The Berlin Boxing Club - Robert Sharenow

2011-05-17

Sydney Taylor Award-winning novel Berlin Boxing Club is loosely inspired by the true story of boxer

Max Schmeling's experiences following

Kristallnacht. Publishers Weekly called it "a masterful historical novel" in a starred review.

Karl Stern has never thought of himself as a Jew;

after all, he's never even been in a synagogue. But the bullies at his school in Nazi-era Berlin don't care that Karl's family doesn't practice religion. Demoralized by their attacks against a heritage he doesn't accept as his own, Karl longs to prove his worth. Then Max Schmeling, champion boxer and German hero, makes a deal with Karl's father to give Karl boxing lessons. A skilled cartoonist, Karl has never had an interest in boxing, but now it seems like the perfect chance to reinvent himself. But when Nazi violence against Jews escalates, Karl must take on a new role: family protector. And as Max's fame forces him to associate with Nazi elites, Karl begins to wonder where his hero's sympathies truly lie. Can Karl balance his boxing dreams with his obligation to keep his family out of harm's way? Includes an author's note and sources page detailing the factual inspirations behind the novel.

Girl Last Seen - Nina Laurin 2017-06-20

Two missing girls. Thirteen years apart. An intense psychological thriller for readers of *I Am Watching You*, *The Luckiest Girl Alive*, and *All the Missing Girls*. Olivia Shaw has been missing since last Tuesday. She was last seen outside the entrance of her elementary school in Hunts Point

wearing a white spring jacket, blue jeans, and pink boots. I force myself to look at the face in the photo, into her slightly smudged features, and I can't bring myself to move. Olivia Shaw could be my mirror image, rewind to thirteen years ago. If you have any knowledge of Olivia Shaw's whereabouts or any relevant information, please contact... I've spent a long time peering into the faces of girls on missing posters, wondering which one replaced me in that basement. But they were never quite the right age, the right look, the right circumstances. Until Olivia Shaw, missing for one week tomorrow. Whoever stole me was never found. But since I was taken, there hasn't been another girl. And now there is.

Love, Lucas - Chantele Sedgwick 2015-05-05
A 2015 Whitney Award Nominee! A powerful story of loss, second chances, and first love, reminiscent of Sarah Dessen and John Green. When Oakley Nelson loses her older brother, Lucas, to cancer, she thinks she'll never recover.

Between her parents' arguing and the battle she's fighting with depression, she feels nothing inside but a hollow emptiness. When Mom suggests they spend a few months in California with Aunt Jo, Oakley isn't sure a change of scenery will alter anything, but she's willing to give it a try. In California, Oakley discovers a sort of safety and freedom in Aunt Jo's beach house. Once they're settled, Mom hands her a notebook full of letters addressed to her—from Lucas. As Oakley reads one each day, she realizes how much he loved her, and each letter challenges her to be better and to continue to enjoy her life. He wants her to move on. If only it were that easy. But then a surfer named Carson comes into her life, and Oakley is blindsided. He makes her feel again. As she lets him in, she is surprised by how much she cares for him, and that's when things get complicated. How can she fall in love and be happy when Lucas never got the chance to do those very same things? With her brother's dying words as guidance, Oakley knows she must

learn to listen and trust again. But will she have to leave the past behind to find happiness in the future? The Girl Who Wrote in Silk - Kelli Estes

2015-07-07

A USA TODAY BESTSELLER! "A powerful debut that proves the threads that interweave our lives can withstand time and any tide, and bind our hearts forever."—Susanna Kearsley, New York Times bestselling author of *Belleweather* and *The Vanished Days* A historical novel inspired by true

events, Kelli Estes's brilliant and atmospheric debut is a poignant tale of two women determined to do the right thing, highlighting the power of our own stories. The smallest items can hold centuries of secrets... While exploring her aunt's island estate, Inara Erickson is captivated by an elaborately stitched piece of fabric hidden in the house. The truth behind the silk sleeve dated back to 1886, when Mei Lien, the lone survivor of a cruel purge of the Chinese in Seattle found refuge on Orcas Island and shared her tragic experience by embroidering it. As Inara peels back layer upon layer of the centuries of secrets the sleeve holds, her life becomes interwoven with that of Mei Lein. Through the stories Mei Lein tells in silk, Inara uncovers a tragic truth that will shake her family to its core—and force her to make an impossible choice. Should she bring shame to her family and risk everything by telling the truth, or tell no one and dishonor Mei Lien's memory? A touching and tender book for fans of Marie Benedict, Susanna

Kearsley, and Duncan Jepson, *The Girl Who Wrote in Silk* is a dual-time period novel that explores how a delicate piece of silk interweaves the past and the present, reminding us that today's actions have far reaching implications. Praise for *The Girl Who Wrote in Silk*: "A beautiful, elegiac novel, as finely and delicately woven as the title suggests. Kelli Estes spins a spellbinding tale that illuminates the past in all its brutality and beauty, and the humanity that binds us all together."

—Susan Wiggs, New York Times bestselling author of *The Beekeeper's Ball* "A touching and tender story about discovering the past to bring peace to the present." —Duncan Jepson, author of *All the Flowers in Shanghai* "Vibrant and tragic, *The Girl Who Wrote in Silk* explores a horrific, little-known era in our nation's history. Estes sensitively alternates between Mei Lien, a young Chinese-American girl who lived in the late 1800s, and Inara, a modern recent college grad who sets Mei Lien's story free." —Margaret Dilloway, author of *How to Be an American*

Seventeen-year-old Lyra Daniels can't truly blame Einstein or her parents for their impending move across the Milky Way Galaxy. It's all due to the invention of the Q-net, which made traveling the vast distances in space possible—with one big caveat: the time dilation. What they didn't expect to find is life-sized terracotta Warriors buried on twenty-one different exoplanets. ... Make that twenty-two. As the Galaxy's leading experts on the Warriors, Lyra's parents are thrilled by the new discovery, sending them—and her—fifty years into the future. Her social life in ruins, she fills her lonely days by illegally worming into the Q-net. The only person close to her age is the annoyingly irresistible security officer who threatens to throw her into the brig.

After the planet they just left goes silent—meaning no communications from them at all—security has bigger problems to deal with than Lyra, especially when vital data files go missing. But that's just the beginning, because they're not as alone as they thought on their new planet... and suddenly time isn't the only thing working against them.
