--to see so much in the man displayed in the tabloids. I didn't foresee falling for him. It didn't occur to me that, while attempting to break his heart, I might just shatter my own. Most of all, I never thought I'd fight so hard to hold on to a relationship that had always been founded on goodbye.

Design Methodology for Intelligent Technical Systems - Jürgen Gausemeier

2014-01-28

Intelligent technical systems, which combine mechanical, electrical and software engineering with control engineering and advanced mathematics, go far beyond the

state of the art in mechatronics and open up fascinating perspectives. Among these systems are so-called self-optimizing systems, which are able to adapt their behavior autonomously and flexibly to changing operating conditions. Self-optimizing systems create high value for example in terms of energy and resource efficiency as well as reliability. The Collaborative Research Center 614 "Self-optimizing Concepts and Structures in Mechanical Engineering" pursued the long-term aim to open up the active paradigm of self-optimization for mechanical engineering and to enable others to develop self-optimizing systems. This book is directed to researchers and practitioners alike. It provides a design methodology for the development of self-optimizing systems consisting of a reference process, methods, and tools. The reference process is divided into two phases the domain-spanning conceptual design and the domain-specific design and development. For the conceptual design a holistic approach is provided. Domain-specific methods and tools developed especially for the design and development of self-optimizing systems are described and illustrated by application examples. This book will enable the reader to identify the potential for self-optimization and to develop self-optimizing systems independently.

Seducing Lauren - Kristen Proby 2014-08-19

Falling For the Baron - Anya Cade 2021-06-17

She must marry. But she'll do it her way. And she has a plan... Caroline Whitfield has it all figured out. Since all young ladies of the ton must marry, she plans to do just that. The only romances she's interested in are between the pages of her beloved books, so love is not a consideration. She needs a husband willing to let her live her own life, and who better than a man for whom a wife is an inconvenience packed off to the country? Which means only one type of man will do...She needs a rake, a man who will barely notice his own wife in favour of his own pursuits. It's the perfect plan. All she has to do is not fall in love... And most definitely not with the irritatingly handsome Baron Huntingford. He needs a wife. Preferably someone who is not Miss Whitfield... More at home on the battlefield than in a ballroom, Aaron, Baron Huntingford, is still getting used to his title and being a man of leisure rather than a soldier. A rake with a dangerous reputation he's used to any woman he wants falling at his feet, but Miss Whitfield is not like other debutantes. For one thing, she seems to actively dislike him. For another, she's his best friend's new sister-in-law, and therefore off limits. Never mind that he craves her touch and to find out if her lips taste as sweet as they look. But when he finds out about her scheme to bring a rake to the altar, all bets are off. If she wants a rake, she'll get one. Him. The Architecture of Natural Cooling - Brian Ford 2019-11-15

Overheating in buildings is commonplace. This book describes how we can keep cool without conventional air-conditioning: improving comfort and productivity while reducing energy costs and carbon emissions. It provides architects, engineers and policy makers with a 'how-to' guide to the application of natural cooling in new and existing buildings. It demonstrates, through reference to numerous examples, that natural cooling is viable in most climates around the world. This completely revised and expanded second edition includes: An overview of natural cooling past and present. Guidance on the principles and strategies that can be adopted. A review of the applicability of different strategies. Explanation of simplified tools for performance assessment. A review of components and controls. A detailed evaluation of case studies from the USA, Europe, India and China. This book is not just for the technical specialist, as it also provides a general grounding in how to avoid or minimise air-conditioning. Importantly, it demonstrates that understanding our environment, rather than fighting it, will help us to live sustainably in our rapidly warming world.

Guarding the Single Mother - Leslie North

Retired Navy SEAL, Clint Backwater, enjoys his solitary life as owner of the Ask Questions Later gun range. It's the kind of place you find because you know a guy. So when Leila Ortiz, a petite woman with a "baby on board" sticker on the back of her car—and an 18-month-old boy in her arms—shows up at the range, panicked and desperate for a gun, he knows something is wrong. Having grown up in the foster system, Clint has seen what happens when you let yourself get too invested—things get messy, people leave. He made himself a promise to never get emotionally

involved again, but the former SEAL in him feels the tug to help this woman and her child. Leila's ex-husband is being released from prison early on good behavior and she found out too late. He was supposed to serve five years, not two, and Leila is unprepared to protect herself and her son. She promised him they'd never run again—they've made a nice life for themselves and the last thing she wants to do is leave it all behind. When Clint refuses to give Leila a gun without lessons, she agrees to return to the range to learn. At first, Leila won't say why she's so desperate for protection, but when the threats from her ex escalate, it becomes clear what she's afraid of. Clint is a loner. Always has been, always will be. So when Leila and her little son enter his life, it hits him—hard—maybe being alone isn't what he needs. Still, having his solitary life disrupted when he invites the little family into his home is a bit tougher to take than he thought. With Leila and her son in danger, though, he'll do whatever it takes to keep them safe—even putting up with stray toys and changing a nappy or two. But the biggest danger might be to his heart, when it starts to look like the safest thing for Leila and her baby might be to leave her problems—and her budding relationship with Clint—behind.

Kemp: Riders of Fury - Jonathan Lunn 2020-07-30

The Hundred Years' War sets Brittany ablaze in this unputdownable medieval adventure. Into a land torn by civil war rides freebooter Martin Kemp, in search of a lord in whose service he can win plunder and glory. Soon he falls under the spell of charismatic outlaw Sir Ranulf FitzWaryn, who entertains grandiose ambitions of ruling over his own personal fiefdom. The higher Kemp rises through the ranks of FitzWaryn's band, the more he realises the price of success might be his very soul. When a French Army comes seeking a reckoning, Kemp's loyalties are divided between his king and the woman he loves, forcing him to gamble all against impossible odds on the battlefield. A thrilling historical series, the bestselling Arrows of Albion series is perfect for fans of Conn Iggulden and Bernard Cornwell. *Chasing the Monkey King* - D.C. Alexander 2016-12-12

"A compelling read. The dialogue is witty, the plot intriguing, and the settings enthralling." —Robert Dugoni, Internationally Best-Selling Author of My Sister's Grave "Opens your eyes to the fascinating reality of our so-called trade war with China." —Coast Reviews A U.S. government investigator vanishes while on assignment in China. Former detective Lars Severin is hired by the investigator's family—mysterious scions of an international trade dynasty—to find out what happened to her. Was her disappearance the result of a random act of violence or something more sinister? Did she uncover something that drove a hidden enemy to make her disappear? Could she still be alive? Severin's quest casts him into a labyrinth of double-dealing and conspiracy, taking him from the misty streets and alleys of Seattle's old Chinatown neighborhood, to the corridors of power in Washington, D.C., to the dazzling city of Shanghai, to the ancient heart of rural China. The case grows more complicated with each step Severin takes, until all at once he realizes that his own life is in great danger.

The Daddy and The Dom - Julia Sykes 2019-09-01

MfM ménage romance from USA Today bestselling author Julia Sykes Two darkly domineering alpha males. They say I don't have to choose. They both want me. Together. The three of us. I was meant to be theirs: Joseph, my sweet first love, and Marco, his sternly intimidating best friend. I know they're dangerous men, but being with them doesn't feel wrong. When they hold me in their arms, I feel safe, cherished. I'm still their captive, but I'm no longer certain if I want to be free of them. They swear they only kidnapped me for my own protection, and after a

terrifying attack by one of their enemies, I'm starting to believe them. If I give myself to them, can my alluring criminal captors protect me? Or is their world too dangerous for even their strong arms to shield me from harm? Keywords: MfM ménage, Daddy romance, mafia romance, kidnapping, romantic suspense, new adult

Five Dates with the Billionaire - Alyssa J. Montgomery 2020-11-01

A USA TODAY BESTSELLER 'I'm insisting you date her. Five dates together, then I'll have this surgery.' Billionaire CEO Connor Stewart is being blackmailed. By his own grandmother, no less, who is refusing to have life-saving surgery unless Connor dates Mia Simms, his dull and dowdy marketing employee. For Violet's sake, Connor agrees to the crazy scheme. There's no risk of breaking his 'short-term

only' rule with Mia Simms; she's not the kind of woman Connor is interested in ... and he's sure she's hiding something. He just doesn't expect it to be delicious curves and a firecracker personality. Mia Simms is hiding something, and it's much more dangerous than her looks. All she wants to do is live life in the safety of the shadows and avoid discovery. But perhaps a short-term fling is exactly what she needs to remind her to live. But what if Violet is right to push them together? Can Mia trust Connor enough to let him see the real person behind the facade she's built? Or is Violet's little scheme about to put both their lives in danger?
