Learn that it is safe to embrace the sacred dark, for there is much wisdom there. As a matter of fact, much is taken from my own personal Book of Shadows, where I reveal the inner mysteries of rites, beliefs and also the practices of the Old Religion. This book, *The Book of Shadows* will challenge your own perceptions as you explore the Eleusinian Mysteries, and begin to understand the role of the journey to the underworld. You will gain a new sense of the rich heritage that was passed on from the Old Ways in Southern Italy. Also in this Book are comparatives of different religions and how at the core they all connect together as one. Some examples of the exploration of this include: the resurrection of Jesus and the return of Persephone to the land of the living. Shedding new light on how both are an allegory of the journey of

the soul. The Old Ways have their roots in the Indus Valley, it is delved into; where by speculating that they then eventually traveled to other lands.

Welcome to Shadowhurst, where suburbia hides a secret, and that secret is me. I'm Billie Stonewall, and people want me dead. How I ended up as the only witch in a high school full of witch hunters is my fault. The High Coven wanted to send me a message after I found myself on the wrong side of a shadower vanquishing. In front of a human. Oops! The message is loud and clear: Survive or die trying. But Shadowhurst Academy isn't so bad... if I ignore the rising number of students who've turned up dead. The problem is, I can't ignore it, and that's where my life gets even more complicated. All signs point to magic, and we all know what that means—yours truly is in deep. Between blending in, searching for an elusive murderer, and keeping my magic under control, I'm in a world of hurt. Who knew being a witch could be so dangerous? The Shadowhurst Mysteries features a spunky heroine, forbidden love stories, power-hungry covens and magic you won't be able to get enough of! If you like witchy stories full of twists and turns, you'll love A.N.Sage's new urban fantasy series!

Simple Book of Shadows - Jodi Rose Crump 2022-10

Would you like to learn more about being a witch without stealing from other people's cultures? In this book, Jodi shares how she organically figured out how to be a witch just by paying attention to Mother Nature around her, and listening to her inner wisdom and history. She didn't have money to buy "all the things," so she had to make do with what was already in her home, or what she could find in Mother Nature around her and in her travels. If more people understood what being a witch, true to ourselves was about, the fear of witches would subside. This book includes basics of the craft, how to create your own simple spells, and ways to honor the seasons of the year. The last portion of the book has simple recipes to honor the holidays, it's a way to share your craft in a safe way with the people you love.
